## SUBCHAPTER I

## CONSTRUCTION LIENS

**779.01 Construction liens. (1) NAME OF LAW.** This subchapter may be referred to as the construction lien law.

**(2) DEFINITIONS.** In this subchapter unless the context or subject matter requires otherwise:

(a) "Improve" or "improvement" includes any building, structure, erection, fixture, demolition, alteration, excavation, filling, grading, tiling, planting, clearing or landscaping which is built, erected, made or done on or to land for its permanent benefit. This enumeration is intended as an extension rather than a limitation of the normal meaning and scope of "improve" and "improvement".

(b) "Lien claimant" means any person who claims a lien under this section pursuant to a contract for improvement of land entered into by an owner of the land.

(c) "Owner" means the owner of any interest in land who, personally or through an agent, enters into a contract, express or implied, for the improvement of the land. Agency will be presumed, in the absence of clear and convincing evidence to the contrary, between employer and employe, between spouses, between joint tenants and among tenants in common, but there shall be a similar presumption against agency in all other cases.

(d) "Prime contractor" means:

1. A person, other than a laborer, but including an architect, professional engineer, or surveyor employed by the owner, who enters into a contract with an owner of land who is not personally the prime contractor as defined in subd. 2 to improve the land, or who takes over from a prime contractor the uncompleted contract; or

2. An owner of land who acts personally as general contractor in improving such land.

**(3) EXTENT AND CHARACTER OF LIEN.** Every person who performs any work or procures its performance or furnishes any labor or materials or plans or specifications for the improvement of land, and who complies with s. 779.02, shall have a lien therefor on all interests in the land belonging to its owners. The lien extends to all contiguous land of the owner, but if the improvement is located wholly on one or more platted lots belonging to the owner, the lien applies only to the lots on which the improvement is located.

**(4) PRIORITY OF CONSTRUCTION LIEN.** The lien provided in subd. (3) shall be prior to any lien which originates subsequent to the visible commencement in place of the work of improvement, except as otherwise provided by ss. 215.21 (4) (a) and 706.11 (1). When new construction is the principal improvement involved, commencement is deemed to occur no earlier than the beginning of substantial excavation for the foundations, footings or base of the new construction, except where the new construction is to be added to a substantial existing

structure, in which case the commencement is the time of the beginning of substantial excavation or the time of the beginning of substantial preparation of the existing structure to receive the added new construction, whichever is earlier. The lien also shall be prior to any unrecorded mortgage given prior to the commencement of the work of improvement, if the lien claimant has no actual notice of the mortgage before the commencement. Lien claimants who perform work or procure its performance or furnish any labor or materials or plans or specifications for an improvement prior to the visible commencement of the work of improvement shall have lien rights, but shall have only the priority accorded to other lien claimants.

(5) **ASSIGNMENT OF LIEN, GARNISHMENT.** Assignment of a claim or right to a lien or any part thereof by a prime contractor, or garnishment by the creditor of a prime contractor, subcontractor, materialman, laborer or mechanic, shall not operate to compel the owner, prime contractor, subcontractor or materialman to pay the assignee or creditor until the lien claims of subcontractors, materialmen and laborers under this subchapter have either been paid in full, matured by notice and filing or expired. If such claims become liens, the owner, prime contractor, subcontractor or materialman shall be compelled to pay such assignee or creditor only what remains due in excess of such liens.

**History:** 1973 c. 231; 1979 c. 32 ss. 57, 92 (9); 1979 c. 176; 1983 a. 189.

Mechanics' liens did not accrue by virtue of the surveyor's placing stakes indicating the street layout although performed before the mortgage was recorded, for staking is not a visible commencement of improvement work. *Mortgage Associates v. Monona Shores*, 47 W (2d) 171, 177 NW (2d) 340.

Public policy does not require that financial institutions notify contractors that the owner is or may be in default. *Mortgage Associates v. Monona Shores*, 47 W (2d) 171, 177 NW (2d) 340.

In complaint to foreclose construction lien on municipal arena, allegation that lessee of arena was acting as city's agent in contracting for improvements thereto was sufficient to withstand demurrer. *Jas. W. Thomas Const. Co., Inc. v. Madison*, 79 W (2d) 345, 255 NW (2d) 551.

Architects' lien was unenforceable prior to the visible commencement of construction. *Goebel v. National Exchangers, Inc.* 88 W (2d) 596, 277 NW (2d) 755 (1979).

Prospective buyer under purchase contract was not an "owner" under (2) (d). *C. R. Stocks, Inc. v. Blakely's Matterhorn, Inc.* 90 W (2d) 118, 279 NW (2d) 499 (Ct. App. 1979).

**779.02 Notice required to preserve lien rights; exceptions; saving clause; obligations of contractors. (1) EXCEPTIONS TO NOTICE REQUIREMENT.** The notice required to be given by lien claimants under sub. (2) shall not be required to be given in the following cases only:

(a) By any laborer or mechanic employed by any prime contractor or subcontractor.

(b) By any lien claimant who has contracted directly with the owner for the work or materials furnished, unless the claimant is a prime contractor subject to the notice requirement of sub. (2) (a).

(c) By any lien claimant furnishing labor or materials for an improvement in any case where more than 4 family living units are to be provided or added by such work of improvement, if the improvement is wholly residential in character, or in any case where more than 10,000 total usable square feet of floor space is to be provided or added by such work of improvement, if the improvement is partly or wholly nonresidential in character.

(d) By any prime contractor who is personally an owner of the land to be improved, by any corporate prime contractor of which an owner of the land is an officer or controlling shareholder, by any prime contractor who is an officer or controlling shareholder of a corporation which is an owner of the land or by any corporate prime contractor managed or controlled by substantially the same persons who manage or control a corporation which is an owner of the land.

(e) By any lien claimant, other than a prime contractor, who furnishes labor or materials for an improvement on a project on which the prime contractor is not required to give notice under this section.

(2) **NOTICE TO OWNER, LENDER AND MATERIALMAN.** (a) Every prime contractor who enters into a contract with the owner for a work of improvement on the owner's land and who has contracted or will contract with any subcontractors or materialmen to provide labor or materials for the work of improvement shall include in any written contract with the owner the notice required by this paragraph, and shall provide the owner with a copy of the written contract. If no written contract for the work of improvement is entered into, the notice shall be prepared separately and served personally or by registered mail on the owner or authorized agent within 10 days after the first labor or materials are furnished for the improvement by or pursuant to the authority of the prime contractor. The notice, whether included in a written contract or separately given, shall be in at least 8-point bold type, if printed, or in capital letters, if typewritten. It shall be in substantially the following language: "As required by the Wisconsin construction lien law, builder hereby notifies owner that persons or companies furnishing labor or materials for the construction on owner's land may have lien rights on owner's land and buildings if not paid. Those entitled to lien rights, in addition to the undersigned builder, are those who contract directly with the owner or those who give the owner notice within 60 days after they first furnish labor or materials for the construction. Accordingly, owner probably will receive notices from those who furnish labor or materials for the construction, and should give a copy of each notice received to the mortgage lender, if any. Builder agrees to cooperate with the owner and the owner's lender, if any, to see that all potential lien claimants are duly paid".

(b) Every person other than a prime contractor who furnishes labor or materials for an improvement shall have the lien and remedy under this subchapter only if within 60 days after furnishing the first labor or materials the person gives notice in writing, in 2 signed copies, to the owner either by personal service on the owner or authorized agent or by registered mail with return receipt requested to the owner or authorized agent at the last-known post-office address. The owner or agent shall provide a copy of the notice received, within 10 days after receipt, to any mortgage lender who is furnishing or is to furnish funds for construction of the improvement to which the notice relates. The notice to the owner shall be in substantially the following language, with blanks accurately filled in: "As a part of your construction contract, your contractor or builder has already advised you that those who furnish labor or materials for the work will be notifying you. The undersigned first furnished labor or materials on ....(give date) for the improvement now under construction on your real estate at ....(give legal description, street address or other clear description). Please give your mortgage lender the extra copy of this notice within 10 days after you receive this, so your lender, too, will know that the undersigned is included in the job".

(c) If any prime contractor required to give the notice prescribed in par. (a) fails to give notice as required, such contractor does not have the lien and remedy provided by this subchapter unless the contractor pays all of the contractor's obligations to subcontractors and materialmen in respect to the work of improvement within the time periods under s. 779.06 and until the time for notice under par. (b) has elapsed and no lien claimant under par. (b) gives notice.

(d) Every mortgage lender making an improvement or construction loan shall make reasonable inquiry of the owner

as to whether any notices required by this subsection have been given. A lender is not required to pay out any loan proceeds unless or until the prime contractor has given any notice required of such contractor by this subsection.

(e) If the owner or lender complains of any insufficiency of any notice, the burden of proof is upon the owner or lender to show that he or she has been misled or deceived by the insufficiency. If there is more than one owner, giving the notice required to any one owner or authorized agent is sufficient. In addition, every prime contractor and subcontractor, at the time of purchasing or contracting for any materials to be used in any of the cases enumerated in s. 779.01, shall upon request deliver to the materialman a description of the real estate upon which the materials are to be used and the name and post-office address of the owner and authorized agent, if any. Failure to receive such description and name and address does not relieve a materialman who asserts a lien from the requirement of giving timely notice.

(3) **FAILURE TO GIVE NOTICE; SAVING CLAUSE.** Any lien claimant, other than the prime contractor, who fails to give a notice as required by sub. (2) (b) shall have no lien on the land or improvement to which the failure relates. Any claimant who serves a late but otherwise proper notice personally or by registered mail on the owner or authorized agent shall have the lien provided by s. 779.01 for any labor or materials furnished after the late notice is actually received by the owner. The burden of proving that labor or materials for which a lien is claimed were furnished after that date is on the lien claimant.

(4) **NOTICE AND FILING REQUIREMENTS IN S. 779.06 UNAFFECTED.** Nothing in this section shall be construed to relieve any lien claimant of the notice and filing requirements under s. 779.06.

(5) **THEFT BY CONTRACTORS.** The proceeds of any mortgage on land paid to any prime contractor or any subcontractor for improvements upon the mortgaged premises, and all moneys paid to any prime contractor or subcontractor by any owner for improvements, constitute a trust fund only in the hands of the prime contractor or subcontractor to the amount of all claims due or to become due or owing from the prime contractor or subcontractor for labor and materials used for the improvements, until all the claims have been paid, and shall not be a trust fund in the hands of any other person. The use of any such moneys by any prime contractor or subcontractor for any other purpose until all claims, except those which are the subject of a bona fide dispute and then only to the extent of the amount actually in dispute, have been paid in full or proportionally in cases of a deficiency, is theft by the prime contractor or subcontractor of moneys so misappropriated and is punishable under s. 943.20. If the prime contractor or subcontractor is a corporation, such misappropriation also shall be deemed theft by any officers, directors or agents of the corporation responsible for the misappropriation. Any of such misappropriated moneys which have been received as salary, dividend, loan repayment, capital distribution or otherwise by any shareholder of the corporation not responsible for the misappropriation shall be a civil liability of the shareholder and may be recovered and restored to the trust fund specified in this subsection by action brought by any interested party for that purpose. Except as provided in this subsection, this section does not create a civil cause of action against any other person. Until all claims are paid in full, have matured by notice and filing or have expired, such proceeds and moneys shall not be subject to garnishment, execution, levy or attachment.

(6) **PRIME CONTRACTORS TO DEFEND LIEN ACTIONS.** Where a lien is filed under this subchapter by any person other than the prime contractor, the prime contractor shall defend any action thereon at personal expense, and during the pendency of the action the owner may withhold from the prime contractor the amount for which the lien was filed and sufficient to defray the costs of the action. In case of judgment against the owner, the owner may deduct from any amount due to the prime contractor the amount of the judgment and if the judgment exceeds the amount due, the owner may recover the difference from the prime contractor.

(7) **WRONGFUL USE OF MATERIALS.** Any prime contractor or any subcontractor furnishing materials who purchases materials on credit and represents at the time of making the purchase that the materials are to be used in a designated building or other improvement and thereafter uses or causes them to be used in the construction of any improvement other than that designated, without the written consent of the seller, may be fined not more than \$300 or imprisoned not more than 3 months.

(8) **WAGE PAYMENTS TO LABORER APPLY TO EARLIER WORK.** In any situation where a laborer or mechanic employed by any prime contractor or subcontractor has wage payments due and has worked on more than one improvement for the employer during the period for which the wages are due, and a payment of less than all wages due is made, the payment is deemed to apply to the unpaid work in chronological sequence starting with the earliest unpaid time, unless the laborer agrees in writing that the payment shall be applied in a different way.

**History:** 1973 c. 229, 231; 1975 c. 409; 1979 c. 32 ss. 57, 92 (9); 1979 c. 110 s. 60 (12); 1979 c. 176, 355; 1983 a. 362.

It is not necessary to show that the defendant received benefits from the misappropriation of the trust funds in order for the plaintiff to recover. Also, a showing of wrongful intent is not required to establish liability under (5). *Burmeister Woodwork Co. v. Friedel*, 65 W (2d) 293, 222 NW (2d) 647.

Where lessor defendant has not paid lessee for improvements to lessor's property by lessee's contractor, contractor has claim for unjust enrichment against defendant even though contractor lost its lien rights against defendant by failing to give notice required by (2) (a). *S & M Rotogravure Service, Inc. v. Baer*, 77 W (2d) 454, 252 NW (2d) 913.

Intent to defraud must be proved under (5) when criminal sanctions are sought. *State v. Blaisdell*, 85 W (2d) 172, 270 NW (2d) 69 (1978).

Proof of express refusal to pay is not required for conviction under (5). *State v. Hess*, 99 W (2d) 22, 298 NW (2d) 111 (Ct. App. 1980).

Because entire project was covered by one contract, 3 buildings on 3 adjoining lots constituted single improvement under (1) (c). *Cline-Hanson, Inc. v. Esselman*, 107 W (2d) 381, 319 NW (2d) 829 (1982).

Discussion of (1) (c). *Sullivan Bros. v. State Bank of Union Grove*, 107 W (2d) 641, 321 NW (2d) 545 (Ct. App. 1982).

Moneys paid to the trustee in bankruptcy of an insolvent contractor are not trust funds. *In re Mercury Heating Co* 322 F Supp. 1161.

**779.03 Lien valid unless waived by claimant personally, or unless payment bond furnished. (1) NO AGREEMENT BY OTHER THAN CLAIMANT MAY INVALIDATE LIEN.** Subject to s. 779.05, a lien claimant may waive the lien given by s. 779.01 by a writing signed by him, but no action by nor agreement between any other persons shall invalidate the lien, other than payment in full to the claimant for the labor or materials to which the lien claim relates.

(2) **PAYMENT BOND MAY ELIMINATE LIEN RIGHTS.** In any case where the prime contractor, pursuant to agreement with the owner, has furnished a payment bond under s. 779.035, all liens provided by s. 779.01 except those of any prime contractor do not exist, ss. 779.02 (1) to (4) and (6) and 779.06 do not apply and all claimants who have no lien shall follow the requirements and procedures specified in ss. 779.035 and 779.036.

**History:** 1973 c. 230; 1979 c. 32 ss. 57, 92 (9)

**779.035 Form of contract; payment bond; remedy. (1)** To eliminate lien rights as provided in s. 779.03 (2), the contract between the owner and the prime contractor for the construc-

tion of the improvement shall contain a provision for the payment by the prime contractor of all claims for labor performed and materials or plans or specifications furnished, used or consumed, except plans or specifications furnished by the architect, professional engineer or surveyor employed by the owner, in making such improvement and performing the work of improvement. The contract shall not be effective to eliminate lien rights unless the prime contractor gives a bond issued by a surety company licensed to do business in this state. The bond shall carry a penalty for unpaid claims of not less than the contract price, and shall be conditioned for the payment to every person entitled thereto of all the claims for labor performed, and materials furnished under the contract and subsequent amendments thereto, to be used or consumed in making the improvement or performing the work of improvement as provided in the contract and subsequent amendments thereto. The bond shall be approved by the owner and by any mortgage lender furnishing funds for the construction of the improvement. No assignment, modification or change in the contract, or change in the work covered thereby, or any extension of time for completion of the contract shall release the sureties on the bond.

(2) Any party in interest may, not later than one year after the completion of the contract, maintain an action in his or her own name against the prime contractor and the sureties upon the bond for the recovery of any damages sustained by reason of the failure of the prime contractor to comply with the contract or with the contract between the prime contractor and subcontractors. If the amount realized on the bond is insufficient to satisfy all of the claims of the parties in full, it shall be distributed among the parties proportionally.

(3) In any case in which the improvement contract and bond have been prepared and executed pursuant to sub. (1) upon inquiry by any subcontractor, materialman, laborer or mechanic furnishing labor or materials for said improvement, the prime contractor and the owner shall so advise the person making the inquiry and shall give the person reasonable opportunity to inspect and examine the contract and bond.

**History:** 1973 c. 230; 1979 c. 32 ss. 57, 92 (9); 1979 c. 110 s. 60 (12); 1979 c. 176.

A provision in the contractor's payment bond requiring a supplier of a subcontractor to provide notice to the prime contractor within 90 days after supplying materials in order to secure his rights under the payment bond was not inconsistent with the one-year statute of limitations provided by (2), which was also incorporated into the agreement, and hence was not contrary to public policy. *R. C. Mahon Co. v. Hedrich Construction Co.* 69 W (2d) 456, 230 NW (2d) 621.

**779.036 Contracts with payment bond; lien; notice; duty of owner and lender.** (1) In any case in which an improvement is constructed or to be constructed pursuant to a contract and payment bond under s. 779.035, any person furnishing labor or materials or plans or specifications to be used or consumed in making the improvement, to any prime contractor or subcontractor shall have a lien on the money or other payment due or to become due the prime contractor or subcontractor therefor, if the lienor, before payment is made to the prime contractor or subcontractor, gives written notice of the lienor's claim by registered mail with return receipt requested to the owner or authorized agent and to any mortgage lender furnishing funds for the construction of the improvement. Upon receipt of the notice, the owner and lender shall assure that a sufficient amount is withheld to pay the claim and, when it is admitted by the prime contractor or subcontractor involved or established under sub. (3), shall pay the claim and charge it to the prime contractor or subcontractor as appropriate. Any owner or lender violating this duty shall be liable to the claimant for the damages resulting from the violation. There shall be no preference among lienors serving such notices.

(2) A copy of the notice provided in sub. (1) also shall be served by the lienor, within 7 days after service of the notice upon the owner and lender, upon the prime contractor or subcontractor by registered mail with return receipt requested.

(3) If the prime contractor or subcontractor does not dispute the claim within 30 days after service of written notice under sub. (2), by registered mail with return receipt requested to the owner and lender, the amount claimed shall be paid over to the claimant on demand and charged to the prime contractor or subcontractor pursuant to sub. (1). If the prime contractor or subcontractor disputes the claim, the right to a lien and to the moneys in question shall be determined in an action brought by the claimant or the prime contractor or subcontractor. If the action is not brought within 3 months from the time the notice required by sub. (1) is served, the lien rights under this section are barred.

(4) (a) When the total lien claims exceed the sum due the prime contractor or subcontractor concerned and where the prime contractor or subcontractor has not disputed the amounts of the claims filed, the owner with the concurrence of the lender shall determine on a proportional basis who is entitled to the amount being withheld and shall notify all claimants and the prime contractor or subcontractor in writing of the determination. Unless an action is commenced by a claimant or by the prime contractor or subcontractor within 20 days after the mailing of said notice, the money shall be paid out in accordance with the determination and the liability of the owner and lender to any claimant shall cease.

(b) If an action is commenced, all claimants, the owner and the lender shall be made parties. Such action shall be brought within 6 months after completion of the work of improvement or within the time limit prescribed by par. (a), whichever is earlier.

(c) Within 10 days after the filing of a certified copy of the judgment in any such action with the owner and lender, the money due the prime contractor or subcontractor shall be paid to the clerk of court to be distributed in accordance with the judgment.

**History:** 1979 c. 32 ss. 57, 92 (9); 1979 c. 110 s. 60 (11); 1979 c. 176.

The initial availability to the supplier of a lien on payments made to the subcontractor for the sidewall panels as provided in 289.036, did not preclude the bringing of an action on the payment bond, since nothing in the statute itself indicates it is to be an exclusive remedy, and the legislative history indicates it was intended as a supplementary remedy to the supplier's rights under the payment bond provided for in 289.035. *R. C. Mahon Co. v. Hedrich Construction Co.* 69 W (2d) 456, 230 NW (2d) 621.

**779.04 Claims assignable; notice; prior payment.** All claims for liens and right to recover therefor under this subchapter are assignable. Notice in writing of such assignment may be served upon the owner of the property affected and all payments made by the owner before service of such notice shall discharge the debt to the amount paid. The assignee may file petitions for such liens and may bring an action in the assignee's name to enforce the same, subject to the limitations in s. 779.01 (5).

**History:** 1979 c. 32 ss. 57, 92 (9); 1979 c. 176.

**779.05 Waivers of lien.** (1) Any document signed by a lien claimant or potential claimant and purporting to be a waiver of construction lien rights under this subchapter, is valid and binding as a waiver whether or not consideration was paid therefor and whether the document was signed before or after the labor or material was furnished or contracted for. Any ambiguity in such document shall be construed against the person signing it. Any waiver document shall be deemed to waive all lien rights of the signer for all labor and materials furnished or to be furnished by the claimant at any time for

the improvement to which the waiver relates, except to the extent that the document specifically and expressly limits the waiver to apply to a particular portion of such labor and materials. A lien claimant or potential lien claimant of whom a waiver is requested is entitled to refuse to furnish a waiver unless paid in full for the work or material to which the waiver relates. A waiver furnished is a waiver of lien rights only, and not of any contract rights of the claimant otherwise existing.

(2) A promissory note or other evidence of debt given for any lienable claim shall not be deemed a waiver of lien rights unless the note or other instrument is received as payment and expressly declares that receipt thereof is a waiver of lien rights.

**History:** 1979 c. 32 s. 57.  
See note to 289.15, citing *Druml Co., Inc. v. New Berlin*, 78 W (2d) 305, 254 NW (2d) 265.

**779.06 Filing claim and beginning action; notice required before filing; contents of claim document.** (1) No lien under s. 779.01 shall exist and no action to enforce the same shall be maintained unless within 6 months from the date the lien claimant furnished the last labor or materials a claim for such lien is filed in the office of the clerk of circuit court of the county in which the lands affected thereby lie, and unless within 2 years from the date of filing a claim for lien an action is brought and summons and complaint filed therein. Such claim for lien may be filed and docketed, and action brought, notwithstanding the death of the owner of the property affected thereby or of the person with whom the original contract was made, with like effect as if he or she were then living.

(2) No lien claim may be filed or action brought thereon unless, at least 30 days before timely filing of the lien claim, the lien claimant serves on the owner, personally or by registered mail with return receipt requested, a written notice of intent to file a lien claim. The notice is required to be given whether or not the claimant has been required to and has given a previous notice pursuant to s. 779.02. Such notice shall briefly describe the nature of the claim, its amount and the land and improvement to which it relates.

(3) Such a claim for lien shall have attached thereto a copy of any notice given in compliance with s. 779.02 and a copy of the notice given in compliance with sub. (2), and shall contain a statement of the contract or demand upon which it is founded, the name of the person against whom the demand is claimed, the name of the claimant and any assignee, the last date of the performance of any labor or the furnishing of any materials, a legal description of the property against which the lien is claimed, a statement of the amount claimed and all other material facts in relation thereto. Such claim document shall be signed by the claimant or attorney, need not be verified, and in case of action brought, may be amended, as pleadings are.

**History:** 1979 c. 32 ss. 57, 92 (9); 1979 c. 176.  
Personal service under (2) is subject to less stringent standard than service of summons. Notice under (2) may be given by agent of claimant. *Kruse v. Miller Brewing Co.* 89 W (2d) 522, 279 NW (2d) 198 (1979).  
Limitation period under (1) commenced on date claimant furnished last materials for project, although claimant supplied 2 succeeding subcontractors and 2nd subcontractor paid in full. *Fredrick Redi-Mix, Inc. v. Thomson*, 96 W (2d) 715, 292 NW (2d) 528 (1980).  
Where contractor gave lien notice to initial owner when work commenced and had no notice of subsequent transfer of title, contractor's lien rights prevailed against subsequent owners who received no lien notice. *Wes Podany Const. Co., Inc. v. Nowicki*, 120 W (2d) 319, 354 NW (2d) 755 (Ct. App. 1984).

**779.07 Docket of liens.** (1) Every clerk of the circuit court shall keep a separate docket, entitled "lien docket," in which shall be entered, immediately upon its filing, the proper entries under the appropriate headings specified in this subsection, relative to each claim for lien filed with him, opposite

the names of the persons against whom the lien is claimed. The names shall be entered alphabetically, or an alphabetical index shall be kept as judgment dockets are required by law to be kept. Each page of the docket shall be divided into 9 columns, with headings in the following sequence to the respective columns, as follows:

- (a) Name of person against whom lien is claimed.
- (b) Name of claimant or assignee.
- (c) Attorney for claimant.
- (d) Last date of performance of labor or furnishing materials.
- (e) Description of copies of notices attached to claim when filed.
- (f) Date and time of filing claim.
- (g) Description of property.
- (h) Amount claimed.
- (i) Satisfaction.

(2) Such docket shall be presumptive evidence of the correctness of the entries therein made.

**History:** 1979 c. 32 s. 57.

**779.08 Release of lien; undertaking.** (1) The person against whom a lien is claimed or any other interested party may file with the clerk of court in whose office the claim for lien is filed an undertaking executed by 2 or more sufficient sureties to the effect that the person against whom the lien is claimed shall pay the amount of the claim and all costs and damages which may be awarded against that person on account of the lien or in lieu thereof deposit with the clerk of the court a sum of money, certified check or negotiable government bonds in par value equal to 125% of the claim for lien. The court in which any action to foreclose the lien may be brought shall determine any question of sufficiency of the sureties if exception is taken thereto by the lien claimant within 10 days after notice of the filing of such undertaking or deposit of other security and may upon notice and upon motion of any party, order any sum of money deposited to be invested. The depositor shall be entitled to any income from the investments, certified check or negotiable U.S. government bonds deposited and the clerk shall pay the income to the depositor without order when received or, in the case of coupons, as the income becomes due.

(2) If an undertaking is furnished, it shall be accompanied by the affidavits of the sureties in which each states that the surety is worth, over and above all debts and liabilities in property within this state not exempt from execution, an amount in the aggregate equal to 125% or more of the amount of the claim for lien.

(3) The person against whom the lien is claimed or other interested party depositing the security shall cause to be served upon the lien claimant a notice of the filing of the undertaking or deposit of other security and, if an undertaking, a copy thereof, which notice shall state where and when the undertaking was filed or the security was deposited.

(4) Any action brought after the furnishing of security or pending at the time of the furnishing thereof in accordance with this section shall proceed as if no security had been furnished, except that after the time within which exceptions may be taken to the security, or pursuant to order of the court upon any exception so taken, the clerk shall satisfy the claim for lien of record and discharge any lis pendens filed, and except that the lien thereupon shall attach to the security and the amount adjudged due in the proceeding for foreclosure thereof shall be satisfied out of the security, and the property described in the lien claim shall thenceforth be entirely free of the lien and shall in no way be involved in subsequent proceedings.

(5) If no action to foreclose the lien is brought within the time specified by s. 779.06 (1), the clerk of circuit court in whose office the undertaking or other security was filed or deposited shall on request, and without notice, return the undertaking or security to the party filing or depositing it.

**History:** 1979 c. 32 ss. 57, 92 (9); 1979 c. 176.

**779.09 Foreclosure of lien; procedure; parties.** In the foreclosure of liens mentioned in s. 779.01, ch. 846 shall control as far as applicable unless otherwise provided in this subchapter. All persons having filed claims for liens under s. 779.01 may join as plaintiffs, and if any do not join they may be made defendants. All persons having liens subsequent to such lien may be joined as defendants. If any person who is a proper party is not a party to the action the person may, at any time before judgment, be made a defendant, and any person who after the commencement of the action obtains a lien or becomes a purchaser may, at any time before judgment, be made a defendant.

**History:** 1973 c. 189 s. 20; Sup. Ct. Order, 67 W (2d) 775; 1975 c. 218; 1979 c. 32 ss. 57, 92 (9).

**779.10 Judgment.** The judgment shall adjudge the amount due to each claimant who is a party to the action. It shall direct that the interest of the owner in the premises at the commencement of the work or furnishing the materials for which liens are given and which the owner has since acquired, or so much thereof as is necessary, be sold to satisfy the judgment, and that the proceeds be brought into court with the report of sale to abide the order of the court. If the premises can be sold in parcels without injury to the parties, the court may adjudge that the sale be so made. If the plaintiff fails to establish a lien upon the premises but does establish a right to recover for labor or materials, the plaintiff may have a judgment against the party liable.

**History:** 1979 c. 32 s. 57; 1979 c. 176.

**779.11 Distribution of proceeds of sale.** The several claimants whose liens were established in the action shall be paid without priority among themselves. If the sum realized at the sale under s. 779.10 is insufficient after paying the costs of the action and the costs of making the sale to pay the liens in full they shall be paid proportionally.

**History:** 1979 c. 32 ss. 57, 92 (9); 1979 c. 110 s. 60 (12).

**779.12 Sale; notice and report; deficiency judgment; writ of assistance. (1)** All sales under judgments in accordance with s. 779.10 shall be noticed, conducted and reported in the manner provided for the sale of real estate upon execution and shall be absolute and without redemption. In case such sale is confirmed, the deed given thereon shall be effectual to pass to the purchaser all that interest in the premises which is directed to be sold.

(2) If any deficiency arises upon the sale in the payment of the sums adjudged to be due to any lien claimant, the court, upon confirming such sale, may render judgment therefor if demanded in the pleadings against the defendant legally liable to pay the same which judgment may be docketed and enforced in the same manner that ordinary judgments are. The purchasers at such sale shall be entitled to a writ of assistance under s. 815.63 to obtain possession of the premises sold.

**History:** Sup. Ct. Order, 67 W (2d) 775; 1979 c. 32 ss. 57, 92 (9).

**779.13 Satisfaction of judgment or lien; correction of errors. (1)** Every lien claimant, or the attorney who executed and filed a claim for lien on the claimant's behalf, who has received satisfaction or tender of such claim with the costs of any action brought thereon shall, at the request of any person interested in the premises affected and on payment of the

costs of satisfying the same, execute and deliver the necessary satisfaction to such interested person. On filing the satisfaction with the clerk of circuit court, the clerk shall enter satisfaction of the claim on the lien docket. Failure to execute and deliver the satisfaction or to satisfy the lien on the docket shall render the person so refusing liable to pay to the person requiring the satisfaction a sum equal to one-half of the sum claimed in the claim for lien.

(2) Every lien claimant, or the attorney who executed and filed a claim for lien on the claimant's behalf, who has received from any person interested in the premises described in the claim a written statement that the premises described in the claim are not in fact the premises on which the claimant furnished the work or materials to which the claim relates together with a written demand that the claim be satisfied of record shall, if in fact the statement of such person about the mistaken description is true, promptly satisfy the lien claim of record at the lien claimant's expense. Failure to satisfy the lien claim of record within a reasonable time, if in fact the statement asserting the mistaken description is true, shall render the person so failing liable to pay to the person demanding the satisfaction a sum equal to one-half of the sum claimed in the claim for lien.

**History:** 1979 c. 32 s. 57; 1979 c. 176.

**779.14 Public works, form of contract, bond, remedy. (1)**

(a) All contracts with the state involving \$2,500 or more and all other contracts involving \$500 or more for the performance of labor or furnishing materials when the same pertains to any public improvement or public work shall contain a provision for the payment by the prime contractor of all claims for labor performed and materials furnished, used or consumed in making the public improvement or performing the public work, including, without limitation because of enumeration, fuel, lumber, building materials, machinery, vehicles, tractors, equipment, fixtures, apparatus, tools, appliances, supplies, electric energy, gasoline, motor oil, lubricating oil, greases, state imposed taxes, premiums for worker's compensation insurance and contributions for unemployment compensation.

(b) 1. A contract shall not be made unless the prime contractor gives a bond issued by a surety company licensed to do business in this state. The department of administration may, for state contracts, waive the requirement that contractors furnish bonds when adequate guarantees or warranties are provided for by contract.

2. The bond shall carry a penalty of not less than the contract price, and shall be conditioned for the faithful performance of the contract and the payment to every person entitled thereto of all the claims for labor performed and materials furnished under the contract, to be used or consumed in making the public improvement or performing the public work as provided in the contract and this subsection.

3. The bond shall be approved for the state by the state official authorized to enter the contract, for a county by its district attorney, for a city by its mayor, for a village by its president, for a town by its chairperson, for a school district by its president and for any other public board or body by the presiding officer thereof.

4. No assignment, modification or change of the contract, change in the work covered thereby or extension of time for the completion of the contract may release the sureties on the bond.

5. Neither the invitation for bids nor the person having power to approve the prime contractor's bond may require that the bond be furnished by a specified surety company or through a specified agent or broker.

(2) Not later than one year after the completion of work under the contract, any party in interest may maintain an action in that party's name against the prime contractor and the sureties upon the bond for the recovery of any damages sustained by reason of the failure of the prime contractor to comply with the contract or with the contract between the prime contractor and subcontractors. If the amount realized on the bond is insufficient to satisfy all claims of the parties in full, it shall be distributed among the parties proportionally.

(3) In an action by a county upon the bond all persons for whose protection it was given and who make claim thereunder may be joined in the action. The county highway commissioner may take assignments of all demands and claims for labor or material and enforce the same in the action for the benefit of the assignors, and the judgment may provide the manner in which the assignors shall be paid.

**History:** 1973 c. 90; 1975 c. 147 s. 54; 1975 c. 224; 1977 c. 418; 1979 c. 32 s. 57; 1979 c. 110 s. 60 (12); 1979 c. 176; 1985 a. 225

A subcontractor can maintain an action against the prime contractor and his surety if it is brought within one year after completion of work on the principal contract. *Honeywell, Inc. v. Aetna Casualty & Surety Co.* 52 W (2d) 425, 190 NW (2d) 499.

See note to 289.01, citing *Jas. W. Thomas Const. Co., Inc. v. Madison*, 79 W (2d) 345, 255 NW (2d) 551.

Supplier may recover from surety under (1) for materials furnished in good faith even where materials were diverted from public project. Good faith requirement discussed. *Amoco Oil Co. v. Capitol Indemnity Corp.* 95 W (2d) 530, 291 NW (2d) 883 (Ct. App. 1980).

Under (1), materials were provided "under the contract" even though they were provided pursuant to general agreement with prime contractor without regard to specific public improvement contract. In *Matter of Liquidation of Wis. Surety*, 111 W (2d) 194, 330 NW (2d) 768 (1983).

#### **779.15 Public improvements; lien on contractor; duty of officials.**

(1) Any person furnishing labor or materials to be used or consumed in making public improvements or performing public work, including fuel, lumber, machinery, vehicles, tractors, equipment, fixtures, apparatus, tools, appliances, supplies, electrical energy, gasoline, motor oil, lubricating oil, greases, state imposed taxes, premiums for worker's compensation insurance and contributions for unemployment compensation, to any prime contractor, except in cities of the 1st class, shall have a lien on the money or bonds or warrants due or to become due the prime contractor therefor, if the lienor, before payment is made to the prime contractor, gives written notice to the debtor state, county, town or municipality of the claim. The debtor shall withhold a sufficient amount to pay the claim and, when it is admitted by the prime contractor or established under sub. (3), shall pay the claim and charge it to the prime contractor. Any officer violating the duty hereby imposed shall be liable on his or her official bond to the claimant for the damages resulting from the violation. There shall be no preference between the lienors serving the notices.

(2) Service of the notice under sub. (1) shall be made by registered mail upon the clerk of the municipality or in the clerk's absence upon the treasurer. If any of the money due the prime contractor is payable by the state, service of the notice under sub. (1) shall be served by registered mail upon the state department, board or commission having jurisdiction over the work. A copy of the notice shall be served concurrently by registered mail upon the prime contractor.

(3) If a valid lien exists under sub. (1) and the prime contractor does not dispute the claim within 30 days after service on the prime contractor of the notice provided in sub. (2), by written notice to the debtor state, county, town or municipality, the amount claimed shall be paid over to the claimant on demand and charged to the prime contractor pursuant to sub. (1). If the prime contractor disputes the claim, the right to a lien and to the moneys in question shall be determined in an action brought by the claimant or the prime contractor. If the action is not brought within 3

months from the time the notice required by sub. (1) is served, and notice of bringing the action filed with the officer with whom the claim is filed, the lien rights are barred.

(4) (a) When the total of the lien claims exceeds the sum due the prime contractor and where the prime contractor has not disputed the amounts of the claims filed, the debtor state, county, town or municipality, through the officer, board, department or commission with whom the claims are filed, shall determine who is entitled to the money and shall notify all claimants and the prime contractor in writing of the determination. Unless an action is commenced by a claimant or by the prime contractor within 20 days after the mailing of the notice, the money shall be paid out in accordance with the determination and the liability of the state, county, town or municipality to any lien claimant shall cease.

(b) If an action is commenced, all claimants shall be made parties and the action shall be commenced within 3 months after acceptance of the work by the proper public authority except as otherwise herein provided.

(c) Within 10 days after the filing of a certified copy of judgment in any such action with the officers with whom the notice authorized by sub. (1) is filed, the money due the prime contractor shall be paid to the clerk of court to be distributed in accordance with the judgment.

**History:** 1975 c. 147 s. 54; 1975 c. 199, 224, 422; 1979 c. 32 s. 57; 1979 c. 176.

Public improvement lien under this section is subject to the waiver provision of 289.05 (1). Since waiver of public improvement lien disposes of lien itself, refiling of claim for lien after waiver was nullity and fact that claim was not disputed following such refiling did not revive lien. *Druml Co., Inc. v. New Berlin*, 78 W (2d) 305, 254 NW (2d) 265.

See note to 289.01, citing *Jas. W. Thomas Const. Co., Inc. v. Madison*, 79 W (2d) 345, 255 NW (2d) 551.

#### **779.155 Judgment creditors, attachment of funds due to public contractors.**

(1) **LIMITATIONS.** This section does not apply to cases covered by s. 812.23. Demands covered by s. 779.15 have priority over judgments filed under this section. The remedies afforded by s. 779.15 and by this section are complementary.

(2) **CERTIFIED COPIES OF JUDGMENTS FILED.** In this section, "municipality" includes city, village, county, town, school district, vocational, technical and adult education district and any quasi municipal corporation. When the state or any municipality is indebted to any contractor, the owner of a judgment against the contractor may attach the debt by filing a certified copy of his or her judgment in the manner and subject to the conditions and limitations of this section. If the debt is owed by the state upon a contract for public improvements, the certified copy shall be filed with the officer, board, department or commission having jurisdiction over the work. Otherwise, the copy shall be filed with the department of administration. If the debt is owed by a municipality, the copy shall be filed with the municipal clerk or corresponding officer. The judgment creditor shall promptly notify the judgment debtor of the filing, within the time and as provided by s. 812.07 for service upon the defendant.

(3) **PAYMENT TO JUDGMENT CREDITOR; EXCEPTION.** Except as to contractors on public works, the proper officers of the state or municipality shall pay the judgment out of moneys due the contractor or which become due to him, but no payment shall be made until 30 days after the creditor has filed with such officers proof that the contractor had been notified of the filing of a copy of the judgment against him.

(4) **SAME; FUNDS DUE PUBLIC CONTRACTORS.** When the state or a municipality is indebted to a contractor for public improvements, payment shall not be made to the judgment creditor until 3 months after final completion and acceptance of the public work and then only out of moneys due the

contractor in excess of unpaid lienable claims having priority under s. 779.15.

**(5) ADJUSTMENT OF LIEN CLAIMS.** (a) For the purpose of administering this section, sworn statements of the contractor setting forth the unpaid lien claims filed or fileable under s. 779.15 may be accepted by the proper officer, board, department or commission, unless the judgment creditor or other interested person gives written notice that an action is pending to determine whether specified lien claims were incurred in performing the public work and the amount thereof, or to determine priorities in which event payments shall await the result of the action.

(b) Within 10 days after filing the certified copy of the judgment under sub. (2), the contractor shall file the sworn statement in duplicate, with the proper officer, board, department or commission, who shall immediately furnish the judgment creditor with one of the statements. The judgment creditor shall have 10 days from the receipt thereof in which to serve the notice of pendency of the court action.

**(6) PAYMENTS TO JUDGMENT CREDITOR.** After the expiration of the 3-month period, the moneys due the contractor in excess of unpaid lienable expenses and claims incurred in performing the public work shall be paid to the judgment creditor, but not exceeding the amount due on the judgment.

**(7) PRIORITY OF JUDGMENTS OVER ASSIGNMENTS.** Any judgment filed under this section has priority over an assignment made by the contractor after the commencement of the action in which the judgment was obtained.

**History:** 1971 c. 154; Sup. Ct. Order, 67 W (2d) 775; 1975 c. 218; 1979 c. 32 ss. 57, 92 (9); 1979 c. 176.

**779.16 Theft by contractors.** All moneys, bonds or warrants paid or to become due to any prime contractor or subcontractor for public improvements are a trust fund only in the hands of the prime contractor or subcontractor and shall not be a trust fund in the hands of any other person. The use of the moneys by the prime contractor or subcontractor for any purpose other than the payment of claims on such public improvement, before the claims have been satisfied, constitutes theft by the prime contractor or subcontractor and is punishable under s. 943.20. This section shall not create a civil cause of action against any person other than the prime contractor or subcontractor to whom such moneys are paid or become due. Until all claims are paid in full, have matured by notice and filing or have expired, such money, bonds and warrants shall not be subject to garnishment, execution, levy or attachment.

**History:** 1973 c. 231; 1975 c. 409; 1979 c. 32 s. 57.

Misappropriation of funds under this section was debt nondischargeable in bankruptcy. Matter of Thomas, 729 F (2d) 502 (1984).

**779.17 Release of funds on filing bond.** At any time after the service of a notice of lien claim or filing of judgment or pending the determination of any action commenced thereunder, the contractor shall be entitled to the release of any moneys due the contractor under the contract upon filing a bond, executed by a surety company duly authorized to transact business in this state, with the public authority having jurisdiction over the work, guaranteeing that the contractor will pay any judgment of the court rendered in favor of the lien claimant and all judgments filed. Such bond shall be in an amount sufficient to insure payment of the lien claims and judgments, and shall be approved as to form and amount by the public authority.

**History:** 1979 c. 32 s. 57; 1979 c. 176.

## SUBCHAPTER II

### OTHER LIENS

**779.18 Log liens; priority.** (1) Any person who, personally or by a beast or machine or vehicle, performs any services in cutting, hauling, running, felling, piling, driving, rafting, booming, cribbing, towing, sawing, peeling, kiln drying or manufacturing logs, timber, stove bolts, heading staves, pulp wood, cordwood, firewood, railroad ties, piling, telegraph poles, telephone poles, fence posts, paving timber, tan or other barks or in preparing wood for or manufacturing charcoal shall have a lien upon the material for the amount owing for the services, which shall take precedence of all other claims, liens or encumbrances thereon or sales thereof.

(2) The right of lien given by this section survives any change in the property through manufacture and the lienor has a lien upon the manufactured product as though the services had been performed directly thereon.

**History:** 1979 c. 32 s. 57; 1979 c. 176; 1981 c. 370.

**779.19 Petition for log lien; filing same.** No demand for the services may become a lien unless a petition therefor is signed and verified by the claimant or by someone in the claimant's behalf setting forth the nature of the demand, the amount claimed, a description of the property upon which the lien is claimed and that the petitioner claims a lien thereon. The petition shall be filed in the office of the clerk of the circuit court of the county in which the services or some part thereof were performed within 3 months after the last day of performing continuous services, and the services shall be deemed continuous notwithstanding a change of ownership in the property on which the lien is claimed. The clerk shall receive the fee prescribed in s. 814.61 (5) for filing the petition.

**History:** 1979 c. 32 s. 57; 1979 c. 176; 1981 c. 317.

**779.20 Action to enforce log lien; parties; costs; change of venue.** (1) An action to enforce any lien under s. 779.18 may be brought in the circuit court of the county where the petition is filed. This claim shall cease to be a lien unless an action to foreclose it is commenced within 4 months after filing the petition. If the claim is not due at the time of filing the petition the time when the claim will become due shall be stated in the petition, and in this case the claim shall not cease to be a lien until 30 days after the claim has become due and until 4 months after the filing of the petition.

(2) Where the property subject to such lien has been taken from the county where such work was done the lienor may bring an action to foreclose the lien in any county where said property may be found. In all foreclosure actions the person liable for such claim shall be made defendant and any other person claiming to own or have any interest in such property may be made a defendant, but shall not be liable for costs unless defending the action. In actions appealed from municipal court no change of venue shall be allowed except for prejudice of the judge or of the people.

**History:** 1977 c. 449; 1979 c. 32 ss. 57, 92 (9); 1979 c. 176.

**779.21 Attachment, affidavit for; undertaking; service of writ.** (1) The plaintiff in this action may have remedy by attachment of the property upon which the lien is claimed as in personal actions; this attachment may be issued, served and returned and like proceedings had thereon including the release of any attached property as in personal actions. The affidavit for the attachment must state that the defendant who is personally liable is indebted to the plaintiff in the sum named, above all setoffs, for services which entitle the plaintiff to a lien, describe the property on which it is claimed that the services were performed and that the plaintiff has filed the

petition for a lien pursuant to law. No other fact need be stated. No order may be made by any court or any judge thereof requiring an undertaking or security for costs except upon 10 days' notice to the plaintiff.

(2) The writ of attachment shall direct the officer to attach the property described or so much thereof as shall be necessary to satisfy the sum claimed to be due and to hold the same subject to further proceedings in the action. The officer shall make return but it shall not be necessary for the officer to make an inventory or appraisal of the property attached; the officer shall pay any charges that may be due for booming or driving the property attached, and the amount paid shall be taxed as costs. Where personal service of the summons and writ of attachment cannot be made service shall be made as provided for service of summons on nonresidents or persons who cannot be found as in other actions.

**History:** 1977 c. 449; 1979 c. 32 s. 57; 1979 c. 176.

**779.24 Lien for camp supplies.** All persons furnishing supplies necessary for the performing of the labor and services upon any property mentioned in s. 779.18, at the request of the person engaging such labor or services, shall have the right of lien therefor and may enforce the same by action as herein provided for the enforcement of liens upon logs and timber.

**History:** 1979 c. 32 ss. 57, 92 (9).

**779.25 Lien for joint log driving.** When logs or timber of different owners are so intermixed that they cannot be conveniently separated for driving and either owner neglects to make the necessary provision for driving them any other owner may drive all such logs or timber to the destination and shall receive reasonable compensation for driving the logs of the owner so neglecting and shall have a lien for such compensation and may enforce the same as provided for the enforcement of liens upon logs or timber.

**History:** 1979 c. 32 s. 57.

**779.26 Lien of improvement companies.** Every company whose charter authorizes it to collect tolls on logs, lumber or timber shall have a lien thereon, with the remedies herein given to enforce liens for labor and services in respect to logs or timber.

**History:** 1979 c. 32 s. 57.

**779.28 Execution.** In actions to enforce liens on property mentioned in s. 779.18 the execution, in addition to the directions of ordinary executions upon judgments for money, shall direct that the property upon which a lien is found to exist or so much thereof as may be necessary for such purpose be sold to satisfy the judgment.

**History:** 1979 c. 32 ss. 57, 92 (9).

**779.29 Intervention.** In an action for the enforcement of a lien upon property under s. 779.18 a person not a party may, at any time before sale of the property upon which a lien is claimed, become a party defendant by filing with the clerk of the court where the action is pending an affidavit made in behalf of or by the person that the person is the owner of or of some interest in the property upon which a lien is claimed and believes that the claim for lien is invalid. Upon filing this affidavit the person may defend this action so far as a claim for a lien is concerned. If judgment has been previously rendered for a lien, the person may move the court for relief from the judgment within 20 days after the filing of the

affidavit. The right to file an affidavit shall not extend beyond one year from the rendition of the judgment.

**History:** 1979 c. 32 ss. 57, 92 (9); 1979 c. 176; 1983 a. 219.

**Judicial Council Note, 1983:** This section is amended by repealing an appeal procedure and substituting the right to move the trial court for relief from its judgment. [Bill 151-S]

**779.30 Undertaking by intervenor; procedure.** The filing of an affidavit under s. 779.29 shall not stay execution unless the intervenor files an undertaking, with 2 or more sureties, who shall each justify in a sum equal to double the amount of the judgment, conditioned that if the plaintiff establishes the right to a lien on the property they will pay the amount of judgment in the plaintiff's favor with costs; the undertaking shall be approved by the judge of the court; and upon filing it all proceedings upon the judgment shall be stayed during the pendency of the proceedings. If execution has been previously issued the same shall, upon presenting to the officer in whose custody it may be a certified copy of the affidavit and undertaking, be returned, and all property in which the intervenor claims an interest that may have been levied upon shall be released from the levy. If upon the trial the plaintiff recovers judgment of lien upon this property the judgment may be entered against the intervenor and sureties; but if the plaintiff does not establish the right to a lien the intervenor shall recover judgment for costs.

**History:** 1979 c. 32 ss. 57, 92 (9); 1979 c. 176; 1983 a. 219.

### SUBCHAPTER III

#### MINING LIENS, ETC.

**779.35 Mining liens.** Any person who shall perform any labor or services for any person or corporation engaged in or organized for the purpose of mining, smelting or manufacturing iron, copper, silver or other ores or minerals, and any bona fide holder of any draft, time check or order for the payment of money due for any such labor, issued or drawn by any such person or corporation, shall have a lien for the wages due for the amount due on such draft, check or order upon all the personal property connected with such mining, smelting or manufacturing industry belonging to such person or corporation, including the ores or products of such mine or manufactory, together with the machinery and other personal property used in the operation of such mine or manufactory and all the interest of such person or corporation in any real estate belonging thereto and connected with such business, which said lien shall take precedence of all other debts, judgments, decrees, liens or mortgages against such person or corporation, except liens accruing for taxes, fines or penalties, subject to the exceptions and limitations hereinafter set forth.

**History:** 1979 c. 32 s. 57; 1979 c. 176.

**779.36 Extent of lien; filing claim.** The lien under s. 779.35 extends only to the amount of the interest in the real property held by the employer, and in case of the employer's death or insolvency, or of the sale or transfer of the works, mines, manufactories or business, or the employer's interest therein by execution or otherwise, all moneys that may be due for

wages to any miner, mechanic or laborer shall be a lien upon all said property and shall be preferred and first paid out of the proceeds of the sale thereof; provided, that no such claim shall be a lien upon any real estate unless it shall be filed in the office of the clerk of the circuit court of the county in which the real estate upon which a lien is claimed is situated within sixty days after the claim, draft, time check or order is due and payable in the manner claims for mechanics' liens are required to be filed.

**History:** 1979 c. 32 s. 57; 1979 c. 176.

**779.37 Satisfaction of lien.** If an attachment, execution or similar writ shall be issued against any person or corporation engaged in such business as is within s. 779.35, any miner, laborer, mechanic or other person who is entitled to claim a lien thereon may give notice in writing of such claim and the amount thereof, verified by affidavit, to the officer holding any such writ at any time before the actual sale of the property affected thereby, and such officer shall retain out of the proceeds of such sale a sufficient sum to satisfy all such claims, which sum shall be held by him, subject to such order as the court may make.

**History:** 1979 c. 32 ss. 57, 92 (9)

**779.38 Effect of mortgage.** No mortgage or other instrument by which a lien is created shall operate to impair or postpone the lien and preference given and secured to the wages and moneys mentioned in s. 779.35; provided, that no lien of any mortgage or judgment entered before such labor is performed shall be affected or impaired by such lien.

**History:** 1979 c. 32 ss. 57, 92 (9)

**779.39 Foreclosure of lien.** The liens and preferences given by ss. 779.35 to 779.38 may be foreclosed in the same manner as mechanics' liens, and all provisions of these statutes relating to the foreclosure thereof shall apply to the foreclosure of the liens so given, so far as such provisions are applicable.

**History:** 1979 c. 32 ss. 57, 92 (9)

**779.40 Liens for labor in quarry. (1)** Any person who shall perform any labor for an employer not the owner of the real estate, engaged in quarrying, crushing, cutting or otherwise preparing stone for use or for manufacturing lime and any bona fide holder of any draft, time check or order for the payment of money due for any such labor issued by such employer, shall have a lien for wages owed and for the amount due on such draft, check or order upon the personal property connected with such industry owned by such employer, including interest in the product of such quarry or factory and machinery and other personal property used in the operation of such quarry or factory, and all interest in any lease of the real estate connected with such business, which lien shall take precedence of all other debts, judgments, decrees, liens or mortgages against such employer, except taxes, fines or penalties and mortgages or judgments recorded or entered before such labor is performed.

**(2)** The wages shall become a lien upon the property and material mentioned in this section upon filing with the clerk of the circuit court of the county in which the labor is performed within 60 days after the first of the services shall be rendered, a petition signed by the claimant and verified in behalf of or by the claimant under oath, setting forth the nature of the debt for which the lien is claimed, the amount claimed, a description of the property upon which the lien is claimed and that the petitioner claims a lien thereon pursuant to law. The clerk shall receive the fee prescribed in s. 814.61 (5) for filing the petition.

**(3)** The provisions of ss. 779.20 and 779.21 shall govern the foreclosure of the liens here given so far as such provisions are applicable.

**History:** 1979 c. 32 ss. 57, 92 (9); 1979 c. 176; 1981 c. 317.

## SUBCHAPTER IV

### MECHANIC'S LIENS, ETC.

**779.41 Mechanic's liens. (1)** Every mechanic and every keeper of a garage or shop, and every employer of a mechanic who transports, makes, alters, repairs or does any work on personal property at the request of the owner or legal possessor of the personal property, has a lien on the personal property for the just and reasonable charges therefor, including any parts, accessories, materials or supplies furnished in connection therewith and may retain possession of the personal property until the charges are paid. The lien provided by this section is subject to the lien of any security interest in the property which is perfected as provided by law prior to the commencement of the work for which a lien is claimed unless the work was done with the express consent of the holder of the security interest, but only for charges in excess of \$1,000 except if the personal property is:

(a) A trailer or semitrailer designed for use with a road tractor, for charges in excess of \$3,000.

(b) Road machinery, including mobile cranes and trench hoes, farm tractors, machines of husbandry, or off-highway construction vehicles and equipment, for charges in excess of \$5,000.

(c) A motor vehicle not included under par. (a) or (b) with a gross weight of:

1. More than 10,000 and less than 20,000 pounds, for charges in excess of \$2,000.

2. 20,000 pounds or more but less than 40,000 pounds, for charges in excess of \$4,000.

3. 40,000 pounds or more but less than 60,000 pounds, for charges in excess of \$6,000.

4. 60,000 pounds or more, for charges in excess of \$8,000.

**(2)** Every keeper of a garage or repair shop who alters, repairs or does any work on any detached accessory, fitting or part of an automobile, truck, motorcycle, moped, motor bicycle or similar motor vehicle or bicycle at the request of the owner or legal possessor thereof, shall have a lien upon and may retain possession of any such accessory, fitting or part until the charges for such alteration, repairing or other work have been paid. If the detached article becomes attached to such motor vehicle or bicycle while in the possession of the keeper, the keeper has a lien on the motor vehicle or bicycle under sub. (1).

**(3)** Insofar as the possessory right and lien of the person performing labor and services under this section are released, relinquished and lost by the removal of property upon which a lien has accrued, it is prima facie evidence of intent to defraud if upon the removal of such property, the person removing the property issues any check or other order for the payment of money in payment of the indebtedness secured by the lien, and thereafter stops payment on the check or order. This subsection does not apply when a check is stopped because the product is improperly repaired or improperly serviced and the product has been returned to the person performing the labor or services for proper repair or service.

**History:** 1971 c. 333; 1979 c. 32 s. 57; 1979 c. 176, 252; 1983 a. 243.

**Cross Reference:** See 779.48 (2) for method of enforcing a mechanics' lien. Where a garageman did not obtain the consent of the lienholder to the repairs, his lien is limited to the statutory amount and he cannot claim more under a theory of unjust enrichment. *Industrial Credit Co. v. Inland G. M. Diesel*, 51 W (2d) 520, 187 NW (2d) 157.

The legislature did not create a crime or invoke criminal penalties in enacting (3) which renders stopping payment on a check used to pay for certain

repairs to personal property "prima facie evidence of intent to defraud." This section could operate to establish prima facie evidence of only one of the elements of the crime of theft defined in 943.20 (1) (d). 63 Atty. Gen. 81.

#### 779.415 Liens on motor vehicles for towing and storage.

(1) (a) Every motor carrier holding a permit to perform vehicle towing services, every licensed motor vehicle salvage dealer and every licensed motor vehicle dealer who performs vehicle towing services or stores a motor vehicle when such towing or storage is performed at the direction of a traffic officer or the owner of the vehicle, shall, if the vehicle is not claimed as provided herein, have a lien on such vehicle for reasonable towing and storage charges, and may retain possession of such property until such charges are paid. If such vehicle is subject to a lien perfected under ch. 342, such towing lien shall have priority only to the extent of \$50 for an automobile or a motor truck having a gross weight of 20,000 pounds or less and \$100 for a motor truck having a gross weight of more than 20,000 pounds and such storage lien shall have priority only to the extent of \$3 per day but for a total amount of not more than \$180 for an automobile or a motor truck having a gross weight of 20,000 pounds or less and \$6 per day but for a total amount of not more than \$360 for a motor truck having a gross weight of more than 20,000 pounds. If the value of the vehicle exceeds \$200, the lien may be enforced under s. 779.48 (2). If the value of the vehicle does not exceed \$200, as determined by 2 independent written appraisals by qualified garages or repair shops, the lien may be enforced by sale or junking substantially as provided in sub. (2).

(b) If the vehicle is towed or stored under the directions of a traffic officer, any personal property within the vehicle shall be released to the owner of the vehicle as provided under s. 349.13 (5) (b) 2. No additional charge may be assessed against the owner for the removal or release of the personal property within the vehicle.

(1m) Within 40 days after taking possession of a vehicle, every motor carrier, licensed motor vehicle salvage dealer and licensed motor vehicle dealer under sub. (1) shall send written notice to the holder of the senior lien on the vehicle. A reasonable effort to so notify the holder of the senior lien satisfies the notice requirement of this subsection. Failure to make a reasonable effort to so notify the senior lienholder renders void any lien to which the motor carrier, licensed motor vehicle salvage dealer or licensed motor vehicle dealer would otherwise be entitled under sub. (1).

(2) At least 20 days prior to sale or junking, notice thereof shall be given by registered mail to the person shown to be the owner of the vehicle in the records of the department of transportation and to any person who has a lien on such vehicle perfected under ch. 342, stating that unless the vehicle is claimed by the owner or the owner's agent within said 20 days the vehicle will be exposed for sale or junked, as the case may be. If the proceeds of the sale exceed the charges, the balance shall be paid to the holder of the senior lien perfected under ch. 342, and if none, then to the owner as shown in the records of the department of transportation.

History: 1977 c. 29 s. 1654 (7) (b); 1977 c. 273; 1979 c. 32 ss. 57, 92 (9); 1983 a. 213, 445

**779.42 Obtaining mechanic's services by misrepresentation of interest in personal property.** Any person who, for the purpose of inducing any mechanic, or keeper of a garage or shop, or the employer of a mechanic to transport, make, alter, repair or do any work on any personal property, makes any misrepresentation as to the nature or extent of the person's interest in said property or as to any lien upon said

property shall be fined not more than \$200 or imprisoned not more than 6 months or both.

History: 1979 c. 32 s. 57; 1979 c. 176.

#### 779.43 Liens of keepers of hotels, livery stables, garages and pastures. (1) As used in this section:

(a) "Boarding house" includes a house or building where regular meals are generally furnished or served to three or more persons at a stipulated amount for definite periods of one month or less.

(b) "Lodging house" includes any house or building or part thereof where rooms or lodgings are generally rented to three or more persons received or lodged for hire, or any part thereof is let in which to sleep at stipulated rentals for definite periods of one month or less, whether any or all such rooms or lodgings are let or used for light housekeeping or not, provided that so called duplex flats or apartment houses actually divided into residential units shall not be considered a lodging house.

(2) Every keeper of an inn, hotel, boarding house or lodging house shall have a lien upon and may retain the possession of all the baggage and other effects brought into the place by any guest, boarder or lodger, whether the baggage and effects are the property of or under the control of the guest, boarder or lodger, or the property of any other person liable for such board and lodging for the proper charges owing such keeper for board, lodging and other accommodation furnished to or for such guest, boarder or lodger, and for all moneys loaned, not exceeding fifty dollars, and for extras furnished at the written request signed by the guest, boarder or lodger, until such charges are paid, and any execution or attachment levied upon such baggage or effects shall be subject to such lien and the costs of satisfying it. But the lien given by this section does not cover charges for alcohol beverages nor the papers of any soldier, sailor or marine that are derived from and evidence of military or naval service or adjusted compensation, compensation, pension, citation medal or badge.

(3) Every keeper of a garage, livery or boarding stable, and every person pasturing or keeping any carriages, automobiles, harness or animals, and every person or corporation, municipal or private, owning any airport, hangar or aircraft service station and leasing hangar space for aircraft, shall have a lien thereon and may retain the possession thereof for the amount due for the keep, support, storage or repair and care thereof until paid. But no garage keeper shall exercise the lien upon any automobile unless there shall be posted in some conspicuous place in the garage a card, stating the charges for storing automobiles, easily readable at a distance of 15 feet.

History: 1979 c. 32 s. 57; 1979 c. 176; 1981 c. 79 s. 17.

No garage keeper's lien is imposed under (3) where storage occurs without owner's consent. *Bob Ryan Leasing v. Sampair*, 125 W (2d) 266, 371 NW (2d) 405 (Ct. App. 1985).

**779.44 Liens of consignees.** Every consignee of property shall have a lien thereon for any money advanced or negotiable security given by the consignee to or for the use of the person in whose name the shipment of such property is made, and for any money or negotiable security received by such person for personal use unless the consignee shall, before advancing any such money, or giving such security, or before it is so received for personal use, have notice that such person is not the actual owner thereof.

History: 1979 c. 32 s. 57; 1979 c. 176.

A consignment need not be for the purpose of sale. A tender of the amount due must be made and is not waived merely by an excessive demand for payment made in good faith and in ignorance of the scope of the lien. *Power Transmission Eq. Corp. v. Beloit Corp.* 55 W (2d) 540, 201 NW (2d) 13

**779.45 Liens of factors, brokers, etc.** Every factor, broker or other agent entrusted by the owner with the possession of any bill of lading, customs house permit, warehouse receipt or other evidence of the title to personal property, or with the possession of personal property for the purpose of sale or as security for any advances made or liability incurred by the factor, broker or agent in reference to such property, shall have a lien upon such personal property for all such advances, liability incurred or commissions or other moneys due for services as such factor, broker or agent, and may retain the possession of such property until such advances, commissions or moneys are paid or such liability is discharged.

History: 1979 c. 32 s. 57; 1979 c. 176.

**779.46 Jeweler's lien.** Every jeweler, watchmaker or silversmith who shall do any work on any article at the request of the owner or legal possessor of such property, shall have a lien upon and may retain the possession of such article until the charges for alteration, repair or other work have been paid.

History: 1979 c. 32 s. 57.

**779.48 How such liens enforced.** (1) Every person given a lien by ss. 779.43 to 779.46, except s. 779.43 (3), or as bailee for hire, carrier, warehouse keeper or pawnee or otherwise, by common law, may, in case the claim remain unpaid for 3 months and the value of the property affected thereby does not exceed \$100, sell such property at public auction and apply the proceeds of such sale to the claim and the expenses of such sale. Notice in writing, of the time and place of the sale and of the amount claimed to be due shall be given to the owner of such property personally or by leaving the same at the owner's place of abode, if a resident of this state, and if not, by publication thereof, in the county in which such lien accrues, as a class 3 notice, under ch. 985. If such property exceeds in value \$100, then such lien may be enforced against the same by action.

(2) Every person given a lien by ss. 779.41 and 779.43 (3) may in case the claim remains unpaid for 2 months after the debt is incurred enforce such lien by sale of the property substantially in conformity with ss. 409.501 to 409.507 and the lien claimant shall have the rights and duties of a secured party thereunder. When such sections are applied to the enforcement of such lien the word debtor or equivalent when used therein shall be deemed to refer to the owner of the property and any other person having an interest shown by instrument filed as required by law or shown in the records of the department of transportation, and the word indebtedness or equivalent shall include all claims upon which such lien is based.

History: 1977 c. 29 s. 1654 (7) (b); 1979 c. 32 ss. 57, 92 (9); 1979 c. 176; 1983 a. 500 s. 43.

Requirements of a common-law lien discussed. Even though some of the goods are returned, the lien may exist on the balance retained for the whole amount due. *Moynihan Associates, Inc. v. Hanisch*, 56 W (2d) 185, 201 NW (2d) 534.

## SUBCHAPTER V

### BREEDING ANIMAL, THRESHING LIENS, ETC.

**779.49 Lien of owner of breeding animal or methods.** (1) Every owner of a stallion or jackass, or bull, or semen therefrom, kept and used for breeding purposes shall have a lien upon any dam served and upon any offspring gotten by such animal, or by means of such artificial insemination for the sum stipulated to be paid for the service thereof, and may seize and take possession of such dam and offspring or either without process at any time before the offspring is one year

old, in case the price agreed upon for such service remains unpaid, and sell the same at public auction upon 10 days' notice, to be posted in at least 3 public places in the town where the service was rendered, and apply the proceeds of such sale to the payment of the amount due for such service and the expenses of such seizure and sale, returning the residue, if any, to the party entitled thereto; provided, no such lien shall be effectual for any purpose as against an innocent purchaser or mortgagee of such offspring or the dam thereof for value unless such owner having a claim for the service shall file with the register of deeds of the county where the owner of the dam served resides a statement showing that such service has been rendered and the amount due therefor.

(2) Any person who sells, disposes of or gives a mortgage upon any dam which to the person's knowledge has been so served, the fee for which service has not been paid, without giving written information to the purchaser or mortgagee of the fact of such service, shall be guilty of a misdemeanor and upon conviction shall be fined not more than \$10 or by confinement in the county jail not to exceed 60 days.

(2) Notice of such sale shall be given personally and by posting in at least three public places in the town where the debtor resides, and also in the town where such sale is to be made; and if such debtor is a nonresident of the state, in the town where such grain, corn, hay or straw, or some part thereof, was threshed, cut, husked, shelled or baled, and apply the proceeds of such sale to the payment of such service, together with the expenses of such seizure and sale, returning the residue to the party entitled thereto.

(3) The lien created by this section shall be preferred to all other liens and encumbrances, but does not apply to an innocent purchaser for value unless such lien is filed in the office of the register of deeds of the county where the services were performed within 15 days from the date of the completion of such service.

History: 1979 c. 32 s. 57.

SUBCHAPTER VII  
MAINTENANCE LIENS

**779.70 Maintenance liens.** (1) Any corporation organized under the laws of this state as a nonprofit, membership corporation for the purpose of maintaining, improving, policing or preserving properties in which its members shall have common rights of usage and enjoyment, including, without limitation because of specific enumeration, private (not public) parks, plazas, roads, paths, highways, piers, docks, playgrounds, tennis courts, beaches, water pumping plant and connecting pipes or sewer plant and connecting pipes, shall have the power to prepare and annually submit to its membership a budget of the expenditures which it proposes to make for the ensuing year. Such budget shall include the expenses of maintaining the necessary organization of the corporation including salaries to officers, fees paid for auditing the books of the corporation and for necessary legal services and counsel fees to the governing board thereof.

(2) (a) Upon the adoption and approval of the annual budget by a majority of the members entitled to vote as established by the articles of incorporation and bylaws of the corporation and by rules validly adopted by resolution of the governing board of the corporation, at a regular meeting or adjournment thereof, the governing board of the corporation may levy an assessment not in excess of 8 mills on each dollar of assessed valuation, to be known as a maintenance assessment, against all of the lots, the ownership of which entitles the owner thereof to the use and enjoyment of the properties controlled by the corporation, but the limitation of 8 mills on each dollar of assessed valuation shall not apply in any case in which the property owners or their predecessors in title have, by written contract, or by the terms of their deeds of conveyance, assumed and agreed to pay the costs of maintaining those properties in which the owners have common rights of usage and enjoyment.

(b) The assessment levied under this section shall be either equal in rate against the assessed value of each lot or equal in amount against each lot, at the option of the governing board as it directs each year, except as provided in pars. (c) and (d), and shall be levied at the same time once in each year upon all lots. Assessed value shall include the value of the land comprising the lot and the improvements thereon.

(c) The governing board shall apportion the cost of operating water or sewer plants and facilities thereof and separate such costs from the other expenses of the budget and shall include the expenses of water and sewer plant maintenance only in the levy against those lots which may be improved with a dwelling house on the date when the levy is ordered, and no portion of such cost shall be assessed against the vacant lots or the owners thereof. In computing the cost of operating water or sewer line facilities thereof, reasonable reserves may be set up for depreciation of facilities.

(d) If property owners or their predecessors in title have, by written contract, or by the terms of their deeds of conveyance, agreed to pay unequal amounts, dues or assessments to maintain those properties in which the owners have common rights of usage and enjoyment and if those amounts, dues or assessments which are not based on assessed valuations do not vary more than \$25 between lots, then the governing board may apportion the costs of maintaining those properties in proportion to the amounts, dues or assessments specified in the agreement.

(3) The governing board of such corporation shall declare the assessments so levied due and payable at any time after thirty days from the date of such levy and the secretary or other officer shall notify the owner of every lot so assessed of

the action taken by the board, the amount of the assessment of each lot owned by such owner and the date such assessment becomes due and payable. Such notice shall be mailed to the owner at the last-known post-office address by the secretary by United States mail, with postage prepaid.

(4) In the event that the assessment levied against any lot remains unpaid for a period of sixty days from the date of the levy, then the governing board of such corporation may, in its discretion, file a claim for a maintenance lien against such lot at any time within six months from the date of the levy, such claim to be filed in the office of the clerk of the circuit court of the county in which the lands affected thereby lie. Such claim for lien shall contain a reference to the resolution authorizing such levy and date thereof, the name of the claimant or assignee, the name of the person against whom the assessment is levied, a description of the property affected thereby and a statement of the amount claimed. It shall be signed by the claimant or by its attorney, and need not be verified, and may be amended, in case of action brought, by order of court, as pleadings may be.

(5) The clerk of circuit court shall docket each claim for a maintenance lien in a lien docket immediately after the claim is filed in the same manner that other liens are docketed. The date of levy of assessment will appear on the docket instead of the last date of performance of labor or furnishing materials.

(6) When the corporation, described in sub. (1) has so filed its claim for lien upon a lot it may foreclose the same by action in the circuit court having jurisdiction thereof, and ss. 779.09, 779.10, 779.11, 779.12 and 779.13 shall apply to proceedings undertaken for the enforcement and collection of maintenance liens as described in this subsection.

History: 1977 c. 316, 449; 1979 c. 32 ss. 57, 92 (9); 1979 c. 176.

SUBCHAPTER VIII

DISPOSITION OF UNCLAIMED ARTICLES

**779.71 Disposition of articles left for laundering, dry cleaning, repair, storage.** (1) Any garment, clothing, wearing apparel or household goods remaining in the possession of a person, firm, partnership or corporation, on which laundering, cleaning, pressing, glazing or dyeing has been done or upon which alteration or repairs have been made, or on which materials or supplies have been used or furnished, for a period of 6 months or more, may be sold to pay the reasonable or agreed charges and the cost of notifying the owner, after giving notice of said sale as specified in sub. (3) to such owner. Property that is to be placed in storage after any of the services or labors mentioned herein are performed shall not be affected by the provisions of this subsection.

(2) All garments, clothing, wearing apparel or household goods placed in storage, or on which any of the services or labors mentioned in sub. (1) have been performed and then placed in storage by agreement and remaining in the possession of a person without the reasonable or agreed charges having been paid for a period of more than 18 months, may be sold to pay said charges after giving notice of said sale as specified in sub. (3) to such owner, provided that where property was delivered to be cleaned, pressed, glazed or dyed, and left for storage in addition to having such work done, it shall not be so sold unless at the time of delivery the owner was given a receipt for such property containing a statement that the property will be sold when such 18 months have elapsed unless called for within such 18 months' period. Persons operating as warehouses or warehouse keepers shall not be affected by this subsection.

(3) The mailing of a registered letter, with a return address marked thereon, addressed to the owner at their address given at the time of the delivery of the article or articles to a person, firm, partnership or corporation rendering any of the services or labors as set out in this section, stating the time and place of sale, shall constitute notice. Said notice shall be posted or mailed at least 30 days before the date of sale. The costs of posting or mailing said letter shall be added to the charges.

(4) The person, firm, partnership or corporation to whom the charges are payable, shall, from the proceeds of sale, deduct the charges due plus the costs of notifying the owner and shall hold the overplus, if any, subject to the order of the owner and shall immediately thereafter mail to the owner at the owner's address, if known, a notice of the sale, the amount of overplus, if any, due the owner, and at any time within 12 months, upon demand by the owner, pay to the owner said sums of overplus.

(5) All persons, firms, partnerships or corporations taking advantage of this section must keep posted in a prominent place in their receiving office or offices at all times 2 notices which shall read as follows: "All articles cleaned, pressed, glazed, laundered, washed, altered or repaired and not called for in 6 months will be sold to pay charges". "All articles stored by agreement and charges not having been paid for 18 months will be sold to pay charges".

## SUBCHAPTER IX

### HOSPITAL LIENS

**779.80 Hospital liens.** (1) Every corporation, association or other organization operating as a charitable institution and maintaining a hospital in this state shall have a lien for services rendered, by way of treatment, care or maintenance, to any person who has sustained personal injuries as a result of the negligence, wrongful act or any tort of any other person.

(2) Such lien shall attach to any and all rights of action, suits, claims, demands and upon any judgment, award or determination, and upon the proceeds of any settlement which such injured person, or legal representatives might have against any such other person for damages on account of such injuries, for the amount of the reasonable and necessary charges of such hospital.

(3) No such lien shall be effective unless a written notice containing the name and address of the injured person, the date and location of the event causing such injuries, the name and location of the hospital, and if ascertainable by reasonable diligence, the names and addresses of the persons alleged to be liable for damages sustained by such injured person, shall be filed in the office of the clerk of circuit court in the county in which such injuries have occurred, or in the county in which such hospital is located, or in the county in which suit for recovery of such damages is pending, prior to the payment of any moneys to such injured person or legal representatives, but in no event later than 30 days after discharge of such injured person from the hospital.

(a) The clerk of circuit court in every county shall, at the expense of the county, provide a suitable record to be called "the hospital lien docket", in which the clerk shall enter the name of the injured person, the date of the event causing the injury and the name of the hospital or other institution making the claim. The clerk shall make a proper index of the docket in the name of the injured person and shall receive the fee prescribed in s. 814.61 (5) for filing each claim.

(b) Within 10 days after filing of the notice of lien, the hospital shall send by registered mail or serve personally a copy of such notice with the date of filing thereof to or upon the injured person and the person alleged to be liable for damages sustained by such injured person, if ascertained by reasonable diligence. If such hospital fails to give notice if the name and address of the person injured or the person allegedly liable for the injury are known or should be known, the lien shall be void.

(c) The hospital shall also serve a copy of such notice, as provided in par. (b), to any insurer which has insured such person alleged to be liable for the injury against such liability, if the name and address may be ascertained by reasonable diligence.

(4) After filing and service of the notice of lien, no release of any judgment, claim or demand by the injured person shall be valid as against such lien, and the person making any payment to such injured person or legal representatives as compensation for the injuries sustained shall, for a period of one year from the date of such payment, remain liable to the hospital for the amount of such lien.

(5) Such lien shall not in any way prejudice or interfere with any lien or contract which may be made by such injured person or legal representatives with any attorney or attorneys for legal services rendered with respect to the claim of the injured person or legal representatives against the person alleged to be liable for such injury. Said lien shall also be subservient to actual taxable court costs, and actual disbursements made by the attorney in prosecuting the court action.

(6) No hospital is entitled to any lien under this section if the person injured is eligible for compensation under ch. 102 or any other worker's compensation act.

If the seller is a corporation, such misuse is also deemed theft by any officer, director or agent of the corporation responsible for the misappropriation. Any of the misappropriated proceeds which have been received as salary, dividend, loan repayment, capital distribution or otherwise by any shareholder of the corporation not responsible for the misappropriation is a civil liability of the shareholder and may be recovered and restored to the escrow account by action brought by any interested party.

#### **779.97 Uniform federal lien registration act. (1) SCOPE.**

This section applies only to:

- (a) Federal tax liens; and
- (b) Other federal liens, if any act of congress or any regulation adopted under an act of congress requires or permits notices of such liens to be filed in the same manner as notices of federal tax liens.

(2) PLACE OF FILING. (a) Notices of liens, certificates and other notices affecting federal tax liens or other federal liens shall be filed under this section.

(b) Notices of liens upon real property for obligations payable to the United States, and certificates and notices affecting the liens shall be filed in the office of the register of deeds of the county in which real property subject to the liens is situated.

(c) Notices of liens upon personal property, whether tangible or intangible, for obligations payable to the United States and certificates and notices affecting the liens shall be filed as follows:

1. If the person against whose interest the lien applies is a corporation or a partnership, as defined in 26 USC 7701 (a) (1) and (2) in force on May 18, 1980, whose principal executive office is in this state, in the office of the secretary of state.

2. In all other cases in the office of the register of deeds of the county where the person against whose interest the lien applies resides at the time of filing of the notice of lien.

(3) EXECUTION OF NOTICES AND CERTIFICATES. Certification of notices of liens, certificates or other notices affecting federal liens by the secretary of the U.S. treasury, by the secretary's designee or by any other official or entity of the United States responsible for filing or certifying notice of any other lien entitles them to be filed and no other attestation, certification or acknowledgment is necessary.

(4) DUTIES OF FILING OFFICER. (a) If a notice of federal tax lien or a notice of revocation of a certificate of release is presented to the filing officer who is:

1. The secretary of state, the secretary of state shall cause the notice to be marked, held and indexed in accordance with s. 409.403 (4) as if the notice were a financing statement within the meaning of chs. 401 to 409; or

2. Any other officer described in sub. (2), the officer shall endorse thereon his or her identification and the date and time of receipt and forthwith file it alphabetically or enter it in an alphabetical index showing the name and address of the person named in the notice, the date and time of receipt, the title and address of the officer or entity certifying the lien, and the total amount appearing on the notice of lien.

(b) 1. If a refiling of a notice of lien is presented to the secretary of state for filing, the secretary shall cause the refiled notice of federal lien to be marked, held and indexed in accordance with s. 409.403 as if the refiling were a continuation statement within the meaning of chs. 401 to 409, except that the time period in par. (d) shall apply instead of the time period in s. 409.403 (2) and (3).

2. If a certificate of release is presented to the secretary of state for filing, the secretary shall cause the certificate to be marked, held and indexed in accordance with s. 409.404 as if the certificate were a termination statement within the meaning of chs. 401 to 409, and the secretary may remove the notice of federal lien and any related refiling of a notice of lien, certificate of nonattachment, discharge or subordination from the files at any time after receipt of the certificate of release, but the secretary of state shall keep the certificate of release or a microfilm or other photographic record of the certificate of release in a file, separate from those containing currently effective notices of liens, for a period of 30 years after the date of filing of the certificate of release.

3. If a certificate of discharge is presented to the secretary of state for filing, the secretary shall cause the certificate to be marked, held and indexed as if the certificate were a release of collateral within the meaning of chs. 401 to 409.

4. If a certificate of nonattachment or subordination of any lien is presented to the secretary of state for filing, the secretary shall cause the certificate to be marked, held and indexed as if the certificate were an amendment within the meaning of chs. 401 to 409.

2. If a certificate of release is presented for filing with any other filing officer specified in sub. (2), the officer shall enter the certificate with the date of filing in any alphabetical federal lien index on the line where the original notice of lien is entered and may then remove the notice of federal lien and any related refiling of a notice of lien, certificate of nonattachment, discharge or subordination from the files, provided that the officer shall keep the certificate of release or a microfilm or other photographic record of the certificate of release in a file, separate from those containing currently effective notices of federal liens, for a period of 30 years after the date of filing of the certificate of release.

(d) Unless a refiling of a notice of lien is presented to a filing officer for filing within 7 years and 60 days after the date on which a notice of lien or the latest refiling of a notice of that lien is filed with that officer, the filing officer may remove the notice of federal lien and any related refiling of a notice of lien, certificate of nonattachment, discharge or subordination from the files. Any refiling of a notice of lien presented to a

filing officer after such removal shall be marked, held and indexed as though the document were a notice of federal lien instead of a refiling of a notice of lien.

(e) Upon request of any person, the filing officer shall issue a certificate showing whether there is on file, on the date and hour stated therein, any notice of federal lien or any related refiling of a notice of lien, certificate of nonattachment, discharge or subordination filed on or after February 1, 1968, naming a particular person, and if a notice or certificate is on file, giving the date and hour of filing of each notice or certificate. The fee for a certificate is \$2. Upon request the filing officer shall furnish a copy of any notice of federal lien or notice or certificate affecting a federal lien for a fee of 50 cents per page.

(7) SHORT TITLE. This section may be cited as the Uniform Federal Lien Registration Act.

(8) TAX LIENS AND NOTICES FILED ON OR BEFORE FEBRUARY 1, 1968. Filing officers with whom notices of federal tax liens, certificates and notices affecting such liens have been filed on or before February 1, 1968 shall, after that date, continue to maintain a file labeled "federal tax lien notices filed prior to ...." containing notices and certificates filed in numerical order of receipt. If a notice was filed on or before February 1, 1968 any certificate or notice affecting the lien shall be filed in the same office.
