If, at the meeting or election of school board members, a resolution based on a petition requesting a change in the number of school board members is adopted by a majority vote, school board members shall be elected at the next school board election and thereafter in accordance with sub. (3).

(2) **PLAN OF APPORTIONMENT.** (a) If, at least 30 days prior to the day of the annual meeting, in a common or union high school district, or at least 45 days prior to the day of the election of school board members in a unified school district, a petition conforming to the requirements of s. 8.40 requesting the establishment of a plan of apportionment of school board members is filed with the

school district clerk the clerk shall incorporate notice of receipt of such petition in the notice of the annual meeting or election. The petition shall specify the proposed plan of apportionment of school board members among the cities, towns and villages or parts thereof within the school district and set the total number of school board members at not more than 11. The petition shall be signed by not less than 100 electors residing in the school district, except that in school districts which contain, in whole or in part, a city of the 2nd or 3rd class the petition shall be signed by not less than 500 electors residing in the school district. (b) That nothing in the agreement would prohibit the school board from permitting other day care providers to provide day care services to pupils in the same building during the same time and that nothing in the agreement would prohibit the school district from providing before- and after-school day care programs in the same building and during the same time in which the day care provider provides before- and after-school day care programs.

(c) That the agreement may be terminated by the school board at the end of a school year if the school board intends to provide day care for the pupils in the elementary school or intends to solicit other day care providers to provide services during the following school year.

120.13 School board powers. The school board of a common or union high school district may do all things reasonable to promote the cause of education, including establishing, providing and improving school district programs, functions and activities for the benefit of pupils, and including all of the following:

(1) SCHOOL GOVERNMENT RULES; SUSPENSION; EXPULSION. (a) Make rules for the organization, gradation and government of the schools of the school district, including rules pertaining to conduct and dress of pupils in order to maintain good decorum and a favorable academic atmosphere, which shall take effect when approved by a majority of the school board and filed with the school district clerk.

(b) The school district administrator or any principal or teacher designated by the school district administrator also may make rules, with the consent of the school board, and may suspend a pupil for not more than 5 school days or, if a notice of expulsion hearing has been sent under par. (c) 4 or (e) 4. or s. 119.25 (2) (c), for not more than a total of 15 consecutive school days for non-compliance with such rules or school board rules, or for knowingly conveying any threat or false information concerning an attempt or alleged attempt being made or to be made to destroy any school property by means of explosives, or for conduct by the pupil while at school or while under the supervision of a school authority which endangers the property, health or safety of others, or for conduct while not at school or while not under the supervision of a school authority which endangers the property, health or safety of others at school or under the supervision of a school authority or endangers the property, health or safety of any employe or school board member of the school district in which the pupil is enrolled. Prior to any suspension, the pupil shall be advised of the reason for the proposed suspension. The pupil may be suspended if it is determined that the pupil is guilty of non-compliance with such rule, or of the conduct charged, and that the pupil's suspension is reasonably justified. The parent or guardian of a suspended minor pupil shall be given prompt notice of the suspension and the reason for the suspension. The suspended pupil or the pupil's parent or guardian may, within 5 school days following the commencement of the suspension, have a conference with the school district administrator or his or her designee who shall be someone other than a principal, administrator or teacher in the

suspended pupil's school. If the school district administrator or his or her designee finds that the pupil was suspended unfairly or unjustly, or that the suspension was inappropriate, given the nature of the alleged offense, or that the pupil suffered undue consequences or penalties as a result of the suspension, reference to the suspension on the pupil's school record shall be expunged. Such finding shall be made within 15 days of the conference. A pupil suspended under this paragraph shall not be denied the opportunity to take any quarterly, semester or grading period examinations or to complete course work missed during the suspension period, as provided in the attendance policy established under s. 118.16 (4) (a).

(bm) The school district administrator or any principal or teacher designated by the school district administrator shall suspend a pupil under par. (b) if the school district administrator, principal or teacher determines that the pupil, while at school or while under the supervision of a school authority, possessed a firearm, as defined in 18 USC 921 (a) (3).

(c) 1. The school board may expel a pupil from school whenever it finds the pupil guilty of repeated refusal or neglect to obey the rules, or finds that a pupil knowingly conveyed or caused to be conveyed any threat or false information concerning an attempt or alleged attempt being made or to be made to destroy any school property by means of explosives, or finds that the pupil engaged in conduct while at school or while under the supervision of a school authority which endangered the property, health or safety of others, or finds that a pupil while not at school or while not under the supervision of a school authority engaged in conduct which endangered the property, health or safety of others at school or under the supervision of a school authority or endangered the property, health or safety of any employe or school board member of the school district in which the pupil is enrolled, and is satisfied that the interest of the school demands the pupil's expulsion.

2. In addition to the grounds for expulsion under subd. 1., the school board may expel from school a pupil who is at least 16 years old if the school board finds that the pupil repeatedly engaged in conduct while at school or while under the supervision of a school authority that disrupted the ability of school authorities to maintain order or an educational atmosphere at school or at an activity supervised by a school authority and that such conduct does not constitute grounds for expulsion under subd. 1., and is satisfied that the interest of the school demands the pupil's expulsion.

2m. The school board shall commence proceedings under subd. 3. and expel a pupil from school for not less than one year whenever it finds that the pupil, while at school or while under the supervision of a school authority, possessed a firearm, as defined in 18 USC 921 (a) (3). Annually, the school board shall report to the department the information specified under 20 USC 8921 (d) (1) and (2).

3. Prior to expelling a pupil, the school board shall hold a hearing. Upon request of the pupil and, if the pupil is a minor, the pupil's parent or guardian, the hearing shall be closed. The pupil and, if the pupil is a minor, the pupil's parent or guardian may be represented at the hearing by counsel. The school board shall keep written minutes of the hearing. Upon the ordering by the school board of the expulsion of a pupil, the school district clerk shall mail a copy of the order to the pupil and, if the pupil is a minor, to the pupil's parent or guardian. The expelled pupil or, if the pupil is a minor, the pupil's parent or guardian may appeal the expulsion to the department. If the school board's decision is appealed to the department, within 60 days after the date on which the department receives the appeal, the department shall review the decision and shall, upon review, approve, reverse or modify the decision. The decision of the school board shall be enforced while the department reviews the decision. An appeal from the decision of the department may be taken within 30 days to the circuit court of the county in which the school is located.

NOTE: Subd. 3. is shown as affected by 1995 Wis. Act 27, s. 9145 (1), and 1995 Wis. Acts 32, 75 and 235. The treatment by Act 27, s. 9145 (1), which changed

“state superintendent” to “department,” was held unconstitutional and declared void by the Supreme Court in *Thompson v. Craney*, case no. 95–2168–OA. The treatments by Acts 32, 75 and 235 are not affected by the *Thompson v. Craney* ruling.

h. That if the pupil is expelled by the school board the expelled pupil or, if the pupil is a minor, the pupil's parent or guardian may appeal the school board's decision to the department.

i. That if the school board's decision is appealed to the department, within 60 days after the date on which the department receives the appeal, the department shall review the decision and shall, upon review, approve, reverse or modify the decision.

j. That the decision of the school board shall be enforced while the department reviews the school board's decision.

k. That an appeal from the decision of the department may be taken within 30 days to the circuit court for the county in which the school is located.

L. That the state statutes related to pupil expulsion are ss. 119.25 and 120.13 (1).

(d) No pupil enrolled in a school district operating under ch. 119 may be suspended or expelled from school for truancy.

The pupil and, if the pupil is a minor, the pupil's parent or guardian, may be represented at the hearing by counsel. The hearing officer or panel shall keep a full record of the hearing. The hearing officer or panel shall inform each party of the right to a complete record of the proceeding. Upon request, the hearing officer or panel shall direct that a transcript of the record be prepared and that a copy of the transcript be given to the pupil and, if the pupil is a minor, the pupil's parent or guardian. Upon the ordering by

the hearing officer or panel of the expulsion of a pupil, the school district shall mail a copy of the order to the school board, the pupil and, if the pupil is a minor, the pupil's parent or guardian. Within 30 days after the date on which the order is issued, the school board shall review the expulsion order and shall, upon review, approve, reverse or modify the order. The order of the hearing officer or panel shall be enforced while the school board reviews the order. The expelled pupil or, if the pupil is a minor, the pupil's parent or guardian may appeal the school board's decision to the department. Craney*, case no. 95–2168–OA. The treatments by Acts 32, 75 and 235 are not affected by the *Thompson v. Craney* ruling.
