49.147 Wisconsin works; work programs and job access loans. (1) DEFINITION. In this section, "unsubsidized employment" means employment, including self-employment and entrepreneurial activities, for which the employer receives no wage subsidy.

(1m) EDUCATIONAL NEEDS ASSESSMENT. (a) A Wisconsin Works agency shall conduct an educational needs assessment of each individual who applies for a Wisconsin Works employment position. If the individual and the Wisconsin Works agency determine that the individual needs, or would benefit from, education or training activities, including a course of study meeting the standards established under s. 115.29 (4) (a) for the granting of a declaration of equivalency of high school graduation, and if the Wisconsin Works agency determines that the individual is eligible for a Wisconsin Works employment position, the Wisconsin Works agency shall include education or training activities in any employability plan developed for the individual.

(b) If the Wisconsin Works agency determines that the appropriate placement for an individual is in unsubsidized employment or a trial employment match program job and that the individual needs and wishes to pursue basic education, including a course of study meeting the standards established under s. 115.29 (4) (a) for the granting of a declaration of equivalency of high school graduation, the Wisconsin Works agency shall pay for the basic education services identified in the employability plan developed for the individual.

(2) UNSUBSIDIZED EMPLOYMENT. (a) *Job search, orientation and training activities.* 1. An individual who applies for a Wisconsin Works employment position may be required by the Wisconsin Works agency to search for unsubsidized employment during the period that his or her application is being processed as a condition of eligibility. A participant in a Wisconsin Works employment position or who is receiving case management services under par. (am) shall search for unsubsidized employment throughout his or her participation. The department shall define by rule satisfactory search efforts for unsubsidized employment.

2. A Wisconsin Works agency may require an applicant for a Wisconsin Works employment position to participate in job orientation during the period that his or her application is being processed as a condition of eligibility. A Wisconsin Works agency may require a participant in a Wisconsin Works employment posi-

tion or who is receiving case management services under par. (am) to engage in training activities in accordance with rules promulgated by the department as part of the participant's participation requirements.

(am) *Case management services.* 1. In lieu of placing the individual in a Wisconsin Works employment position under subs. (3) to (5), a Wisconsin Works agency may provide case management services, which may include those services specified in s. 49.1475, to an individual who applies for a Wisconsin Works employment position if the Wisconsin Works agency determines all of the following:

- a. The individual meets the eligibility requirements under s. 49.145 (2) and (3).
- b. The individual is willing to work and has no barriers to employment that cannot be addressed with Wisconsin Works services.
- c. The individual is job-ready, based on the individual's employment history or education.
- d. The most appropriate placement for the individual is in unsubsidized employment.

2. A Wisconsin Works agency shall, every 30 days, review the provision of case management services to an individual under this paragraph, if the individual is not successful in obtaining unsubsidized employment after legitimate efforts to secure employment, to determine whether the individual should be placed in a trial employment match program job, community service job, or transitional placement. The department shall promulgate rules that specify the criteria for the review process under this subdivision.

(b) *Job search assistance.* A Wisconsin Works agency shall assist a participant in his or her search for unsubsidized employment. In determining an appropriate placement for a participant, a Wisconsin Works agency shall give priority to placement in unsubsidized employment and providing case management services under par. (am) over placements under subs. (3) to (5).

(3) TRIAL EMPLOYMENT MATCH PROGRAM. (a) *Administration.* A Wisconsin Works agency shall administer a trial employment match program as part of its administration of the Wisconsin Works program to improve the employability of individuals who otherwise are not able to obtain unsubsidized employment, as determined by the Wisconsin Works agency, by providing work experience and training to assist them to move promptly into unsubsidized employment. In determining an appropriate placement for a participant, a Wisconsin Works agency shall give priority to placement under this subsection over placements under subs. (4) and (5).

(ac) *Employer subsidies and reimbursements.* The Wisconsin Works agency shall pay to an employer that employs a participant under this subsection a wage subsidy in an amount that is negotiated between the Wisconsin Works agency and the employer but that is not more than the state or federal minimum wage that applies to the participant. The wage subsidy shall be paid for each hour that the participant actually works, up to a maximum of 40 hours per week. The employer shall pay the participant any difference between the wage subsidy amount and the participant's wage and must pay the participant at least minimum wage. In addition to paying the wage subsidy, the Wisconsin Works agency may, as negotiated between the Wisconsin Works agency and the employer, reimburse the employer for all or a portion of other costs that are attributable to the employment of the participant, including any of the following:

1. Federal social security and Medicare taxes.
2. State and federal unemployment contributions or taxes.
3. Worker's compensation insurance premiums.

(am) *Education or training activities.* A trial employment match program job includes education and training activities, as prescribed by the employer as an integral part of work performed in trial employment match program employment.

(b) *Worker's compensation.* The employer shall provide the participant with worker's compensation coverage.

(c) *Time-limited participation.* A participant under this subsection may participate in a trial employment match program job for a maximum of 6 months, with an opportunity for a 3-month extension under circumstances determined by the Wisconsin Works agency. A participant may participate in more than one trial employment match program job, but may not exceed a total of 24 months of participation under this subsection. The months need not be consecutive. The department or, with the approval of the department, the Wisconsin Works agency may grant an extension of the 24-month limit on a case-by-case basis if the participant has made all appropriate efforts to find unsubsidized employment and has been unable to find unsubsidized employment because local labor market conditions preclude a reasonable job opportunity for that participant, as determined by a Wisconsin Works agency and approved by the department.

(d) *Employer effort to retain, refer, or evaluate participant.* An employer that employs a participant under this subsection and receives a wage subsidy shall agree to make a good faith effort to retain the participant as a permanent unsubsidized employee after the wage subsidy ends, although nothing in this subsection requires an employer to retain a participant as a permanent unsubsidized employee after the wage subsidy ends. An employer shall also agree that, if the employer does not retain a participant as a permanent unsubsidized employee, the employer will serve as an employment reference for the participant or provide to the Wisconsin Works agency a written performance evaluation of the participant, including recommendations for improvements.

(e) *Noncustodial parents.* Notwithstanding s. 49.145 (1) and (2) (a), an individual who would be eligible for a job under this subsection except that the individual is a noncustodial parent of a dependent child is eligible for placement under this subsection, subject to s. 49.159 (1) (b) 2., if the individual is eligible for services and benefits under s. 49.159 (1) (a).

(4) COMMUNITY SERVICE JOB. (a) *Administration.* A Wisconsin Works agency shall administer a community service job program as part of its administration of Wisconsin Works to improve the employability of an individual who is not otherwise able to obtain employment, as determined by the Wisconsin Works agency, by providing work experience and training, if necessary, to assist the individual to move promptly into unsubsidized public or private employment or a trial employment match program job. In determining an appropriate placement for a participant, a Wisconsin Works agency shall give placement under this subsection priority over placements under sub. (5). Community service jobs shall be limited to projects that the department determines would serve a useful public purpose or projects the cost of which is partially or wholly offset by revenue generated from such projects. After each 6 months of an individual's participation under this subsection and at the conclusion of each assignment under this subsection, a Wisconsin Works agency shall reassess the individual's employability.

This subdivision does not apply to an individual whose family's gross income at any time on or after September 30, 1997, is more than 200 percent of the poverty line for a family the size of the individual's family.

2. If the individual was eligible under s. 49.132 (4) (am), 1995 stats., for aid under s. 49.132, 1995 stats., and received aid under s. 49.132, 1995 stats., on or after May 10, 1996, but lost eligibility solely because of increased income, the gross income of the individual's family is at or below 200 percent of the poverty line for a family the size of the individual's family. This subdivision does not apply to an individual whose family's gross income increased to more than 200 percent of the poverty line for a family the size of the individual's family.

1. The individual's family owns no more than one home, which is used as the individual's primary residence, and which is valued at no more than 200 percent of the statewide median value

(d) The individual satisfies other eligibility criteria established by the department by rule.

(2) ELIGIBILITY BASED ON THE CHILD'S AGE. Notwithstanding sub. (1m) (intro.) and (a) (intro.), an individual does not lose eligibility for a child care subsidy for a child who attains the age of 13 or, if the child is disabled, attains the age of 19 until the department or the county department or agency redetermines the individual's eligibility.

(2m) HARDSHIP EXEMPTION. The department may promulgate a rule that establishes a hardship exemption for the asset restrictions under sub. (1m) (cr). If the individual qualifies for a hardship exemption under the department's rule, the asset restrictions under sub. (1m) (cr) do not apply to the individual.

(3) CHILD CARE LOCAL ADMINISTRATION. Except as provided in sub. (3g), a county department or agency with which the department contracts under sub. (1m) to determine eligibility in a particular geographic region or for a particular Indian tribal unit shall administer child care assistance in that geographic region or for that tribal unit. For the administration of child care assistance under this section, the department may require the county department or agency to do all of the following:

(b) Determine and authorize the amount of child care for which an individual may receive a subsidy.

(d) Assist individuals who are eligible for child care subsidies under this section to identify available child care providers and select appropriate child care arrangements.

4. At intervals, or as otherwise required by the department, review and redetermine the financial and nonfinancial eligibility of individuals receiving child care subsidies under this section.

(b) The department may establish a child care provider services unit, as provided in s. 49.826, to perform the provider services functions specified in s. 49.826 (2) (a).

(3m) DISTRIBUTION OF CHILD CARE FUNDS. (a) The department shall issue benefits directly to individuals who are eligible for subsidies under this section or pay or reimburse child care providers, county departments or agencies, or tribal governing bodies for child care services under this section. The department may also contract with and provide grants to private nonprofit agencies that provide child care for children of migrant workers. The department may pay or reimburse a Wisconsin Works agency for child care that the Wisconsin Works agency provides to the children of Wisconsin Works participants and applicants or that the Wisconsin Works agency arranges to meet immediate, short-term child

care needs of participants prior to authorization of a subsidy under sub. (1m).

(am) If the department contracts with a county department or agency under sub. (1m), the department shall allocate funds for the eligibility determination function under the contract. When allocating these funds, the department may consider trends in applications, a county department's or agency's past eligibility determination expenditures, the respective portions of the eligibility determination function to be performed by the department and the county department or agency, and any other factor determined by the department.

(b) 1. Subject to subds. 2. and 3., the department shall, to the extent practicable, allocate funds to a contract entered into under sub. (1m) for the administration of the program under sub. (3) in the same proportion as the geographic region's or Indian tribal unit's proportionate share of all funding allocated under par. (am) for eligibility determination functions during the contract period or, if the department elects, in the same proportion as the geographic region's or Indian tribal unit's proportionate share of all children for whom a subsidy was provided under this section in the most recent 12-month period for which applicable statistics are available before the start of the contract period.

2. The department shall allocate to each contract at least \$20,000 per year for the administrative responsibilities for each geographic region or Indian tribal unit.

3. If the department renews a contract for a subsequent year, the department shall allocate to the contract not less than 95 percent of the amount allocated to the contract in the previous year, unless the geographic region or Indian tribal unit is not comparable or total funding available for all contracts is lower than the total amount available in the previous year.

4. Within any contract period, the department may redistribute unexpended contract balances for a county department or agency to another county department or agency that reports expenditures in excess of their original contract total for the period.

(d) 1. No funds distributed under par. (a) may be used for child care services that are provided for a child by a child care provider who is the parent of the child or who resides with the child.

2. If a child's parent is a child care provider, no funds distributed under par. (a) may be used for child care services that are provided for the child by another child care provider who is not the child's parent.

3. Subdivision 1. or 2. does not apply if the child's parent has applied for, and been granted, a waiver of the prohibition under subd. 1. or 2. by the county department or agency or by the department.

4. The department shall by rule specify the circumstances, or standards for determining the circumstances, under which the department will grant a waiver under subd. 3.

(e) 1. In this paragraph, "qualifying child" means a child who satisfies both of the following:

a. He or she is not a child of an employee of the child care provider.

b. He or she does not reside with an employee of the child care provider.

2. No funds distributed under par. (a) may be used for child care services that are provided for a child by a child care provider who employs either the parent of the child or a person who resides with the child, unless the child care provider is licensed under s. 48.65 and at all times at least 60 percent of the children for whom the child care provider is providing care are qualifying children.

3. Notwithstanding subd. 2., if a child care provider described in subd. 2. satisfies the requirements for payment under subd. 2. but the percentage of qualifying children for whom the provider is providing care falls below 60 percent, the provider shall have 6 weeks to raise the percentage of qualifying children for whom the provider is providing care to at least 60 percent before pay-

ments to the provider are discontinued for child care services provided for a child who is not a qualifying child.

(4) CHOICE OF PROVIDER. (a) An eligible individual shall choose whether the child care will be provided by a child care center licensed under s. 48.65, a Level I certified family child care provider certified under s. 48.651 (1) (a), a Level II certified family child care provider certified under s. 48.651 (1) (b), or a child care program provided or contracted for by a school board under s. 120.13 (14).

(b) 1. Except as provided in subd. 2., no eligible individual may benefit personally from any marketing or promotional offerings made by a child care provider to attract clients or increase business.

2. Subdivision 1. does not apply to marketing or promotional offerings that directly benefit an eligible individual's child for whom the child care provider is providing child care services.

(c) 1. Notwithstanding par. (a) and subject to subd. 2., an eligible individual may receive a child care subsidy under this section for child care that is provided by an out-of-state provider of child care. Notwithstanding sub. (6), payments for child care services provided by an out-of-state provider under this subdivision shall be based on the maximum rate applicable in the county in which the eligible individual resides or on the out-of-state provider's actual rate, whichever is lower.

2. As a condition of payment under this section for child care services provided to a child of an individual who is eligible for a subsidy under this section, an out-of-state provider is subject to, and shall comply with, the provisions of this section, and rules promulgated under this section, that apply to a child care provider, as determined by the department.

(5) LIABILITY FOR PAYMENT. (a) An individual receiving a subsidy under this section is liable for the difference, if any, between the cost of the child care provided by the child care provider or providers selected by the individual and the subsidy amount. The department shall specify minimum or estimated copayment amounts based on family size, income level, and other factors, a schedule of which will be available in electronic form on the department's Internet site and in paper form.

(b) An individual who is under the age of 20 and attending high school or participating in a course of study meeting the standards established under s. 115.29 (4) for the granting of a declaration of equivalency to high school graduation may not be determined liable for more than the minimum copayment amount for the type of child care received and the number of children receiving child care.

(6) CHILD CARE RATES AND QUALITY STANDARDS. (a) The department shall establish maximum payment rates for licensed child care services provided under this section. The department shall set the rates so that at least 75 percent of the number of places for children within the licensed capacity of all child care providers can be purchased by eligible individuals under this section.

(b) The department shall set maximum payment rates for Level I certified family child care providers certified under s. 48.651 (1) (a) for services provided to eligible individuals under this section. The maximum rates set under this paragraph may not exceed 90 percent of the rates established under par. (a).

(c) The department shall set maximum payment rates for Level II certified family child care providers for services provided to eligible individuals under this section. The maximum rates set under this paragraph may not exceed 90 percent of the rates established under par. (a).

(cm) The department shall modify child care provider payment rates established under pars. (a) to (c) so that payment rates are lower for providers of after-school child care.

(d) The department may promulgate rules to establish a system of rates or a program of grants for child care providers that meet the higher quality of care standards established by rules promulgated under sub. (1d). If a system of rates is established under this

paragraph, the rates under that system shall be higher than the rates established under pars. (a) to (c).

(e) 1. In this paragraph, “quality rating plan” means the plan for implementing the child care quality rating system under s. 48.659 submitted by the department under 2009 Wisconsin Act 28, section 9108 (7f).

2. Except as provided in subd. 3., the department may not increase the maximum payment rates for child care providers before June 30, 2013.

3. The department may modify a child care provider’s payment rate under subd. 2. on the basis of the provider’s quality rating, as described in the quality rating plan, in the following manner:

a. For a child care provider who receives a 1–star rating, the department shall deny payment.

b. For a child care provider who receives a 2–star rating, the department may reduce the maximum payment rate by up to 5 percent.

c. For a child care provider who receives a 3–star rating, the department may pay up to the maximum payment rate.

d. For a child care provider who receives a 4–star rating, the department may increase the maximum payment rate by up to 15 percent.

e. For a child care provider who receives a 5–star rating, the department may increase the maximum payment rate for such a child care provider by up to 30 percent.

4. The department may use a severity–index tool, as described in the quality rating plan, to disqualify child care providers who receive a low quality rating, as described in the quality rating plan, from receiving payment under this section.

5. For purposes of modifying payment rates under subd. 3., the department shall assign a child care provider that is accredited from the Council on Accreditation a 4–star rating or 5–star rating, whichever the department determines is appropriate.

Cross–reference: See also s. DCF 201.06, Wis. adm. code.

(6d) COST–SAVING MEASURES. (a) To reduce costs under the program under this section, the department may do any of the following:

1. Notwithstanding sub. (1m), implement a waiting list for receipt of a child care subsidy under this section, except that a Wisconsin Works program participant may not be placed on any waiting list implemented under this subdivision.

2. Subject to sub. (5) (b), increase the copayment amount that an individual must pay toward the cost of child care received under this section.

3. Notwithstanding sub. (6), adjust the amount of payment to child care providers providing child care services under this section.

4. Notwithstanding sub. (1m), adjust the gross income levels for eligibility for receipt of a child care subsidy under this section.

(b) If the department intends to take any of the actions under par. (a), the department shall submit to the joint committee on finance a report that sets out its plan for implementing the cost–saving measures.

(6g) AUTHORIZED CHILD CARE HOURS. (a) 1. In this paragraph, “department” means the department or the county department or agency determining and authorizing the amount of child care for which an individual may receive a subsidy under this section.

2. Except as provided in subd. 3., the department shall authorize no more than 12 hours of child care per day per child.

3. The department may authorize more than 12 hours, not exceeding 16 hours, of child care per day for a child whose parent provides written documentation of work or transportation requirements that exceed 12 hours in a day.

4. If the authorized hours of child care per day for a child will be reduced from more than 12 to 12 or less because the child’s parent does not provide the written documentation required under subd. 3., the department shall provide to the child’s parent who is

receiving the subsidy under this section and to the child’s child care provider 4 weeks’ notice of the reduction in authorized hours before actually reducing the child’s authorized hours.

5. The department shall take into consideration child learning and development and shall promote continuity of care when authorizing hours of child care. The department is not required to limit authorized hours based on the individual’s schedule of activities under sub. (1m) (a) or the number of hours the individual spends in those activities.

(am) If payment to a child care provider is based on authorized hours of child care, the department shall do all of the following with respect to establishing and adjusting the number of authorized hours per child:

1. The department shall track a child’s hourly usage of child care authorizations over a 6–week period.

2. If the child’s hourly usage tracked under subd. 1. is less than 60 percent of the authorized hours of child care, the department shall reduce the authorized hours of child care for the child to 90 percent of the maximum number of hours of child care that the child attended during that 6–week period.

3. The department shall provide written notice of the proposed adjustment under subd. 2. to the child’s parent who is receiving the subsidy under this section, the child’s child care provider, and the applicable county department or agency.

(b) Retain the written daily attendance records under par. (a) for each child for at least 3 years after the child’s last day of attendance, regardless of whether the child care provider is still receiving or eligible to receive payments under this section.

(7) REFUSAL OF PAYMENT TO CHILD CARE PROVIDERS. (a) 1. If a person subject to a background check under s. 48.686 (2) who operates, works at, or resides at a child care provider is convicted or adjudicated delinquent for committing a serious crime, as defined in s. 48.686 (1) (c), or if the department provides written notice under s. 48.686 (4p) that the person is ineligible to operate, work at, or reside at the child care provider, the department or the county department under s. 46.215, 46.22, or 46.23 shall refuse to allow payment to the child care provider for any child care provided under this section beginning on the date of the conviction or delinquency adjudication.

2. If a person subject to a background check under s. 48.686 (2) who operates, works at, or resides at a child care provider is the subject of a pending criminal charge or delinquency petition alleging that the person has committed a serious crime, as defined in s. 48.686 (1) (c), the department or the county department under

s. 46.215, 46.22, or 46.23 shall immediately refuse to allow payment to the child care provider for any child care provided under this section until the department obtains information regarding the final disposition of the charge or delinquency petition indicating that the person is not ineligible to operate, work at, or reside at the child care provider.

(b) 1. If a person subject to a background check under s. 48.686 (2) who operates, works at, or resides at a child care provider has been convicted or adjudicated delinquent for committing an offense that is not a serious crime, as defined in s. 48.686 (1) (c), but the department determines under s. 48.686 (5m) that the offense substantially relates to the care of children or the department determines that the offense substantially relates to the operation of a business, the department or the county department under s. 46.215, 46.22, or 46.23 may refuse to allow payment to the child care provider for child care provided under this section.

2. If a person subject to a background check under s. 48.686 (2) who operates, works at, or resides at a child care provider is the subject of a pending criminal charge or delinquency petition for committing an offense that is not a serious crime, as defined in s. 48.686 (1) (c), but the department determines under s. 48.686 (5m) that the offense substantially relates to the care of children or the department determines that the offense substantially relates to the operation of a business, the department or the county department under s. 46.215, 46.22, or 46.23 may refuse to allow payment to the child care provider for child care provided under this section.

(7m) PENALTIES. (a) The department shall by rule establish policies and procedures permitting the department to do all of the following if a child care provider submits false, misleading, or irregular information to the department or if a child care provider fails to comply with the terms of the program under this section and fails to provide to the satisfaction of the department an explanation for the noncompliance:

1. Recoup payments made to the child care provider.
2. Withhold payments to be made to the child care provider.
3. Impose a forfeiture on the child care provider.

(b) The penalties under par. (a) may be imposed on any child care provider subject to this section. Ownership interest of a corporation or limited liability company includes ownership or control, directly or indirectly, by legally enforceable means or otherwise, by the individual, by the individual's spouse or child, by the individual's parent if the individual is under age 18, or by a combination of 2 or more of them, and such ownership interest of a parent corporation or limited liability company of which the corporation or limited liability company unable to pay such amounts is a wholly owned subsidiary. It was reasonable for the department to construe sub. (1m) (a) 2. as limiting eligible employment to only "qualified" employers, meaning legitimate employers with a verified legal status. It is reasonable to expect that eligibility for child-care benefits requires legitimate, documented employment with an employer who complies with legal employment requirements. *Mata v. (1) (c) 3. and, with respect to an individual applying for a program under sub. (1) (c) 4., all of the individual's group members shall complete controlled substance abuse screening. If, on the basis of the screening results, the administering agency determines that there is a reasonable suspicion that an individual who is otherwise eligible for a program or any of the individual's group members is abusing a controlled substance, the administering agency shall require the individual or group member to undergo a test for the use of a controlled substance.

(b) Except as provided in sub. (4m), if the individual or group member refuses to submit to a test under par. (a), the individual is not eligible to participate in a program until the individual or group member complies with the requirement to undergo a test for the use of a controlled substance.

3. Specified as exempt from the screening and testing requirements by department rule.

(3) If an individual or group member who undergoes a test under sub. (2) tests negative for the use of a controlled substance, or tests positive for the use of a controlled substance but presents evidence satisfactory to the administering agency that the individual or group member possesses a valid prescription for each controlled substance for which the individual or group member tests positive, the individual or group member will have satisfactorily completed the substance abuse testing requirements under this section.

(4) (a) If an individual or group member who undergoes a test under sub. (2) tests positive for the use of a controlled substance without presenting evidence of a valid prescription as described in sub. (b) During the time that an individual or group member is receiving substance abuse treatment under par. (3). If the results of any test during treatment are positive for the use of a controlled substance and the individual or group member does not present evidence of a valid prescription for the controlled substance, the individual or group member shall have the opportunity to begin the treatment again one time, as determined by the

administering agency. Except as provided in sub. (4m), if the individual or group member begins the substance abuse treatment again, the individual remains eligible for a program as long as the results of all tests for the use of a controlled substance during the subsequent treatment are negative for the use of a controlled substance or, if any results are positive, the individual or group member presents evidence of a valid prescription for the controlled substance.

(c) If an individual or group member receiving treatment under par. (b) completes treatment and, at the conclusion of the treatment, tests negative for the use of a controlled substance or presents evidence of a valid prescription for any controlled substance for which the individual or group member tests positive, the individual or group member will have satisfactorily completed the substance abuse testing requirements under this section.

(4m) (a) If an individual applying for a community service job under s. 49.147 (4) or a transitional placement under s. 49.147 (5) or his or her group member undergoes a test under sub. (2), tests positive for the use of a controlled substance without presenting evidence of a valid prescription as described in sub. (3), and refuses to participate in substance abuse treatment under sub. (4) (a) or if the individual or his or her group member fails to cooperate with the testing or treatment requirements under sub. (4) (b), the individual remains eligible only for the monthly grant portion of the community service job or transitional placement under s. 49.148 (1) (b) or (c) and only to the extent described in par. (b).

(a), the department shall reduce the amount that would otherwise have been established under s. 49.148 (1) (b) or (c) by an amount that reflects the fact that the monthly grant is to be used exclusively for the benefit of the dependent children in the individual's Wisconsin Works group and not for the benefit of the individual.

2. If an individual is eligible for a monthly grant under the circumstances described in par. (a), the department shall pay the monthly grant through a protective payee structure, under which the monthly grant is paid to a protective payee who is not the individual and who holds the money and uses it exclusively for the benefit of the dependent children in the individual's Wisconsin Works group.

3. An individual's partial eligibility under par. (a) ends on the earlier of the following dates:

a. The date on which the individual again becomes eligible for full participation in a Wisconsin Works employment position.

b. Twelve months after the date on which the individual or his or her group member meets the circumstances described under par. (a), as determined by the department.

(5) The department shall manage the costs and reinvest the savings under this section, and shall work with the administering agency, if different from the department, to manage the costs and reinvest the savings.

(6) From the appropriation under s. 20.437 (2) (em), the department shall pay substance abuse treatment costs under this section that are not otherwise covered by medical assistance under subch. IV, private insurance, or another type of coverage. If treatment costs payable by the department exceed the moneys available under s. 20.437 (2) (em), the department shall request the joint committee on finance to take action under s. 13.101. The requirement of a finding of emergency under s. 13.101 (3) (a) 1. does not apply to such a request.

(7) The department shall promulgate rules to implement the substance abuse screening, testing, and treatment requirements under this section and the monthly grant eligibility and protective payee structure under sub. (4m).

Aid may also be granted for minors other than to those specified, but not for a dependent child 18 years of age or older who is living in a home or institution specified under sub. (1) (a) 2. b.

(b) The person applying for aid has allowed the county department under s. 46.215 or 46.22 15 to 30 days to process his or her application and, if not already a resident of the county, has notified the county department under s. 46.215 or 46.22 of his or her intent to establish residence in the county. The effective date of eligibility for aid to eligible individuals is the date the applicant submits a signed and completed application to the county department under s. 46.215 or 46.22, or the first date on which the applicant meets all of the eligibility criteria, whichever is later.

(bm) The person applying for aid shall document, to the department’s satisfaction, actual income as claimed in the application, and shall reveal all assets. Except as specified in par. (br), aid is available only if the combined equity value of assets does not exceed \$1,000. One automobile with an equity value not exceeding \$1,500, one home, as specified in par. (e), and, for each person, one burial plot and one burial agreement under s. 445.125 (1) (a) 2. and 3. with a value of not more than \$1,500 may not be included when determining the combined equity value of assets. Any amount received under section 32 of the internal revenue code, as defined in s. 71.01 (6), and any payment made by an employer under section 3507 of the internal revenue code, as defined in s. 71.01 (6), may not be included in determining the combined equity value of assets in the month of receipt and the following month.

(br) Aid may be paid for up to 9 months to an otherwise eligible owner of real property other than that specified under par. (bm) and that real property may be excluded as an asset for up to 9 months if all of the following conditions are met:

1. The owner enters into a signed, written agreement with the county department under s. 46.215 or 46.22 that he or she shall make a good faith effort to sell the real property and repay the amount of aid granted during the asset exclusion period up to the amount of net proceeds of the sale of the real property.

2. The net proceeds of the sale of the real property plus the combined equity value of all other countable assets exceed \$1,000 on the date of the agreement made under subd. 1.

(bu) 1. The department shall request a waiver from the secretary of the federal department of health and human services to allow a recipient of aid under this section to accumulate funds in an education and employability account, as described in subd. 2., the first \$10,000 in which is not considered against the amount of assets that a recipient is allowed to own under par. (bm). If the waiver is granted, the department shall promulgate rules to implement the waiver and shall implement the waiver beginning no sooner than January 1, 1995. Subdivision 2. does not apply unless the waiver is in effect.

2. The department may authorize a person to establish an education and employability account at a financial institution, as defined in s. 705.01 (3), after the person is determined to be eligible for aid under this section. The first \$10,000 in the account is not considered against the asset limit if the person provides to the county department under s. 46.215, 46.22 or 46.23, at the time of establishing the account and at other times required by the department, a signed statement identifying the financial institution, the account number of the account and the amount in the account. Interest earned on the account and retained in the account is not considered income under this section. Money withdrawn from the education and employability account will be considered income in the month that it is withdrawn unless it is used for one of the following purposes:

- a. The recipient's own education or training or the education or training of his or her child.
- b. Improving the employability of a member of the family.
- d. Not more than \$200 every 12 months for emergency needs, as determined by the county department under s. 46.215, 46.22 or 46.23.

(by) No later than September 1, 1992, the department shall request a waiver from the secretary of the federal department of health and human services under which the equity value of automobiles with a total equity value of not more than \$2,500 would not be included when determining the combined equity value of assets under par. (bm). If the waiver is granted, the equity value of automobiles with a total equity value of not more than \$2,500 shall not be included when determining the combined equity value of assets under par. (bm), rather than one automobile with an equity value not exceeding \$1,500.

(c) The person having the care and custody of the dependent child must be fit and proper to have the child. Aid shall not be denied by the county department under s. 46.215 or 46.22 on the grounds that a person is not fit and proper to have the care and custody of the child until the county department obtains a finding substantiating that fact from a court assigned to exercise jurisdiction under chs. 48 and 938 or other court of competent jurisdiction; but in appropriate cases it is the responsibility of the county department to petition under ch. 48 or refer the case to a proper child protection agency.

(d) Aid may be granted to the mother or stepmother of a dependent child if she is without a husband or if she:

- 1. Is the wife of a husband who is incapacitated for gainful work by mental or physical disability; or
- 2. Is the wife of a husband who is incarcerated or who is a convicted offender permitted to live at home but precluded from earning a wage because the husband is required by a court imposed sentence to perform unpaid public work or unpaid community service; or

3. Is the wife of a husband who has been committed to the department pursuant to ch. 975, irrespective of the probable period of such commitment; or

4. Is the wife of a husband who has continuously abandoned or failed to support her, if proceedings have been commenced against the husband under ch. 769; or

5. Has been divorced and is without a husband or legally separated from her husband and is unable through use of the provisions of law to compel her former husband to adequately support the child for whom aid is sought; or

6. Has commenced an action for divorce or legal separation and obtained a temporary order for support under s. 767.225 which order is either insufficient to adequately meet the needs of the child or cannot be enforced through the provisions of law; or

7. Has obtained an order under s. 767.501 from the court to compel support, which order is either insufficient to adequately meet the needs of the child or cannot be enforced through the provisions of law; or

8. Is incapacitated and the county department under s. 46.215 or 46.22 believes she is the proper payee.

(dm) Aid may be paid to parents of a dependent child if the parents are unable to supply the needs of the child because of the unemployment of the parent, in a home in which both parents live, who earned the most income during the 24-month period immediately preceding the month for which aid is granted and who meets the federal requirements as to past employment and current unemployment. The department shall count up to 4 calendar quarters of full-time attendance at an elementary school, a secondary school, or a vocational or technical training course that satisfies the requirements under 42 USC 607 (d) (1) (B) toward the federal requirement as to past employment. Aid to dependent children of unemployed parents may be granted only if federal aid for this purpose is available to the state. No aid may be granted if the unemployed parent:

- 4. Qualifies for unemployment insurance but refuses to apply for or accept unemployment insurance; or
- 5. Fails to meet any applicable federal or state work, work registration or training requirement. The department shall promulgate rules listing the applicable requirements under this subdivision.

(e) The ownership of a home and the lands used or operated in connection therewith or, in lieu thereof, a house trailer, if such home or house trailer is used as the person's abode, by a person having the care and custody of any dependent child shall not prevent the granting of aid if the cost of maintenance of said home or house trailer does not exceed the rental which the family would be obliged to pay for living quarters.

(es) In determining eligibility for aid to families with dependent children, all earned and unearned income of the applicant shall be considered, except any amount received under section 32 of the internal revenue code, as defined in s. 71.01 (6), and any payment made by an employer under section 3507 of the internal revenue code, as defined in s. 71.01 (6), and aid received under this section. Eligibility does not exist if the total income considered exceeds 185 percent of the standard of need or if the total income considered after disregards are applied exceeds the standard of need.

(et) In determining eligibility for aid, the income of a dependent child's stepparent who lives in the same home as the child shall be considered as required under 42 USC 602 (a) (31).

(ez) If an alien applies for aid, the income and resources of any person or public or private agency which executed an affidavit of support for the alien are deemed unearned income and resources of the alien for a 3-year period after the alien enters the United States, unless the department determines that the public or private agency no longer exists or has become unable to meet the alien's needs. The income and resources of the spouse of the executor,

if the executor is an individual, are also deemed unearned income and resources of the alien for a 3-year period after the alien enters the United States, if the spouse is living with the executor. The department may, by rule, specify the method of computing income and resources under this paragraph and may reduce the level of income and resources that are deemed unearned income and resources of the alien, to the extent required by P.L. 97–35, section 2320 (b). This paragraph does not apply if the alien is a dependent child and if the executor or the executor's spouse is the parent of the alien.

(f) Whenever better provisions, public or private, can be made for the care of such dependent child, aid under this section shall cease. Prompt notice shall be given to the appropriate law enforcement officials of the county of the furnishing of aid under this section in respect of a child who has been deserted or abandoned by a parent.

(g) 1. If the pregnancy is medically verified, a pregnant woman receiving aid under this section who notifies the county department under s. 46.215 or 46.22 before the 8th month of pregnancy begins shall receive a monthly payment determined under sub. (11) (d) from the first day of the month in which the 8th month of pregnancy begins, in addition to the payment determined according to family size under sub. (11). If the recipient provides notification after the 8th month of pregnancy begins, the woman shall receive the additional monthly payment determined under sub. (11) (d) beginning with the first day of the month following notification.

NOTE: The cross-references to sub. (11) and sub. (11) (d) were changed from sub. (11) (a) and sub. (11) (a) 4. by the legislative reference bureau under s. 13.92 (1) (bm) 2. to reflect the renumbering under s. 13.92 (1) (bm) 2. of sub. (11) (a) and sub. (11) (a) 4.

2. Aid to a pregnant woman who is otherwise eligible but has no children is available from the first day of the month in which the 8th month of pregnancy begins or the date the woman submits a signed and completed application for aid to the county department under s. 46.215 or 46.22, whichever is later, if the pregnancy is medically verified. The pregnant woman has a family size of one for grant determination purposes under sub. (11) and is additionally eligible for a monthly payment determined under sub. (11) (d).

NOTE: The cross-references to sub. (11) and sub. (11) (d) were changed from sub. (11) (a) and sub. (11) (a) 4. by the legislative reference bureau under s. 13.92 (1) (bm) 2. to reflect the renumbering under s. 13.92 (1) (bm) 2. of sub. (11) (a) and sub. (11) (a) 4.

3. Eligibility for the additional monthly payment under this paragraph continues through the month of the child's birth.

(h) 1. a. As a condition of eligibility for assistance under this section, the person charged with the care and custody of the dependent child or children shall fully cooperate in efforts directed at establishing the paternity of a nonmarital child and obtaining support payments or any other payments or property to which that person and the dependent child or children may have rights. Such cooperation shall be in accordance with federal law, rules and regulations applicable to paternity establishment and collection of support payments.

b. Except as provided under sub. (5) (a) 1m., when any person applies for or receives aid under this section, any right of the parent or any dependent child to support or maintenance from any other person, including any right to unpaid amounts accrued at the time of application and any right to amounts accruing during the time aid is paid under this section, is assigned to the state. If a minor who is a beneficiary of aid under this section is also the beneficiary of support under a judgment or order that includes support for one or more children not receiving aid under this section, any support payment made under the judgment or order is assigned to the state in the amount that is the proportionate share of the minor receiving aid under this section, except as otherwise ordered by the court on the motion of a party. Amounts assigned to the state under this subd. 1. b. remain assigned to the state until that amount of aid paid that represents the amount due as support or maintenance has been recovered. No amount of support that begins to

accrue after aid under this section is discontinued for the recipient may be considered assigned to this state.

c. Notice of the requirements of this subdivision shall be provided applicants for aid under this section at the time of application.

2. If the person charged with the care and custody of the dependent child or children does not comply with the requirements of subd. 1. a., that person shall be ineligible for assistance under this section. In such instances, aid payments made on behalf of the dependent child or children shall be made in the form of protective payments. If the county department under s. 46.215 or 46.22 has been unsuccessful in finding a person other than the person charged with the care of the dependent child to receive the protective payment on behalf of the child, after performance of a reasonable effort to do so, the county department may make the payment on behalf of the child to the person charged with the care of the dependent child.

(k) The total income of the AFDC group, including any nonrecurring lump sum payment of earned or unearned income and any other income not disregarded, may not exceed the applicable standard of need under sub. (11). If the total income exceeds the standard of need, all members of the AFDC group remain ineligible for the number of months that equals the total income divided by the standard of need.

(4e) (a) If a person applying for aid is under 18 years of age, has never married, and is pregnant or has a dependent child in his or her care, the person is not eligible for aid unless he or she lives in a place maintained by his or her parent, legal guardian, or other adult relative as the parent's, guardian's or other adult relative's own home or lives in a foster home, maternity home, or other supportive living arrangement supervised by an adult.

(b) Paragraph (a) does not apply in any of the following situations:

1. The person applying for aid has no parent or legal guardian whose whereabouts are known.

2. No parent or legal guardian of the person applying for aid allows the person to live in the home of that parent or legal guardian.

3. The department determines that the physical or emotional health or safety of the person applying for aid or the dependent child would be jeopardized if the person and the dependent child lived with the person's parent or guardian.

4. The person applying for aid lived apart from his or her parent or legal guardian for at least one year before the birth of any dependent child or before the person applied for aid.

5. The county department under s. 46.215, 46.22 or 46.23 otherwise determines that there is good cause not to apply par. (a).

(c) The department shall request a waiver from the secretary of the federal department of health and human services to require, without exception, that a person applying for aid who is under 18 years of age, has never married and is pregnant or has a dependent child in his or her care meet the requirements of par. (a). If a waiver is granted and in effect, par. (b) does not apply.

(4h) Student loans and grants, including work study funds, are not considered income in determining eligibility for aid under this section or the amount of monthly payments under this section.

(4m) Aid under this section is unavailable to a family for any month in which the caretaker relative of the dependent child is participating in a strike on the last day of the month. Aid under this section is unavailable to any person for a month in which the person is participating in a strike on the last day of the month.

(5) (a) The aid shall be sufficient to enable the person having the care and custody of dependent children to care properly for them. The amount granted shall be determined by a budget for the family in which all income shall be considered, except:

1. All earned income of each dependent child included in the grant who is: a full-time student; or a part-time student who is not

a full-time employee. For purposes of this subdivision a student is an individual attending a school, college, university or a course of vocational or technical training designed to fit him or her for gainful employment.

1e. Any amount received under section 32 of the internal revenue code, as defined in s. 71.01 (6), and any payment made by an employer under section 3507 of the internal revenue code, as defined in s. 71.01 (6), to a family receiving aid.

1m. The first \$50 of any money received by the department in a month under an assignment to the state under sub. (4) (h) for a person applying for or receiving aid to families with dependent children that shall be paid to the family applying for or receiving aid.

2. The first \$90 shall be disregarded from the earned income of:

a. Any dependent child or relative applying for or receiving aid.

b. Any other person living in the same home as the dependent child whose needs are considered in determining the budget.

4. Except as provided under par. (am), after disregarding the amounts specified under subd. 2., \$30 of earned income and an amount equal to one-third of the remaining earned income not disregarded, from the earned income of any person specified in subd. 2. These disregards do not apply to:

a. The earned income of a person who has received the disregards for 4 consecutive months, until the person ceases to receive aid for 12 consecutive months.

b. Earned income derived from a training or retraining project.

c. The earned income of a person whose income exceeds the person's need, unless the person has received aid under this section in any of the 4 months preceding the month in which the income exceeds the need.

4m. Except as provided under par. (am), after the person has received the benefit of the disregards under subd. 4. for 4 consecutive months, a disregard of \$30 of earned income shall be available for 8 additional consecutive months. This disregard does not apply to:

a. Earned income derived from a training or retraining project.

b. The earned income of a person whose income exceeds the person's need, unless the person has received aid under this section in any of the 4 months preceding the month in which the income exceeds the need.

4s. After disregarding the amounts under subd. 2. and either subd. 4. or par. (am), an amount equal to expenditures and not to exceed \$175 per month for each dependent child or incapacitated person, or \$200 per month for each child under the age of 2, shall be disregarded from the earned income of any person listed in subd. 2. if:

a. The amount is used to provide care for a dependent child or for an incapacitated person who is living in the same home as the dependent child;

b. The person receiving care is also receiving aid under this section; and

c. The person requires care during the month that aid is received.

5. The disregards specified in subds. 2. to 4s. and par. (am) do not apply to the earned income of any person who violates 45 CFR 233.20 (a) (11) (iii).

(am) 1. Except as provided under subd. 1m., instead of the disregards under par. (a) 4. and 4m., after disregarding the amounts specified under par. (a) 2., \$30 of earned income and an amount equal to one-sixth of the remaining earned income not disregarded shall be disregarded from the earned income of a person specified in par. (a) 2. These disregards do not apply to:

a. The earned income of a person who has received the disregards for 12 consecutive months, until the person ceases to receive aid for 12 consecutive months.

b. Earned income derived from a training or retraining project.

c. The earned income of a person whose income exceeds the person's need, unless the person has received aid under this section in any of the 4 months preceding the month in which the income exceeds the need.

1m. If a waiver under subd. 2. is granted, the department may select individuals to whom the disregards under par. (a) 4. and 4m. apply, rather than the disregard under subd. 1., as a control group for all or part of the period during which the waiver is in effect.

2. The department shall request a waiver from the secretary of the federal department of health and human services to permit the application of the earned income disregards in subd. 1. Subdivision 1. does not apply unless a federal waiver is in effect. If a waiver is received, the department shall implement subd. 1. no later than the first day of the 6th month beginning after the waiver is approved.

(as) The department shall request, but may not implement, a waiver from the secretary of the federal department of health and human services to establish an earned income disregard that is equal to the first \$200 of earned income plus 50 percent of the remaining earned income, instead of the amount under par. (a) or (am), and that is not reduced after a specified period. The department shall request the waiver no later than September 1, 1992.

(b) Such family budget shall be based on a standard budget, including the parents or other person who may be found eligible to receive aid under this section.

(c) The aid allowed under this subsection may be given in the form of supplies or commodities or vouchers for the same, in lieu of money, as a type of remedial care authorized under sub. (1) (c), whenever the giving of aid in such form is deemed advisable by the director of the county department under s. 46.215, 46.22 or 46.23 dispensing such aid as a means either of attempting to rehabilitate a particular person having the care and custody of any such children or of preventing the misuse or mismanagement by such person of aid in the form of money payments.

(ce) At the request of a recipient of aid under this section, the department shall provide the portion of the grant equal to the amount of the recipient's rent to the recipient's landlord in the form of a rent voucher or by an alternative payment method.

(cm) 1. In this paragraph, "direct payment" means a check which is drawn in favor of the landlord of a recipient of aid under this section.

2. A direct payment shall be made whenever a recipient of aid under this section has failed to pay rent to the landlord for 2 months or more, unless the failure to pay rent is authorized by law.

3. If a landlord reports to a county department under s. 46.215, 46.22 or 46.23 that a recipient has failed to pay rent for 2 or more months, the county department shall do all of the following:

a. Inform the recipient of the report.

b. Investigate the report.

c. If it determines that the conditions for issuing a direct payment under subd. 2. are met, inform the recipient of the right to a fair hearing on the issue of whether direct payment of rent should be made and inform the department of health services of its determination.

d. If it determines that direct payments should not be made, inform the recipient and the landlord of that determination.

4. When it has been determined that a direct payment of rent should be made, the department of health services shall issue the recipient's monthly grant in 2 checks, a direct payment for the amount of the rent and a check drawn in favor of the recipient for the balance of the grant amount.

5. The county department shall review each case in which a direct payment is being made at least once every 12 months and whenever a recipient reports that a condition under subd. 6. for the cessation of direct payments exists.

6. The county department shall inform the department of health services, and the department of health services shall cease making a direct payment, when the county department determines that any of the following conditions exists:

- a. A direct payment has been made for 24 consecutive months.
- b. The recipient has reimbursed the landlord for all back rent owed.
- c. The recipient has moved and has a different landlord.

7. The department shall promulgate rules for the administration of this paragraph.

(e) No aid may continue longer than 6 months without reinvestigation, except that the department may provide that in certain cases or groups of cases aid may continue up to 12 months without reinvestigation. The county department under s. 46.215, 46.22 or 46.23 may conduct a reinvestigation of a case whenever there is reason to believe circumstances have changed. The county department shall submit information concerning reinvestigations, at such times and in such form as the department requires.

(f) This subsection does not prohibit such public assistance as may legitimately accrue directly to persons other than the beneficiaries of this section who may reside in the same household.

(6) The county department under s. 46.215, 46.22 or 46.23 may require the child's parent to do such remunerative work as in its judgment can be done without detriment to the parent's health or the neglect of the children or the home; and may prescribe the hours during which the parent may be required to work outside of the home.

(7) The county board shall annually appropriate a sum of money sufficient to carry out the provisions of this section. The county treasurer shall pay out the amounts ordered paid under this section.

(9) If the head of a family is a veteran, as defined in s. 45.01 (12), or a person under s. 45.51 (2) (a) 2., and is hospitalized or institutionalized because of disabilities in a county other than that of his or her residence or settlement at time of admission, aid shall be granted to the dependent children of the veteran by the county wherein the head of the family had his or her residence or settlement at the time of admission so long as he or she remains hospitalized or institutionalized.

(10) (a) Aid under this section may also be granted to a non-relative who cares for a child dependent upon the public for proper support in a foster home having a license under s. 48.62, in a foster home located within the boundaries of a federally recognized American Indian reservation in this state and licensed by the tribal governing body of the reservation, or in a group home licensed under s. 48.625, regardless of the cause or prospective period of dependency. The state shall reimburse counties pursuant to the procedure under s. 48.569 (2) and the percentage rate of participation set forth in s. 48.569 (1) (d) for aid granted under this subsection except that if the child does not have legal settlement in the granting county, state reimbursement shall be at 100 percent. The county department under s. 46.215 or 46.22 shall determine the legal settlement of the child. A child under one year of age shall be eligible for aid under this subsection irrespective of any other residence requirement for eligibility within this section.

(b) Aid under this section may also be granted on behalf of a child in the legal custody of a county department under s. 46.215, 46.22 or 46.23 or on behalf of a child who was removed from the home of a relative specified in sub. (1) (a) as a result of a judicial determination that continuance in the home of a relative would be contrary to the child's welfare for any reason when such child is placed in a licensed residential care center for children and youth by the county department. Reimbursement shall be made by the state pursuant to par. (a).

(c) Reimbursement under par. (a) may also be paid to the county when the child is placed in a licensed foster home, group home, or residential care center for children and youth by a licensed child welfare agency or by a federally recognized American Indian tribal governing body in this state or by its designee, if the child is in the legal custody of the county department under s. 46.215, 46.22, or 46.23 or if the child was removed from the home of a relative specified in sub. (1) (a) as a result of a judicial determination that continuance in the home of the relative would be contrary to the child's welfare for any reason and the placement is made under an agreement with the county department.

(d) Aid may also be paid under this section to a licensed foster home, group home, or residential care center for children and youth by the state when the child is in the custody or guardianship of the state, when the child is a ward of an American Indian tribal court in this state and the placement is made under an agreement between the department and the tribal governing body, or when the child was part of the state's direct service case load and was removed from the home of a relative specified in sub. (1) (a) as a result of a judicial determination that continuance in the home of a relative would be contrary to the child's welfare for any reason and the child is placed by the department or the department of corrections.

(e) Notwithstanding pars. (a), (c), and (d), aid under this section may not be granted for placement of a child in a foster home licensed by a federally recognized American Indian tribal governing body, for placement of a child in a foster home or residential care center for children and youth by a tribal governing body or its designee, for the placement of a child who is a ward of a tribal court if the tribal governing body is receiving or is eligible to receive funds from the federal government for that type of placement, or for placement of a child in a group home licensed under s. 48.625.

(11) (am) 1m. Except as provided in subs. (11m) and (11s), monthly payments made under s. 20.437 (2) (dz) and (md) to persons or to families with dependent children shall be based on family size and shall be at 80 percent of the total of the allowances under pars. (b) and (d) plus the following standards of assistance beginning on September 1, 1987:

NOTE: Par. (d) is shown as renumbered from par. (a) 4. by the legislative reference bureau under s. 13.92 (1) (bm) 2. The cross-reference to par. (am) 1m. was changed from subd. 1. a. by the legislative reference bureau under s. 13.92 (1) (bm) 2. to reflect the renumbering under s. 13.92 (1) (bm) 2. of par. (a) 1. a.

NOTE: Par. (f) is shown as renumbered from par. (a) 7. by the legislative reference bureau under s. 13.92 (1) (bm) 2.

(11g) When the department submits a copy of the reevaluation of the need standard and payment standard under sub. (11), as required by 42 USC 602 (h), the department shall submit a copy of that reevaluation to the chief clerk of each house of the legislature for distribution to the legislature in the manner provided under s. 13.172 (3).

NOTE: The cross-reference to sub. (11) was changed from sub. (11) (a) by the legislative reference bureau under s. 13.92 (1) (bm) 2. to reflect the renumbering under s. 13.92 (1) (bm) 2. of sub. (11) (a).

(11m) (a) The department shall apply to the secretary of the federal department of health and human services for approval of a demonstration project under which the department provides a person eligible for aid under this section who is described in par. (am) with monthly payments, for the first 6 months that he or she lives in this state, calculated on the basis of the aid to families with dependent children benefit level in the state in which the family most recently resided for one month or longer. The department shall promulgate a rule establishing the methods and identifying the factors that the department will use to determine the aid to families with dependent children benefit that will be paid under the demonstration project according to family size and state of former residence. The rule shall also establish the initial benefit table to be used in determining benefits under the demonstration project. The department shall publish annual changes to this benefit table in the Wisconsin administrative register. The department shall base the benefit for a family on the aid to families with dependent children benefit available to a typical family of the same size in the other state, taking into account all factors that may affect the amount of the benefit. If a family moves from a state that allows a family to keep a different amount of income without reducing benefits than a family would be allowed to keep in this state, the department shall allow the family to keep a similar amount of income without reducing benefits.

(am) Under the demonstration project, a person is subject to receiving the payments under par. (a) if he or she has not previously resided in this state for at least 6 consecutive months and either:

1. Applies for benefits more than 90 days but fewer than 180 days after moving to this state and is unable to demonstrate to the satisfaction of the county department of social services or human services that he or she was employed for at least 13 weeks after moving to this state; or

2. Applies for benefits within 90 days after moving to this state.

(b) If approval under par. (a) is granted and if the supreme court determines, within 9 months after the department notifies the attorney general that the approval has been granted, that the demonstration project does not violate either the state constitution or the U.S. constitution or the supreme court does not make a decision on the constitutionality of the demonstration project within that time, the department shall implement the demonstration project. The department may conduct the demonstration project for

a period not to exceed 36 months. The department may not start the demonstration project before a computerized system for determining the amount of benefits payable to recipients under the demonstration project is complete.

(c) Subject to pars. (b) and (d), the department shall conduct the demonstration project in Kenosha County, Milwaukee County, Racine County and up to 3 other counties. If the department does not initially select Rock County as one of the other counties and if one of the counties specified in this paragraph or initially selected by the department enacts an ordinance or adopts a resolution under par. (d), the department shall give Rock County priority for consideration as a replacement county.

(d) The department may not conduct the demonstration project in a county if the county enacts an ordinance or adopts a resolution objecting to participating in the demonstration project.

(11s) (a) The department shall conduct a demonstration project under this subsection pursuant to a waiver from the secretary of the federal department of health and human services beginning on January 1, 1996. To the extent permitted in the waiver, the department may apply pars. (b) to (d) to all recipients of aid under this section or to a test group of recipients of aid under this section determined by the department. Paragraphs (b) to (d) do not apply to persons who are subject to s. 49.25, 1997 stats., and shall apply only while a waiver under this paragraph is in effect and only with respect to recipients covered by the waiver.

(b) In determining the payment amount under sub. (11), a child born into a family more than 10 months after the date that the family was first determined to be eligible for assistance under this section shall not be considered in determining family size unless at least one of the following conditions is met:

NOTE: The cross-reference to sub. (11) was changed from sub. (11) (a) by the legislative reference bureau under s. 13.92 (1) (bm) 2. to reflect the renumbering under s. 13.92 (1) (bm) 2. of sub. (11) (a).

1. The family did not receive benefits under this section for a period of at least 6 months, other than as a result of sanctions, and the child was born during that period or not more than 10 months after the family resumed receiving benefits under this section after that period.

2. The child was conceived as a result of a sexual assault in violation of s. 940.225 (1), (2) or (3) in which the mother did not indicate a freely given agreement to have sexual intercourse or of incest in violation of s. 944.06 or 948.06 and that incest or sexual assault has been reported to a physician and to law enforcement authorities.

3. The child's mother is a dependent child at the time of the child's birth and the child is born as a result of the mother's first pregnancy that resulted in a live birth.

4. The child does not reside with his or her biological mother or father.

5. The family or child meets the criteria for an exemption from the application of this paragraph under a rule promulgated by the department.

(c) The department shall inform all applicants for aid under this section of the limitation under par. (b) at the time of application.

(d) From the appropriation under s. 20.437 (2) (a), the department may award grants to county departments under ss. 46.215, 46.22 and 46.23 for providing education services relating to family planning, as defined in s. 253.07 (1) (a), to persons who are subject to par. (b).

(13) When a county department under s. 46.215, 46.22 or 46.23 proposes to terminate, discontinue, suspend or reduce assistance to a recipient under this section such county department shall provide at least the minimum notice required under 42 USC 601 to 613.

(14) (a) If any check or draft drawn and issued for payment of aid under this section is lost, stolen or destroyed, the department shall request a replacement as provided under s. 20.912 (5).

(b) If the secretary of administration is unable to issue a replacement check or draft requested under par. (a) because the

original has been paid, the department shall promptly authorize the issuance of a replacement check or draft. If the secretary of administration recovers the amount of the original check or draft that amount shall be returned to the department. If the secretary of administration is unable to obtain recovery, the department may pursue recovery.

(15) By January 1, 1990, the department shall apply for approval of a demonstration project under 42 USC 1315 (d) (1) (A) which would test and evaluate the elimination, on a statewide basis, of the limit on the number of hours a parent may work and still be considered unemployed for purposes of eligibility for aid under this section. If the application is approved, the department shall inform the joint committee on finance. The department may implement the demonstration project only if the joint committee on finance approves the demonstration project.

(16) The department shall provide written notice of the penalties under s. 49.29 to each applicant for aid under this section at the time of application and to each person who receives aid under this section on June 18, 1992, at the time of the next redetermination of the person's eligibility.

(17) The department may recover an overpayment of aid under this section from an overpaid family who continues to receive aid by reducing the amount of the family's monthly aid payment by no more than 10 percent of the maximum monthly payment allowance under sub. (11) for a family of that size.

(19) The department shall request a waiver from the secretary of the federal department of health and human services to allow the department to determine eligibility and payment amounts under this section for a woman entrepreneur who receives a start-up or capital expansion loan through the revolving loan program operated by the women's business initiative corporation without consideration of that loan or of any business income during the start-up period of the woman's business. If the waiver is approved, the department shall implement the waiver.

(19m) Notwithstanding subs. (1) to (19), no aid may be paid under this section for a child on whose behalf a payment is made under s. 49.775.

(20) (a) Beginning on January 1, 1999, or beginning on the first day of the 6th month beginning after the date stated in the notice under s. 49.141 (2) (d), 1997 stats., whichever is sooner, no person is eligible to receive benefits under this section and no aid may be granted under this section. No additional notice, other than the enactment of this paragraph, is required to be given under sub. (13) to recipients of aid under this section to terminate their benefits under this paragraph.

(b) Notwithstanding par. (a):

1. If a nonlegally responsible relative is receiving aid under this section on behalf of a dependent child on October 14, 1997, no aid under this section may be paid to the nonlegally responsible relative after December 31, 1997, or the first reinvestigation under sub. (5) (e) occurring after October 14, 1997, whichever is earlier.

2. If a nonlegally responsible relative is not receiving aid under this section on behalf of a dependent child on October 14, 1997, no aid may be paid to the nonlegally responsible relative on or after October 14, 1997.

49.195 Recovery of aid to families with dependent children, Wisconsin Works benefits, and overpayments of emergency assistance.

(1) If any parent at the time of receiving aid under s. 49.19 or a benefit under s. 49.148, 49.155 or 49.157 or at any time thereafter acquires property by gift, inheritance, sale of assets, court judgment or settlement of any damage claim, or by winning a lottery or prize, the county granting such aid, or the Wisconsin works agency granting such a benefit, may sue the parent on behalf of the department to recover the value of that portion of the aid or of the benefit which does not exceed the amount of the property so acquired. The value of the aid or benefit liable for recovery under this section may not include the value of work performed by a member of the family in a community work experience program under s. 46.215 (1) (o), 1991 stats., s. 46.22 (1) (b) 11., 1991 stats., or s. 49.50 (7j) (d), 1991 stats., or in a community work experience component under s. 49.193 (6), 1997 stats. During the life of the parent, the 10-year statute of limitations may be pleaded in defense against any suit for recovery under this section; and if such property is his or her homestead it shall be exempt from execution on the judgment of recovery until his or her death or sale of the property, whichever occurs first. Notwithstanding the foregoing restrictions and limitations, where the aid or benefit recipient is deceased a claim may be filed against any property in his or her estate and the statute of limitations specified in s. 859.02 shall be exclusively applicable. The court may refuse to render judgment or allow the claim in any case where a parent, spouse or child is dependent on the property for support, and the court in rendering judgment shall take into account the current family budget requirement as fixed by the U.S. department of labor for the community or as fixed by the authorities of the community in charge of public assistance. The records of aid or benefits paid kept by the county, by the department or by the Wisconsin works agency are prima facie evidence of the value of the aid or benefits furnished. Liability under this section shall extend to any parent or stepparent whose family receives aid under s. 49.19 or benefits under s. 49.148, 49.155 or 49.157 during the period that he or she is a member of the same household, but his or her liability is limited to such period. This section does not apply to medical and health assistance payments for which recovery is prohibited or restricted by federal law or regulation.

(2) Amounts may be recovered pursuant to this section for aid granted both prior to and after August 31, 1969; and any amounts so recovered shall be paid to the United States, this state and its political subdivisions in the proportion in which they contributed to the payment of the aid granted, in the same manner as amounts recovered for old-age assistance are paid.

(3) A county, tribal governing body, Wisconsin Works agency, or the department shall determine whether an overpayment has been made under s. 49.138, 49.148, 49.155, 49.157, or 49.19 and, if so, the amount of the overpayment. The county, tribal governing body, Wisconsin Works agency, or department shall provide notice of the overpayment to the liable person. The department shall give that person an opportunity for a review following the procedure specified under s. 49.152, if the person received the overpayment under s. 49.141 to 49.161, and for a hearing under ch. 227. Notwithstanding s. 49.96, the department shall promptly recover all overpayments made under s. 49.138, 49.148, 49.155, 49.157, or 49.19 that have not already been received under s. 49.138 (5), 49.161, or 49.19 (17) or received as a setoff under s. 71.93 and shall promulgate rules establishing policies and procedures to administer this subsection. The rules shall include notification procedures similar to those established for child support collections.

(3m) (a) 1. If any person fails to pay to the department any amount determined under sub. (3), no review or appeal of that determination is pending and the time for requesting a review or taking an appeal has expired, the department may issue a warrant directed to the clerk of circuit court of any county.

2. The clerk of circuit court shall enter in the judgment and lien docket the name of the person mentioned in the warrant, the amount for which the warrant is issued and the date on which the clerk entered that information.

3. A warrant entered under subd. 2. shall be considered in all respects as a final judgment constituting a perfected lien upon the person's right, title and interest in all real and personal property located in the county in which the warrant is entered.

4. After issuing a warrant, the department may file an execution with the clerk of circuit court for filing with the sheriff of the county, commanding the sheriff to levy upon and sell sufficient real and personal property of the person to pay the amount stated in the warrant in the same manner as upon an execution against property issued upon the judgment of a court of record, and to return the warrant to the department and pay to it the money collected by virtue of the warrant within 90 days after receipt of the warrant. The execution may not command the sheriff to levy upon or sell any property that is exempt from execution under ss. 815.18 (3) and 815.20.

(b) The clerk of circuit court shall accept, file, and enter each warrant under par. (a) and each satisfaction, release, or withdrawal under par. (d), (e), (g), or (h) in the judgment and lien docket without prepayment of any fee, but the clerk of circuit court shall submit a statement of the proper fee semiannually to the department covering the periods from January 1 to June 30 and July 1 to December 31 unless a different billing period is agreed to between the clerk of circuit court and the department. The department shall pay the fees, but shall add the fees provided by s. 814.61 (5) for entering the warrants to the amount of the warrant and shall collect the fees from the person named in the warrant when satisfaction or release is presented for entry.

(c) If a warrant that is not satisfied in full is returned, the department may enforce the amount due as if the department had recovered judgment against the person named in the warrant for the same amount.

(d) When the amount set forth in a warrant and all costs due the department have been paid to it, the department shall issue a satisfaction of the warrant and file it with the clerk of circuit court. The clerk of circuit court shall immediately enter a satisfaction of the judgment on the judgment and lien docket. The department shall send a copy of the satisfaction to the person named in the warrant.

(e) If the department finds that the interests of the state will not be jeopardized, the department may issue a release of any warrant with respect to any real or personal property upon which the warrant is a lien or cloud upon title. Upon presentation to the clerk and payment of the fee for filing the release, the clerk shall enter the release of record. The release is conclusive that the lien or cloud upon the title of the property covered by the release is extinguished.

(f) Notwithstanding s. 49.96, at any time after the filing of a warrant, the department may commence and maintain a garnishee action as provided by ch. 812 or may use the remedy of attachment as provided by ch. 811 for actions to enforce a judgment. The place of trial of such an action may be either in Dane County or the county where the debtor resides and may not be changed from the county in which that action is commenced, except upon consent of the parties.

(g) If the department issues an erroneous warrant, the department shall issue a notice of withdrawal of the warrant to the clerk of circuit court for the county in which the warrant is filed. The clerk shall void the warrant and any resulting liens.

(h) If the department arranges a payment schedule with the debtor and the debtor complies with the payment schedule, the department may issue a notice of withdrawal of the warrant to the clerk of circuit court for the county in which the warrant is filed. If the department issues a notice of withdrawal of the warrant, the clerk shall void the warrant and the resulting liens.

(3n) (a) In this subsection:

1. "Debt" means the amount of liability determined under sub. (3).

2. "Debtor" means an individual who is liable under sub. (3).

3. "Disposable earnings" means that part of the earnings of any debtor after the deduction from those earnings of any amounts required by law to be withheld, any life, health, dental or similar type of insurance premiums, union dues, any amount necessary to comply with a court order to contribute to the support of minor children, and any levy, wage assignment or garnishment executed prior to the date of a levy under this subsection.

4. "Federal minimum hourly wage" means that wage prescribed by 29 USC 206 (a) (1).

5. "Levy" means all powers of distraint and seizure.

6. "Property" includes all tangible and intangible personal property and rights to such property, including compensation paid or payable for personal services, whether denominated as wages, salary, commission, bonus or otherwise, periodic payments received pursuant to a pension or retirement program, rents, proceeds of insurance and contract payments.

(b) If any debtor neglects or refuses to pay a debt after the department has made demand for payment, the department may collect that debt and the expenses of the levy by levy upon any property belonging to the debtor. Whenever the value of any property that has been levied upon under this section is not sufficient to satisfy the claim of the department, the department may levy upon any additional property of the person until the debt and expenses of the levy are fully paid.

(c) Any person in possession of or obligated with respect to property or rights to property that is subject to levy and upon which a levy has been made shall, upon demand of the department, surrender the property or rights or discharge the obligation to the department, except that part of the property or rights which is, at the time of the demand, subject to any prior attachment or execution under any judicial process.

(d) 1. Any debtor who fails or refuses to surrender any property or rights to property that is subject to levy, upon demand by the department, is subject to proceedings to enforce the amount of the levy.

2. Any 3rd party who fails to surrender any property or rights to property subject to levy, upon demand of the department, is subject to proceedings to enforce the levy. The 3rd party is not liable to the department under this subdivision for more than 25 percent of the debt. The department shall serve the levy as provided under par. (m) on any 3rd party who fails to surrender property under this subdivision. Proceedings may not be initiated by the department until 5 days after service of the demand.

3. When a 3rd party surrenders the property or rights to the property on demand of the department or discharges the obligation to the department for which the levy is made, the 3rd party is discharged from any obligation or liability to the debtor with respect to the property or rights to the property arising from the surrender or payment to the department.

(e) 1. If the department has levied upon property, any person, other than the debtor who is liable to pay the debt out of which the levy arose, who claims an interest in or lien on that property and claims that that property was wrongfully levied upon may bring a civil action against the state in the circuit court for Dane County. That action may be brought whether or not that property has been surrendered to the department. The court may grant only the relief under subd. 2.

2. In an action under subd. 1., if a levy would irreparably injure rights to property, the court may enjoin the enforcement of that levy. If the court determines that the property has been wrongfully levied upon, it may grant a judgment for the amount of money obtained by levy.

3. For purposes of an adjudication under this paragraph, the determination of the debt upon which the interest or lien of the department is based is conclusively presumed to be valid.

(f) The department shall determine its costs and expenses to be paid in all cases of levy.

(g) 1. The department shall apply all money obtained under this subsection first against the expenses of the proceedings and then against the liability in respect to which the levy was made and any other liability owed to the department by the debtor.

2. The department may refund or credit any amount left after the applications under subd. 1., upon submission of a claim for that amount and satisfactory proof of the claim, to the person entitled to that amount.

(h) The department may release the levy upon all or part of property levied upon to facilitate the collection of the liability or to grant relief from a wrongful levy, but that release does not prevent any later levy.

(j) If the department determines that property has been wrongfully levied upon, the department may return the property at any time, or may return an amount of money equal to the amount of money levied upon.

(k) Any person who removes, deposits or conceals or aids in removing, depositing or concealing any property upon which a levy is authorized under this subsection with intent to evade or defeat the assessment or collection of any debt is guilty of a Class H felony and shall be assessed the costs of prosecution.

(L) If no appeal or other proceeding for review permitted by law is pending and the time for taking an appeal or petitioning for review has expired, the department shall make a demand to the debtor for payment of the debt that is subject to levy and give notice that the department may pursue legal action for collection of the debt against the debtor. The department shall make the demand for payment and give the notice at least 10 days prior to the levy, personally or by any type of mail service that requires a signature of acceptance, at the address of the debtor as it appears on the records of the department. The demand for payment and notice shall include a statement of the amount of the debt, including interest and penalties, and the name of the debtor who is liable for the debt. The debtor's refusal or failure to accept or receive the notice does not prevent the department from making the levy. Notice prior to levy is not required for a subsequent levy on any debt of the same debtor within one year of the date of service of the original levy.

(m) 1. The department shall serve the levy upon the debtor and 3rd party by personal service or by any type of mail service that requires a signature of acceptance.

2. Personal service shall be made upon an individual, other than a minor or incapacitated person, by delivering a copy of the levy to the debtor or 3rd party personally; by leaving a copy of the levy at the debtor's dwelling or usual place of abode with some person of suitable age and discretion residing there; by leaving a copy of the levy at the business establishment with an officer or employee of the establishment; or by delivering a copy of the levy to an agent authorized by law to receive service of process.

3. The department representative who serves the levy shall certify service of process on the notice of levy form and the person served shall acknowledge receipt of the certification by signing and dating it. If service is made by mail, the return receipt is the certificate of service of the levy.

4. The debtor's or 3rd party's failure to accept or receive service of the levy does not invalidate the levy.

(n) Within 20 days after the service of the levy upon a 3rd party, the 3rd party shall file an answer with the department stating whether the 3rd party is in possession of or obligated with respect to property or rights to property of the debtor, including a description of the property or the rights to property and the nature and dollar amount of any such obligation.

(p) A levy is effective from the date on which the levy is first served on the 3rd party until the liability out of which the levy arose is satisfied or until the levy is released, whichever occurs first.

(q) 1. The debtor is entitled to an exemption from levy of the greater of the following:

a. A subsistence allowance of 75 percent of the debtor's disposable earnings then due and owing.

b. An amount equal to 30 times the federal minimum hourly wage for each full week of the debtor's pay period; or, in the case of earnings for a period other than a week, a subsistence allowance computed so that it is equivalent to that amount using a multiple of the federal minimum hourly wage prescribed by the department by rule.

2. The first \$1,000 of an account in a depository institution is exempt from any levy to recover a benefit overpayment.

(r) No employer may discharge or otherwise discriminate with respect to the terms and conditions of employment against any employee by reason of the fact that his or her earnings have been subject to levy for any one levy or because of compliance with any provision of this subsection. Any person who violates this paragraph is guilty of a Class I felony.

(s) Any debtor who is subject to a levy proceeding made by the department has the right to appeal the levy proceeding under ch. 227. The appeal is limited to questions of prior payment of the debt that the department is proceeding against and mistaken identity of the debtor. The levy is not stayed pending an appeal in any case where property is secured through the levy.

(t) Any 3rd party is entitled to a levy fee of \$5 for each levy in any case in which property is secured through the levy. If the 3rd party retains the fee, the 3rd party shall increase the levy amount by the amount of the fee and deduct the fee from the proceeds of the levy.

(3p) The availability of the remedies under subs. (3m) and (3n) does not abridge the right of the department to pursue other remedies.

(3r) The department may contract with or employ a collection agency or other person to enforce a repayment obligation of a person who is found liable under sub. (3) who is delinquent in making repayments.

(3s) The department shall specify by rule when requests for reviews, hearings and appeals under this section may be made and the process to be used for the reviews, hearings and appeals. In promulgating the rules, the department shall provide for a hearing or review after a warrant under sub. (3m) has been issued and before the warrant has been executed, before property is levied under sub. (3m) or (3n) and after levied property is seized and before it is sold. The department shall specify by rule the time limit for a request for review or hearing. From the appropriations under s. 20.437 (2) (dz), (kx), (L), (mc), (md), (me), and (nL), the department shall establish a program to investigate suspected fraudulent activity on the part of recipients of aid to families with dependent children under s. 49.19, on the part of participants in the Wisconsin Works program under ss. 49.141 to 49.161, and, if the department of health services contracts with the department under sub. (5), on the part of recipients of medical assistance under subch. IV, food stamp benefits under the food stamp program under 7 USC 2011 to 2036, supplemental security income payments under s. 49.77, payments for the support of children of supplemental security income recipients under s. 49.775, and health care benefits under the Badger Care health care program under s. 49.665. The department's activities under this subsection may include, but are not limited to, comparisons of information provided to the department by an applicant and information provided by the applicant to other federal, state, and local agencies, development of an advisory welfare investigation prosecution standard, and provision of funds to county departments under ss. 46.215, 46.22, and 46.23 or multicounty consortia, as defined in s. 49.78 (1) (br), and to Wisconsin Works agencies to encourage activities to detect fraud. The department shall cooperate with district attorneys regarding fraud prosecutions.

1. "County department" means a county department under s. 46.22 or 46.23.

2. "Subsidy program" means the child care subsidy program under s. 49.155.

3. "Tribal governing body" means an elected governing body of a federally recognized American Indian tribe.

(b) 1. Subject to subd. 2., the department shall by rule establish an incentive program that, using moneys from the allocation under s. 49.175 (1) (p), rewards county departments, Wisconsin Works agencies, and tribal governing bodies that administer the subsidy program for identifying fraud in the subsidy program. The rules shall specify that a county department, Wisconsin Works agency, or tribal governing body shall receive, for identifying fraudulent activity under the subsidy program on the part of a child care provider, an amount equal to the average monthly subsidy payment per child during the prior fiscal year, multiplied by the number of children participating in the subsidy program for whom the provider provides care, multiplied by 1.5 months. A county department, Wisconsin Works agency, or tribal governing body may use payments received under this subsection for any purpose for which moneys under the Temporary Assistance for Needy Families block grant program may be used under federal law.

2. No later than January 1, 2012, the department shall submit its plan for the incentive program to the cochairpersons of the joint committee on finance for review by the committee. If the cochairpersons of the committee do not notify the department that the committee has scheduled a meeting for the purpose of reviewing the proposed plan within 14 working days after the date of the department's submittal, the department shall promulgate the rules for the incentive program in accordance with its proposed plan. If, within 14 working days after the date of the department's submittal, the cochairpersons of the committee notify the department that the committee has scheduled a meeting for the purpose of reviewing the proposed plan, the department may not promulgate the rules for the incentive program unless the committee approves the proposed plan. If the committee modifies and approves the proposed plan, the department may promulgate the rules for the incentive program only as modified by the committee.

(3) STATE ERROR REDUCTION ACTIVITIES. The department shall conduct activities to reduce payment errors in Wisconsin Works under ss. 49.141 to 49.161 and, if the department of health services contracts with the department under sub. IV, the food stamp program under 7 USC 2011 to 2036, the supplemental security income payments program under s. 49.77, the program providing payments for the support of children of supplemental security income recipients under s. 49.775, and the Badger Care health care program under s. 49.665 to offset administrative costs of reducing payment errors in those programs.

(5) CONTRACTS FOR MEDICAL ASSISTANCE, FOOD STAMPS, SUPPLEMENTAL SECURITY INCOME, AND CARETAKER SUPPLEMENT. Notwithstanding s. 49.845 (1) and (2), the department of health services may contract with the department to investigate suspected fraudulent activity on the part of recipients of medical assistance under subch. (6) REPORTING OF SUSPECTED FRAUDULENT ACTIVITY. (a) 1. If any employee of the department, a county, or a tribal governing body reasonably suspects that fraudulent activity as described in sub. (1m) or (2) (b) has occurred or is occurring, the employee shall immediately report the facts and circumstances contributing to that suspicion to the employee's immediate supervisor.

2. An immediate supervisor who receives a report under subd. 1. shall immediately evaluate the report to determine whether there is reason to suspect that the fraudulent activity has occurred or is occurring. If the immediate supervisor determines that there is reason to suspect that the fraudulent activity has occurred or is occurring, the immediate supervisor shall immediately report the facts and circumstances contributing to that suspicion to the unit of the department that is responsible for investigating suspected fraudulent activity under sub. (1m). If the immediate supervisor is an employee of the department or of a county having a population of 145,000 or more, the immediate supervisor shall also immediately report those facts and circumstances to the sheriff.

3. Except as provided in subd. 2., an immediate supervisor who receives a report under subd. 1. shall keep the identity of the reporter confidential. A sheriff or unit of the department that receives a report under subd. 2. shall keep the identity of the employee reporting under subd. 1. and the immediate supervisor reporting under subd. 2. confidential until the sheriff or unit determines that the report merits further investigation. If the sheriff or unit conducts a full investigation, the sheriff or unit shall keep the identity of that employee and immediate supervisor confidential if it is reasonably possible to do so. Any person who fails to report as required in subd. 1. or 2. may be required to forfeit not more than \$1,000.

(b) Any person participating in good faith in the making of a report under par. (a) 1. or 2. or in initiating, participating in, or testifying in, any action or proceeding in which fraudulent activity as described in sub. (1m) or (2) (b) is alleged shall have immunity from any liability, civil or criminal, that results by reason of the action. For the purpose of any proceeding, civil or criminal, the

good faith of any person reporting under par. (a) 1. or 2. shall be presumed.

(c) The department, a county, a tribal governing body, or an employee of the department, a county, or a tribal governing body may not take disciplinary action against, or threaten to take disciplinary action against, any person because the person in good faith reported any information under par. (a) 1. or 2. or initiated, participated in, or testified in, any action or proceeding in which fraudulent activity described in sub. (1m) or (2) (b) was alleged or because the department, county, tribal governing body, or employee believes that the person in good faith reported any information under par. (a) 1. or 2. or initiated, participated in, or testified in, such an action or proceeding.

(d) Any person who is subjected to disciplinary action, or who is threatened with disciplinary action, in violation of par. (c) may file a complaint with the department of workforce development under s. 106.54 (9). If that department finds that a violation of par. (c) has been committed, that department may take such action under s. 111.39 as will effectuate the purpose of this section. Section 111.322 (2m) applies to a disciplinary action arising in connection with any proceeding under this paragraph.

49.22 Child and spousal support; establishment of paternity; medical liability. (1) There is created a child and spousal support and establishment of paternity and medical support liability program in the department. The purpose of this program is to establish paternity when possible, to establish or modify support obligations, to enforce support obligations owed by parents to their children and maintenance obligations owed to spouses or former spouses with whom the children reside in this state or owed in other states if the support order was issued in this state or owed in other states if the parent, spouse, or former spouse resides in this state, to locate persons who are alleged to have taken their child in violation of s. 948.31 or of similar laws in other states, and to locate and value property of any person having a support duty. To accomplish the objectives of this program and of other assistance programs under this chapter, county and state agencies will cooperate with one another to implement a child and spousal support and paternity establishment and medical support liability program in accordance with state and federal laws, regulations, and rules and to assure proper distribution of benefits of all assistance programs authorized under this chapter.

(2) The department shall constitute the state location service which shall assist in locating parents who have deserted their children and other persons liable for support of dependents or persons who are alleged to have taken their child in violation of s. 948.31 or of similar laws in another state, and in locating and valuing property of any person having a support duty.

(2m) (a) The department may request from any person in this state information it determines appropriate and necessary for the administration of this section, ss. 49.141 to 49.161, 49.19, 49.46, 49.468, 49.47, and 49.471 and programs carrying out the purposes of 7 USC 2011 to 2029. Unless access to the information is prohibited or restricted by law, or unless the person has good cause, as determined by the department in accordance with federal law and regulations, for refusing to cooperate, the person shall make a good faith effort to provide this information within 7 days after receiving a request under this paragraph. Except as provided in subs. (2p) and (2r) and subject to sub. (12), the department or the county child support agency under s. 59.53 (5) may disclose information obtained under this paragraph only in the administration of this section, ss. 49.141 to 49.161, 49.19, 49.46, 49.47, and 49.471 and programs carrying out the purposes of 7 USC 2011 to 2029. Employees of the department or a county child support agency under s. 59.53 (5) are subject to s. 49.83.

(am) In conjunction with any request for information under par. (a), including a request made by subpoena under par. (b), the department or county child support agency under s. 59.53 (5) shall

advise the person of the time by which the information must be provided and of any consequences to the person under par. (d) that may result from a failure to respond or comply with the request.

(bc) A person in this state shall comply with an administrative subpoena that is issued from another state to compel the production of financial information or other documentary evidence for purposes comparable to those specified in par. (b).

(c) A person is not liable to any person for any of the following:

1. Allowing access to financial or other records by the department or a county child support agency under s. 59.53 (5) in response to a request under par. (a) or a subpoena described in par. (bc).

2. Disclosing information from financial or other records to the department or a county child support agency under s. 59.53 (5) in response to a request under par. (a) or a subpoena described in par. (bc).

3. Any other action taken in good faith to comply with this section or a subpoena described in par. (bc) or to comply with a request for information or access to records from the department or a county child support agency under s. 59.53 (5) in the administration of this section, ss. 49.145, 49.19, 49.46, 49.47, and 49.471 and programs carrying out the purposes of 7 USC 2011 to 2029.

(d) Any person who fails to respond to or comply with a subpoena described in par. (bc) or a request under par. (a) by the department or a county child support agency under s. 59.53 (5) may be required to pay a forfeiture in an amount determined by the department by rule.

(2p) Except as provided in sub. (12), the department or a county child support agency under s. 59.53 (5) may disclose to a parent with legal custody of a child, upon the parent's request, the last-known address, and the name and address of the last-known employer, of the child's other parent if that other parent owes a support obligation to the child and is in arrears in the payment of the support.

(2r) The department or a county child support agency under s. 59.53 (5) may, to the extent permitted under federal law, disclose information obtained under sub. (2m) to the department of revenue for the purposes of locating persons, or the assets of persons, who have failed to file tax returns, who have underreported their taxable income or who are delinquent taxpayers, identifying fraudulent tax returns or providing information for tax-related prosecutions.

(3) The department, acting as a state location service, shall furnish all services under sub. (2) to any similarly appointed agency of another state which by its laws is authorized to furnish such services to this state or its agencies.

(3m) The department, acting as a state location service, shall furnish services under sub. (2) upon request to the department of health services, a county department under s. 46.215, 46.22 or 46.23 or a child welfare agency that is administering a program operated under 42 USC 620 to 628b or 42 USC 670 to 679a.

(4) Except as provided in this section, no person may use or disclose information obtained by the state location service. Any person violating this subsection may be fined not less than \$25 nor more than \$500 or imprisoned for not more than one year in the county jail or both.

(6) The department shall establish, pursuant to federal and state laws, rules and regulations, a uniform system of fees for services provided under this section to individuals not receiving aid under s. 48.645, 49.19, 49.47, or 49.471; benefits under s. 49.148, 49.155, or 49.79; foster care maintenance payments under 42 USC 670 to 679a; or kinship care payments under s. 48.57 (3m) or long-term kinship care payments under s. 48.57 (3n). The sys-

(7) The department may represent the state in any action to establish paternity or to establish or enforce a support or maintenance obligation. The department may delegate its authority to represent the state in any action to establish paternity or to establish or enforce a support or maintenance obligation under this section to an attorney responsible for support enforcement under s. 59.53 (6) (a) pursuant to a contract entered into under s. 59.53 (5). The department shall ensure that any such contract is for an amount reasonable and necessary to assure quality service. The department may, by such a contract, authorize a county to contract with any attorney, collection agency or other person to collect unpaid child support or maintenance. If a county fails to fully implement the programs under s. 59.53 (5), the department may implement them and may contract with any appropriate person to obtain necessary services. The department shall establish a formula for disbursing funds appropriated under s. 20.437 (2) (md) to carry out a contract under this subsection.

(7g) The department shall provide all of the following:

(a) Training to hospital staff members concerning the acknowledgment that is prescribed by the state registrar under s. 69.15 (3) (b) 3. and concerning the significance and benefits of, and alternatives to, of establishing paternity.

(b) The written information that is required to be provided to parents under s. 69.14 (1) (cm).

(7m) The department may contract with or employ a collection agency or other person to enforce a support obligation of a parent who is delinquent in making support payments and may contract with or employ an attorney to appear in an action in state or federal court to enforce such an obligation. To pay for the department's administrative costs of implementing this subsection, the department may charge a fee to counties, use federal matching funds or funds retained by the department under s. 49.24 (2) (c), or use up to 30 percent of this state's share of a collection made under this subsection on behalf of a recipient of aid to families with dependent children or a recipient of kinship care payments under s. 48.57 (3m) or long-term kinship care payments under s. 48.57 (3n).

(8) The department may charge other states and counties seeking collection of child and spousal support for any administrative costs it incurs in providing services related to interstate child support collections, the federal parent locator service under 42 USC 653, the interception of unemployment compensation under 42 USC 654 or the withholding of state and federal income tax refunds under s. 49.855 and 42 USC 664.

(9) The department shall promulgate rules that provide a standard for courts to use in determining a child support obligation based upon a percentage of the gross income and assets of either or both parents. The rules shall provide for consideration of the income of each parent and the amount of physical placement with each parent in determining a child support obligation in cases in which a child has substantial periods of physical placement with each parent.

(11) (a) The department shall disclose to a consumer reporting agency, as defined under 45 CFR 303.105 (a), the amount of overdue child support owed by a parent. At least 20 business days before disclosing the information to the consumer reporting agency, the department shall notify the parent and inform the parent of the methods available for contesting the accuracy of the information.

(12) The department or a county child support agency under s. 59.53 (5) may not release information to a person about the whereabouts of another person if any of the following applies:

(a) The person seeking the information is subject to a temporary restraining order or injunction under s. 813.12, 813.122, 813.123, 813.125 or 813.127 with respect to the person about whom the information is sought; and the department or county child support agency under s. 59.53 (5) has notice of the temporary restraining order or injunction.

(b) The department or county child support agency under s. 59.53 (5) has reason to believe that releasing the information may result in physical or emotional harm to the person about whom the information is sought.

(13) (a) Subject to par. (b), the department may terminate child and spousal support enforcement services if there is no longer a current support or maintenance order and either of the following applies:

1. Any support or maintenance arrearages total less than \$500.

2. Any support or maintenance arrearages are considered unenforceable by a county child support agency under s. 59.53 (5) because no support or maintenance payments have been collected for 3 years and all administrative and legal remedies for collection of arrearages have been attempted or are determined to be ineffective because the payer is unable to pay, the payer has no known income or assets, and there is no reasonable prospect that the payer will be able to pay in the foreseeable future.

(b) The department shall, not less than 60 days prior to terminating child or spousal support services, notify the individual who receives the services, or the initiating state in an interstate enforcement action, of its intent to terminate services. If the individual or the state provides information to the department in response to the notification that could result in an effective enforcement action, the department may not terminate services.

(c) An individual or the initiating state in an interstate enforcement action may request the department to resume child or spousal support enforcement services terminated under this subsection if there is a change of circumstances that could result in an effective enforcement action and the individual or the state completes a new application for services and pays any applicable fee to the department for its services.

The department shall make a periodic check of the amounts earned by recipients of aid to families with dependent children under s. 49.19 and by participants under Wisconsin works under ss. 49.141 to 49.161 through a check of the amounts credited to the recipient's social security number. The department shall make an investigation into any discrepancy between the amounts credited to a social security number and amounts reported as income on the declaration application and take appropriate action under s. 946.93 when warranted. The department shall use the state wage reporting system under 1985 Wisconsin Act 17, section 65 (1), when the system is implemented, to make periodic earnings checks.

(9) MONTHLY REPORTS OF RECIPIENTS OF AID TO FAMILIES WITH DEPENDENT CHILDREN. (a) Each county department under s. 46.215, 46.22, or 46.23 administering aid to families with dependent children shall maintain a monthly report at its office showing the names of all persons receiving aid to families with dependent children together with the amount paid during the preceding month. Each Wisconsin Works agency administering Wisconsin Works under ss. 49.141 to 49.161 shall maintain a monthly report at its office showing the names of all persons receiving benefits under s. 49.148 together with the amount paid during the preceding month. Nothing in this paragraph shall be construed to authorize or require the disclosure in the report of any information (names, amounts of aid or otherwise) pertaining to adoptions, or aid furnished for the care of children in foster homes under s. 48.645 or 49.19 (10).

(b) The report under par. (a) shall be open to public inspection at all times during regular office hours and may be destroyed after the next succeeding report becomes available. Any person except any public officer, seeking permission to inspect such report shall be required to prove his or her identity and to sign a statement setting forth his or her address and the reasons for making the request and indicating that he or she understands the provisions of par. (c) with respect to the use of the information obtained. The use of a fictitious name is a violation of this section. Within 7 days after the record is inspected, or on the next regularly scheduled communication with that person, whichever is sooner, the county department or Wisconsin works agency shall notify each person whose name and amount of aid was inspected that the record was

inspected and of the name and address of the person making such inspection. County departments under ss. 46.215, 46.22 and 46.23 administering aid to families with dependent children and Wisconsin works agencies administering Wisconsin works under ss. 49.141 to 49.161 may withhold the right to inspect the name of and amount paid to recipients from private individuals who are not inspecting this information for purposes related to public, educational, organizational, governmental or research purposes until the person whose record is to be inspected is notified by the county department or Wisconsin works agency, but in no case may the county department or Wisconsin works agency withhold this information for more than 5 working days. The county department or Wisconsin works agency shall keep a record of such requests. The record shall indicate the name, address, employer and telephone number of the person making the request. If the person refuses to provide his or her name, address, employer and telephone number, the request to inspect this information may be denied.

b. That the location or apprehension of the recipient or participant under subd. 2. a. is within the official duties of the officer.

c. That the officer is making the request in the proper exercise of his or her duties under subd. 2. b.

(b) If a law enforcement officer believes, on reasonable grounds, that a warrant has been issued and is outstanding for the arrest of a Wisconsin works participant, the law enforcement officer may request that a law enforcement officer be notified when the participant appears to obtain his or her benefits under the Wisconsin works program. At the request of a law enforcement officer under this paragraph, an employee of a Wisconsin works agency who disburses benefits may notify a law enforcement officer when the participant appears to obtain Wisconsin works benefits.

(10m) RELEASE OF ADDRESSES OF RECIPIENTS INVOLVED IN LEGAL PROCEEDINGS. (a) A county department, relief agency under s. 49.01 (3m) or Wisconsin works agency shall, upon request, and after providing the notice to the recipient required by this paragraph, release the current address of a recipient of relief under s. 49.01 (3), aid to families with dependent children or benefits under s. 49.148 to a person, the person's attorney or an employee or agent of that attorney, if the person is a party to a legal action or proceeding in which the recipient is a party or a witness, unless the person is a respondent in an action commenced by the recipient under s. 813.12, 813.122, 813.123, 813.125 or 813.127. If the person is a respondent in an action commenced by the recipient under s. 813.12, 813.122, 813.123, 813.125 or 813.127, the county department, relief agency or Wisconsin works agency may not release the current address of the recipient. No county department, relief agency or Wisconsin works agency may release an address under this paragraph until 21 days after the address has

been requested. A person requesting an address under this paragraph shall be required to prove his or her identity and his or her participation as a party in a legal action or proceeding in which the recipient is a party or a witness by presenting a copy of the pleading or a copy of the subpoena for the witness. The person shall also be required to sign a statement setting forth his or her name, address and the reasons for making the request and indicating that he or she understands the provisions of par. (b) with respect to the use of the information obtained. The statement shall be made on a form prescribed by the department and shall be sworn and notarized. Within 7 days after an address has been requested under this paragraph, the county department, relief agency or Wisconsin works agency shall mail to each recipient whose address has been requested a notification of that fact on a form prescribed by the department. The form shall also include the date on which the address was requested, the name and address of the person who requested the disclosure of the address, the reason that the address was requested and a statement that the address will be released to the person who requested the address no sooner than 21 days after the date on which the request for the address was made. County departments, relief agencies and Wisconsin works agencies shall keep a record of each request for an address under this paragraph.

(b) No person may use an address obtained under this subsection for a purpose that is not connected with the legal action or proceeding to which the person requesting the address is a party. (b) The department shall submit a model of the contract under sub. (2g) (a) to each county department under s. 46.215, 46.22 or 46.23 by May 1 annually.

(2) ASSESSMENT OF NEEDS. Before developing and submitting a proposed budget for services purchased or directly provided under this subchapter or ch. 48 and for community-based juvenile delinquency-related services purchased or directly provided under ch. 938 to the county executive or county administrator or

the county board, the county departments listed in sub. (1) shall assess needs and inventory resources and services, using an open public participation process.

(2g) CONTRACT. (a) The department shall annually submit to the county board of supervisors in a county with a single-county department or the county boards of supervisors in counties with a multicounty department a proposed written contract containing the allocation of funds for services purchased or directly provided under this subchapter or ch. 48, for community-based juvenile delinquency-related services purchased or directly provided under ch. 938, and for such administrative requirements as necessary. The contract as approved may contain conditions of participation consistent with federal and state law. The contract may also include provisions necessary to ensure uniform cost accounting of services. Any changes to the proposed contract shall be mutually agreed upon. The county board of supervisors in a county with a single-county department or the county boards of supervisors in counties with a multicounty department shall approve the contract before January 1 of the year in which it takes effect unless the department grants an extension. The county board of supervisors in a county with a single-county department or the county boards of supervisors in counties with a multicounty department may designate an agent to approve addenda to any contract after the contract has been approved.

(b) The department may not approve contracts for amounts in excess of available revenues. The county board of supervisors in a county with a single-county department or the county boards of supervisors in counties with a multicounty department may appropriate funds for community-based juvenile delinquency-related services. Actual expenditure of county funds shall be reported in compliance with procedures developed by the department.

(2r) WITHHOLDING FUNDS. (a) The department, after reasonable notice, may withhold a portion of the appropriation allocated to a county department under s. 46.215, 46.22 or 46.23 if the department determines that that portion of the allocated appropriation is any of the following:

1. For services under this subchapter or ch. 48 or community-based juvenile delinquency-related services under ch. 938 that duplicate or are inconsistent with services being purchased or provided by the department or other county departments receiving grants-in-aid or reimbursement from the department.

2. Inconsistent with state or federal statutes, rules, or regulations, in which case the department may also arrange for the provision of services under this subchapter or ch. 48 or community-based juvenile delinquency-related services under ch. 938 by an alternate agency. The department may not arrange for the provision of those services by an alternate agency unless the joint committee on finance or a review body designated by the committee reviews and approves the department's determination.

5. Inconsistent with the provisions of the county department's contract under sub. (2g).

(b) If the department withholds a portion of the allocable appropriation under par. (a), the county department under s. 46.215, 46.22 or 46.23 that is affected by the action of the department may submit to the county board of supervisors in a county with a single-county department or to its designated agent or the county boards of supervisors in counties with a multicounty department or their designated agents a plan to rectify the deficiency found by the department. The county board of supervisors or its designated agent in a county with a single-county department or the county boards of supervisors in counties with a multicounty department or their designated agents may approve or amend the plan and may submit for departmental approval the

plan as adopted. If a multicounty department is administering a program, the plan may not be submitted unless each county board of supervisors which participated in the establishment of the multicounty department, or its designated agent, adopts it.

A majority of the members of the committee shall be citizens and consumers of services. At least one member of the committee shall be chosen from the governing or administrative board of the community action agency serving the county or counties under s. 49.265, if any. The committee's membership may not consist of more than 25 percent county supervisors, nor of more than 20 percent services providers. The chairperson of the committee shall be appointed by the county board of supervisors establishing it. In the case of a multicounty committee, the chairperson shall be nominated by the committee and approved by the county boards of supervisors establishing it. The county board of supervisors in a county with a single-county committee or the county boards of supervisors in counties with a multicounty committee may designate an agent to determine the membership of the committee and to appoint the committee chairperson or approve the nominee.

(b) *Alternate process.* The county board of supervisors or the boards of 2 or more counties acting jointly may submit a report to the department on the open public participation process used under sub. History: 1995 a. 27; 2007 a. 20; 2015 a. 55.

49.34 Purchase of care and services. (1) All services under this subchapter and ch. 48 and all community-based juvenile delinquency-related services under ch. 938 purchased by the department or by a county department under s. 46.215, 46.22, or 46.23 shall be authorized and contracted for under the standards established under this section. The department may require the county departments to submit the contracts to the department for review and approval. For purchases of \$10,000 or less the requirement for a written contract may be waived by the department. No contract is required for care provided by foster homes that are required to be licensed under s. 48.62. When the department directly contracts for services, the department shall follow the procedures in this section in addition to meeting purchasing requirements established in s. 16.75.

(2) All services purchased under this subchapter and ch. 48 and all community-based juvenile delinquency-related services purchased under ch. 938 shall meet standards established by the department and other requirements specified by the purchaser in the contract. Based on these standards the department shall establish standards for cost accounting and management information systems that shall monitor the utilization of the services, and document the specific services in meeting the service plan for the client and the objective of the service.

(3) (a) Purchase of service contracts shall be written in accordance with rules promulgated and procedures established by the department. Contracts for client services shall show the total dollar amount to be purchased and for each service the number of clients to be served, number of client service units, the unit rate per client service and the total dollar amount for each service.

(b) Payments under a contract may be made on the basis of actual allowable costs or on the basis of a unit rate per client service multiplied by the actual client units furnished each month. The contract may be renegotiated when units vary from the contracted number. The purchaser shall determine actual marginal costs for each service unit less than or in addition to the contracted number.

(c) For proprietary agencies, contracts may include a percentage add-on for profit according to rules promulgated by the department.

(d) Reimbursement to an agency may be based on total costs agreed to by the parties regardless of the actual number of service units to be furnished, when the agency is entering into a contract for a new or expanded service that the purchaser recognizes will require a start-up period not to exceed 180 days. This reimbursement applies only if identified client needs necessitate the establishment of a new service or expansion of an existing service.

(e) If the purchaser finds it necessary to terminate a contract prior to the contract expiration date for reasons other than nonperformance by the provider, the actual cost incurred by the provider may be reimbursed in an amount determined by mutual agreement of the parties.

(4) For purposes of this section and as a condition of reimbursement, each provider under contract shall:

(a) Except as provided in this subsection, maintain a uniform double entry accounting system and a management information system that are compatible with cost accounting and control systems prescribed by the department.

(b) Cooperate with the department and purchaser in establishing costs for reimbursement purposes.

(c) Unless waived by the department, biennially, or annually if required under federal law, provide the purchaser with a certified financial and compliance audit report if the care and services purchased exceed \$100,000. The audit shall follow standards that the department prescribes.

(d) Transfer a client from one category of care or service to another only with the approval of the purchaser.

(e) Charge a uniform schedule of fees as specified under s. 49.32 (1) unless waived by the purchaser with the approval of the department. Whenever providers recover funds attributed to the client, such funds shall offset the amount paid under the contract.

(5) Except as provided in sub. (5m), the purchaser shall recover from provider agencies money paid in excess of the conditions of the contract from subsequent payments made to the provider.

(5m) (a) In this subsection:

1. “Provider” means a nonstock corporation organized under ch. 181 that is a nonprofit corporation, as defined in s. 181.0103 (17), and that contracts under this section to provide client services on the basis of a unit rate per client service or a county department under s. 46.215, 46.22, 46.23, 51.42, or 51.437 that contracts under this section to provide client services on the basis of a unit rate per client service.

2. “Rate-based service” means a service or a group of services, as determined by the department, that is reimbursed through a prospectively set rate and that is distinguishable from other services or groups of services by the purpose for which funds are provided for that service or group of services and by the source of funding for that service or group of services.

(b) 1. If revenue under a contract for the provision of a rate-based service exceeds allowable costs incurred in the contract period, the contract shall allow the provider to retain from the sur-

plus up to 5 percent of the revenue received under the contract unless a uniform rate is established by rule under subd. 5., in which case the contract shall allow the provider to retain the uniform percentage rate established by the rule. The retained surplus is the property of the provider.

4. If on December 31 of any year the provider’s accumulated surplus from all contract periods ending during that year for a rate-based service exceeds the allowable retention rate under subd. 1., the provider shall provide written notice of that excess to all purchasers of the rate-based service. Upon the written request of such a purchaser received no later than 6 months after the date of the notice, the provider shall refund the purchaser’s proportional share of that excess. If the department determines based on an audit or fiscal review that the amount of the excess identified by the provider was incorrect, the department may seek to recover funds after the 6-month period has expired. The department shall commence any audit or fiscal review under this subdivision within 6 years after the end of the contract period.

5. The department, in consultation with the department of health services and the department of corrections, shall promulgate rules to implement this subsection including all of the following:

a. Requiring that contracts for rate-based services under this subsection allow a provider to retain from any surplus revenue up to 5 percent of the total revenue received under the contract, or a different percentage rate determined by the department. The percentage rate established under this subd. 5. a. shall apply uniformly to all rate-based service contracts under this subsection.

b. Establishing a procedure for reviewing rate-based service contracts to determine whether a contract complies with the provisions of this subsection.

(em) Notwithstanding par. (b), a county department under s. 46.215, 51.42, or 51.437 providing client services in a county having a population of 750,000 or more or a nonstock, nonprofit corporation providing client services in such a county may not retain a surplus generated by a rate-based service or accumulate funds from more than one contract period for a rate-based service from revenues that are used to meet the maintenance-of-effort requirement under the federal temporary assistance for needy families program under 42 USC 601 to 619.

(f) All providers that are subject to this subsection shall comply with any financial reporting and auditing requirements that the department may prescribe. Those requirements shall include a requirement that a provider provide to any purchaser and the department any information that the department needs to claim federal reimbursement for the cost of any services purchased from the provider and a requirement that a provider provide audit reports to any purchaser and the department according to standards specified in the provider’s contract and any other standards that the department may prescribe.

(6) Contracts may be renegotiated by the purchaser under conditions specified in the contract.

(7) The service provider under this section may appeal decisions of the purchaser in accordance with terms and conditions of the contract and ch. 68 or 227.

History: 1995 a. 27; 1997 a. 79; 2007 a. 20; 2009 a. 28, 335; 2015 a. 55, 128, 172; 2017 a. 59.

The department shall determine the levels of care created under the rules promulgated under s. 48.62 (8) to which this section applies.

(2) DETERMINATION OF RATES. (a) By October 1, annually, a residential care center for children and youth or a group home shall submit to the department the per client rate that it proposes to charge for services provided in the next year and a child welfare agency shall submit to the department the proposed per client administrative rate that it proposes to charge for foster care services provided in the next year. The department shall provide forms and instructions for the submission of proposed rates under this paragraph and a residential care center for children and youth, group home, or child welfare agency that is required to submit a proposed rate under this paragraph shall submit that proposed rate using those forms and instructions.

(a) and audit the provider submitting the proposed rate to determine whether the proposed rate is appropriate to the level of services to be provided, the qualifications of the provider to provide those services, and the reasonable and necessary costs of providing those services. In reviewing a proposed rate, the department shall consider all of the following factors:

1. Changes in the consumer price index for all urban consumers, U.S. city average, as determined by the U.S. department of labor, for the 12 months ending on June 30 of the year in which the proposed rate is submitted.

If the department does not approve a proposed rate, the department shall negotiate with the provider to determine an agreed to rate. If after negotiations a rate is not agreed to, the department and the provider shall engage in mediation under the rate resolution procedure promulgated by rule under sub. (4) to arrive at an agreed to rate. If after mediation a rate is not agreed to, the department shall order a rate for the service after considering the factors under par. (b). A provider may appeal the rate set by the department as a contested case under ch. 227 by filing with the department a request for a hearing within 30 days after the date of the order.

(3) AUDIT. The department may require an audit of any provider for the purpose of collecting federal funds.

(4) RULES. The department shall promulgate rules to implement this section. Those rules shall include rules providing for all of the following:

(a) Standards for determining whether a proposed rate is appropriate to the level of services to be provided, the qualifications of a provider to provide those services, and the reasonable and necessary costs of providing those services.

(b) Factors for the department to consider in reviewing a proposed rate.

(c) Procedures for reviewing proposed rates, including procedures for ordering a rate when negotiations and mediation fail to produce an agreed to rate.

(5) ADVISORY COMMITTEE. The secretary shall create an advisory committee under s. 15.04 (1) (c) consisting of representatives of purchasers; county departments; the department, in a county having a population of 750,000 or more; tribes; consumers; and a statewide association of private, incorporated family and children’s social service agencies representing all groups of providers that are affected by the rate regulation process. (c) Beginning on January 1, 2011, the department shall select a representative sample of providers and evaluate the performance of those providers in attaining the measurements identified under par. (a). Based on that evaluation, the department, in consultation with the advisory committee created under sub. (5), shall adjust, as needed, those measurements by December 31, 2011.

(d) Beginning on January 1, 2013, the department shall evaluate the performance of all providers in this state in attaining the measurements identified under par. (a). Based on that evaluation, the department, in consultation with the advisory committee created under sub. 49.345 Cost of care and maintenance; liability; collection and deportation counsel; collections; court actions; recovery. (1) Liability and the collection and enforcement of such liability for the care, maintenance, services, and supplies specified in this section are governed exclusively by this section, except in cases of child support ordered by a court under s. 48.355 (2) (b) 4. or (4g) (a), 48.357 (5m) (a), 48.363 (2), 938.183 (4), 938.355 (2) (b) 4., 938.357 (5m) (a), or 938.363 (2) or ch. 767.

(2) Except as provided in sub. (14) (b) and (c), any person, including a person placed under s. 48.32 (1) (am) or (b), 48.345 (3), 48.357 (1) or (2m), 938.183, 938.34 (3) or (4d), or 938.357 (1), (2m), (4), or (5) (e), receiving care, maintenance, services, and supplies provided by any institution in this state, in which the state is chargeable with all or part of the person's care, maintenance, services, and supplies, and the person's property and estate, including the homestead, and the spouse of the person, and the spouse's property and estate, including the homestead, and, in the case of a minor child, the parents of the person, and their property and estates, including their homestead, and, in the case of a foreign child described in s. 48.839 (1) who became dependent on public funds for his or her primary support before an order granting his or her adoption, the resident of this state appointed guardian of the child by a foreign court who brought the child into this state for the purpose of adoption, and his or her property and estate, including his or her homestead, shall be liable for the cost of the care, maintenance, services, and supplies in accordance with the fee schedule established by the department under s. 49.32 (1). If a spouse, widow, or minor, or an incapacitated person may be lawfully dependent upon the property for his or her support, the court shall release all or such part of the property and estate from the charges that may be necessary to provide for the person. The department shall make every reasonable effort to notify the liable persons as soon as possible after the beginning of the maintenance, but the notice or the receipt of the notice is not a condition of liability.

(3) After investigation of the liable persons' ability to pay, the department shall make collection from the person who in the opinion of the department under all of the circumstances is best able to pay, giving due regard to relationship and the present needs of the person or of the lawful dependents. However, the liability of relatives for maintenance shall be in the following order: first, the spouse of the person; then, in the case of a minor, the parent or parents.

(4) (a) If a person liable under sub. (2) fails to make payment or enter into or comply with an agreement for payment, the department may bring an action to enforce the liability or may issue an order to compel payment of the liability. Any person aggrieved by an order issued by the department under this paragraph may appeal the order as a contested case under ch. 227 by filing with the department a request for a hearing within 30 days after the date of the order.

(b) If judgment is rendered in an action brought under par. (a) for any balance that is 90 or more days past due, interest at the rate of 12 percent per year shall be computed by the clerk and added to the liable person's costs. That interest shall begin on the date on which payment was due and shall end on the day before the date of any interest that is computed under s. 814.04 (4).

(c) If the department issues an order to compel payment under par. (a), interest at the rate of 12 percent per year shall be computed by the department and added at the time of payment to the person's liability. That interest shall begin on the date on which payment was due and shall end on the day before the date of final payment.

(5) If any person named in an order to compel payment issued under sub. (4) (a) fails to pay the department any amount due under the terms of the order, and no contested case to review the order is pending, and the time for filing for a contested case review has expired, the department may present a certified copy of the order to the circuit court for any county. The circuit court shall,

without notice, render judgment in accordance with the order. A judgment rendered under this subsection shall have the same effect and shall be entered in the judgment and lien docket and may be enforced in the same manner as if the judgment had been rendered in an action tried and determined by the circuit court.

(6) The sworn statement of the collection and deportation counsel, or of the secretary, shall be evidence of the fee and of the care and services received by the person.

(7) The department shall administer and enforce this section. It shall appoint an attorney to be designated "collection and deportation counsel" and other necessary assistants. The department may delegate to the collection and deportation counsel such other powers and duties as it considers advisable. The collection and deportation counsel or any of the assistants may administer oaths, take affidavits and testimony, examine public records, and subpoena witnesses and the production of books, papers, records, and documents material to any matter of proceeding relating to payments for the cost of maintenance. The department shall encourage agreements or settlements with the liable person, having due regard to ability to pay and the present needs of lawful dependents.

(8) The department may do any of the following:

(a) Appear for the state in any and all collection and deportation matters arising in the several courts, and may commence suit in the name of the department to recover the cost of maintenance against the person liable therefor.

(b) Determine whether any person is subject to deportation, and on behalf of this state enter into reciprocal agreements with other states for deportation and importation of persons who are public charges, upon such terms as will protect the state's interests and promote mutual amicable relations with other states.

(c) From time to time investigate the financial condition and needs of persons liable under sub. (2), their present ability to maintain themselves, the persons legally dependent upon them for support, the protection of the property and investments from which they derive their living and their care and protection, for the purpose of ascertaining the person's ability to make payment in whole or in part.

(d) After due regard to the case and to a spouse and minor children who are lawfully dependent on the property for support, compromise or waive any portion of any claim of the state or county for which a person specified under sub. (2) is liable, but not any claim payable by an insurer under s. 632.89 (2) or (4m) or by any other 3rd party.

(e) Make an agreement with a person who is liable under sub. (2), or who may be willing to assume the cost of maintenance of any person, providing for the payment of such costs at a specified rate or amount.

(f) Make adjustment and settlement with the several counties for their proper share of all moneys collected.

(g) Pay quarterly from the appropriation under s. 20.437 (1) (gg) the collection moneys due county departments under ss. 46.215, 46.22, and 46.23. Payments shall be made as soon after the close of each quarter as is practicable.

(9) Any person who willfully testifies falsely as to any material matter in an investigation or proceeding under this section shall be guilty of perjury. Banks, employers, insurers, savings banks, savings and loan associations, brokers, and fiduciaries, upon request of the department, shall furnish in writing and duly certified, full information regarding the property, earnings, or income or any funds deposited to the credit of or owing to any person liable under sub. (2). That certified statement shall be admissible in evidence in any action or proceeding to compel payment under this section, and shall be evidence of the facts stated in the certified statement, if a copy of the statement is served upon the party sought to be charged not less than 3 days before the hearing.

(10) The department shall make all reasonable and proper efforts to collect all claims for maintenance, to keep payments current, and periodically to review all unpaid claims.

(11) (a) Except as provided in par. (b), in any action to recover from a person liable under this section, the statute of limitations may be pleaded in defense.

(b) If a person who is liable under this section is deceased, a claim may be filed against the decedent's estate and the statute of limitations specified in s. 859.02 shall be exclusively applicable. This paragraph applies to liability incurred on or after July 20, 1985.

(14) (a) Except as provided in pars. (b) and (c), liability of a person specified in sub. (2) or s. 49.32 (1) for care and maintenance of persons under 18 years of age in residential, nonmedical facilities such as group homes, foster homes, subsidized guardianship homes, and residential care centers for children and youth is determined in accordance with the cost-based fee established under s. 49.32 (1). The department shall bill the liable person up to any amount of liability not paid by an insurer under s. 632.89 (2) or (4m) or by other 3rd-party benefits, subject to rules that include formulas governing ability to pay established by the department under s. 49.32 (1). Any liability of the person not payable by any other person terminates when the person reaches age 18, unless the liable person has prevented payment by any act or omission.

(b) Except as provided in par. (c), and subject to par. (cm), liability of a parent specified in sub. (2) or s. 49.32 (1) for the care and maintenance of the parent's minor child who has been placed by a court order under s. 48.32, 48.355, 48.357, 938.183, 938.355, or 938.357 in a residential, nonmedical facility such as a group home, foster home, subsidized guardianship home, or residential care center for children and youth shall be determined by the court by using the percentage standard established by the department under s. 49.22 (9) and by applying the percentage standard in the manner established by the department under par. (g).

(c) Upon request by a parent, the court may modify the amount of child support payments determined under par. (b), subject to par. (cm), if, after considering the following factors, the court finds by the greater weight of the credible evidence that the use of the percentage standard is unfair to the child or to either of the parents:

1. The needs of the child.
2. The physical, mental, and emotional health needs of the child, including any costs for the child's health insurance provided by a parent.
3. The standard of living and circumstances of the parents, including the needs of each parent to support himself or herself at a level equal to or greater than that established under 42 USC 9902 (2).
4. The financial resources of the parents.
5. The earning capacity of each parent, based on each parent's education, training, and work experience and based on the availability of work in or near the parent's community.
6. The need and capacity of the child for education, including higher education.
7. The age of the child.
8. The financial resources and the earning ability of the child.
9. The needs of any person, including dependent children other than the child, whom either parent is legally obligated to support.
10. The best interests of the child, including, but not limited to, the impact on the child of expenditures by the family for improvement of any conditions in the home that would facilitate the reunification of the child with the child's family, if appropriate, and the importance of a placement that is the least restrictive of the rights of the child and the parents and the most appropriate for meeting the needs of the child and the family.
11. Any other factors that the court in each case determines are relevant.

(cm) 1. Except as provided in subd. 2., if a parent who is required to pay child support under par. (b) or (c) is receiving

adoption assistance under s. 48.975 for the child for whom support is ordered, the amount of the child support payments determined under par. (b) or (c) may not exceed the amount of the adoption assistance maintenance payments under s. 48.975 (3) (a). If an agreement under s. 48.975 (4) is in effect that provides for a payment of \$0 under s. 48.975 (3) (a), the payment of \$0 shall be considered to be an adoption assistance maintenance payment for purposes of this subdivision.

2. Subdivision 1. does not apply if, after considering the factors under par. (c) 1. to 11., the court finds by the greater weight of the credible evidence that limiting the amount of the child support payments to the amount of the adoption assistance maintenance payments under s. 48.975 (3) (a) is unfair to the child or to either of the parents.

(d) If the court finds under par. (c) that use of the percentage standard is unfair to the minor child or either of the parents, the court shall state in writing or on the record the amount of support that would be required by using the percentage standard, the amount by which the court's order deviates from that amount, its reasons for finding that use of the percentage standard is unfair to the child or the parent, its reasons for the amount of the modification, and the basis for the modification.

(e) 1. An order issued under s. 48.355 (2) (b) 4. or (4g) (a), 48.357 (5m) (a), 48.363 (2), 938.183 (4), 938.355 (2) (b) 4., 938.357 (5m) (a), or 938.363 (2) for support determined under this subsection constitutes an assignment of all commissions, earnings, salaries, wages, pension benefits, income continuation insurance benefits under s. 40.62, duty disability benefits under s. 40.65, benefits under ch. 102 or 108, and other money due or to be due in the future to the county department under s. 46.215, 46.22, or 46.23 in the county where the order was entered or to the department, depending upon the placement of the child as specified by rules promulgated under subd. 5. The assignment shall be for an amount sufficient to ensure payment under the order.

2. Except as provided in subd. 3., for each payment made under the assignment, the person from whom the payer under the order receives money shall receive an amount equal to the person's necessary disbursements, not to exceed \$3, which shall be deducted from the money to be paid to the payer.

3. Benefits under ch. 108 may be assigned and withheld only in the manner provided in s. 108.13 (4). Any order to withhold benefits under ch. 108 shall be for an amount certain. When money is to be withheld from these benefits, no fee may be deducted from the amount withheld and no fine may be levied for failure to withhold the money.

4. No employer may use an assignment under this paragraph as a basis for the denial of employment to a person, the discharge of an employee, or any disciplinary action against an employee. An employer who denies employment or discharges or disciplines an employee in violation of this subdivision may be fined not more than \$500 and may be required to make full restitution to the aggrieved person, including reinstatement and back pay. Except as provided in this subdivision, restitution shall be in accordance with s. 973.20. An aggrieved person may apply to the district attorney or to the department of workforce development for enforcement of this subdivision.

5. The department shall promulgate rules for the operation and implementation of assignments under this paragraph.

(f) If the amount of the child support determined under this subsection is greater than the cost for the care and maintenance of the minor child in the residential, nonmedical facility, the assignee under par. (e) 1. shall expend or otherwise dispose of any funds that are collected in excess of the cost of such care and maintenance in a manner that the assignee determines will serve the best interests of the minor child.

(g) For purposes of determining child support under par. (b), the department shall promulgate rules related to the application of the standard established by the department under s. 49.22 (9) to a child support obligation for the care and maintenance of a child

who is placed by a court order under s. 48.32, 48.355, 48.357, 938.183, 938.355, or 938.357 in a residential, nonmedical facility. The rules shall take into account the needs of any person, including dependent children other than the child, whom either parent is legally obligated to support.

(16) The department shall delegate to county departments under ss. 46.215, 46.22, and 46.23 or the local providers of care and services meeting the standards established by the department under s. 49.34 the responsibilities vested in the department under this section for collection of fees for services other than those provided at state facilities, if the county departments or providers meet the conditions that the department determines are appropriate. The department may delegate to county departments under ss. 46.215, 46.22, and 46.23 the responsibilities vested in the department under this section for collection of fees for services provided at the state facilities if the necessary conditions are met.

(1) The department may request proposals for a program that reduces the rate of recidivism of persons in the city of Milwaukee who have previously been incarcerated following a criminal conviction. The department shall specify that the program will be conducted under a contract with a 5-year term and that no payment will be made under the contract until the organization selected to conduct the program demonstrates, after the 5-year term, that the program met a certain minimum level of success, as determined under subs. (2) and (4). The selected organization may serve as an intermediary for obtaining funding to perform the contract by raising capital from private donors or investors and for subcontracting with direct providers to achieve the specified performance outcomes. In evaluating proposals, the department shall give a preference to those that incorporate reuniting parents with their children.

(2) The legislative audit bureau shall assist the department and the selected organization in identifying benchmarks by which to measure the organization's performance under the contract.

(4) After completion of the 5-year contract term, the legislative audit bureau shall conduct an audit of the program to determine whether the benchmarks identified under sub. (2) have been met.

(2) The department shall exercise the options to purchase such securities or accept an assignment of such securities when it finds that the owner of the securities is a resident of this state and is in need of public assistance, or who but for the ownership of such securities would qualify for public assistance. If the department exercises an option to purchase such security, the purchase price shall be paid out, at par value, as a relief payment. Where the department accepts an assignment of such security as provided in this section it shall pay out as relief an amount equal to the par value of the security assigned. The relief furnished, whether by money or otherwise, shall be at such times and in such amounts as will in the discretion of the department meet the needs of the recipient and protect the public. The department is authorized to exercise the options to purchase assigned to it in whole or in part, or to accept an assignment of such securities in whole or in part. The department is granted such authority as may be necessary and

convenient to enable it to exercise the functions and perform the duties required of it by this section, including without limitation because of enumeration the authority to promulgate rules governing eligibility and the furnishing and paying of relief under this section, the authority to enter into suitable agreements with the owner of the security or other appropriate persons for the purpose of carrying out this section, and the authority to sell or transfer the securities or defend and prosecute all actions concerning it and pay all just claims against it and do all other things necessary for the protection, preservation and management of the securities.

(3) If the relief, public assistance, or other welfare aid provided pursuant to this section is discontinued during the life of the person receiving such aid and the value of the securities transferred to the department exceed the total amount of assistance paid under this section, the excess of such property shall be returned to such person; and in the event of the person's death the excess shall be considered the property of such person for administration proceedings.

(4) The department may make loans to the owner of such securities for relief and welfare purposes which loans shall be secured by pledges of the securities to the state. The department may by rule establish the purposes for which loans may be made, permissible interest rates and fees, time and manner in which the loan is paid out, time and manner of repayment, general procedures to be followed in making loans, the action which shall be taken if a borrower defaults on a loan, maximum amount which may be loaned to any one borrower, and any other rules necessary to carry out the purposes of this section.

To provide appropriate health care for eligible persons and obtain the most benefits available under Title XIX of the federal social security act, the department shall administer medical assistance, rehabilitative and other services to help eligible individuals and families attain or retain capability for independence or self-care as hereinafter provided.

(2) DUTIES. (a) The department shall:

2. Employ necessary personnel under the classified service for the efficient and economical performance of the program and shall supply residents of this state with information concerning the program and procedures.

3. Determine the eligibility of persons for medical assistance, rehabilitative, and social services under ss. 49.46, 49.468, 49.47, and 49.471 and rules and policies adopted by the department and may, under a contract under s. 49.78 (2), delegate all, or any portion, of this function to the county department under s. 46.215, 46.22, or 46.23 or a tribal governing body.

5. Cooperate with the division for learning support in the department of public instruction to carry out the provisions of Title XIX.

6. Appoint such advisory committees as are necessary and proper.

7. Cooperate with the federal authorities for the purpose of providing the assistance and services available under Title XIX to obtain the best financial reimbursement available to the state from federal funds.

8. Periodically report to the joint committee on finance concerning projected expenditures and alternative reimbursement and cost control policies in the medical assistance program.

9. Periodically set forth conditions of participation and reimbursement in a contract with provider of service under this section.

10. a. After reasonable notice and opportunity for hearing, recover money improperly or erroneously paid or overpayments to a provider by offsetting or adjusting amounts owed the provider under the program, crediting against a provider's future claims for reimbursement for other services or items furnished by the provider under the program, or requiring the provider to make direct payment to the department or its fiscal intermediary.

b. Establish a deadline for payment of a recovery imposed under this subdivision and, if a provider fails to pay all of the amount to be recovered by the deadline, require payment, by the provider, of interest on any delinquent amount at the rate of 1 percent per month or fraction of a month from the date of the overpayment.

c. Promulgate rules to implement this subdivision.

11. a. Establish criteria for certification of providers of medical assistance and, except as provided in par. (b) 6m. and s. 49.48, and subject to par. (b) 7. and 8., certify providers who meet the criteria.

b. Promulgate rules to implement this subdivision.

c. The department shall accept relevant education, training, instruction, or other experience that an applicant obtained in connection with military service, as defined in s. 111.32 (12g), to count toward the education, training, instruction, or other experience that is required to certify providers of medical assistance if the applicant demonstrates to the satisfaction of the department that the education, training, instruction, or other experience that the applicant obtained in connection with his or her military service is substantially equivalent to the education, training, instruction, or other experience required for the certification.

12. a. Decertify a provider from or restrict a provider's participation in the medical assistance program, if after giving reasonable notice and opportunity for hearing the department finds that the provider has violated a federal statute or regulation or a state statute or administrative rule and the violation is, by statute, regulation, or rule, grounds for decertification or restriction. The department shall suspend the provider pending the hearing under this subdivision if the department includes in its decertification notice findings that the provider's continued participation in the medical assistance program pending hearing is likely to lead to the irretrievable loss of public funds and is unnecessary to provide adequate access to services to medical assistance recipients. As soon as practicable after the hearing, the department shall issue a written decision. No payment may be made under the medical assistance program with respect to any service or item furnished by the provider subsequent to decertification or during the period of suspension.

b. Promulgate rules to implement this subdivision.

12r. Notify the medical examining board, or any affiliated credentialing board attached to the medical examining board, of any decertification or suspension of a person holding a license granted by the board or the affiliated credentialing board if the grounds for the decertification or suspension include fraud or a quality of care issue.

13. Impose additional sanctions for noncompliance with the terms of provider agreements under subd. 9. or certification criteria established under subd. 11.

20. Submit a report, by May 1, 1991, and annually thereafter, to the joint committee on finance on the participation rates of children in the early and periodic screening and diagnosis program.

22. After consulting with counties, independent living centers, consumer organizations and home health agencies, periodically identify those barriers to the provision of personal care services under s. 49.46 (2) (b) 6. j. which lead to a failure to respond to the needs and preferences of individuals who are eligible for these services and act to remove the barriers to the extent possible.

23. Promulgate rules that define "supportive services", "personal services" and "nursing services" provided in a certified residential care apartment complex, as defined under s. 50.01 (6d), for purposes of reimbursement under s. 46.277 (5) (e).

24. In consultation with hospitals, health maintenance organizations, county departments of social services and of human services and other interested parties, develop and, not later than January 1, 1999, implement a process for expediting medical assistance eligibility determinations for persons in urgent medical situations. The department shall promulgate any rules necessary for the implementation of that process.

24m. Promulgate rules that require that the written plan of care for persons receiving personal care services under medical assistance be reviewed by a registered nurse at least every 60 days. The rules shall provide that the written plan of care shall designate intervals for visits to the recipient's home by a registered nurse as part of the review of the plan of care. The designated intervals for visits shall be based on the individual recipient's needs, and each recipient shall be visited in his or her home by a registered nurse at least once in every 12-month period. The rules shall also provide that a visit to the recipient is also required if, in the course of the nurse's review of the plan of care, there is evidence that a change in the recipient's condition has occurred that may warrant a change in the plan of care.

(b) The department may:

1. Direct a county department under s. 46.215, 46.22 or 46.23 to perform other functions, responsibilities and services, including any functions related to health maintenance organizations, limited service health organizations and preferred provider plans.

2. Contract with any organization whether or not organized for profit to administer, in full or in part, the benefits under the medical assistance program including prepaid health care. The department shall accept bids on contracts for administrative services and services evaluating the medical assistance program as provided in ch. 16, but may accept the contract deemed most advantageous for claims processing services; or contract with any insurer authorized under the insurance code of this state to insure the program in full or in part and on behalf of the department. The department shall submit a report each December 31 to the governor, the joint committee on finance and the chief clerk of each house of the legislature, for distribution to the appropriate standing committees under s. 13.172 (3), regarding the effectiveness of the management information system for monitoring and analyzing medical assistance expenditures.

3. Audit all claims filed by any contractor making the payment of benefits paid under ss. 49.46 to 49.471 and make proper fiscal adjustments.

4. Audit claims filed by any provider of medical assistance, and as part of that audit, request of any such provider, and review, medical records of individuals who have received benefits under the medical assistance program.

5. Enter into contracts with providers who donate their services at no charge or who provide services for reduced payments.

6m. Limit the number of providers of particular services that may be certified under par. (a) 11. or the amount of resources, including employees and equipment, that a certified provider may use to provide particular services to medical assistance recipients, if the department finds that existing certified providers and resources provide services that are adequate in quality and amount to meet the need of medical assistance recipients for the particular services; and if the department finds that the potential for medical assistance fraud or abuse exists if additional providers are certified or additional resources are used by certified providers. The department shall promulgate rules to implement this subdivision.

7. Require, as a condition of certification under par. (a) 11., all providers of a specific service that is among those enumerated under s. 49.46 (2), 49.47 (6) (a), or 49.471 (11), as specified in this subdivision, to file with the department a surety bond issued by a surety company licensed to do business in this state. Providers subject to this subdivision provide those services specified under s. 49.46 (2), 49.47 (6) (a), or 49.471 (11) for which providers have demonstrated significant potential to violate s. 49.49 (3p) or (4m) (a) or 946.91 (2), (3) (a) or (b), (4), (5), or (6), to require recovery under par. (a) 10., or to need additional sanctions under par. (a) 13. The surety bond shall be payable to the department in an amount that the department determines is reasonable in view of amounts of former recoveries against providers of the specific service and the department's costs to pursue those recoveries. The department shall promulgate rules to implement this subdivision that specify all of the following:

a. Services under Medical Assistance for which providers have demonstrated significant potential to violate s. 49.49 (3p) or (4m) (a) or 946.91 (2), (3) (a) or (b), (4), (5), or (6), to require recovery under par. (a) 10., or to need additional sanctions under par. (a) 13.

b. The amount or amounts of the surety bonds.

c. Terms of the surety bond, including amounts, if any, without interest to be refunded to the provider upon withdrawal or decertification from the medical assistance program.

8. Require a person who takes over the operation, as defined in sub. (21) (ag), of a provider, to first obtain certification under par. (a) 11. for the operation of the provider, regardless of whether the person is currently certified. The department may withhold the certification required under this subdivision until any outstanding repayment under sub. (21) is made. The department shall promulgate rules to implement this subdivision.

9. After providing reasonable notice and opportunity for a hearing, charge an assessment to a provider that repeatedly has been subject to recoveries under par. (a) 10. a. because of the provider's failure to follow identical or similar billing procedures or to follow other identical or similar program requirements. The assessment shall be used to defray in part the costs of audits and investigations by the department under sub. (3) (g) and may not exceed \$1,000 or 200 percent of the amount of any such repeated recovery made, whichever is greater. The provider shall pay the assessment to the department within 10 days after receipt of notice of the assessment or the final decision after administrative hearing, whichever is later. The department may recover any part of an assessment not timely paid by offsetting the assessment against any medical assistance payment owed to the provider and may refer any unpaid assessments not collected in this manner to the attorney general, who may proceed with collection under this subdivision. Failure to timely pay in any manner an assessment charged under this subdivision, other than an assessment that is offset against any medical assistance payment owed to the provider, is grounds for decertification under par. (a) 12. A provider's payment of an assessment does not relieve the provider of any other legal liability incurred in connection with the recovery for which the assessment is charged, but is not evidence of violation of a statute or rule. The department shall credit all assessments received under this subdivision to the appropriation account under

s. 20.435 (4) (iL). The department shall promulgate rules to implement this subdivision.

(2n) REPORT ON MEDICAL ASSISTANCE PROGRAM CHANGES AND FINANCES. (a) In this subsection, "Medical Assistance program" includes any program operated under this subchapter, demonstration program operated under 42 USC 1315, and program operated under a waiver of federal law relating to medical assistance that is granted by the federal department of health and human services.

(b) Before January 1, 2015, and every 90 days thereafter, the department shall submit to the joint committee on finance a report that contains all of the following information:

1. An updated description of any Medical Assistance program changes implemented by the department, including any amendments to the Medical Assistance state plan.

2. An updated estimate of the projected savings associated with any changes described under subd. 1.

3. An updated projection of the total Medical Assistance program benefit expenditures during the fiscal biennium and an analysis of how these projected expenditures compare to the funding provided in the most recent biennial budget act.

(2p) APPROVAL OF MEDICAL ASSISTANCE PROGRAM CHANGES. After March 1, 2018, the department may not expand eligibility under section 2001 (a) (1) (C) of the Patient Protection and Affordable Care Act, P.L. 111–148, for the Medical Assistance program under this subchapter unless the state legislature has passed legislation to allow the expansion and that legislation is in effect.

(2t) SUBMISSION OF STATE PLAN AMENDMENTS AND PROVIDER PAYMENTS. (a) The department may not submit a Medical Assistance state plan amendment to the federal department of health and human services or implement a change to the reimbursement rate for or make a supplemental payment to a provider under the Medical Assistance program under this subchapter when the amendment, rate change, or payment has an expected fiscal effect of \$7,500,000 or more from all revenue sources over a 12-month period following the implementation date of the amendment, rate change, or payment without submitting the proposed state plan amendment, rate change, or payment to the joint committee on finance for review. If the cochairpersons of the joint committee on finance do not notify the department within 14 working days after the date of the submittal under this paragraph that the committee has scheduled a meeting for the purpose of reviewing the proposed state plan amendment, rate change, or payment, the department may submit the state plan amendment, implement the rate change, or make the payment. If, within 14 working days after the date of the submittal under this paragraph by the department, the cochairpersons of the committee notify the department that the committee has scheduled a meeting for the purpose of reviewing the proposed state plan amendment, rate change, or payment, the department may submit the state plan amendment, implement the rate change, or make the payment only upon approval by the committee.

(c) Notwithstanding par. (a), the department is not required to submit a proposed change to a reimbursement rate for or supplemental payment to a provider under the Medical Assistance program under this subchapter to the joint committee on finance under par. (a) if explicit expenditure authority or funding for the specific change or supplemental payment is included in enacted legislation.

(3) PAYMENT. (a) Reimbursement shall be made to each county department under ss. 46.215, 46.22, and 46.23 for any administrative services performed in the Medical Assistance program on the basis of s. 49.78 (8).

(ag) Reimbursement shall be made to each entity contracted with under s. 46.283 (2) for functional screenings performed by the entity.

(b) 1. The contractor, if any, administering benefits or providing prepaid health care under s. 49.46, 49.465, 49.468, 49.47, or

49.471 shall be entitled to payment from the department for benefits so paid or prepaid health care so provided or made available when a certification of eligibility is properly on file with the contractor in addition to the payment of administrative expense incurred pursuant to the contract and as provided in sub. (2) (a) 4., but the contractor shall not be reimbursed for benefits erroneously paid where no certification is on file.

2. The contractor, if any, insuring benefits under s. 49.46, 49.465, 49.468, 49.47, or 49.471 shall be entitled to receive a premium, in an amount and on terms agreed, for such benefits for the persons eligible to receive them and for its services as insurer.

(c) Payment for services provided under this section shall be made directly to the hospital, skilled and intermediate nursing homes, prepaid health care group, other organization or individual providing such services or to an organization which provides such services or arranges for their availability on a prepayment basis.

(d) No payment may be made for inpatient hospital services, skilled nursing home services, intermediate care facility services, tuberculosis institution services or inpatient mental institution services, unless the facility providing such services has in operation a utilization review program and meets federal regulations governing such utilization review program.

(dm) After distribution of computer software has been made under 1993 Wisconsin Act 16, section 9126 (13h), no payment may be made for home health care services provided to persons who are enrolled in the federal medicare program and are recipients of medical assistance under s. 49.46, 49.47, or 49.471 unless the provider of the services has in use the computer software to maximize payments under the federal medicare program under 42 USC 1395.

(e) 1. The department may develop, implement and periodically update methods for reimbursing or paying hospitals for allowable services or commodities provided a recipient. The methods may include standards and criteria for limiting any given hospital's total reimbursement or payment to that which would be provided to an economically and efficiently operated facility.

2. A hospital whose reimbursement or payment is determined on the basis of the methods developed and implemented under subd. 1. shall annually prepare a report of cost and other data in the manner prescribed by the department.

3. The department may adopt a prospective payment system under subd. 1. which may include consideration of an average rate per diem, diagnosis-related groups or a hospital-specific prospective rate per discharge.

4. If the department maintains a retrospective reimbursement system under subd. 1. for specific provided services or commodities, total reimbursement for allowable services, care or commodities provided recipients during the hospital's fiscal year may not exceed the lower of the hospital's charges for the services or the actual and reasonable allowable costs to the hospital of providing the services, plus any disproportionate share funding that the hospital is qualified to receive under 42 USC 1396r-4.

7. The daily reimbursement or payment rate to a hospital for services provided to medical assistance recipients awaiting admission to a skilled nursing home, intermediate care facility, community-based residential facility, group home, foster home, or other custodial living arrangement may not exceed the maximum reimbursement or payment rate based on the average adjusted state skilled nursing facility rate, created under sub. (6m). This limited reimbursement or payment rate to a hospital commences on the date the department, through its own data or information provided by hospitals, determines that continued hospitalization is no longer medically necessary or appropriate during a period when the recipient awaits placement in an alternate custodial living arrangement. The department may contract with a peer review organization, established under 42 USC 1320c to 1320c-10, to determine that continued hospitalization of a recipient is no longer necessary and that admission to an alternate custodial living arrangement is more appropriate for the continued care

of the recipient. In addition, the department may contract with a peer review organization to determine the medical necessity or appropriateness of physician services or other services provided during the period when a hospital patient awaits placement in an alternate custodial living arrangement.

7m. Notwithstanding subd. 7., the daily reimbursement or payment rate for services at a hospital established under s. 45.50 (10) provided to medical assistance recipients whose continued hospitalization is no longer medically necessary or appropriate during a period where the recipient awaits placement in an alternate custodial living arrangement shall be the skilled nursing facility rate paid to a Wisconsin veterans home operated by the department of veterans affairs under s. 45.50.

9. Hospital research costs that the department finds to be indirectly related to patient care are not allowable costs in establishing a hospital's reimbursement or payment rate under subd. 1.

10. Hospital procedures on an inpatient basis that could be performed on an outpatient basis shall be reimbursed or paid at the outpatient rate. The department shall determine which procedures this subdivision covers.

10m. All facilities listed in a certificate of approval issued to the University of Wisconsin Hospitals and Clinics Authority under s. 50.35 are a hospital for purposes of reimbursement under this section.

10r. All facilities listed in a certificate of approval issued to a free-standing pediatric teaching hospital under s. 50.35 are a hospital for purposes of reimbursement under this section. Notwithstanding this subdivision, the department shall use physician clinic reimbursement rates to reimburse the facilities under this section for types of services for which, before July 1, 2009, the department reimbursed the facilities using physician clinic reimbursement rates, as determined by the department.

11. The department shall use a portion of the moneys collected under s. 50.38 (2) (a) to pay for services provided by eligible hospitals, as defined in s. 50.38 (1), other than critical access hospitals, under the Medical Assistance Program under this subchapter, including services reimbursed on a fee-for-service basis and services provided under a managed care system. For state fiscal year 2008–09, total payments required under this subdivision, including both the federal and state share of Medical Assistance, shall equal the amount collected under s. 50.38 (2) (a) for fiscal year 2008–09 divided by 57.75 percent. For each state fiscal year after state fiscal year 2008–09, total payments required under this subdivision, including both the federal and state share of Medical Assistance, shall equal the amount collected under s. 50.38 (2) (a) for the fiscal year divided by 61.68 percent.

12. The department shall use a portion of the moneys collected under s. 50.38 (2) (b) to pay for services provided by critical access hospitals under the Medical Assistance Program under this subchapter, including services reimbursed on a fee-for-service basis and services provided under a managed care system. For each state fiscal year, total payments required under this subdivision, including both the federal and state share of Medical Assistance, shall equal the amount collected under s. 50.38 (2) (b) for the fiscal year divided by 61.68 percent.

(f) 1. Providers of services under this section shall maintain records as required by the department for verification of provider claims for reimbursement. The department may audit such records to verify actual provision of services and the appropriateness and accuracy of claims.

2. The department may deny any provider claim for reimbursement which cannot be verified under subd. 1. or may recover the value of any payment made to a provider which cannot be so verified. The measure of recovery will be the full value of any claim if it is determined upon audit that actual provision of the service cannot be verified from the provider's records or that the service provided was not included in s. 49.46 (2) or 49.471 (11). In cases of mathematical inaccuracies in computations or statements

of claims, the measure of recovery will be limited to the amount of the error.

2m. The department shall adjust reimbursement claims for hospital services that are provided during a period when the recipient awaits placement in an alternate custodial living arrangement under par. (e) 7. and that fail to meet criteria the department may establish concerning medical necessity or appropriateness for hospital care. In addition, the department shall deny any provider claim for services that fail to meet criteria the department may establish concerning medical necessity or appropriateness.

3. Contractors under sub. (2) (b) shall maintain records as required by the department for audit purposes. Contractors shall provide the department access to the records upon request of the department, and the department may audit the records.

(fm) The department shall seek, on behalf of dentists who are providers, federal reimbursement for the cost of any equipment that the department requires dentists to use to verify medical assistance eligibility electronically. If the department is successful in obtaining federal reimbursement of that expense, the department shall reimburse dentists who are providers for the portion of the cost of the equipment that is reimbursed by the federal government.

(g) 1. 5. “Nursing home” has the meaning given under s. 50.01 (3).

6. “Resource Utilization Groupings” means a comparative resource utilization grouping that classifies each facility resident based on information obtained from performing, for the resident, a minimum data set assessment developed by the federal Centers for Medicare and Medicaid Services.

(ag) Payment for care provided in a facility under this subsection made under s. 20.435 (4) (b), (gm), (o), (pa), or (w) shall, except as provided in pars. (bg), (bm), and (br), be determined according to a prospective payment system updated annually by the department. The payment system shall implement standards that are necessary and proper for providing patient care and that meet quality and safety standards established under subch. II of ch. 50 and ch. 150. The payment system shall reflect all of the following:

1. A prudent buyer approach to payment for services, under which a reasonable price recognizing selected factors that influence costs is paid for service that is of acceptable quality.

2. Except as provided in subd. 3r., standards established by the department that shall be based upon allowable costs incurred by facilities in the state as available from information submitted under par. (c) 3. and compiled by the department.

3m. For each state fiscal year, rates that shall be set by the department based on information from cost reports for costs speci-

fied under par. (am) 1. *bm.*, 4., 5*m.*, and 6. for the most recently completed fiscal year of the facility.

3*p.* For all costs specified under par. (am) 1. *bm.*, an acuity-based payment rate system to which all of the following applies:

a. The system may incorporate acuity measurements under the most recent Resource Utilization Groupings methodology to determine factors for case-mix adjustment.

b. Four times annually, for each facility resident who is a Medical Assistance recipient on March 31, June 30, September 30, or December 31, as applicable, the system shall determine the average case-mix index by use of the factors specified under subd. 3*p. a.*

c. The system shall incorporate payment adjustments for dementia, behavioral needs, or other complex medical conditions.

d. The system may include incentives for providing high quality of care.

3*r.* Flat-rate payment for all costs specified under par. (am) 1. *a.* and 2.

5. Consideration for special needs of facility residents.

6. Standards for capital payment that will be based upon replacement value of a facility as determined by a commercial estimator with which the department contracts and criteria and limitations as determined by the department.

7. Assurance of an acceptable quality of care for all medical assistance recipients provided nursing home care.

(am) In determining payments for a facility under the payment system in par. (ag), the department shall consider all of the following cost centers:

1. Allowable direct care costs, including, if provided, any of the following:

a. Personal comfort supplies; medical supplies; over-the-counter drugs; and nonbillable services of a ward clerk, activity person, recreation person, social worker, volunteer coordinator, teacher for residents aged 22 and older, vocational counselor for residents aged 22 and older, religious person, therapy aide, therapy assistant, and counselor on resident living.

(ar) 6.

4. Property tax or municipal service costs paid by the owner of the facility for the facility.

5*m.* Allowable interest expense of the facility, less interest income of the facility and less interest income of affiliated entities, to the extent required under the approved state plan for services under 42 USC 1396.

6. Capital payment necessary for the provision of service over time, including allowable facility expenses for suitable space, furnishings, property insurance and movable equipment for patient care.

(ap) If the bed occupancy of a nursing home is below the minimum patient day occupancy standards that are established by the department under par. (ar) (intro.), the department may approve a request by the nursing home to delicense any of the nursing

home's licensed beds. If the department approves the nursing home's request, all of the following apply:

1. The department shall delicense the number of beds in accordance with the nursing home's request.

2. The department may not include the number of beds of the nursing home that the department delicensures under this paragraph in determining the costs per patient day under the minimum patient day occupancy standards under par. (ar).

3. The nursing home may not use or sell a bed that is delicensed under this paragraph.

4. *a.* Every 12 months following the delicensure of a bed under this paragraph, for which a nursing home has not resumed licensure under subd. 5., the department shall reduce the licensed bed capacity of the nursing home by 10 percent of all of the nursing home's beds that remain delicensed under this paragraph or by 25 percent of one bed, whichever is greater. The department shall reduce the statewide maximum number of licensed nursing home beds under s. 150.31 (1) (intro.) by the number or portion of a number of beds by which the nursing home's licensed bed capacity is reduced under this subdivision.

b. Subdivision 4. *a.* does not apply with respect to the delicensure of beds between October 14, 1997, and the date that is 60 days after October 14, 1997, during the period of any contract entered into by a nursing home prior to January 1, 1997, if the contract requires the nursing home to maintain its current licensed bed capacity.

5. A nursing home retains the right to resume licensure of a bed of the nursing home that was delicensed under this paragraph unless the licensed bed capacity of the nursing home has been reduced by that bed under subd. 4. The nursing home may not resume licensure of a fraction of a bed. The nursing home may resume licensure 18 months after the nursing home notifies the department in writing that the nursing home intends to resume the licensure. If a nursing home resumes licensure of a bed under this subdivision, subd. 2. does not apply with respect to that bed.

6. If subd. 4. *b.* applies and the nursing home later resumes licensure of a bed that was delicensed between October 14, 1997, and the date that is 60 days after October 14, 1997, the department shall calculate the costs per patient day using the methodology specified in the state plan that is in place at the time that the delicensed beds are resumed.

(ar) In determining payments for a facility under par. (ag), the department may establish minimum patient day occupancy standards for determining costs per patient day and shall apply the following methods to calculate amounts payable for the rate year for the cost centers described under par. (am):

1. For direct care costs:

a. The department shall establish standards for payment of allowable direct care costs under par. (am) 1. *bm.*, for facilities that do not primarily serve the developmentally disabled, that take into account direct care costs for a sample of all of those facilities in this state and separate standards for payment of allowable direct care costs, for facilities that primarily serve the developmentally disabled, that take into account direct care costs for a sample of all of those facilities in this state. The standards shall be adjusted by the department for regional labor cost variations. The department shall treat as a single labor region the counties of Dane, Dodge, Iowa, Columbia, Richland, Sauk, and Rock and shall adjust payment so that the direct care cost targets of facilities in Dane, Iowa, Columbia, and Sauk counties are not reduced as a result of including facilities in Dodge, Richland, and Rock Counties in this labor region. For facilities in Douglas, Dunn, Pierce, and St. Croix counties, the department shall perform the adjustment by use of the wage index that is used by the federal department of health and human services for hospital reimbursement under 42 USC 1395 to 1395ggg.

b. The department shall establish the direct care component of the facility rate for each facility by comparing actual allowable

direct care cost information of that facility adjusted for inflation to the standards established under subd. 1. a.

c. If a facility has an approved program for provision of service to residents who have an intellectual disability, residents dependent upon ventilators, or residents requiring supplemental skilled care due to complex medical conditions, a supplement to the direct care component of the facility rate under subd. 1. b. may be made to that facility according to a method developed by the department.

cm. Funding distributed to facilities for the provision of active treatment to residents with a diagnosis of developmental disability shall be distributed in accordance with a method developed by the department which is consistent with a prudent buyer approach to payment for services.

2. For support service costs, the department shall establish one or more standards for the payment of support service costs that take into account support service costs for a sample of all facilities within the state.

4. For net property taxes or municipal services, payment shall be made for the amount of the previous calendar year's tax or the amount of municipal service costs for a period specified by the department, subject to a maximum limit as determined by the department.

6. Capital payment shall be based on a replacement value for a facility. The replacement value shall be determined by a commercial estimator contracted for by the department and paid for by the facility. The replacement value shall be subject to limitations determined by the department.

(av) The department shall calculate a payment rate for a facility by applying the criteria set forth under pars. (ag) 1. to 5. and 7., (am) 1. bm., 4., 5m. and 6., and (ar) 1., 4., and 6. to information from cost reports submitted by the facility, as affected by any adjustment for ancillary services and materials under par. (b).

(b) The charges for ancillary materials and services that would be incurred by a prudent buyer may be included as an adjustment to the rate determined by par. (av) when so determined by the department. The department may not authorize any adjustments to the rate established under par. (av) to pay for a cost overrun that the department fails to approve under s. 150.11 (3). Ancillary materials and services for which payment may be made include, if provided, oxygen, medical transportation and laboratory and X-ray services. Payment for these services and materials shall not exceed medical assistance limitations for reimbursement of the services and materials. For services in a facility for which the department may make payment to a service provider other than a facility, the department may make payment to the facility but not in excess of the estimated amount of payment available if a separate service provider provided the service. The department may promulgate rules setting forth conditions of and limitations to this paragraph.

(bg) The department shall determine payment levels for the provision of skilled, intermediate, limited, personal or residential care or care for individuals with an intellectual disability in the state centers for the developmentally disabled and in a Wisconsin veterans home operated by the department of veterans affairs under s. 45.50 separately from the payment principles, applicable costs and methods established under this subsection.

(bm) Except as provided in par. (bo), the department may establish payment methods for a facility for which any of the following applies:

1. The facility is newly constructed.
2. The total of licensed beds for the facility has significantly increased or decreased prior to calculation of its rate under the payment system.
3. The facility has undergone a change in certification or licensure level.

5. The facility has received approval or disapproval for provision of service to residents requiring supplemental skilled care due to complex medical conditions.

6. The facility has received approval or been disapproved for provision of service to residents who have any of the following:

- a. Brain injury, as defined in s. 51.01 (2g).
- b. A diagnosis of acquired immunodeficiency syndrome.
- c. An HIV infection, as defined in s. 252.01 (2), and illness or injury associated with the development of acquired immunodeficiency syndrome.

(bo) The department may establish payment methods for capital payment for a newly constructed facility that first provided services after June 30, 1984.

(bp) Notwithstanding pars. (am) 6. and (ar) 6., the department may establish payment methods based on actual costs for capital payment for a facility to which, after December 31, 1982, any of the following applies:

1. The facility was constructed.
2. The facility was purchased.
3. The facility incurred annual remodeling costs of more than \$600,000.
4. The facility incurred remodeling costs necessary to meet physical plant requirements under 42 USC 1396a (a) (13) (A).

(br) If the federal department of health and human services disallows use of the allocation of matching federal medical assistance funds under applicable federal acts or programs for the reduction of operation deficits under sub. (6u), all of the following apply:

1. Notwithstanding s. 20.435 (7) (b) or 20.437 (1) (cj) or (dz), the department shall reduce allocations of funds to counties in the amount of the disallowance from the appropriation account under s. 20.435 (7) (b), or the department shall direct the department of children and families to reduce allocations of funds to counties or Wisconsin Works agencies in the amount of the disallowance from the appropriation account under s. 20.437 (1) (cj) or (dz), in accordance with s. 16.544 to the extent applicable.

2. If a city, village or town owns and operates a facility that has received funds to reduce an operating deficit, the city, village or town shall reimburse the county in which the city, village or town is located in the amount of funds so received.

(c) As a condition of payment under this section a facility shall:

1. Meet the staffing standard requirements for direct care costs including the supplement, if any, made under par. (ar) 1. c. and maintain such records as prescribed by the department to document that such level of care was actually provided.

2. Provide at the time of a patient's admission to a home, for the development and implementation of a rehabilitation plan including the development of an alternate care plan for the patient.

3. Provide, upon request, cost information relating to the overall financial operation of the facility, including, but not limited to wages and hours worked, costs of food, housekeeping, maintenance and administration.

4. Agree to admit patients 7 days of the week.

5. Admit only patients if required under s. 50.035 (4n) or 50.04 (2h), who have been referred to a resource center.

6. Provide, upon request, such information as the department considers necessary to determine allowable interest expenses under par. (am) 5m.

(d) The department shall:

2. Terminate payment to a facility for a patient, unless a utilization review team established pursuant to federal regulations upon review of the patient's needs and the implementation of a rehabilitation plan for that patient determines that the patient's need for care and services can only be provided in a facility and determines the appropriate level of care.

3. Establish, maintain, and periodically update a patient needs evaluation system to be used in determining the need and level of care at a facility, which shall include the social and rehabilitative needs of the patient, provide levels of care to correspond to the actual staff time required to provide such care, and define the contents of the services to be provided.

4. Periodically audit all nursing homes and intermediate care facilities receiving funds under this paragraph, and recover payments made where the home is not meeting the conditions under which the payment was made as specified in par. (c) 1. and 2. Erroneous information provided under par. (c) 3. shall constitute grounds for recovery.

5. Beginning October 1, 1989, deny payment to a facility for a patient who is admitted to the facility after the department has provided newspaper notice and notice under s. 50.03 (2m) (b) that the facility violates 42 USC 1396 to 1396s and before the date, if any, that the department determines that the facility is in substantial compliance with 42 USC 1396 to 1396s.

(g) Payment under this section to a facility may not include the cost of care reimbursable for persons eligible for medicare benefits under 42 USC 1395 to 1395zz. Medical assistance recipients are not liable for these costs. The department may require that a facility recover these costs from the appropriate agencies. The department may, by rule, require medicare certification under 42 USC 1395 to 1395zz, in whole or in part, of skilled nursing facilities. Any intermediate care facility or skilled nursing facility is subject to a fine of not less than \$10 nor more than \$100 for each day it refuses to recover costs or refuses to obtain the required certification.

(h) The department may require by rule that all claims for payment of services provided facility residents under this subchapter be submitted or countersigned by the respective facility administrator. The department may specify those categories of services for which payment will be made only if the services are rendered or authorized in writing by a primary health care provider designated by the recipient for the particular category of services.

(i) 1. On or after October 1, 1981, medical assistance payment for inpatient nursing care may only be provided for persons receiving skilled, intermediate, or limited levels of nursing care as these levels are defined under s. DHS 132.13, Wis. Adm. Code.

2. Payment for personal or residential care is available for a person in a facility certified under 42 USC 1396 to 1396p only if the person entered a facility before the date specified in subd. 1. and has continuously resided in a facility since the date specified in subd. 1. If the person has a primary diagnosis of developmental disabilities or serious and persistent mental illness, payment for personal or residential care is available only if the person entered a facility on or before November 1, 1983.

(j) The department may develop a separate rate of payment, under this subsection, for persons requiring intense skilled nursing care, as defined by the department.

(k) Notwithstanding pars. (ag) to (b), (bp) and (br), the department may participate in a demonstration project on case mix nursing home reimbursement authorized under 42 USC 1315 (a) and may modify the payment system under this section, on an experimental basis, as necessary for participation in the demonstration project.

(L) For purposes of s. 46.277 (5) (e), the department shall, by July 1 annually, determine the statewide medical assistance daily cost of nursing home care and submit the determination to the department of administration for review. The department of administration shall approve the determination before payment may be made under s. 46.277 (5) (e).

(m) To hold a bed in a facility, the department may pay the full payment rate under this subsection for up to 30 days for services provided to a person during the pendency of an undue hardship determination, as provided in s. 49.453 (8) (b) 3.

(6tw) PAYMENTS TO CITY HEALTH DEPARTMENTS. From the appropriation account under s. 20.435 (7) (b), if the department

selects the payment procedure under sub. (52) (a), the department may make payments to local health departments, as defined under s. 250.01 (4) (a) 3. Payment under this subsection to such a local health department may not exceed on an annualized basis payment made by the department to the local health department under s. 49.45 (6t), 2003 stats., for services provided by the local health department in 2002.

(6u) SUPPLEMENTAL PAYMENTS TO CERTAIN FACILITIES AND CARE MANAGEMENT ORGANIZATIONS. (ag) In this subsection:

1. “Care management organization” means a care management organization, as defined in s. 46.2805 (1), that contracts under s. 46.284 (4) (d) for provision of services with a facility that is established under s. 49.70 (2) or that is owned and operated by a city, village, or town.

2. “Facility” has the meaning given in sub. (6m) (a) 3.

(am) Notwithstanding sub. (6m), from the appropriations under s. 20.435 (4) (o), and (w), for reduction of operating deficits, as defined under the methodology used by the department in December 2000, incurred by a facility that is established under s. 49.70 (1) or that is owned and operated by a city, village, or town, and as payment to care management organizations, the department may not distribute to these facilities and to care management organizations more than \$39,100,000 in each fiscal year, as determined by the department. The total amount that a county certifies under this subsection may not exceed 100 percent of otherwise-unreimbursed care. In distributing funds under this subsection, the department shall perform all of the following:

1. Estimate the availability of federal medical assistance funds that may be matched to county funds or funds of a city, village or town for the reduction of operating deficits incurred by the facility.

2. Based on the amount estimated available under subd. 1., develop a method to distribute this allocation to the individual facilities that have incurred operating deficits that shall include:

a. Development of criteria for determining operating deficits.

b. Agreement by the county in which is located the facility established under s. 49.70 (1) and agreement by the city, village, or town that owns and operates the facility that the applicable county, city, village, or town shall provide funds to match federal medical assistance matching funds under this paragraph.

bm. Identification by the county in which is located the facility established under s. 49.70 (1) of all county funds expended in each calendar year to operate the facility, and certification by the county to the department of this amount.

c. Consideration of the size of a facility’s operating deficit.

3. Distribute the allocation under the distribution method that is developed, unless a county has failed to comply with subd. 2. bm.

4. If the federal department of health and human services approves for state expenditure in a fiscal year amounts under s. 20.435 (4) (o) and (w) that result in a lesser allocation amount than that allocated under this paragraph, allocate not more than the lesser amount so approved by the federal department of health and human services.

5. If the federal department of health and human services approves for state expenditure in a fiscal year amounts under s. 20.435 (4) (o) and (w) that result in a lesser allocation amount than that allocated under this paragraph, submit a revision of the method developed under subd. 2. for approval by the joint committee on finance in that state fiscal year.

6. If the federal department of health and human services disallows use of the allocation of matching federal medical assistance funds distributed under subd. 3., apply the requirements under sub. (6m) (br).

7. If a facility that is otherwise eligible for an allocation of funds under this section is found by the federal health care financing administration or the department to be an institution for mental diseases, as defined under 42 CFR 435.1009, cease distributing to

that facility funds under this section after the date on which the finding is made.

(b) Notwithstanding the limitation on the amount of disbursements under par. (am) (intro.), from the appropriation under s. 20.435 (4) (wm), the department shall, using the criteria specified in par. (am) 1. to 7., disburse any federal medical assistance funds that are received by the state as federal financial participation for operating deficits incurred by a facility that is operated by a county, city, village, or town and that are in excess of the amount of federal financial participation anticipated and budgeted as revenue in the biennial budget act for the fiscal year in which the funds are received.

(6w) HOSPITAL OPERATING DEFICIT REDUCTION. From the appropriation under s. 20.435 (4) (o), for reduction of operating deficits, as defined under criteria developed by the department, incurred by a hospital, as defined under s. 50.33 (2) (a) and (b), that is operated by the state, established under s. 49.71 or owned and operated by a city or village, the department shall allocate up to \$3,300,000 in each fiscal year to these hospitals, as determined by the department, and shall perform all of the following:

(a) For the reduction of operating deficits incurred by the hospital, estimate the availability of federal medicaid funds that may be matched to any of the following:

1. State general purpose revenues, for a hospital operated by the state.
2. County funds, for a hospital established under s. 49.71.
3. Funds of a city or village, for a hospital owned and operated by a city or village.

(b) Based on the amount estimated available under par. (a), develop a method to distribute this allocation to the individual hospitals that have incurred operating deficits that shall include:

1. Development of criteria for determining operating deficits.
2. With respect to funds to match federal medicaid matching funds under this section, any of the following, as applicable:
 - a. Provision by the state of matching funds from general purpose revenues for a hospital operated by the state.
 - b. Agreement to provide matching funds by the county in which is located a hospital established under s. 49.71.
 - c. Agreement to provide matching funds by the city or village that owns and operates a hospital.
3. Consideration of the size of a hospital's operating deficit.

(c) Except as provided in par. (d), distribute the allocation under the distribution method that is developed.

(d) If the federal department of health and human services approves for state expenditure in a fiscal year amounts under s. 20.435 (4) (o) that result in a lesser allocation amount than that allocated under this subsection or disallows use of the allocation of federal medicaid funds under par. (c), reduce allocations under this subsection and distribute on a prorated basis, as determined by the department.

(6x) FUNDING FOR ESSENTIAL ACCESS CITY HOSPITAL. (a) Notwithstanding sub. (3) (e), from the appropriation accounts under s. 20.435 (4) (b), (gm), (o), and (w), the department shall distribute all of the following, except that the department may not allocate funds to a hospital to the extent that the allocation would exceed any limitation under 42 USC 1396b (i) (3):

1. Not more than \$2,997,700 in fiscal year 2011–12 and not more than \$2,988,700 in each fiscal year after fiscal year 2011–12 to an essential access city hospital that has previously received the supplemental payment for being an essential access city hospital.
2. Not more than \$999,200 in fiscal year 2011–12 and not more than \$996,200 in each fiscal year after fiscal year 2011–12 to a hospital that would qualify for an essential access city hospital supplemental payment, under the criteria described in the 2010–11 inpatient hospital state plan, except that the hospital did not meet the criteria to be an essential access city hospital during fiscal year 1995–96.

3. If the federal department of health and human services allows the payment, \$300,000 from the appropriation account under s. 20.435 (4) (b) annually to a hospital that meets all of the following criteria:

a. The hospital is located in a city that has a municipal border that is also a state border.

b. The hospital has a Medical Assistance recipient patient mix that consists of at least 25 percent of residents from a state that borders this state.

c. The hospital is located in a city with a poverty level, as determined from the 2000 U.S. census, that is greater than 5 percent.

d. The hospital is located in a city with a population of less than 15,000 people.

(b) The department shall develop procedures for solicitation and review of requests for funds and a method to distribute the funds under par. (a) to an individual hospital that shall include establishment of criteria for the designation as an essential access city hospital.

(c) Except as provided in par. (d), the department shall distribute the funds under par. (a) under the distribution method that is developed under par. (b).

(d) If the federal department of health and human services approves for state expenditure in any state fiscal year amounts under s. 20.435 (4) (o) that result in a lesser distribution amount than that distributed under this subsection or disallows use of federal medicaid funds under par. (a), the department of health services shall reduce the distributions under this subsection.

(e) The department need not promulgate as rules under ch. 227 the procedures, method of distribution and criteria required for distribution under this subsection.

(6y) SUPPLEMENTAL FUNDING FOR CERTAIN HOSPITALS. (a) Notwithstanding sub. (3) (e), from the appropriation accounts under s. 20.435 (4) (b), (gm), (o), and (w), the department may distribute funding in each fiscal year to provide supplemental payment to hospitals that enter into a contract under s. 49.02 (2) to provide health care services funded by a relief block grant, as determined by the department, for hospital services that are not in excess of the hospitals' customary charges for the services, as limited under 42 USC 1396b (i) (3). If no relief block grant is awarded under this chapter or if the allocation of funds to such hospitals would exceed any limitation under 42 USC 1396b (i) (3), the department may distribute funds to hospitals that have not entered into a contract under s. 49.02 (2).

(b) The department need not promulgate as rules under ch. 227 the procedures, methods of distribution, and criteria required for distribution under par. (a).

(6z) SUPPLEMENTAL FUNDING FOR CERTAIN HOSPITALS SERVING LOW-INCOME PATIENTS. (a) Notwithstanding sub. (3) (e), from the appropriation accounts under s. 20.435 (4) (b), (gm), (o), and (w), the department may distribute funding in each fiscal year to supplement payment for services to hospitals that enter into indigent care agreements, in accordance with the approved state plan for

services under [42 USC 1396a](#), with relief agencies that administer the medical relief block grant under this chapter, if the department determines that the hospitals serve a disproportionate number of low-income patients with special needs. If no medical relief block grant under this chapter is awarded or if the allocation of funds to such hospitals would exceed any limitation under [42 USC 1396b](#) (i) (3), the department may distribute funds to hospitals that have not entered into indigent care agreements. The department may not distribute funds under this subsection to the extent that the distribution would do any of the following:

1. Be inconsistent with [42 USC 1396r-4](#) (c) (3).
2. Exceed the limitation on payment under [42 USC 1396r-4](#) (f) (B) in any fiscal year.

(b) The department need not promulgate as rules under ch. 227 the procedures, methods of distribution and criteria required for distribution under par. (a).

Except as provided in s. [49.455](#) (4) (a), the recipient shall apply income in excess of \$45 or the amount of any pension paid under [38 USC 5503](#) (d), whichever is greater, less any amount deducted under rules promulgated by the department, toward the cost of care in the facility.

(b) Where a facility participating in the medical assistance program has been delegated in writing by a resident within that facility to manage and control the personal funds of the resident including but not limited to those funds identified in par. (a) the facility shall establish for the resident a personal fund account. All deposits and withdrawals of funds shall be documented by the facility to indicate the amount and date of deposit and amount, date and purpose of withdrawal. Such documentation shall be maintained in the resident's records.

(c) The department's proposal under par. (a) shall specify increases in reimbursement rates for providers that satisfy the conditions under par. (a) 1. or 2., and shall provide for payment of a monthly per–patient care coordination fee to those providers. The department shall set the increases in reimbursement rates and the monthly per–patient care coordination fee so that together they provide sufficient incentive for providers to satisfy a condition under par. (a) 1. or 2. The proposal shall specify effective dates for the increases in reimbursement rates and the monthly per–patient care coordination fee that are no sooner than July 1, 2011.

(d) The department shall submit the proposal under par. (a) to the joint committee on finance. If the cochairpersons of the committee do not notify the department within 14 working days after the date of the department's submittal that the committee has scheduled a meeting for the purpose of reviewing the proposal, the department shall, subject to approval by the U.S. department of health and human services of any required waiver of federal law relating to medical assistance and any required amendment to the state plan for medical assistance under 42 USC 1396a, implement the proposal beginning January 1, 2010. If, within 14 working days after the date of the department's submittal, the cochairpersons of the committee notify the department that the committee has scheduled a meeting for the purpose of reviewing the proposal, the department may implement the proposal only upon approval of the committee. If the committee reviews the proposal and approves it, the department shall, subject to approval by the U.S. department of health and human services of any required waiver of federal law relating to medical assistance and any required amendment to the state plan for medical assistance under 42 USC 1396a, implement the proposal beginning January 1, 2010.

(e) By October 1, 2012, the department shall, if it was required under par. (d) to increase reimbursement to providers that satisfy a condition under par. (a) 1. or 2., submit a report to the joint committee on finance on whether the increased reimbursement results in net cost reductions for the Medical Assistance program under this subchapter and a recommendation as to whether to continue the increased reimbursement. If the cochairpersons of the committee do not notify the department within 14 working days after the date of the department's submittal that the committee has scheduled a meeting for the purpose of reviewing the report and recommendation, the department may implement its recommendation. If, within 14 working days after the date of the department's submittal, the cochairpersons of the committee notify the department that the committee has scheduled a meeting for the purpose of reviewing the report and recommendation, the department may discontinue the increased reimbursement only upon the approval of the committee.

(24j) MEDICAL HOME PILOT PROJECTS. (a) The department may administer the medical home initiative as a service delivery mechanism to provide and coordinate care for individuals who are eligible for a Medical Assistance program under this subchapter that provides services under a fee–for–service model. (d) The department may make an all–inclusive payment to the provider offering services through a medical home.

(e) If the federal department of health and human services approves the department's request to administer a medical home initiative, the department shall automatically enroll an individual who is eligible for a medical home initiative under this subsection in the medical home initiative. At any time after the first 6 months of enrollment in the medical home initiative, the individual who is enrolled in the medical home initiative may opt out of participation in the medical home initiative.

(b), the department, as a pilot project, shall distribute moneys allocated in each fiscal year for the purpose of increasing the reimbursement rate under Medical Assistance for pediatric dental care and adult emergency dental services, as defined by the department, that are provided in Brown, Marathon, Polk, and Racine counties. If, after increasing the reimbursement rate for counties specified in this subdivision, the moneys allocated for this purpose exceed \$100,000, the department shall increase the reimbursement rate under Medical Assistance for pediatric dental care and adult emergency dental services in other counties, as determined by the department, where Medical Assistance recipients have the greatest need for pediatric dental care and adult emergency dental services.

2. For dental services provided on a fee–for–service basis as of July 1, 2015, the reimbursement rate increase specified in subd. 1. shall be distributed on a fee–for–service basis. For dental services provided as of July 1, 2015, by a health maintenance organization that contracts with the department to provide Medical Assistance services at a capitated rate, the department shall distribute the reimbursement rate increase under subd. 1. to the health maintenance organization. The department shall include in a contract with a health maintenance organization that provides dental services described in subd. 1. in the counties specified in subd. 1. a requirement that the health maintenance organization reimburse providers of services in accordance with the reimbursement rate increase pilot project under subd. 1. The department may not distribute the reimbursement rate increase under subd. 1. to federally qualified health centers that receive a grant under 42 USC 254b.

(b) The department shall request any waiver from and submit any amendments to the state Medical Assistance plan to the federal department of health and human services necessary for the reimbursement rate increase pilot project under par. (a). If any necessary waiver request or state plan amendment request is

approved, the department shall implement par. (a) beginning on the effective date of the waiver or plan amendment.

(c) No later than January 1, 2020, and biennially thereafter, the department shall submit a report to the chief clerk of each house of the legislature under s. 13.172 (2), each standing committee of the legislature with jurisdiction over health or public benefits under s. 13.172 (3), and the joint committee on finance that includes all of the following information on the pilot project under this subsection:

4. The amount of moneys distributed under the pilot project and, if moneys allocated for the pilot project were not distributed, a summary on why the moneys were not distributed.

5. An analysis of Medical Assistance recipient populations who received services under the pilot project and populations who may benefit from the pilot project.

(24m) HOME HEALTH CARE AND PERSONAL CARE PILOT PROGRAM. From the appropriation accounts under s. 20.435 (4) (b), (gm), (o), and (w), in order to test the feasibility of instituting a system of reimbursement for providers of home health care and personal care services for medical assistance recipients that is based on competitive bidding, the department shall:

(a) By September 1, 1990, select a county in this state and solicit bids from providers of home health care and personal care services in that county for the provision, on a contractual basis, of home health and personal care services authorized under ss. 49.46 (2) (a) 4. d. and (b) 6. j. and 49.47 (6) (a) 1.

(b) Award contracts for the provision of home health care and personal care services from the bids received under par. (a) only if the department determines that the contracts would result in a lower cost alternative to fee-for-service reimbursement.

(24n) REIMBURSEMENT FOR DENTAL SERVICES BY FACILITIES SERVING INDIVIDUALS WITH DISABILITIES. (a) Subject to approval of the federal department of health and human services under par. (b), the department shall distribute moneys in each fiscal year to increase the Medical Assistance reimbursement rates for all eligible dental services rendered by facilities that provide at least 90 percent of their dental services to individuals with cognitive and physical disabilities, as determined by the department. Under this subsection, the enhanced reimbursement rates for dental services would equal 200 percent of the Medical Assistance reimbursement rates that would otherwise be paid for these dental services.

(b) The department shall request any waiver from and submit any amendments to the state Medical Assistance plan to the federal department of health and human services necessary for the Medical Assistance reimbursement rate increase under par. (a). If any necessary waiver request or state plan amendment request is approved, the department shall implement par. (a) beginning on the effective date of the waiver or plan amendment.

The department shall implement any waiver granted.

NOTE: Par. (a) was created by 2011 Wis. Act 32, s. 1441b, eff. 7–1–11 and amended by 2011 Wis Act 32, s. 1441bg, eff. 1–1–15. Although the language in brackets was removed from the creation of par. (a) in s. 1441b by the governor's partial veto, the amendment by s. 1441bg of par. (a) does not reflect the removal of that language.

(b) The department shall request a waiver, or an amendment to the waiver requested under par. (a), from the secretary of the federal department of health and human services to require all of the following:

1. As a condition of receiving services under par. (a), parental notification for family planning services for any female under 18 years of age.

- i. Measuring the quality of the performance of the provider and of individuals who perform services on behalf of the provider, including with respect to provision of clinical services, patient outcomes, and patient safety.

- j. Reporting to employees and contractors of the provider and to other persons on the quality of the performance of the provider and of individuals who perform services on behalf of the provider.

(c) The department’s proposal under par. (b) shall specify increases in reimbursement rates for providers that satisfy the conditions under par. (b), and shall provide for payment of a monthly per–patient care coordination fee to those providers. The department shall set the increases in reimbursement rates and the monthly per–patient care coordination fee so that together they provide sufficient incentive for providers to satisfy a condition under par. (b) 1. or 2. The proposal shall specify effective dates for the increases in reimbursement rates and the monthly per–patient care coordination fee that are no sooner than January 1, 2011.

(d) The department shall, subject to approval by the U.S. department of health and human services of any required waiver of federal law relating to medical assistance and any required amendment to the state plan for medical assistance under 42 USC 1396a, implement the proposal under par. (b) beginning January 1, 2011.

(e) A provider may not seek medical assistance reimbursement under this subsection and sub. (25) (be) for the same services.

(26) MANAGED CARE SYSTEM. The department shall study alternatives for a system to manage the usage of alcohol and other drug abuse services, including day treatment services, provided under the medical assistance program. On or before September 1, 1988, the department shall submit a plan for a medical assistance alcohol and other drug abuse managed care system to the joint committee on finance. If the cochairpersons of the committee do not notify the department that the committee has scheduled a meeting for the purpose of reviewing the proposed plan within 14 working days after the date of the department’s submittal, the department may implement the plan. If within 14 working days after the date of the department’s submittal the cochairpersons of the committee notify the department that the committee has scheduled a meeting for the purpose of reviewing the proposed plan, the department may not implement the plan until it is approved by the committee, as submitted or as modified. If a waiver from the secretary of the federal department of health and human services is necessary to implement the proposed plan, the department of health services may request the waiver, but it may not implement the waiver until it is authorized to implement the plan, as provided in this subsection.

(26g) INTENSIVE CARE COORDINATION PROGRAM. (a) Subject to par. (i), the department shall create and implement a program to reimburse participating hospitals and health care systems for intensive care coordination services provided to recipients of Medical Assistance under this subchapter who are not enrolled in coverage under Medicare, [42 USC 1395](#) et seq.

(b) To apply to participate in the reimbursement program under this subsection, a hospital or health care system shall submit to the department a description of its intensive care coordination program that includes all of the following:

1. A statement that the hospital or health care system will use emergency department utilization data to identify recipients of Medical Assistance to receive intensive care coordination to reduce use of the emergency department by those Medical Assistance recipients.

2. The method the hospital or health care system uses to identify for intensive care coordination a Medical Assistance recipient who uses the emergency department frequently. The hospital or health care system shall specify how it defines frequent emergency department use and may use criteria such as whether a recipient of Medical Assistance visits the emergency room 3 or more times within 30 days, 6 or more times within 90 days, or 7 or more times within 12 months.

3. A description of the hospital's or health care system's intensive care coordination team consisting of health care providers other than solely physicians, such as nurses; social workers, case managers, or care coordinators; behavioral health specialists; and schedulers.

4. A statement that the hospital or health care system will provide to a Medical Assistance recipient enrolled in intensive care coordination through the hospital or health care system all of the following, as appropriate to his or her care:

- a. Discharge instructions and contacts for following up on care and treatment.
- b. Referral information.
- c. Appointment scheduling.
- d. Medication instructions.
- e. Intensive care coordination by a social worker, case manager, nurse, or care coordinator to connect the Medical Assistance recipient to a primary care provider or to a managed care organization.
- f. Information about other health and social resources, such as transportation and housing.

5. A statement that the hospital or health care system agrees to share information with the state-designated entity for health information exchange or with another appropriate data-sharing mechanism. For Medical Assistance recipients who are enrolled in managed care, a hospital or health care system shall agree to share, at the request of the managed care organization, applicable discharge instructions, current medication information, and care plan information as permitted by s. [146.816 \(2\)](#) with the managed care organization in which the recipients are enrolled. The hospital or health care system may satisfy the requirement under this subdivision to share information with a managed care organization by providing the information to the state-designated entity for health information exchange or by providing the information to the managed care organization using another appropriate information-sharing mechanism agreed upon by the hospital or health care system and the managed care organization.

6. The outcomes intended to result from intensive care coordination by the hospital or health care system. Outcomes for a Medical Assistance recipient during a 6-month or 12-month period may include successful connection to primary care or a managed care organization as evidenced by 2 or 3 primary care appointments, successful connection to behavioral health resources and alcohol and other drug abuse resources, as needed, or a decrease in use of the emergency room.

(c) The department shall do all of the following:

1. Encourage, but not require, any hospital or health care system that seeks to apply to participate in the reimbursement program under this subsection to collaborate with any managed care organization with which it has an agreement to provide services to Medical Assistance recipients. The department may not limit patient populations eligible to participate in the intensive care coordination program under this subsection to either those individuals enrolled in managed care to receive Medical Assistance services or those individuals currently receiving Medical Assistance services on a fee-for-service basis. The department may not deny a hospital or health care system applicant for the reimbursement program under this subsection solely because the applicant does not have an agreement to implement an intensive care coordination program with a managed care organization.

2. Respond to the hospital or health care system indicating whether additional information is required to evaluate the application for the reimbursement program under this subsection.

3. After consulting with hospitals, health care systems, and other providers, develop uniform outcome measures to use in determining the efficacy of the program.

4. If the hospital or health care system is selected for the reimbursement program under this subsection, provide a description of the process for enrolling Medical Assistance recipients in intensive care coordination for reimbursement.

5. If the department does not receive a proposal for the reimbursement program under this subsection, solicit proposals for the reimbursement program under this subsection from other health care providers under s. [146.81 \(1\)](#).

(d) The department shall provide as reimbursement for intensive care coordination to participants in the program under this subsection \$250 initially for each Medical Assistance recipient who is not enrolled in coverage under Medicare, [42 USC 1395](#) et seq., the hospital or health care system enrolls in intensive care coordination. The initial enrollment for each recipient lasts for 6 months, and if the participant demonstrates progress in reducing emergency department visits for at least half of its enrollee population, the participant receives an additional \$250 for each enrollee at the end of the 6 months. The program participant may enroll each Medical Assistance recipient in one additional 6-month period for an additional \$250 per enrollee initial reimbursement payment and \$250 per enrollee at the end of the additional 6-month period if the participant demonstrates progress in reducing emergency department visits for at least half of its enrollee population. The department shall pay no more than \$1,500,000 cumulatively in each fiscal year from all funding sources for reimbursements under this paragraph.

(e) Annually, each hospital and health care system that is participating in the reimbursement program under this subsection shall submit a report to the department containing all of the following:

1. The number of Medical Assistance recipients served by intensive care coordination.

2. For each Medical Assistance recipient who is not enrolled in coverage under Medicare, [42 USC 1395](#) et seq., the number of emergency department visits for a period before enrollment of that recipient in intensive care coordination and the number of emergency department visits for the same recipient during the same period after enrollment in intensive care coordination.

3. Any demonstrated outcomes, as specified by the department under par. (c) 3., for Medical Assistance recipients.

4. Any other information required by the department.

(f) For each hospital or health care system eligible for the reimbursement program under this subsection, the department shall calculate the costs saved to the Medical Assistance program by avoiding emergency department visits by subtracting the sum of reimbursements made under par. (d) to the participant from the sum of costs of visits to the emergency department as reported under par. (e) 2. that were expected to occur without intensive care coordination but did not because of enrollment in the program

under this subsection. If the result of the calculation is positive in the first 6 months of the recipient's enrollment in the program under this subsection, the department shall distribute 25 percent of the amount saved to the hospital, health care system, or managed care organization subject to pars. (g) and (i). If the result of the calculation is positive after 12 months of the recipient's enrollment in the program under this subsection, the department shall distribute a share of the savings to the hospital, health care system, or managed care organization such that the total amount of shared savings payments made equals half of the savings for the entire 12-month period, subject to pars. (g) and (i).

(g) If a hospital or health care system participating in the program under this subsection provides services to Medical Assistance recipients enrolled in managed care, the department shall make any payment under the program under this subsection under par. (d) or (f) to the managed care organization with which the hospital or health care system has an agreement to provide services to Medical Assistance recipients. The managed care organization shall pass the payments made under pars. (d) and (f) on to the hospital or health care system no later than 30 days after receiving the payment from the department. The department shall make payments under pars. (d) and (f) to a hospital or health care system that provides services to Medical Assistance recipients who are not enrolled in managed care directly to the hospital or health care system.

(h) No later than 24 months after the date on which the first hospital or health care system is able to enroll individuals in the intensive care coordination program under this subsection, the department shall submit a report to the joint committee on finance summarizing the information reported under par. (e) including the costs saved by avoiding emergency department visits as calculated under par. (f).

(i) The department shall seek any necessary approval from the federal department of health and human services to implement the program under this subsection. If the federal department of health and human services disapproves the request for approval, the department may implement the reimbursement under par. (d), the savings distribution under par. (f), or both or any part of the program under this subsection.

(j) If the federal department of health and human services does not disapprove a request for approval under par. (i) or if federal approval is not required, the department shall implement at least 2 pilot programs under this subsection by the later of September 1, 2018, or the date that is 30 days after the date of federal approval, if approval is needed.

(27) ELIGIBILITY OF ALIENS. A person who is not a U.S. citizen or an alien lawfully admitted for permanent residence or otherwise permanently residing in the United States under color of law may not receive medical assistance benefits except as provided under 8 USC 1255a (h) (3) or 42 USC 1396b (v).

(29) HOSPICE REIMBURSEMENT. The department shall promulgate rules limiting aggregate payments made to a hospice under ss. 49.46, 49.47, and 49.471.

(29r) BEHAVIORAL HEALTH CARE COORDINATION PILOT PROJECTS. (a) In this subsection, "health care provider" does not include a health maintenance organization.

(b) Subject to par. (c), the department shall develop and award at least 2 pilot projects lasting no more than 3 years each to test alternative, coordinated care delivery and Medical Assistance payment models designed to reduce costs of recipients of Medical Assistance under this subchapter who have significant or chronic mental illness. A health care provider that is awarded a pilot project shall target a Medical Assistance population of high volume or high intensity users of non-behavioral health medical services, such as individuals with more than 5 emergency department visits in a year or individuals who have frequent or longer than average inpatient hospital stays, who also have significant or chronic mental illness. The department may not limit eligibility for the pilot project or awards under this subsection on the basis that the health

care provider that is awarded the pilot project serves a target population that includes individuals enrolled in a Medical Assistance health maintenance organization. Each pilot project under this subsection shall include either a Medical Assistance payment on a per member per month basis for a specified pilot project population that is in addition to existing payment for services provided under the Medical Assistance program, including services reimbursed on a fee-for-service basis and services provided under managed care, or shall include an alternative Medical Assistance payment for a specified pilot project. The department shall require health care providers that are awarded a pilot project to submit to the department interim and final reports analyzing differences in utilization of services and Medical Assistance expenditures between individuals in the pilot project population and individuals in a control group that is agreed upon by the health care provider awarded the pilot project and the department. A health care provider that is awarded a pilot project shall submit the interim report by January 1, 2017, and shall submit a final report by January 1, 2019, and at the conclusion of the pilot project if the project concludes later than January 1, 2019. The department shall provide to a health care provider that is awarded a pilot project the Medical Assistance utilization and expenditure data necessary for the health care provider to create the reports. The department shall award the pilot projects and allocate funding only to health care providers that meet all of the following criteria:

1. The health care provider provides all of the following services directly or through an affiliated entity:

- a. Emergency department services.
- b. Outpatient psychiatric services.
- c. Outpatient primary care services.
- d. Inpatient psychiatric services.
- e. General inpatient hospital services.

f. Services of a care coordinator or navigator for each individual in the pilot project.

2. The health care provider provides, directly or through an affiliated entity or contracted entity, the coordination of social services fostering the individual's recovery following an inpatient psychiatric discharge.

Sub. (7) (a) requires that a health care facility resident who is a recipient of certain funds apply those funds toward the cost of care in the health care facility. Medical assistance eligibility is not a default position that the department must rebut, but a privilege for which the applicant must prove eligibility. An initial determination of eligibility does not preclude a later redetermination of that status. The state has an ongoing duty to ensure that a MA recipient is eligible and the recipient bears the ongoing burden of proving eligibility. *Estate of Gonwa v. Sub. (2) (a) 9. does not direct the department to promulgate rules regarding conditions of reimbursement, but instead to include those conditions in a contract with the provider. A department handbook provision requiring odometer readings was a condition of reimbursement, not an administrative rule requiring promulgation. *Meda-Care Vans of Waukesha, Inc. v. Division of Hearings and Appeals*, 2007 WI App 140, 302 Wis. 2d 499, 736 N.W.2d 147, 05-2979.

Medicaid reimbursement is governed by the “Methods of Implementation for Wisconsin Medicaid Nursing Home Payment Rates” adopted by the department under sub. (6m). Sub. (6m) (e) requires the department to establish an appeals mechanism within the department to review petitions for modifications to any payment under sub. (6m). The “Methods” provides that the nursing home appeals board is available for redress in the event a facility has extraordinary fiscal circumstances. The department does not have the authority to grant an increased reimbursement rate absent appeals board approval. *Park Manor, Ltd. v. DHFS*, 2007 WI App 176, 304 Wis. 2d 512, 737 N.W.2d 88, 06-2311.

Sub. (3) (f) gives the Department of Health Services (DHS) the authority to recoup payments made to a Medicaid provider when that provider failed to maintain records as required by DHS for verification of the provider’s claims, regardless of whether other records possessed by the provider show that the provider actually rendered the services in question. In this case, the records were not required, so DHS could not

recoup payments. *Newcap, Inc. v. Department of Health Services*, 2018 WI App 40, 383 Wis. 2d 515, 916 N.W.2d 173, 17–1432.

When read together, sub. (3) (f) 1. and 2. make it clear that a provider has an obligation to make the required records available to the Department of Health Services (DHS) at the time of an audit in order to allow DHS to verify the provider's claims, and DHS may recoup payments already made if the provider fails to do so. *Newcap, Inc. v. Department of Health Services*, 2018 WI App 40, 383 Wis. 2d 515, 916 N.W.2d 173, 17–1432.

The fact that this section does not address testamentary trusts is not an indication the legislature gave consideration to whether payments from testamentary trusts should be included as unearned income for medical assistance eligibility purposes and concluded to the contrary. *Tarrant v. Medical Assistance & Divestment. Canellos. Wis. Law. Aug. 1991.

49.452 Counting promissory notes as assets for certain Medical Assistance programs. (1) In this section, “promissory note” means a written, unconditional agreement, given in return for goods, money loaned, or services rendered, under which one party promises to pay another party a specified sum of money at a specified time or on demand.

(2) If an individual's assets are counted when determining or redetermining the individual's financial eligibility for Medical Assistance, the department shall include a promissory note as a countable asset if all of the following apply:

(a) The individual applying for or receiving benefits under Medical Assistance or his or her spouse provided the goods, money loaned, or services rendered for the promissory note.

(b) The promissory note was entered into or purchased on or after July 14, 2015.

(c) The promissory note is negotiable, assignable, and enforceable and does not contain any terms making it unmarketable.

(3) A promissory note is presumed to be negotiable and its asset value is the outstanding principal balance at the time the individual applies for Medical Assistance or at the time the individual's eligibility for Medical Assistance is redetermined, unless the individual shows by credible evidence from a knowledgeable source that the note is nonnegotiable or has a different current market value, which will then be considered the asset value.

(2) **INELIGIBILITY FOR MEDICAL ASSISTANCE FOR CERTAIN SERVICES.** (a) *Institutionalized individuals.* Except as provided in sub. (8), if an institutionalized individual or his or her spouse, or another person acting on behalf of the institutionalized individual or his or her spouse, transfers assets for less than fair market value on or after the institutionalized individual's look-back date, the institutionalized individual is ineligible for medical assistance for the following services for the period specified under sub. (3):

1. For nursing facility services.

2. For a level of care in a medical institution equivalent to that of a nursing facility.

3. For services under a waiver under 42 USC 1396n.

(b) *Noninstitutionalized individuals.* Except as provided in sub. (8), if a noninstitutionalized individual or his or her spouse, or another person acting on behalf of the noninstitutionalized individual or his or her spouse, transfers assets for less than fair market value on or after the noninstitutionalized individual's look-back date, the noninstitutionalized individual is ineligible for medical assistance for the following services for the period specified under sub. (3):

1. Services that are described in 42 USC 1396d (a) (7), (22) or (24).

2. Other long-term care services specified by the department by rule.

(3) **PERIOD OF INELIGIBILITY.** (a) The period of ineligibility under this subsection begins on either of the following for an applicant for Medical Assistance:

1. In the case of a transfer of assets made before February 8, 2006, the first day of the first month beginning on or after the look-back date during or after which assets have been transferred for less than fair market value and that does not occur in any other periods of ineligibility under this subsection.

2. In the case of a transfer of assets made on or after February 8, 2006, the first day of a month beginning on or after the look-back date during or after which assets have been transferred for less than fair market value, or the date on which the individual is eligible for medical assistance and would otherwise be receiving institutional level care described in sub. (2) (a) 1. to 3. based on an approved application for the care but for the application of the penalty period, whichever is later, and that does not occur during any other period of ineligibility under this subsection.

(ag) The period of ineligibility under this subsection for a transfer of assets made at the time the individual is receiving long-term care services through Medical Assistance begins on the first day of the month following the month in which the individual receives advance notice of the period of ineligibility.

(b) Subject to par. (bc), the department shall determine the number of months of ineligibility as follows:

1. The department shall determine the total, cumulative uncompensated value of all assets transferred by the covered individual or his or her spouse on or after the look-back date.

2. The department shall determine the average monthly cost to a private patient of nursing facility services in the state at the time that the covered individual applied for medical assistance.

3. The number of months of ineligibility equals the number determined by dividing the amount determined under subd. 1. by the amount determined under subd. 2.

(bc) In determining the number of months of ineligibility under par. (b), with respect to asset transfers that occur after February 8, 2006, the department may not round down the quotient, or otherwise disregard any fraction of a month, obtained in the division under par. (b) 3.

(c) If the spouse of an individual makes a transfer of assets that results in a period of ineligibility under this section and otherwise becomes eligible for medical assistance, the department shall apportion the period of ineligibility between the individual and the spouse. The department shall promulgate rules establishing a reasonable methodology for apportioning a period of ineligibility under this paragraph.

(4) IRREVOCABLE ANNUITIES, PROMISSORY NOTES AND SIMILAR TRANSFERS. (ac) In this subsection, “transaction” means any action taken by an individual that changes the course of payments to be made under an annuity or the treatment of the income or principal of an annuity, including all of the following:

1. An addition of principal.
2. An elective withdrawal.
3. A request to change the distribution of the annuity.
4. An election to annuitize the contract.
5. A change in ownership.

(ag) For the purposes of sub. (2), whenever a covered individual or his or her spouse, or another person acting on behalf of the covered individual or his or her spouse, transfers assets to an irrevocable annuity, or transfers assets by promissory note or similar instrument, in an amount that exceeds the expected value of the benefit, the covered individual or his or her spouse transfers assets for less than fair market value. A transfer to an annuity, or a transfer by promissory note or similar instrument, is not in excess of the expected value only if all of the following are true:

1. The periodic payments back to the transferor include principal and interest that, at the time that the transfer is made, is at least at one of the following:

a. For an annuity, promissory note or similar instrument that is not specified under subd. 1. b. or par. (am), the applicable federal rate required under section 1274 (d) of the Internal Revenue Code, as defined in s. 71.01 (6).

b. For an annuity with a guaranteed life payment, the appropriate average of the applicable federal rates based on the expected length of the annuity minus 1.5 percent.

2. The terms of the instrument provide for a payment schedule that includes equal periodic payments, except that payments may be unequal if the interest payments are tied to an interest rate and the inequality is caused exclusively by fluctuations in that rate.

(am) Paragraph (ag) 1. does not apply to a variable annuity that is tied to a mutual fund that is registered with the federal securities and exchange commission.

(b) The amount of assets that is transferred for less than fair market value under par. (ag) is the amount by which the transferred amount exceeds the expected value of the benefit.

(c) The department shall promulgate rules specifying the method to be used in calculating the expected value of the benefit, based on 26 CFR 1.72–1 to 1.72–18, and specifying the criteria for adjusting the expected value of the benefit based on a medical condition diagnosed by a physician before the assets were transferred to the annuity, or transferred by promissory note or similar instrument. In calculating the amount of the divestment when a transfer to an annuity, or a transfer by promissory note or similar instrument, is made, payments made to the transferor in any year subsequent to the year in which the transfer was made shall be discounted to the year in which the transfer was made by the

applicable federal rate specified under par. (ag) on the date of the transfer.

(cm) Paragraphs (ag) to (c) apply to annuities purchased before February 8, 2006, for which no transaction has occurred on or after February 8, 2006.

(d) For purposes of sub. (2), the purchase of an annuity by an institutionalized individual or his or her community spouse, or anyone acting on their behalf, shall be treated as a transfer of assets for less than fair market value unless any of the following applies:

1. The state is designated as the remainder beneficiary in the first position for at least the total amount of medical assistance paid on behalf of the institutionalized individual.

2. The state is named as a beneficiary in the 2nd position after the community spouse or a minor or disabled child and is named in the first position if the community spouse or a representative of the minor or disabled child disposes of any remainder for less than fair market value.

3. The annuity satisfies the requirements under par. (e) 1. or 2.

(e) For purposes of sub. (2), the purchase of an annuity by or on behalf of an annuitant who has applied for medical assistance for nursing facility services or other long-term care services described in sub. (2) is a transfer of assets for less than fair market value unless either of the following applies:

1. The annuity is either an annuity described in section 408 (b) or (q) of the Internal Revenue Code of 1986 or purchased with proceeds from any of the following:

a. An account or trust described in section 408 (a), (c), or (p) of the Internal Revenue Code of 1986.

b. A simplified employee pension, within the meaning of section 408 (k) of the Internal Revenue Code of 1986.

c. A Roth IRA described in section 408A of the Internal Revenue Code of 1986.

2. All of the following apply with respect to the annuity:

a. The annuity is irrevocable and nonassignable.

b. The annuity is actuarially sound, as determined in accordance with actuarial publications of the office of the chief actuary of the social security administration.

c. The annuity provides for payments in equal amounts during the term of the annuity, with no deferral and no balloon payments made.

(em) Paragraphs (d) and (e) apply to all of the following:

1. Annuities purchased on or after February 8, 2006.

2. Annuities purchased before February 8, 2006, for which a transaction has occurred on or after February 8, 2006.

(4c) PURCHASE OF NOTE, LOAN, OR MORTGAGE. (a) For purposes of sub. (2), the purchase by an individual or his or her spouse of a promissory note, loan, or mortgage after February 8, 2006, is a transfer of assets for less than fair market value unless all of the following apply with respect to the note, loan, or mortgage:

1. The repayment term is actuarially sound.

2. The payments are to be made in equal amounts during the term of the loan, with no deferral and no balloon payment.

3. Cancellation of the balance upon the death of the lender is prohibited.

(am) Notwithstanding par. (a), for purposes of sub. (2), the purchase of or entering into a promissory note by an individual or his or her spouse on or after July 14, 2015, is a transfer of assets for less than fair market value unless all of the following apply:

1. The promissory note satisfies the requirements under par. (a) 1. to 3.

2. The promissory note is negotiable, assignable, and enforceable and does not contain any terms making it unmarketable.

(b) 1. The value of a promissory note purchased before July 14, 2015, a loan, or a mortgage that does not satisfy the requirements under par. (a) 1. to 3. is the outstanding balance due on the date that the individual applies for medical assistance for nursing

facility services or other long-term care services described in sub. (2).

2. The value of a promissory note purchased or entered into on or after July 14, 2015, that does not satisfy the requirements under par. (am) 1. and 2. is the outstanding balance due on the date that the individual applies for Medical Assistance for nursing facility services or other long-term care services described in sub. (2) or on the date that the individual's eligibility for Medical Assistance for nursing facility services or other long-term care services described in sub. (2) is redetermined.

(4m) PURCHASE OF LIFE ESTATE. For purposes of sub. (2), the purchase by an individual or his or her spouse of a life estate in another individual's home after February 8, 2006, is a transfer of assets for less than fair market value unless the purchaser resides in the home for at least one year after the date of the purchase.

(5) CARE OR PERSONAL SERVICES. For the purposes of sub. (2), whenever a covered individual or his or her spouse, or another person acting on behalf of the covered individual or his or her spouse, transfers assets to a relative as payment for care or personal services that the relative provides to the covered individual, the covered individual or his or her spouse transfers assets for less than fair market value unless the care or services directly benefit the covered individual, the amount of the payment does not exceed reasonable compensation for the care or services that the relative performs and, if the amount of the payment exceeds 10 percent of the community spouse resource allowance limit specified in s. 49.455 (6) (b) 1., the agreement to pay the relative is specified in a notarized written agreement that exists at the time that the relative performs the care or services.

(6) COMMON OWNERSHIP. For purposes of sub. (2), if a covered individual holds an asset in common with another person in a joint tenancy, tenancy in common, or similar arrangement, the asset, or the affected portion of the asset, is considered to be transferred by the covered individual when an action is taken, either by the covered individual or by any other person, that reduces or eliminates the covered individual's ownership or control of the asset.

(7) CERTAIN AUTHORIZATIONS. For the purposes of sub. (2), if a covered individual or his or her spouse authorizes another person to transfer, encumber, lease, consume or otherwise act with respect to an asset as though the asset belonged to that other person; if that other person exercises the authority in a way that causes the asset to be unavailable for the support and maintenance of the covered individual or his or her spouse; and if the covered individual does not receive fair market value for the asset, then the covered individual or his or her spouse transfers assets for less than fair market value at the time that the other person exercises the authority.

(8) INAPPLICABILITY. (a) Subsections (2) and (3) do not apply to transfers of assets if any of the following applies:

1. The assets are exempt under 42 USC 1396p (c) (2) (A), (B), or (C). To make a satisfactory showing to the state under 42 USC 1396p (c) (2) (C) and adjust the ineligibility period under sub. (3), the individual shall demonstrate that all of the assets transferred for less than fair market value, or cash equal to the value of the assets transferred for less than fair market, have been returned to him or her.

2. The department determines under the process under par. (b) that application of this section would work an undue hardship.

(b) The department shall establish a hardship waiver process that includes all of the following:

1. The department determines that undue hardship exists if the application of subs. (2) and (3) would deprive the individual of medical care to the extent that the individual's health or life would be endangered, or would deprive the individual of food, clothing, shelter, or other necessities of life.

2. A facility in which an institutionalized individual who has transferred assets resides is permitted to file an application for undue hardship on behalf of the individual with the consent of the individual or the individual's authorized representative.

3. The department may, during the pendency of an undue hardship determination, pay the full payment rate under s. 49.45 (6m) for nursing facility services for up to 30 days for the individual who transferred assets, to hold a bed in the facility in which the individual resides.

Although this section has specific requirements with which an annuity must comply, the initial question is whether the transfer of assets to the annuity was made for less than fair market value under sub. (2) (a). *Buettner v. DHFS*, 2003 WI App 90, 264 Wis. 2d 700, 663 N.W.2d 282, 01-0981.

An administrative determination that a nursing home resident's purchase of a life estate in 66 percent of her son's residence was a sham transaction of no value by which the purchaser divested herself of an annuity balloon payment was reasonable when she had entered a nursing home as permanent to the home, had lived there for 5 years with no realistic expectation of release, could not use the life estate at the time of purchase, and had no reasonable future expectation of being able to do so, and if the son sold the property, the life estate would be extinguished. *Hagenstein v. DHFS*, 2006 WI App 90, 292 Wis. 2d 697, 715 N.W.2d 645, 05-1303.

49.454 Treatment of trust amounts. (1) APPLICABILITY.

(a) Except as provided in sub. (4), this section applies to an individual with respect to a trust if assets of the individual or the individual's spouse were used to form all or part of the corpus of the trust and if any of the following persons established the trust other than by will:

1. The individual.
2. The individual's spouse.
3. A person, including a court or administrative body with legal authority to act in place of or on behalf of the individual or the individual's spouse.
4. A person, including a court or administrative body, acting at the direction or upon the request of the individual or the individual's spouse.

(b) If the corpus of a trust under par. (a) includes assets of a person other than the individual or the individual's spouse, this section applies only with respect to the portion of the trust attributable to the assets of the individual or the individual's spouse.

(2) TREATMENT OF REVOCABLE TRUST AMOUNTS. For purposes of determining an individual's eligibility for, or amount of benefits under, medical assistance:

(a) The corpus of a revocable trust is considered a resource available to the individual.

(b) Payments from a revocable trust to or for the benefit of the individual are considered income of the individual.

(c) Other payments from a revocable trust are considered transfers of assets by the individual subject to s. 49.453.

(3) TREATMENT OF IRREVOCABLE TRUST AMOUNTS. For purposes of determining an individual's eligibility for, or amount of benefits under, medical assistance:

(a) If there are circumstances under which payment from an irrevocable trust could be made to or for the benefit of the individual, the portion of the corpus from which, or the income on the corpus from which, payment to or for the benefit of the individual could be made is considered a resource available to the individual, and payments from that portion of the corpus or income:

1. To or for the benefit of the individual, are considered income of the individual.

2. For any other purpose, are considered transfers of assets by the individual subject to s. 49.453.

(b) Any portion of an irrevocable trust from which, or any income on the corpus from which, no payment could under any circumstances be made to or for the benefit of the individual, is considered to be an asset transferred by the individual subject to s. 49.453. The asset is considered to be transferred as of the date of the establishment of the trust, or, if later, the date on which payment to the individual was foreclosed. The value of the trust shall

be determined for purposes of s. 49.453 by including the amount of any payments made from that portion of the trust after that date.

(4) **INAPPLICABILITY.** This section does not apply to any trust described in 42 USC 1396p (d) (4) or if the department determines, pursuant to procedures established by the department by rule, that the application of this section would work an undue hardship on an individual.

History: 1993 a. 437.

Transfer of a disabled ward's property to a newly-established "Medicaid Payback Trust" was in the ward's best interest and authorized by ss. 49.454 (4) and 880.19 (5) (b) [now s. 54.22]. *Marjorie A. G. v. Dodge County Department of Human Services*, 2003 WI App 52, 261 Wis. 2d 679, 659 N.W.2d 438, 02–1121.

Regardless of whether the asset held in an irrevocable trust is transferred as an annuity, it is nevertheless held in an irrevocable trust governed by s. 49.454, which specifically governs the treatment of trust amounts for purposes of MA eligibility. *Estate of Gonwa v. DHFS*, 2003 WI App 152, 265 Wis. 2d 913, 668 N.W.2d 122, 02–2901.

Sub. (1) (a) requires that the assets of the individual were used to form all or part of the corpus of the trust. Sub. (1) (a) 4. plainly brings within this section trusts that are not established directly by an applicant or person legally authorized to act on behalf of the applicant but are indirectly established by the applicant in that the applicant directs or requests another person to establish the trust using the individual's assets. *Hedlund v. Department of Health Services*, 2011 WI App 153, 337 Wis. 2d 634, 807 N.W.2d 672, 10–3070.

The documentary evidence in this case showed that a husband and wife transferred all of their property except for one checking account to their children, and, on the same day in the same document, the children transferred that property to the trust. The inference that the assets were transferred to the children for the purpose of establishing the trust for the parent's benefit is a reasonable inference from the evidence and satisfies the requirement in sub. (1) (a) 4. that the children created the trust at the direction or upon the request of the parents. Even if other benefits resulted from the trust, it does not follow that the trust was not established at the parent's direction or request. *Hedlund v. Department of Health Services*, 2011 WI App 153, 337 Wis. 2d 634, 807 N.W.2d 672, 10–3070.

49.455 Protection of income and resources of couple for maintenance of community spouse. (1) DEFINITIONS.

In this section:

(a) "Community spouse" means an individual who is married to an institutionalized spouse.

(b) "Consumer price index" means the consumer price index for all urban consumers, U.S. city average, as determined by the U.S. department of labor.

(c) "Family member" means a minor or dependent child, dependent parent or dependent sibling of an institutionalized or community spouse who resides with the community spouse.

(d) "Institutionalized spouse" means either an individual who is in a medical institution or nursing facility and is married to an individual who is not in a medical institution or nursing facility or an individual who receives services under a waiver under 42 USC 1396n (c) or (d) and is married to an individual who is not in a medical institution or nursing facility and does not receive services under a waiver under 42 USC 1396n (c) or (d).

(e) "Resources" does not include items excluded under 42 USC 1382b (a) or (d) or items that would be excluded under 42 USC 1382b (a) (2) (A) but for the limitation on total value established under that provision.

(2) **APPLICABILITY.** The department shall use the provisions of this section in determining the eligibility for medical assistance under s. 49.46 or 49.47 and the required contribution toward care of an institutionalized spouse.

(3) **ATTRIBUTION OF INCOME.** (a) Except as provided in par. (b), no income of a spouse is considered to be available to the other spouse during any month in which that other spouse is an institutionalized spouse.

(b) Notwithstanding ch. 766, for the purposes of sub. (4), the following criteria apply in determining the income of an institutionalized spouse or a community spouse:

1. Except as determined under subd. 2. or 3., unless the instrument providing the income specifically provides otherwise:

a. Income paid solely in the name of one spouse is considered to be available only to that spouse.

b. Income paid in the names of both spouses is considered to be available one-half to each spouse.

c. Income paid in the name of either or both spouses and to one or more other persons is considered to be available to each

spouse in proportion to the spouse's interest or, if payment is made to both spouses and each spouse's individual interest is not specified, one-half of the joint interest is considered to be available to each spouse.

2. Except as provided in subd. 3., if there is no trust or other instrument establishing ownership, income received by a couple is considered to be available one-half to each spouse.

3. Subdivisions 1. and 2. do not apply to income other than income from a trust if the institutionalized spouse establishes, by a preponderance of the evidence, that the ownership interests in the income are other than as provided in subds. 1. and 2.

(4) **PROTECTING INCOME FOR COMMUNITY SPOUSE.** (a) After an institutionalized spouse is determined to be eligible for medical assistance, in determining the amount of that institutionalized spouse's income that must be applied monthly to payment for the costs of care in the institution, the department shall deduct the following amounts in the following order from the institutionalized spouse's income:

1. The personal needs allowance under s. 49.45 (7) (a).

2. The community spouse monthly income allowance calculated under par. (b) or the amount of income of the institutionalized spouse that is actually made available to, or for the benefit of, the community spouse, whichever is less.

3. A family allowance for each family member equal to one-third of the amount by which the family member's monthly income is exceeded by the following:

a. Beginning on September 30, 1989, and ending on June 30, 1991, 122 percent of one-twelfth of the poverty line for a family of 2 persons.

b. Beginning on July 1, 1991, and ending on June 30, 1992, 133 percent of one-twelfth of the poverty line for a family of 2 persons.

c. Beginning on July 1, 1992, 150 percent of one-twelfth of the poverty line for a family of 2 persons.

4. The amount incurred as expenses for medical or remedial care for the institutionalized spouse.

(b) The community spouse monthly income allowance equals the greater of the following:

1. The minimum monthly maintenance needs allowance determined under par. (c) or the amount determined at a fair hearing under sub. (8) (c), if such an amount has been determined, minus the amount of monthly income otherwise available to the community spouse.

2. The amount of monthly support which a court orders the institutionalized spouse to pay for the support of the community spouse.

(c) 1. For any year, the minimum monthly maintenance needs allowance equals the lesser of the amount determined under subd. 2., or the sum of the following:

a. One-twelfth of 200 percent of the poverty line for a family of 2 persons.

b. Any excess shelter allowance under par. (d).

2. The minimum monthly maintenance needs allowance in a year may not exceed \$1,500 increased by the same percentage as the percentage increase in the consumer price index between September 1988 and September of the year before the year involved.

3. In making the calculation under subd. 1. a., when the poverty line is revised the department shall use the revised amount starting on the first day of the 2nd calendar quarter beginning after the date of publication of the revision.

(d) The excess shelter allowance equals the amount by which 30 percent of the amount determined under par. (c) 1. a. is exceeded by the sum of the following:

1. The community spouse's expenses for rent or mortgage principal and interest, taxes and insurance for his or her principal residence and, if the community spouse lives in a condominium, a cooperative, or an unincorporated cooperative association, any required maintenance charge.

2. The standard utility allowance established under 7 USC 2014 (e), except that if the community spouse lives in a condominium, a cooperative, or an unincorporated cooperative association for which the maintenance charge includes utility expenses, the standard utility allowance under 7 USC 2014 (e) is reduced by the amount of the utility expenses included in the maintenance charge.

(5) RULES FOR TREATMENT OF RESOURCES; INELIGIBILITY. (a) 1. The department shall determine the total value of the ownership interest of the institutionalized spouse plus the ownership interest of the community spouse in resources as of the beginning of the first continuous period of institutionalization beginning after September 29, 1989. The spousal share of resources equals one-half of that total value.

2. At the beginning of the first continuous period of institutionalization beginning after September 29, 1989, upon the request of an institutionalized spouse or a community spouse and the receipt of necessary documentation, the department shall assess and document the total value of resources under subd. 1. and shall provide a copy of the assessment and documentation to each spouse and retain a copy for departmental use. If the request is not part of an application for medical assistance, the department may charge a fee not exceeding the reasonable expenses of providing and documenting the assessment. When the department provides a copy of an assessment, it shall provide notice that a spouse has the right to a fair hearing under sub. (8) after an application for medical assistance is filed.

(b) Notwithstanding ch. 766, in determining the resources of an institutionalized spouse at the time of application for medical assistance, the amount of resources considered to be available to the institutionalized spouse equals the value of all of the resources held by either or both spouses minus the greatest of the amounts determined under sub. (6) (b) 1. to 4.

(c) The amount of resources determined under par. (b) to be available for the cost of care does not cause an institutionalized spouse to be ineligible for medical assistance, if any of the following applies:

1. The institutionalized spouse has assigned to the state any rights to support from the community spouse.

2. The institutionalized spouse lacks the ability to execute an assignment under subd. 1. due to a physical or mental impairment but the state has the right to bring a support proceeding against the community spouse without an assignment.

3. The department determines that denial of eligibility would work an undue hardship.

(d) During a continuous period of institutionalization, after an institutionalized spouse is determined to be eligible for medical assistance, no resources of the community spouse are considered to be available to the institutionalized spouse, except that a transfer of those resources or other assets by the community spouse within the first 5 years of eligibility of the institutionalized spouse may result in a period of ineligibility under s. 49.453 (2) and (3) for the institutionalized spouse.

(e) The department may deny to the institutionalized spouse eligibility for Medical Assistance if, when requested by the department, the institutionalized spouse and the community spouse do not provide the total value of their assets and information on income and resources to the extent required under federal Medicaid law or sign the application for Medical Assistance.

(6) PERMITTING TRANSFER OF RESOURCES TO COMMUNITY SPOUSE. (a) Notwithstanding s. 49.453 (2), an institutionalized spouse may transfer an amount of resources equal to the community spouse resource allowance determined under par. (b) to, or for the sole benefit of, the community spouse without becoming ineligible for medical assistance for the period of ineligibility under s. 49.453 (3) as a result of the transfer. The institutionalized spouse shall make the transfer as soon as practicable after the initial determination of eligibility for medical assistance, taking into account

the amount of time that is necessary to obtain a court order under par. (c).

(b) The community spouse resource allowance equals the amount by which the amount of resources otherwise available to the community spouse is exceeded by the greatest of the following:

1. In any year, \$12,000 increased by the same percentage as the percentage increase in the consumer price index between September 1988 and September of the year before the calendar year involved.

1m. \$50,000.

2. The lesser of the following:

a. The spousal share computed under sub. (5) (a) 1.

b. In any year, \$60,000 increased by the same percentage as the percentage increase in the consumer price index between September 1988 and September of the year before the year involved.

3. The amount established in a fair hearing under sub. (8) (d).

4. The amount transferred under a court order under par. (c).

(c) If a court has entered a support order against a community spouse, s. 49.453 does not apply to resources transferred under the order for the support of the community spouse or a family member.

(7) NOTICE. The department shall notify both spouses upon a determination of medical assistance eligibility of an institutionalized spouse, or shall notify the spouse making the request upon a request by either an institutionalized spouse or a community spouse, of all of the following:

(a) The amount of the community spouse monthly income allowance calculated under sub. (4) (b).

(b) The amount of any family allowances under sub. (4) (a) 3.

(c) The method for computing the amount of the community spouse resource allowance under sub. (6) (b).

(d) The spouse's right to a fair hearing under sub. (8) concerning ownership or availability of income or resources and the determination of the community spouse monthly income or resource allowance.

(8) FAIR HEARING. (a) An institutionalized spouse or a community spouse is entitled to a departmental fair hearing concerning any of the following:

1. The determination of the community spouse monthly income allowance under sub. (4) (b).

2. The determination of the amount of monthly income otherwise available to the community spouse used in the calculation under sub. (4) (b).

3. After an application for medical assistance benefits is filed, the computation of the spousal share of resources under sub. (5) (a) 1.

4. The attribution of resources under sub. (5) (b).

5. The determination of the community spouse resource allowance under sub. (6) (b).

(b) If the institutionalized spouse has made an application for medical assistance, and a fair hearing is requested under par. (a) concerning the determination of community spouse resource allowance, the department shall hold the hearing within 30 days after the request.

(c) If either spouse establishes at a fair hearing that, due to exceptional circumstances resulting in financial duress, the community spouse needs income above the level provided by the minimum monthly maintenance needs allowance determined under sub. (4) (c), the department shall determine an amount adequate to provide for the community spouse's needs and use that amount in place of the minimum monthly maintenance needs allowance in determining the community spouse monthly income allowance under sub. (4) (b).

(d) 1. If either spouse establishes at a fair hearing that the community spouse resource allowance determined under sub. (6) (b)

1. to 2. or 4. without a fair hearing does not generate enough income to raise the community spouse's income to the minimum monthly maintenance needs allowance under sub. (4) (c), the department shall establish, under subd. 2., an amount to be used under sub. (6) (b) 3. that results in a community spouse resource allowance that generates enough income to raise the community spouse's income to the minimum monthly maintenance needs allowance under sub. (4) (c).

2. The department shall base the amount to be used under sub. (6) (b) 3. on the cost of a single premium lifetime annuity that pays monthly amounts that, combined with other available income, raises the community spouse's income to the minimum monthly maintenance needs allowance. Any resource, regardless of whether the resource generates income, may be transferred in an amount that, combined with the community spouse resource allowance calculated before the fair hearing, provides the community spouse with sufficient funds to purchase the annuity. The community spouse is not required to purchase an annuity to obtain this amount.

3. Except in exceptional cases which would result in financial duress for the community spouse, the department may not establish an amount to be used under sub. (6) (b) 3. unless the institutionalized spouse makes available to the community spouse the maximum monthly income allowance permitted under sub. (4) (b) or, if the institutionalized spouse does not have sufficient income to make available to the community spouse the maximum monthly income allowance permitted under sub. (4) (b), unless the institutionalized spouse makes all of his or her income, except for an amount equal to the sum of the personal needs allowance under sub. (4) (a) 1. and any family allowances under sub. (4) (a) 3. paid by the institutionalized spouse and the amount incurred as expenses for medical or remedial care for the institutionalized spouse under sub. (4) (a) 4., available to the community spouse as a community spouse monthly income allowance under sub. (4) (b).

Sub. (2) applies in determining eligibility for medical assistance and the required contribution to an institutionalized person's care. Sub. (3) (a) declares that the income of a community spouse is not available to the institutionalized spouse, when, with specific exceptions, a community spouse's income is paid solely to the spouse. In general s. 49.90 (1) (a) 1. obligates a spouse to support a dependent spouse who is unable to financially care for him or herself while residing in an institution, but must give way to the more specific terms of this section. *Chippewa County Department of Human Services v. Sub. (8) (d) does not conflict with federal law. 14m. Any person who would meet the financial and other eligibility requirements for home or community-based services under the family care benefit but for the fact that the person engages in substantial gainful activity under 42 USC 1382c (a) (3), if a waiver under s. 46.281 (1d) is in effect or federal law permits federal financial participation for medical assistance coverage of the person and if funding is available for the person under the family care benefit.

15. Any individual who is infected with tuberculosis and meets the income and resource eligibility requirements for the federal Supplemental Security Income program under 42 USC 1381 to 1383d. shall disregard income from the following individuals, in an amount sufficient for the individual to become eligible for medical assistance under this section:

a. A pregnant woman whose family income, before any income is disregarded under this paragraph, does not exceed, in state fiscal year 1994–95, 155 percent of the poverty line for a family the size of the woman’s family; and, in each state fiscal year after the 1994–95 state fiscal year, 185 percent of the poverty line for a family the size of the woman’s family.

c. A child who is under one year of age, whose mother was determined to be eligible under subd. 1. a. and who lives with his or her mother.

2. The department shall request a change in the approved state plan for services under 42 USC 1396 to allow, pursuant to the authority granted under 42 USC 1396a (r) (2), the use of federal matching funds to provide medical assistance coverage to individuals under subd. 1., beginning on July 1, 1994.

(b) Any person shall be considered a recipient of aid for 3 months prior to the month of application if the proper agency determines eligibility existed during such prior month.

(c) Except as provided under par. (cr), a family that becomes ineligible for aid to families with dependent children under s. 49.19 because of increased income from employment or increased hours of employment shall receive medical assistance for 4 calendar months, or, if required under federal law, up to 12 months, following the month in which a parent, caretaker, or dependent child of the family becomes ineligible for aid to families with dependent children if all of the following apply:

1g. The family is eligible for aid to families with dependent children for at least 3 of the 6 months immediately preceding the month in which the family becomes ineligible.

(cr), medical assistance shall be provided to a dependent child, a relative with whom the child is living or the spouse of the relative, if the spouse meets the requirements of s. 49.19 (1) (c) 2. a. or b., for 4 calendar months beginning with the month in which the child, relative or spouse is ineligible for aid to families with dependent children because of the collection or increased collection of maintenance or support, if the child, relative or spouse received aid to families with dependent children in 3 or more of the 6 months immediately preceding the month in which that ineligibility begins.

(cr) To the extent approved by the federal department of health and human services, an individual or family described in par. (c) or (cg) is not eligible for Medical Assistance if the federal department of health and human services approves a request from the department to deny all or some transitional Medical Assistance benefits to that individual or family, if approval is required. The department shall allow individuals who are receiving transitional Medical Assistance benefits on December 31, 2013, to continue to receive those benefits until their 12-month period ends, if required under federal law. If the federal department of health and human services approves the department’s request to charge a premium to recipients of continued transitional Medical Assistance benefits, the department may charge a premium to any recipient of continued transitional Medical Assistance benefits whose income exceeds 100 percent of the poverty line.

(d) For the purposes of this section:

1. Children who are placed in licensed foster homes by the department and who would be eligible for payment of aid to families with dependent children in foster homes except that their placement is not made by a county department under s. 46.215,

46.22, or 46.23 will be considered as recipients of aid to families with dependent children.

(3) ELIGIBILITY. Except as provided in sub. (6) (a), an individual is eligible for and shall receive medical assistance under this section if all of the following conditions are met:

(a) The individual’s family’s net income is less than 250 percent of the poverty line for a family the size of the individual’s family. In calculating the net income, the department shall apply all of the exclusions specified under 42 USC 1382a (b) and to the extent approved by the federal government shall exclude medical and remedial expenditures and long-term care costs in excess of \$500 per month that would be incurred by the individual in absence of coverage under the medical assistance purchase plan or a Medicaid long-term care program.

(b) The individual’s assets do not exceed \$15,000. In determining assets, the department may not include assets that are excluded from the resource calculation under 42 USC 1382b (a), assets accumulated in an independence account, and, to the extent

To qualify as gainful income, the amount of in-kind income shall be equal to or greater than the minimum amount for which federal income tax reporting is required.

(dm) The department shall temporarily waive an individual’s monthly premium under par. (am) and, if applicable, par. (bm) when the department determines that paying the premium would be an undue hardship on the individual.

(em) If the department determines that a state plan amendment or waiver of federal Medicaid law is necessary to implement the premium methodology under this subsection and changes to the income and asset eligibility under sub. (3) and s. 49.47 (4) (c) 1., the department shall submit a state plan amendment or waiver request to the federal department of health and human services requesting those changes. If a state plan amendment or waiver is not necessary or if the federal department of health and human services does not disapprove the state plan amendment or waiver request, the department may implement subs. (3) and (4) and s. 49.47 (4) (c) 1. with any adjustments from the federal department of health and human services. If the federal department of health and human services disapproves the state plan amendment or waiver request in whole or in part, the department may implement the income and asset eligibility requirements and premium methodology under subs. (3) and (4), 2015 stats., and s. 49.47 (4) (c) 1., 2015 stats.

department shall, on the part of an individual who is eligible for medical assistance under sub. (3), pay premiums for or purchase individual coverage offered by the individual's employer if the department determines that paying the premiums for or purchasing the coverage will not be more costly than providing medical assistance.

49.485 False claims. Whoever knowingly presents or causes to be presented to any officer, employee, or agent of this state a

false claim for medical assistance shall forfeit not less than \$5,000 nor more than \$10,000, plus 3 times the amount of the damages that were sustained by the state or would have been sustained by the state, whichever is greater, as a result of the false claim. Proof by the state of a conviction under s. 946.91 (2) in a civil action shall be conclusive regarding the state's right to damages and the only issue in controversy shall be the amount, if any, of the actual damages sustained. Actual damages shall consist of the total amount of excess payments, any part of which is paid by state funds. In any such civil action the state may elect to file a motion in expedition of the action. Upon receipt of the motion, the presiding judge shall expedite the action.

(3p) PROHIBITED PROVIDER CHARGES. No provider may knowingly violate s. 609.91 (2).

(b) A person who violates this subsection may be required to forfeit not less than \$100 nor more than \$15,000 for each statement, representation, concealment or failure.

(5) COUNTY COLLECTION. Any county may retain 15 percent of state Medical Assistance funds that are recovered due to the efforts of a county employee or officer or, if the county initiates action by the department of justice, due to the efforts of the department of justice under s. 49.846. c. The entity owns or leases the building in which the nursing home or intermediate care facility is located.

d. The entity provides or contracts for provision of nursing home or intermediate care facility services.

e. The entity controls admissions and discharges from the nursing home or intermediate care facility.

f. The entity allocates the costs of operating the nursing home or intermediate care facility, and of providing services to residents of the nursing home or intermediate care facility, among the political subdivisions that are parties to the contract and assesses each political subdivision that is a party to the contract the portion of the costs allocated to that political subdivision.

2. "Member" means a political subdivision that is a party to a contract to create a commission.

3. "Political subdivision" means a county, city, village, or town.

(b) A commission's imposition of an assessment on a member for the costs incurred by the commission to operate the nursing home or intermediate care facility and to provide services to residents of the nursing home or intermediate care facility is a charge internal to the commission and does not constitute billing a 3rd party for services provided on behalf of an individual.

(c) A member's payment of an assessment described under par. (b) is a transfer of funds internal to the commission and does not constitute a purchase of services on behalf of an individual, regardless of whether the payment is made from the member's general fund, made pursuant to a purchase of services agreement between a member's human services department or other department and the commission, or by a combination of these payment methods.

(d) A commission's imposition of an assessment described under par. (b), a member's payment of the assessment as described under par. (c), and acceptance of the payment by the commission do not constitute conduct prohibited under s. 946.91 (6) or prohibited under s. DHS 106.04 (3), Wis. Adm. Code, in effect on May 26, 2010. It is the intent of the legislature to create a mechanism whereby 2 or more political subdivisions may share in the operation, use, and funding of a nursing home or intermediate care facility without violating 42 USC 1320a-7b (d) or 42 USC 1396a (a) (25) (C).

History: 1977 c. 418; 1979 c. 89; 1981 c. 317; 1985 a. 29 s. 3202 (23); 1985 a. 269; 1989 a. 23, 31; 1995 a. 27; 1997 a. 283; 2001 a. 109; 2003 a. 309; 2007 a. 20; 2009 a. 283; 2013 a. 226; 2015 a. 195 s. 83.

The only state of mind requirement for a violation of sub. (1) (a) 1. is the intentional making or causing the making of a false statement that appears in an application; that anyone actually received a medical assistance benefit need not be proved. *State v. Williams*, 179 Wis. 2d 80, 505 N.W.2d 468 (Ct. App. 1993).

Sub. (3m) and related rules require medical assistance providers to refund only the amount paid by the medical assistance program on behalf of retroactively eligible persons. A private pay patient subsequently found retroactively eligible does not have a federally protected right to reimbursement from a medical assistance provider for the amount originally paid by the patient in excess of the medical assistance reimbursement. *Keup v. DHFS*, 2004 WI 16, 269 Wis. 2d 59, 675 N.W.2d 755, 02-0456.

The State had a constitutional right to a jury trial on its claim under sub. (4m). *State v. Abbott Laboratories*, 2012 WI 62, 341 Wis. 2d 510, 816 N.W.2d 145, 10-0232.

When the defendant hospital did not send bills directly to Medical Assistance patients, but rather filed liens against the patients' potential settlements with a tortfeasor's insurer, the liens did not constitute "direct charges upon" the patients and were therefore permissible under the plain language of the second prohibition in sub. (3m) (a). *Gister v. American Family Mutual Ins. Co.* 2012 WI 86, 342 Wis. 2d 496, 818 N.W.2d 880, 09-2795.

Sub. (6) permits recovery of attorney fees for private counsel hired by the state. *State v. Abbott Laboratories*, 2013 WI App 31, 346 Wis. 2d 565, 829 N.W.2d 753, 10-0232.

Sub. (4m) (a) 2. unambiguously applies to the amount of payment as well as the right to be paid. *State v. Abbott Laboratories*, 2013 WI App 31, 346 Wis. 2d 565, 829 N.W.2d 753, 10-0232.

Nursing home guarantor agreements may violate sub. (4) after a resident becomes certified Medicaid eligible. 76 *Atty. Gen.* 295.

1. If the decedent's surviving spouse or child who is under age 21 or disabled refinances a mortgage on the real property, the lien is subordinate to the new encumbrance.

2. The department shall release the lien in the circumstances described in s. [49.849 \(4\) \(c\) 2.](#)

(e) The department may enforce a lien under par. (c) by foreclosure in the same manner as a mortgage on real property.

(f) The department may contract with or employ an attorney to probate estates to recover under this subsection the costs of care.

(4) ADMINISTRATION. (a) The department may require a county department under s. [46.215](#), [46.22](#), or [46.23](#) or the governing body of a federally recognized American Indian tribe administering medical assistance to gather and provide the department with information needed to recover medical assistance under this section. Except as provided in par. (b), the department shall pay to a county department or tribal governing body an amount equal to 5 percent of the recovery collected by the department relating to a beneficiary for whom the county department or tribal governing body made the last determination of medical assistance eligibility. A county department or tribal governing body may use funds received under this paragraph only to pay costs incurred under this paragraph and, if any amount remains, to pay for improvements to functions required under s. [49.78 \(2\)](#). The department may withhold payments under this paragraph for failure to comply with the department's requirements under this paragraph. The department shall treat payments made under this paragraph as costs of administration of the Medical Assistance program.

(b) The department shall credit to the appropriation account under s. [20.435 \(4\) \(im\)](#) any amount that the department would otherwise pay under par. (a) to a county department under s. [46.215](#) for any recovery collected by a department employee or officer, or by a county employee or officer under the management of the department.

(5) USE OF FUNDS. From the appropriation under s. [20.435 \(4\) \(im\)](#), the department shall pay the amount of the payments under sub. (4) (a) that is not paid from federal funds, shall pay to the federal government the amount of the funds recovered under this section equal to the amount of federal funds used to pay the benefits recovered under this section, and shall spend the remainder of the funds recovered under this section for medical assistance benefits under this subchapter.

(6) APPLICABILITY. (a) The department may recover amounts under this section for medical assistance benefits paid on and after August 15, 1991.

(b) The department may file a claim under sub. (3) only with respect to a recipient who dies after September 30, 1991.

(6m) WAIVER DUE TO HARDSHIP. The department shall promulgate rules establishing standards for determining whether the application of this section would work an undue hardship in individual cases. If the department determines that the application of this section would work an undue hardship in a particular case, the department shall waive application of this section in that case.

(7) INSTALLMENT PAYMENTS. If a recovery under sub. (3) does not work an undue hardship on the heirs of the estate, and if the heirs wish to satisfy the recovery claim without selling a nonliquid asset that is subject to recovery, the department may establish a reasonable payment schedule subject to reasonable interest.

49.497 Recovery of incorrect Medical Assistance or Badger Care payments and of unpaid employer penalties.

(1) (a) The department may recover any payment made incorrectly for benefits provided under this subchapter or s. [49.665](#) if the incorrect payment results from any of the following:

1. A misstatement or omission of fact by a person supplying information in an application for benefits under this subchapter or s. [49.665](#).

2. The failure of a Medical Assistance or Badger Care recipient or any other person responsible for giving information on the

recipient's behalf to report the receipt of income or assets in an amount that would have affected the recipient's eligibility for benefits.

3. The failure of a Medical Assistance or Badger Care recipient or any other person responsible for giving information on the recipient's behalf to report any change in the recipient's financial or nonfinancial situation or eligibility characteristics that would have affected the recipient's eligibility for benefits or the recipient's cost-sharing requirements.

(b) The department's right of recovery is against any Medical Assistance or Badger Care recipient to whom or on whose behalf the incorrect payment was made. The extent of recovery is limited to the amount of the benefits incorrectly granted. The county department under s. 46.215 or 46.22 or the governing body of a federally recognized American Indian tribe administering Medical Assistance or Badger Care shall begin recovery actions on behalf of the department according to rules promulgated by the department.

(1m) (a) If, after notice that an incorrect payment was made, a recipient, or parent of a minor recipient, who is liable for repayment of an incorrect payment fails to repay the incorrect payment or enter into, or comply with, an agreement for repayment, the department may bring an action to enforce the liability or may issue an order to compel payment of the liability. The department shall issue the order to compel payment personally or by any type of mail service that requires a signature of acceptance from the recipient at the address of the person who is liable for repayment as it appears on the records of the department. The refusal or failure to accept or receive the order to compel payment by the person who is liable for repayment does not prevent the department from enforcing the order to compel repayment. Any person aggrieved by an order issued by the department under this paragraph may appeal the order as a contested case under ch. 227 by filing with the department a request for a hearing within 30 days after the date of the order. The only issue at the hearing shall be the determination by the department that the person has not repaid the incorrect payment or entered into, or complied with, an agreement for repayment.

(b) If any recipient, or parent of a minor recipient, named in an order to compel payment issued under par. (a) fails to pay the department any amount due under the terms of the order and no contested case to review the order is pending and the time for filing for a contested case review has expired, the department may present a true and accurate copy of the order to the circuit court for any county. An affidavit from the collections unit of the department responsible for recoveries under this section shall be evidence of the incorrect payment. The circuit court shall, without notice, render judgment in accordance with the order. A judgment rendered under this paragraph shall have the same effect and shall be entered in the judgment and lien docket and may be enforced in the same manner as if the judgment had been rendered in an action tried and determined by the circuit court.

(c) The recovery procedure under this subsection is in addition to any other recovery procedure authorized by law.

(1r) (a) The department may recover any penalty assessment not paid under s. 49.471 (9) (c) from the employer against which the penalty was assessed. If, after notice that payment of a penalty is overdue, the employer who is liable fails to pay the penalty amount, or enter into or comply with an agreement for payment, the department may bring an action to enforce the liability or may issue an order to compel payment of the liability. The department shall issue the order to compel payment personally or by any type of mail service that requires a signature of acceptance from the recipient at the address of the employer who is liable for repayment as it appears on the records of the department. The refusal or failure to accept or receive the order to compel payment by the employer who is liable for repayment does not prevent the department from enforcing the order to compel repayment. Any person aggrieved by an order issued by the department under this paragraph may appeal the order as a contested case under ch. 227 by

filing with the department a request for a hearing within 30 days after the date of the order. The only issue at the hearing shall be the determination by the department that the person has not paid the penalty or entered into, or complied with, an agreement for payment.

(b) If any employer named in an order to compel payment issued under par. (a) fails to pay the department any amount due under the terms of the order and no contested case to review the order is pending and the time for filing for a contested case review has expired, the department may present a true and accurate copy of the order to the circuit court for any county. An affidavit from the collections unit of the department responsible for recoveries under this section shall be evidence of the failure to pay the penalty. The circuit court shall, without notice, render judgment in accordance with the order. A judgment rendered under this paragraph shall have the same effect and shall be entered in the judgment and lien docket and may be enforced in the same manner as if the judgment had been rendered in an action tried and determined by the circuit court.

(c) The recovery procedure under this subsection is in addition to any other recovery procedure authorized by law.

(2) (a) Except as provided in par. (b), a county or governing body of a federally recognized American Indian tribe may retain 15 percent of benefits provided under this subchapter or s. 49.665 that are recovered under this section due to the efforts of an employee or officer of the county or tribe.

(b) Any amount that Milwaukee County would otherwise be entitled to retain under par. (a) for benefits recovered due to the efforts of a department employee or officer, or a county employee or officer under the management of the department, shall be credited to the appropriation account under s. 20.435 (4) (L).

(3) Cash assets of medical assistance recipients that exceed asset limitations shall be applied against the cost of medical assistance benefits provided.

(4) The department may appear for the state in any and all collection matters under this section, and may commence suit in the name of the department to recover an incorrect payment from the recipient to whom or on whose behalf it was made or to recover an unpaid penalty from the employer against which the penalty was assessed.

(5) The department may make an agreement with a recipient, or parent of a minor recipient, who is liable under sub. (1), providing for repayment of an incorrect payment at a specified rate or amount.

(b) A class “2” violation is a violation of this section or of the rules promulgated under this section which creates a condition or occurrence relating to the operation and maintenance of a nursing facility directly threatening to the health, safety or welfare of a resident.

(c) A class “3” violation is a violation of this section or of the rules promulgated under this section which creates a condition or occurrence relating to the operation and maintenance of a nursing facility which does not directly threaten the health, safety or welfare of a resident.

(d) Each day of violation constitutes a separate violation. The department shall have the burden of showing that a violation existed on each day for which a forfeiture is assessed. No forfeiture may be assessed for a condition for which the nursing facility has received a variance or waiver of a standard.

(16) FORFEITURES, PENALTY ASSESSMENTS AND INTEREST. (a) Any operator or owner of a nursing facility which is in violation of this section or any rule promulgated under this section may be subject to the following forfeitures:

(d) If the period of the violation under par. (a) is longer than one day, the penalty assessment shall additionally include interest for each day of the period at a rate established in rules that the department shall promulgate, except that no interest shall be computed for a day in the period between the date on which a request for a hearing, if any, is filed under par. (f) and the date of the conclusion of all administrative and judicial proceedings arising out of the imposition of a forfeiture under par. (a).

(dm) In determining whether a forfeiture is to be imposed and in fixing the amount of the forfeiture to be imposed, if any, for a violation, factors shall be considered that are established in rules that shall be promulgated by the department consistent with federal regulations promulgated to interpret 42 USC 1396r.

(e) The department may directly assess forfeitures provided for under par. (a), penalty assessments provided for under par. (c) and interest provided for under par. (d). If the department determines that a forfeiture should be assessed for a particular violation or for failure to correct it, it shall send a notice of assessment to the nursing facility. The notice shall specify the amount of the forfeiture assessed, the amount of the penalty assessment, the violation, the statute or rule alleged to have been violated, and shall inform the licensee of the right to hearing under par. (f).

(f) A nursing facility may contest an assessment of forfeiture, penalty assessment or interest, if any, by sending a written request for hearing under s. 227.44 to the division of hearings and appeals created under s. 15.103 (1). The administrator may designate a hearing examiner to preside over the case and recommend a decision to the administrator under s. 227.46. The decision of the administrator shall be the final administrative decision. The division shall commence the hearing within 30 days of receipt of the request for hearing and shall issue a final decision within 15 days after the close of the hearing. Proceedings before the division are governed by ch. 227. In any petition for judicial review of a decision by the division, the department, if not the petitioner who was in the proceeding before the division, shall be the named respondent.

(g) All forfeitures, penalty assessments, and interest, if any, shall be paid to the department within 10 days of receipt of notice of assessment or, if the forfeiture, penalty assessment, and interest, if any, are contested under par. (f), within 10 days of receipt of the final decision after exhaustion of administrative review, unless the final decision is appealed and the order is stayed by court order under sub. (19) (b). The department shall remit all forfeitures paid to the secretary of administration for deposit in the school fund. The department shall deposit all penalty assessments and interest in the appropriation under s. 20.435 (6) (g).

(h) The attorney general may bring an action in the name of the state to collect any forfeiture, penalty assessment or interest, if any, imposed under par. (e) or (f) if the forfeiture, penalty assessment or interest, if any, has not been paid following the exhaustion of all administrative and judicial reviews. The only issue to be contested in any such action shall be whether the forfeiture, penalty assessment or interest has been paid.

(16m) **APPEALS PROCEDURES.** Appeals procedures under this section shall be consistent with the requirements specified in [42 CFR 431.151](#) (a) and (b). Any appeals under this section shall be filed with the division of hearings and appeals created under s. [15.103](#) (1).

(17) **TEMPORARY MANAGEMENT.** Any nursing facility that is in violation of this section or any rule promulgated under this section may be subject to placement of a monitor or appointment of a receiver, under the procedures and criteria specified in s. [50.05](#) and under criteria promulgated as rules by the department under sub. (14) (c).

(18) **NURSING FACILITY CLOSURE AND RESIDENT TRANSFER.** (a) Any nursing facility that is in violation of this section or any rule promulgated under this section may, in an emergency as determined by the department, be subject to closure by the department or to the transfer of residents of the nursing facility to another nursing facility, or both, under criteria promulgated as rules by the department under sub. (14) (c).

(b) A nursing facility may contest closure of the nursing facility or transfer of residents of the nursing facility, if any, by sending a written request for hearing under s. [227.44](#) to the division of hearings and appeals created under s. [15.103](#) (1). The administrator may designate a hearing examiner to preside over the case and recommend a decision to the administrator under s. [227.46](#). The decision of the administrator shall be the final administrative decision. The division shall commence the hearing within 30 days of receipt of the request for hearing and shall issue a final decision within 15 days after the close of the hearing. Proceedings before the division are governed by ch. [227](#). In any petition for judicial review of a decision by the division, the department, if not the petitioner who was in the proceeding before the division, shall be the named respondent.

(19) **JUDICIAL REVIEW.** (a) All administrative remedies shall be exhausted before an agency determination under this section shall be subject to judicial review. Final decisions after hearing shall be subject to judicial review exclusively as provided in s. [227.52](#), except that any petition for review of department action under this section shall be filed within 15 days after receipt of notice of the final agency determination.

(b) The court may stay enforcement under s. [227.54](#) of the department's final decision if a showing is made that there is a substantial probability that the party seeking review will prevail on the merits and will suffer irreparable harm if a stay is not granted, and that the nursing facility will meet the requirements of this section and the rules promulgated under this section during such stay. Where a stay is granted the court may impose such conditions on the granting of the stay as may be necessary to safeguard the lives, health, rights, safety and welfare of residents, and to assure compliance by the nursing facility with the requirements of this section.

(c) The attorney general may delegate to the department the authority to represent the state in any action brought to challenge department decisions prior to exhaustion of administrative remedies and final disposition by the division of hearings and appeals created under s. [15.103](#) (1).

(20) **VIOLATIONS.** If an act forms the basis for a violation of this section and s. [50.04](#), the department or the attorney general may impose sanctions in conformity with this section or under s. [50.04](#), but not both.

If a waiver that is consistent with all of the provisions of this section, excluding sub. (4) (a) 3m. and (ap) and provisions related to sub. (4) (ap), is granted and in effect, the department of health services shall implement the program under this section, subject to subd. 2. The department of health services may not implement the program under this section unless a waiver that is consistent with all of the provisions of this section, excluding sub. The department may also promulgate rules establishing a method by which the department may purchase family coverage offered by the employer of a member of an eligible family or of a member of an eligible child's household, or family or individual coverage offered by the employer of an eligible unborn child's mother or her spouse, under circumstances in which the department determines that purchasing that coverage would not be more costly than providing the coverage under this section.

(4) ELIGIBILITY. (a) A family is eligible for health care coverage under this section if the family meets all of the following requirements:

1. The family's income does not exceed 185 percent of the poverty line, except as provided in par. (at) and except that a family that is already receiving health care coverage under this section may have an income that does not exceed 200 percent of the poverty line. The department shall establish by rule the criteria to be used to determine income.

2. The family does not have access to employer-subsidized health care coverage.

3. The family has not had access to employer-subsidized health care coverage within the time period established by the department by rule, but not to exceed 18 months, immediately preceding application for health care coverage under this section. The department may establish exceptions to this time period restriction by rule.

3m. Each member of the family who is employed provides verification from his or her employer, in the manner specified by the department, of his or her earnings, of whether the employer provides health care coverage for which the family is eligible, and of the amount that the employer pays, if any, towards the cost of the health care coverage, excluding any deductibles or copayments required under the coverage.

4. The family meets all other requirements established by the department by rule. In establishing other eligibility criteria, the department may not include any health condition requirements.

(am) A child who does not reside with his or her parent is eligible for health care coverage under this section if the child meets all of the following requirements:

1. The child's income does not exceed 185 percent of the poverty line, except as provided in par. (at) and except that a child that is already receiving health care coverage under this section may have an income that does not exceed 200 percent of the poverty line. The department shall use the criteria established under par. (a) 1. to determine income under this subdivision.

2. The child does not have access to employer-subsidized health care coverage.

3. The child has not had access to employer-subsidized health care coverage within the time period established by the department under par. (a) 3. The department may establish exceptions to this subdivision.

4. The child meets all other requirements established by the department by rule. In establishing other eligibility criteria, the department may not include any health condition requirements.

(ap) An unborn child whose mother is not eligible for health care coverage under par. (a) or (am) or for medical assistance under s. 49.46 or 49.47, except that she may be eligible for benefits under s. 49.45 (27), is eligible for health care coverage under this section, which shall be limited to coverage for prenatal care, if all of the following requirements are met:

1. The income of the unborn child's mother, mother and her spouse, or mother and her family, whichever is applicable, does not exceed 185 percent of the poverty line, except as provided in

par. (at) and except that, if an unborn child is already receiving health care coverage under this section, the applicable specified person or persons may have an income that does not exceed 200 percent of the poverty line. The department shall establish by rule the criteria to be used to determine income.

3. The unborn child's mother provides medical verification of her pregnancy, in the manner specified by the department.

4. The unborn child and the mother of the unborn child meet all other requirements established by the department by rule except for any of the following:

a. The mother is not a U.S. citizen or an alien qualifying for medicaid under 8 USC 1612.

b. The mother is an inmate of a public institution.

c. The mother does not provide a social security number, but only if subd. 4. a. applies.

(at) 1. a. Except as provided in subd. 1. b., the department shall establish a lower maximum income level for the initial eligibility determination if funding under s. 20.435 (4) (jz), (p), and (x) is insufficient to accommodate the projected enrollment levels for the health care program under this section. The adjustment may not be greater than necessary to ensure sufficient funding.

b. The department may not lower the maximum income level for initial eligibility unless the department first submits to the joint committee on finance a plan for lowering the maximum income level. If, within 14 days after the date on which the plan is submitted to the joint committee on finance, the cochairpersons of the committee do not notify the secretary that the committee has scheduled a meeting for the purpose of reviewing the plan, the department shall implement the plan as proposed. If, within 14 days after the date on which the plan is submitted to the committee, the cochairpersons of the committee notify the secretary that the committee has scheduled a meeting to review the plan, the department may implement the plan only as approved by the committee.

cm. Notwithstanding s. 20.001 (3) (b), if, after reviewing the plan submitted under subd. 1. b., the joint committee on finance determines that the amounts appropriated under s. 20.435 (4) (jz), (p), and (x) are insufficient to accommodate the projected enrollment levels, the committee may transfer appropriated moneys from the general purpose revenue appropriation account of any state agency, as defined in s. 20.001 (1), other than a sum sufficient appropriation account, to the appropriation account under s. 20.435 (4) (b) to supplement the health care program under this section if the committee finds that the transfer will eliminate unnecessary duplication of functions, result in more efficient and effective methods for performing programs, or more effectively carry out legislative intent, and that legislative intent will not be changed by the transfer.

2. If, after the department has established a lower maximum income level under subd. 1., projections indicate that funding under s. 20.435 (4) (jz), (p), and (x) is sufficient to raise the level, the department shall, by state plan amendment, raise the maximum income level for initial eligibility, but not to exceed 185 percent of the poverty line.

3. The department may not adjust the maximum income level of 200 percent of the poverty line for persons already receiving health care coverage under this section or for applicable persons specified in par. (ap) 1. with respect to an unborn child already receiving health care coverage under this section.

(b) Notwithstanding fulfillment of the eligibility requirements under this subsection, no person is entitled to health care coverage under this section.

(c) No person may be denied health care coverage under this section solely because of a health condition of that person, of any family member of that person, or of the mother of an unborn child.

(d) An unborn child's eligibility for coverage under par. (ap) shall not begin before the first day of the month in which the unborn child's mother provides the medical verification required under par. (ap) 3.

(4g) DISEASE MANAGEMENT PROGRAM. Based on the health conditions identified by the physical health risk assessments, if performed under sub. (4m), the department shall develop and implement, for individuals who are eligible under sub. (4), disease management programs. These programs shall have at least the following characteristics:

(a) The use of information science to improve health care delivery by summarizing a patient's health status and providing reminders for preventive measures.

(b) Educating health care providers on health care process improvement by developing best practice models.

(c) The improvement and expansion of care management programs to assist in standardization of best practices, patient education, support systems, and information gathering.

(d) Establishment of a system of provider compensation that is aligned with clinical quality, practice management, and cost of care.

(e) Focus on patient care interventions for certain chronic conditions, to reduce hospital admissions.

(4m) PHYSICAL HEALTH RISK ASSESSMENT. The department shall encourage each individual who is determined on or after October 27, 2007, to be eligible under sub. (4) to receive a physical health risk assessment as part of the first physical examination the individual receives under Badger Care.

(5) LIABILITY FOR COST. (ac) In this subsection, "cost" means total cost-sharing charges, including premiums, copayments, coinsurance, deductibles, enrollment fees, and any other cost-sharing charges.

(ag) Except as provided in pars. (am), (b), and (bm), a family, a child who does not reside with his or her parent, or the mother of an unborn child, who receives health care coverage under this section shall pay a percentage of the cost of that coverage in accordance with a schedule established by the department by rule. The department may not establish or implement a schedule that requires a contribution, including the amounts required under par. (am), of more than 5 percent of the income of the family, child, or applicable persons specified in sub. (4) (ap) 1. towards the cost of the health care coverage provided under this section.

(am) Except as provided in pars. (b) and (bm), a child, a family member, or the mother of an unborn child, who receives health care coverage under this section shall pay the following cost-sharing amounts:

1. A copayment of \$1 for each prescription of a drug that bears only a generic name, as defined in s. 450.12 (1) (b).

2. A copayment of \$3 for each prescription of a drug that bears a brand name, as defined in s. 450.12 (1) (a).

(b) The department may not require a family, child who does not reside with his or her parent, or applicable persons specified in sub. (4) (ap) 1., with an income below 150 percent of the poverty line, to contribute to the cost of health care coverage provided under this section.

(bm) If the federal department of health and human services notifies the department of health services that Native Americans may not be required to contribute to the cost of the health care coverage provided under this section, the department of health services may not require Native Americans to contribute to the cost of health care coverage under this section.

(c) The department may establish by rule requirements for wage withholding as a means of collecting a family's or an unborn child's mother's share of the cost of the health care coverage under this section.

(5m) INFORMATION ABOUT BADGER CARE RECIPIENTS. The department shall obtain and share information about Badger Care health care program recipients as provided in s. 49.475.

(7) EMPLOYER VERIFICATION FORMS; FORFEITURE AND PENALTY ASSESSMENT. (a) 1. Notwithstanding sub. (4) (a) 3m., the department shall mail information verification forms to the employers

of the individuals required to provide the verifications under sub. (4) (a) 3m. to obtain the information specified.

2. An employer that receives a verification form shall complete the form and return it to the department, by mail, with a postmark that is not more than 30 working days after the date on which the department mailed the form to the employer.

3. As an alternative to the method under subd. 2., an employer may, within 30 working days after the date on which the department mailed the form to the employer, return the completed form to the department by any electronic means approved by the department. The department must be able to determine, or the employer must be able to verify, the date on which the form was sent to the department electronically.

49.68 Aid for treatment of kidney disease. (1) DECLARATION OF POLICY. The legislature finds that effective means of treating kidney failure are available, including dialysis or artificial kidney treatment or transplants. It further finds that kidney disease treatment is prohibitively expensive for the overwhelming portion of the state's citizens. It further finds that public and private insurance coverage is inadequate in many cases to cover the cost of adequate treatment at the proper time in modern facilities. The legislature finds, in addition, that the incidence of the disease in the state is not so great that public aid may not be provided to alleviate this serious problem for a relatively modest investment. Therefore, it is declared to be the policy of this state to assure that all persons are protected from the destructive cost of kidney disease treatment by one means or another.

(1m) DEFINITION. In this section, "recombinant human erythropoietin" means a bioengineered glycoprotein that has the same biological effects in stimulating red blood cell production as does the glycoprotein erythropoietin that is produced by the human body.

(2) DUTIES OF DEPARTMENT. The department shall:

(a) Promulgate rules setting standards for operation and certification of dialysis and renal transplantation centers and home dialysis equipment and suppliers.

(b) Promulgate rules setting standards for acceptance and certification of patients into the treatment phase of the program.

(c) Promulgate rules concerning reasonable cost and length of treatment programs.

(d) Aid in preparing educational programs and materials informing the public as to chronic renal disease and the prevention and treatment thereof.

(3) AID TO KIDNEY DISEASE PATIENTS. (a) Subject to s. 49.687 (1m), any permanent resident of this state who suffers from chronic renal disease may be accepted into the dialysis treatment phase of the renal disease control program if the resident meets standards set by rule under sub. (2) and s. 49.687.

(b) From the appropriation accounts under ss. 20.435 (4) (e) and (je), the state shall pay, at a rate determined by the department under par. (e), for medical treatment that is required as a direct result of chronic renal disease of certified patients from the date of certification, including administering recombinant human erythropoietin to appropriate patients, whether the treatment is rendered in an approved facility in the state or in a dialysis or transplantation center that is approved as such by a contiguous state, subject to the conditions specified under par. (d). Approved facilities may include a hospital in-center dialysis unit or a nonhospital dialysis center that is closely affiliated with a home dialysis program supervised by an approved facility. Aid shall also be provided for all reasonable expenses incurred by a potential living-related donor, including evaluation, hospitalization, surgical costs, and postoperative follow-up to the extent that these costs are not reimbursable under the federal medicare program or other insurance. In addition, all expenses incurred in the procurement, transportation, and preservation of cadaveric donor kidneys shall be covered to the extent that these costs are not otherwise reimbursable. All donor-related costs are chargeable to the recipient and reimbursable under this subsection.

(c) Disbursement and collection of all funds under this subsection shall be by the department or by a fiscal intermediary, in accordance with a contract with a fiscal intermediary. The costs of the fiscal intermediary under this paragraph shall be paid from the appropriation under s. 20.435 (1) (a).

(d) 1. No aid may be granted under this subsection unless the recipient has no other form of aid available from the federal medicare program, from private health, accident, sickness, medical, and hospital insurance coverage, or from other health care coverage specified by rule under s. 49.687 (1m). If insufficient aid is available from other sources and if the recipient has paid an amount equal to the annual medicare deductible amount specified in subd. 2., the state shall pay the difference in cost to a qualified recipient. If at any time sufficient federal or private insurance aid or other health care coverage becomes available during the treatment period, state aid under this subsection shall be terminated or appropriately reduced. Any patient who is eligible for the federal medicare program shall register and pay the premium for medicare medical insurance coverage where permitted, and shall pay an amount equal to the annual medicare deductible amounts required under 42 USC 1395e and 1395L (b), prior to becoming eligible for state aid under this subsection.

2. Aid under this subsection is only available after the patient pays an annual amount equal to the annual deductible amount required under the federal medicare program. This subdivision requires an inpatient who seeks aid first to pay an annual deductible amount equal to the annual medicare deductible amount specified under 42 USC 1395e and requires an outpatient who seeks aid first to pay an annual deductible amount equal to the annual medicare deductible amount specified under 42 USC 1395L (b).

3. No payment shall be made under this subsection for any portion of medical treatment costs or other expenses that are payable under any state, federal, or other health care coverage program, including a health care coverage program specified by rule under s. 49.687 (1m), or under any grant, contract, or other contractual arrangement.

(e) Payment for services provided under this section shall be at a rate determined by the department that does not exceed the allowable charges under the federal Medicare program. In no case shall state rates for individual service elements exceed the feder-

ally defined allowable costs. The rate of charges for services not covered by public and private insurance shall not exceed the reasonable charges as established by Medicare fee determination procedures. A person that provides to a patient a service for which aid is provided under this section shall accept the amount paid under this section for the service as payment in full and may not bill the patient for any amount by which the charge for the service exceeds the amount paid for the service under this section. The state may not pay for the cost of travel, lodging, or meals for persons who must travel to receive inpatient and outpatient dialysis treatment for kidney disease. This paragraph shall not apply to donor related costs as defined in par. (b).

A person who was married to a client on whose behalf funeral, burial, or cemetery expenses aid was provided under s. 49.785, who was married to the client at the client’s death or when the client was receiving or received any of the benefits described in s. 49.785 (1c) that made the client an eligible recipient under s. 49.785, or at both times, and who survived the client.

(e) “Property of a decedent” means all real and personal property to which the client held any legal title or in which the client had any legal interest immediately before death, to the extent of that title or interest, including assets transferred to a survivor, heir, or assignee through joint tenancy, tenancy in common, survivorship, life estate, revocable trust, or any other arrangement, excluding an irrevocable trust.

(2) (a) Except as provided in par. (d), the department shall file a claim against the estate of a client, and against the estate of a non-client surviving spouse, for the amount of aid under s. 49.68, 49.683, or 49.685 paid to or on behalf of the client.

(am) The department shall file a claim against the estate of a client, and against the estate of a nonclient surviving spouse, for the amount of aid under s. 49.785 paid to or on behalf of the client.

(bm) 1. Property that is subject to the department’s claim under par. (a) or (am) in the estate of a client or in the estate of a nonclient surviving spouse is all property of a decedent that is included in the estate.

2. There is a presumption, consistent with s. 766.31, which may be rebutted, that all property in the estate of the nonclient surviving spouse was marital property held with the client and that 100 percent of the property in the estate of the nonclient surviving spouse is subject to the department’s claim under par. (a) or (am).

(c) The court shall reduce the amount of a claim under par. (a) or (am) by up to the amount specified in s. 861.33 (2) if necessary to allow the decedent’s heirs or the beneficiaries of the decedent’s will to retain the following personal property:

(e) 1. If the department's claim is not allowable because of par. (d) and the estate includes an interest in real property, including a home, the court exercising probate jurisdiction shall, in the final judgment or summary findings and order, assign the interest in the real property subject to a lien in favor of the department for the amount described in par. (a). The personal representative or petitioner for summary settlement or summary assignment of the estate shall record the final judgment as provided in s. 863.29, 867.01 (3) (h), or 867.02 (2) (h).

2. If the department's claim is not allowable because of par. (d), the estate includes an interest in real property, including a home, and the personal representative closes the estate by sworn statement under s. 865.16, the personal representative shall stipulate in the statement that the real property is assigned subject to a lien in favor of the department for the amount described in par. (a). The personal representative shall record the statement in the same manner as described in s. 863.29, as if the statement were a final judgment.

(f) The department may not enforce a lien under par. (e) as long as any of the following survive the decedent:

1. A spouse.
2. A child who is under age 21 or disabled.

(fm) All of the following apply to a lien under par. (e) that the department may not enforce because of par. (f):

1. If the decedent's surviving spouse or child who is under age 21 or disabled refinances a mortgage on the real property, the lien is subordinate to the new encumbrance.

2. The department shall release the lien in the circumstances described in s. 49.849 (4) (c) 2.

(g) The department may enforce a lien under par. (e) by foreclosure in the same manner as a mortgage on real property.

(3) The department shall administer the program under this section and may contract with an entity to administer all or a portion of the program, including gathering and providing the department with information needed to recover payment of aid provided under s. 49.68, 49.683, 49.685, or 49.785. All funds received under this subsection, net of any amount claimed under s. 49.849 (5), shall be remitted for deposit in the general fund.

(4) (a) The department may recover amounts under this section for the provision of aid provided under s. 49.68, 49.683, or 49.685 paid on and after September 1, 1995, and for the provision of aid provided under s. 49.785 paid on or after July 14, 2015.

(b) The department may file a claim under sub. (2) (a) only with respect to a client who dies after September 1, 1995. The department may file a claim under sub. (2) (am) only with respect to a client who dies after July 14, 2015.

(5) The department shall promulgate rules establishing standards for determining whether the application of this section with respect to a claim under sub. (2) (a) would work an undue hardship in individual cases. If the department determines that the application of this section with respect to a claim under sub. (2) (a) would work an undue hardship in a particular case, the department shall waive application of this section in that case.

(6) The department may contract with or employ an attorney to probate estates to recover under this section the costs of care.

The department may implement a waiver requested under this subsection only if the conditions of the waiver are consistent with the requirements of this section. The department shall implement the program under this section regardless of whether a waiver, as specified in this subsection, is received.

49.849 Recovery of correct payments under certain public assistance programs. (1) **DEFINITIONS.** In this section:

(a) "Decedent" means a deceased recipient or a deceased non-recipient surviving spouse, whichever is applicable.

(b) "Department" means the department of health services.

(c) "Nonrecipient surviving spouse" means any of the following:

1. A person who was married to a recipient when the recipient was receiving or received public assistance and who survived the recipient.

2. A person who was married to a recipient on whose behalf aid under s. 49.785 was provided, who was married to the recipient at the recipient's death or when the recipient was receiving or received any of the benefits described in s. 49.785 (1c) that made the recipient an eligible recipient under s. 49.785, or at both times, and who survived the recipient.

(d) "Property of a decedent" means all real and personal property to which the recipient held any legal title or in which the recipient had any legal interest immediately before death, to the extent

of that title or interest, including assets transferred to a survivor, heir, or assignee through joint tenancy, tenancy in common, survivorship, life estate, revocable trust, or any other arrangement, excluding an irrevocable trust.

(e) “Public assistance” means any services provided as a benefit under a long-term care program, as defined in s. 49.496 (1) (bk), medical assistance under subch. IV, or aid under s. 49.68, 49.683, 49.685, or 49.785.

(f) “Recipient” means a person who received public assistance.

(2) RECOVERABLE AMOUNTS. (a) Subject to par. (b), the department may collect from the property of a decedent by affidavit under sub. (3) (b) or by lien under sub. (4) (a) an amount equal to the medical assistance that is recoverable under s. 49.496 (3) (a), the long-term community support services under s. 46.27, 2017 stats., that is recoverable under s. 46.27 (7g) (c) 1., 2017 stats., or the aid under s. 49.68, 49.683, 49.685, or 49.785 that is recoverable under s. 49.682 (2) (a) or (am), and that was paid on behalf of the decedent or the decedent’s spouse, if all of the following conditions are satisfied:

1. The decedent died after September 30, 1991, or for the recovery of aid under s. 49.785 the decedent died after July 14, 2015.

2. The decedent is not survived by a spouse, a child who is under age 21, or a child who is disabled, as defined in s. 49.468 (1) (a) 1. This subdivision does not apply for the recovery of aid under s. 49.785.

(b) The department shall reduce the amount of its recovery under par. (a) by up to the amount specified in s. 861.33 (2) if necessary to allow the decedent’s heirs or beneficiaries under the decedent’s will to retain the following personal property of the decedent:

2. Wearing apparel and jewelry held for personal use.
3. Household furniture, furnishings, and appliances.
4. Other tangible personal property not used in trade, agriculture, or other business, not exceeding in value the amount specified in s. 861.33 (1) (a) 4.

(c) There is a presumption, consistent with s. 766.31, which may be rebutted, that all property of the deceased nonrecipient surviving spouse was marital property held with the recipient and that 100 percent of the property of the deceased nonrecipient surviving spouse is subject to the department’s claim under par. (a).

(3) TRANSMITTAL OF PROPERTY UPON RECEIPT OF AFFIDAVIT. (a) Any property of a decedent that is transferred by a person who has possession of the property at the time of the decedent’s death is subject to the right of the department to recover the amounts specified in sub. (2) (a). Upon request, the person who transferred the property shall provide to the department information about the property of the decedent that the person has transferred and information about the persons to whom the property was transferred.

(b) A person who possesses or receives property of a decedent shall transmit the property to the department, if the conditions in sub. (2) (a) 1. and, if applicable, sub. (2) (a) 2. are satisfied, upon receipt of an affidavit by a person designated by the secretary of health services to administer this section showing that the department paid on behalf of the decedent or the decedent’s spouse recoverable benefits specified in sub. (2) (a). Upon transmittal, the person is released from any obligation to other creditors or heirs of the decedent.

(c) An affidavit under this subsection shall contain all of the following information:

1. That the department has a claim against the property that it intends to recover from the property.
2. The amount of and basis for the claim.
3. That the person may have a right to an administrative hearing under sub. (5m), which must be requested within 45 days after the department sent the affidavit, on the extent and fair market value of the recipient’s interest in the property.

4. How to request an administrative hearing under sub. (5m).

5. That the person may request from the department a hardship waiver, if the person co-owned the property with the decedent or is a beneficiary of the property. This subdivision does not apply for the recovery of aid under s. 49.785.

6. How to request a hardship waiver under subd. 5. This subdivision does not apply for the recovery of aid under s. 49.785.

(4) RECOVERY AGAINST REAL PROPERTY. (a) If the condition in sub. (2) (a) 1. is satisfied, the department shall have a lien in the amount that it may recover under sub. (2) (a) on any interest in any property of the decedent that is real property, including a home, as defined in s. 49.496 (1) (b). The department may record the lien in the office of the register of deeds of the county in which the real property is located.

(b) Except as provided in par. (bm), the department may enforce a lien under par. (a) by foreclosure in the same manner as a mortgage on real property, unless any of the following is alive:

1. The decedent’s spouse.
2. A child of the decedent if the child is under age 21 or disabled, as defined in s. 49.468 (1) (a) 1.

(bm) The department may enforce a lien under par. (a) for the recovery of aid under s. 49.785 by foreclosure in the same manner as a mortgage on real property regardless of whether the decedent’s spouse or any child of the decedent is alive.

(c) All of the following apply to a lien under par. (a) that the department may not enforce because of par. (b):

1. If the decedent’s surviving spouse or child who is under age 21 or disabled refinances a mortgage on the real property, the lien is subordinate to the new encumbrance.

2. The department shall release the lien if any of the following applies:

a. The recipient’s surviving spouse or child who is under age 21 or disabled sells the property for fair market value, as described in sub. (5c) (d), during the spouse’s or child’s lifetime.

b. The recipient’s surviving spouse or child who is under age 21 or disabled transfers the property for less than fair market value, as described in sub. (5c) (d), during the spouse’s or child’s lifetime, the transferee sells the property during the spouse’s or child’s lifetime and places proceeds equal to the lesser of the department’s lien or the sale proceeds due to the seller in a trust or bond, and the department is paid the secured amount upon the death of the recipient’s spouse or disabled child or when the recipient’s child who is not disabled reaches age 21.

c. The surviving owner or transferee of the property, who is not the recipient’s surviving spouse or child who is under age 21 or disabled, sells the property during the lifetime of the recipient’s surviving spouse or child who is under age 21 or disabled and places proceeds equal to the lesser of the department’s lien or the sale proceeds due to the seller in a trust or bond, and the department is paid the secured amount upon the death of the recipient’s spouse or disabled child or when the recipient’s child who is not disabled reaches age 21.

(4m) ALLOWABLE COSTS OF SALE OF REAL PROPERTY. (a) Subject to par. (b), if any property of a decedent that is real property has been sold after the death of the decedent, only the following reasonable expenses, if any, incurred in preserving or disposing of the real property may be deducted from the sale proceeds that the department may recover:

1. Closing costs of sale, including reasonable attorney fees of the seller, the cost of title insurance, and recording costs.
2. Property insurance premiums.
3. Property taxes due.
4. Utility costs necessary to preserve the property.
5. Expenses incurred in providing necessary maintenance or making necessary repairs, without which the salability of the property would be substantially impaired.

(b) Any expense under par. (a) may be deducted from the sale proceeds only if it is documented and approved by the department

and it was not incurred while any other individual was living on the property.

(5) OTHER VALID CLAIMS. If a person has a valid claim against property of the decedent that would have a higher priority under s. 859.25 (1) if the property were subject to administration than the department would have under s. 859.25 (1) (e) and the person demands payment in writing within one year of the date on which the property was transmitted to the department, the department shall pay to the person the value of the property collected under sub. (3) or the amount of the claim, whichever is less. The department may authorize any person who possesses property of the decedent to honor higher priority claims with the decedent's property before transmitting property to the department.

(5c) VALUE OF RECIPIENT'S INTEREST. For purposes of determining the value of the recipient's interest in property of the decedent, all of the following apply:

(a) If the recipient held title to real property jointly with one or more persons other than his or her spouse, the recipient's interest in the real property is equal to the fractional interest that the recipient would have had in the property if the property had been held with the other owner or owners as tenants in common.

(b) If the recipient held title to personal property jointly with one or more persons other than his or her spouse, the recipient's interest in the personal property is equal to either of the following:

1. The percentage interest that was attributed to the recipient when his or her eligibility for public assistance was determined.

2. If the percentage interest was not determined as provided in subd. 1., the fractional interest that the recipient would have had in the property if the property had been held with the other co-owner or co-owners as tenants in common.

(c) If the recipient held a life estate in real property, the recipient's interest is equal to the recipient's percentage of ownership in the property based on the recipient's age on the date of death and calculated using the fair market value of the property and life estate-remainderman tables used by the department to value life estates for purposes of determining eligibility for Medical Assistance.

(d) A property's fair market value is the price that a willing buyer would pay a willing seller for the purchase of the property. The burden of proof for establishing a property's fair market value is on the surviving owners or beneficiaries, or their representatives. Fair market value must be established through a credible methodology, which may include an appraisal performed by a licensed appraiser.

(5m) FAIR HEARING. A person who has possession of any property of the decedent, or who receives an affidavit from the department under sub. (3) (c) for transmittal of any property of the decedent, is entitled to and may, within 45 days after the affidavit was sent, request a departmental fair hearing on the value of the property and the extent of the recipient's interest in the property, if the property is not being transferred under s. 867.03 or through formal or informal administration of the decedent's estate.

(5r) ACTION OR ORDER TO ENFORCE RECOVERY. (a) If, after receipt of an affidavit under sub. (3), a person who possesses property of a decedent does not transmit the property to the department or timely request a hearing, the department may bring an action to enforce its right to collect amounts specified in sub. (2) (a) from the property or may issue an order to compel transmittal of the property. Any person aggrieved by an order issued by the department under this paragraph may appeal the order as a class 3 proceeding, as defined in s. 227.01 (3) (c), under ch. 227 by filing a request for appeal, within 30 days after the date of the order, with the division of hearings and appeals created under s. 15.103 (1). The date on which the division of hearings and appeals receives the request for appeal shall be the date of service. The only issue at the hearing shall be whether the person has transmitted the property to the department. The decision of the division of hearings and appeals shall be the final decision of the department.

(b) If any person named in an order to compel transmittal of property issued under par. (a) fails to transmit the property under the terms of the order and no contested case to review the order is pending and the time for filing for a contested case review has expired, the department may present a certified copy of the order to the circuit court for any county. The sworn statement of the secretary shall be evidence of the department's right to collect amounts specified in sub. (2) (a) from the property and of the person's failure to transmit the property to the department. The circuit court shall, without notice, render judgment in accordance with the order. A judgment rendered under this paragraph shall have the same effect and shall be entered in the judgment and lien docket and may be enforced in the same manner as if the judgment had been rendered in an action tried and determined by the circuit court.

(c) The recovery procedure under this subsection is in addition to any other recovery procedure authorized by law.

(6) PAYMENTS FROM RECOVERED AMOUNTS. From the appropriation under s. 20.435 (4) (im), with respect to funds collected by the department under sub. (2) related to medical assistance paid on behalf of the decedent or the decedent's spouse, the department shall pay claims under sub. (5), shall pay to the federal government from the amount recovered under this section and not paid out as claims under sub. (5) an amount equal to the amount of federal funds used to pay the benefits recovered under this section and shall spend the remainder of the amount recovered under this section for medical assistance benefits under subch. IV.

(7) RULES FOR HARDSHIP WAIVER. The department shall promulgate rules establishing standards to determine whether the application of this section would work an undue hardship in individual cases. If the department determines that the application of this section would work an undue hardship in a particular case, the department shall waive the application of this section in that case. This subsection does not apply with respect to the recovery of aid under s. 49.785.

3. Inform the person that, if the determination of the department of health services is appealed, that department will not certify the amount to the department of revenue while the determination of the department of health services is under appeal.

4. Inform the person that, unless a contested case hearing is requested to appeal the determination of the department of health services, the person may be precluded from challenging any subsequent setoff of the certified amount by the department of revenue, except on the grounds that the certified amount has been partially or fully paid or otherwise discharged, since the date of the notice.

5. Request that the person inform the department of health services if a bankruptcy stay is in effect with respect to the person or if the claim has been discharged in bankruptcy.

6. Inform the person that the person may need to contact the department of revenue in order to protect the refunds of spouses who are not liable for the claim.

(b) At least 30 days before certification of an amount, the department of children and families shall send a notice to the last-known address of the person from whom that department intends to recover or collect the amount. The notice shall do all of the following:

1. Inform the person that the department of children and families intends to certify to the department of revenue an amount that the department of children and families has determined to be due under s. 49.138 (5), 49.161, or 49.195 (3) or to be delinquent under a repayment agreement for a loan under s. 49.147 (6), for setoff from any state tax refund that may be due the person.

2. Inform the person that he or she may appeal the determination of the department of children and families to certify the amount by requesting a hearing under sub. (4) within 30 days after the date of the letter and inform the person of the manner in which he or she may request a hearing.

3. Inform the person that, if the determination of the department of children and families is appealed, that department will not certify the amount to the department of revenue while the deter-

mination of the department of children and families is under appeal.

4. Inform the person that, unless a contested case hearing is requested to appeal the determination of the department of children and families, the person may be precluded from challenging any subsequent setoff of the certified amount by the department of revenue, except on the grounds that the certified amount has been partially or fully paid or otherwise discharged, since the date of the notice.

5. Request that the person inform the department of children and families if a bankruptcy stay is in effect with respect to the person or if the claim has been discharged in bankruptcy.

6. Inform the person that the person may need to contact the department of revenue in order to protect the refunds of spouses who are not liable for the claim.

(a) If a person has requested a hearing under this subsection, the department of health services shall hold a contested case hearing under s. 227.44, except that the department of health services may limit the scope of the hearing to exclude issues that were presented at a prior hearing or that could have been presented at a prior opportunity for hearing.

(b) If a person has requested a hearing under this subsection, the department of children and families shall hold a contested case hearing under s. 227.44, except that the department of children and families may limit the scope of the hearing to exclude issues that were presented at a prior hearing or that could have been presented at a prior opportunity for hearing.

(5) EFFECT OF CERTIFICATION. Receipt of a certification by the department of revenue shall constitute a lien, equal to the amount certified, on any state tax refunds or credits owed to the obligor. The lien shall be foreclosed by the department of revenue as a set-off under s. 71.93. Certification of an amount under this section does not prohibit the department of health services or the department of children and families from attempting to recover or collect the amount through other legal means. The department of health services or the department of children and families shall promptly notify the department of revenue upon recovery or collection of any amount previously certified under this section.

(2) and unless the amount specified has either not been appealed or is no longer under appeal under s. 49.854.

(2) The department shall send a notice to the last-known address of the person from whom the department intends to recover the amount specified in the statewide support lien docket under s. 49.854 (2) (b). The notice shall do all of the following:

(a) Inform the person that the department of employee trust funds, the retirement system of any 1st class city, any retirement system established under chapter 201, laws of 1937, or the administrator of any other pension plan, whichever is appropriate, shall withhold the amount specified in the statewide support lien docket under s. 49.854 (2) (b) from any lump sum payment from a pension plan that may be paid the person.

(b) Inform the person that he or she may, within 20 business days after the date of the notice, request a court hearing on the

issue of whether the person owes the amount specified in the statewide support lien docket under s. 49.854 (2) (b). The request shall be in writing and the person shall mail or deliver a copy of the request to the county child support agency under s. 59.53 (5).

(c) Request that the person inform the department or the appropriate county child support agency under s. 59.53 (5) if a bankruptcy stay is in effect with respect to the person.

The court shall schedule a hearing within 10 business days after receiving a request for a hearing. A circuit court commissioner may conduct the hearing. If the court determines that the person owes the amount specified in the statewide support lien docket under s. 49.854 (2) (b), the department may direct the department of employee trust funds, the retirement system of any 1st class city, any retirement system established under chapter 201, laws of 1937, or the administrator of any other pension plan, whichever is appropriate, to withhold the amount from any lump sum payment from a pension plan that may be paid the person. If the court determines that the person does not owe the amount specified in the statewide support lien docket under s. 49.854 (2) (b), the department may not direct the department of employee trust funds, the retirement system of any 1st class city, any retirement system established under chapter 201, laws of 1937, or the administrator of any other pension plan, whichever is appropriate, to withhold the amount from any lump sum payment from a pension plan that may be paid the person.

(b) If the department directs the department of employee trust funds, the retirement system of any 1st class city, any retirement system established under chapter 201, laws of 1937, or the administrator of any other pension plan to withhold the amount specified in the statewide support lien docket under s. 49.854 (2) (b), the department of employee trust funds, the retirement system of any 1st class city, any retirement system established under chapter 201, laws of 1937, or the administrator of any other pension plan shall deduct from any lump sum payment that may be paid the person the amount specified in the statewide support lien docket, less any amount specified under par. (d). If the amount specified in the statewide support lien docket under s. 49.854 (2) (b), less any amount specified under par. (d), exceeds the lump sum payment, the department of employee trust funds, the retirement system of any 1st class city, any retirement system established under chapter 201, laws of 1937, or the administrator of any other pension plan shall deduct the entire lump sum payment, less any withholdings otherwise required by law. 49.854 Liens against property for delinquent support payments. (1) DEFINITIONS. In this section:

(a) "Department" means the department of children and families.

(b) "County child support agency" means the county child support agency under s. 59.53 (5).

(c) "Levy" means all powers of distraint and seizure.

(d) "Obligor" means a person who is obligated to pay court-ordered support.

(e) "Property" includes accounts at financial institutions, personal property and real property, tangible and intangible property and rights to property, but is limited to property and rights of the obligor to property existing at the time of levy.

(f) "Support" means any of the following:

1. Child or family support.
2. Maintenance.
3. Medical expenses of a child.
4. Birth expenses.
5. Any accrued interest on delinquent amounts under subs. 1. to 4.

(2) CREATION OF LIEN; SATISFACTION. (a) *Creation.* If a person obligated to pay support fails to pay any court-ordered amount of support, that amount becomes a lien in favor of the department upon all property of the person. The lien becomes effective when the information is entered in the statewide support lien docket under par. (b) and that docket is delivered to the register of deeds in the county where the property is located. A lien created under this paragraph is not effective against a good-faith purchaser of titled personal property, unless the lien is recorded on that title.

(b) *Statewide support lien docket.* The department shall maintain a statewide support lien docket. The department shall provide a copy of the statewide support lien docket to the register of deeds and the county child support agency of each county in this state, and to each state agency that titles personal property. Each entry in the statewide support lien docket shall contain the name and the social security number of the obligor and the date that the lien is entered in the docket, as well as the amount of the lien as of the time that the entry is made.

(c) *Updating the statewide support lien docket.* The department shall update the statewide support lien docket in response to orders issued by a court or circuit court commissioner. The department shall periodically update the statewide support lien docket to reflect changes in the amounts of the liens contained in the docket.

(d) *Amount of lien; satisfaction.* The amount of any support obligation that is a lien under this subsection may be determined by requesting that information from the county child support agency or the register of deeds, as specified by the department. Payment of the full amount that is delinquent at the time of payment to that county child support agency extinguishes that lien. Upon request, the county child support agency shall furnish to the payer of the delinquent amount a satisfaction of lien showing that the amount of support owed has been paid in full and that the person no longer owes the delinquent amount. The satisfaction of lien may be recorded in the office of the register of deeds for any county in which real or personal property of the person who owed the support is located.

(3) NOTIFICATION AND APPEAL OF LIEN. (a) *Notice.* When a delinquent support obligation is included in the statewide support lien docket, the department shall provide notice to the obligor that a lien exists with respect to the delinquent support obligation. The notice shall include the amount of the delinquent child support obligation and shall inform the obligor that the lien is in effect. The notice shall inform the obligor of the obligor's right to request a financial records and court order review under par. (ag) and the obligor's right to request a court hearing under par. (ar). The notice under this paragraph shall also inform the obligor that the department will not take actions to enforce the lien if the obligor pays the delinquent amount in full or makes satisfactory alternative payment arrangements with the department or a county child support agency. The notice shall inform the individual of how he or she may pay the delinquent amount or make satisfactory alternative payment arrangements.

(ag) *Financial records and court order review.* 1. Within 10 business days of the date of the notice under par. (a), the obligor may file a written request for a financial records and court order review with the county child support agency. If the obligor makes a timely request for a financial records and court order review under this paragraph, the department shall hold the review as soon as practicable, but in no event to exceed 60 days after the date of the request. The department shall conduct the financial records and court order review at no charge to the obligor. As soon as prac-

licable after conducting the financial records and court order review, the department shall make a determination regarding whether the amount of the delinquency contained in the notice is correct and shall provide a copy of the determination to the obligor. If the department determines that the amount of the delinquency is incorrect, the department shall take appropriate actions to correct the inaccuracy. The notice of the determination shall include information regarding the obligor's right to request a review of the determination under subd. 2.

2. If the obligor disagrees with the determination of the department, the obligor may request a hearing with the court or a circuit court commissioner to review the department's determination. To request a hearing under this subdivision, the obligor shall make the request within 5 business days of the date of the department's determination under subd. 1. The obligor shall make the request in writing and shall mail or deliver a copy of the request to the county child support agency. If a timely request for a hearing is made under this subdivision, the court or circuit court commissioner shall hold the hearing within 15 business days of the request. If, at the hearing, the obligor establishes that the lien is not proper because of a mistake of fact, the court or circuit court commissioner shall order the department to remove the lien from the statewide support lien docket or adjust the amount of the delinquent obligation.

(ar) *Direct appeal.* If the obligor has not requested a financial records and court order review under par. (ag), the obligor may request a hearing under this paragraph within 20 business days of the date of the notice under par. (a). The obligor shall make the request in writing and shall mail or deliver a copy of the request to the county child support agency. If a timely request for a hearing is made under this paragraph, the court or circuit court commissioner shall schedule a hearing within 10 days after the date of the request. If, at the hearing, the obligor establishes that the lien is not proper because of a mistake of fact, the court or circuit court commissioner shall order the department to remove the lien from the statewide support lien docket or adjust the amount of the delinquent obligation.

(b) *Appeal.* If a circuit court commissioner conducts a hearing under par. (ag) or (ar), the department or the obligor may, within 15 business days after the date of the decision by the circuit court commissioner, request review of the decision by the court having jurisdiction over the action. The court conducting the review may order that the lien be withdrawn from the statewide support lien dockets or may order an adjustment of the amount of the delinquent obligation. If no appeal is sought or if the court does not order the withdrawal of the lien, the department may take appropriate actions to enforce the lien.

(4) **POWERS OF LEVY AND DISTRRAINT; GENERALLY.** If any obligor neglects or refuses to pay the support owed by the obligor after the department has made demand for payment, the department may collect that support and the levy fees and costs under sub. (11) by levy upon any property belonging to the obligor as provided in subs. (5) to (7). Whenever the value of any property that has been levied upon under this subsection is not sufficient to satisfy the claim of the department, the department may levy upon any additional property of the obligor until the support owed and levy costs are fully paid.

(5) **LEVYING AGAINST FINANCIAL ACCOUNTS.** (a) *Definitions.* In this subsection:

1. "Account" has the meaning given in s. 49.853 (1) (a).
2. "Financial institution" has the meaning given in s. 49.853 (1) (c).
3. "Lien" means a lien under this section or a lien in favor of another state based on a support obligation, including a lien placed under s. 769.305 (2) (g).

(b) *Notice to the financial institution.* To enforce a lien by levying against an account at a financial institution, the department shall send a notice of levy to the financial institution instructing the financial institution to prohibit the closing of or withdrawals

from one or more accounts that the obligor owns in whole or in part, up to a total amount that is sufficient to pay the support owed, financial institution fees under par. (e), and estimated levy fees and costs under sub. (11), until further notice from the department or a court. The financial institution shall comply with the notice of levy and shall hold the amount specified in the notice until the financial institution receives further instructions from the department or a court.

(c) *Liens in favor of other states.* 1. Notwithstanding par. (b), if a lien under par. (b) is in favor of another state, the notice sent by the department to the financial institution may consist of the request from the other state to enforce the lien, a certification by the department that any necessary due process requirements were met in the other state, a request that the financial institution honor the request from the other state by sending the amount specified in the request directly to the other state, and the address to which the financial institution shall send the funds.

2. If a financial institution receives directly from another state, or a child support agency in another state, a notice of levy or request to enforce a lien in favor of that other state, along with a certification by the other state that any necessary due process requirements were met in the other state, the financial institution shall honor the notice of levy or request from the other state by sending the amount specified in the notice of levy or request, up to the amount contained in the account or accounts minus any financial institution fee under par. (e) and levy fee under sub. (11) (a), directly to the other state at the address to which the financial institution is directed to send the funds in the notice or request.

3. Notice and hearing requirements under pars. (d) and (f) do not apply to a lien in favor of another state.

(d) *Notice to the obligor and certain others.* No later than the next business day after the department sends notice of levy to the financial institution under par. (b), the department shall send a copy of the notice of levy to the obligor. The department shall also send a copy of the notice of levy to any other person who has an ownership interest in the account. The notices required under this paragraph shall be in the form determined by the department, however the notice shall include language stating all of the following:

1. That the obligor has been certified as delinquent in paying support.
2. The amount of the support owed.
3. The financial institution to which the department sent the notice under par. (b).
4. That one or more accounts owned in whole or in part by the obligor at the financial institution have been frozen, up to a total amount that is sufficient pay the support owed, the department's levy costs and financial institution fees.
6. That the obligor may request a hearing within 20 business days after the date of the notice, by submitting the request in writing and by mailing or delivering a copy of the request to the county child support agency.

6m. That a person, other than the obligor, who holds the account jointly with the obligor may request a hearing within 20 business days after the date of the notice, to protect the portion of the jointly held account that is attributable to his or her net contributions to the jointly held account.

7. The address to which the request for hearing must be mailed or delivered in order to schedule a hearing.

(e) *Financial institution fees.* A financial institution may continue to collect fees, under the terms of the account agreement, on accounts frozen or levied against under this subsection. In addition to the levy fee authorized under sub. (11) (a), a financial institution may collect any early withdrawal penalty incurred under the terms of an account as a result of the levy. Financial institution fees authorized under this paragraph may be charged to the account immediately prior to the remittance of the amount to the department or the other state and may be charged even if the amounts in the obligor's accounts are insufficient to pay the total

amount of support owed and the department's levy costs under sub. (11) (b).

(f) *Hearings.* A hearing requested under par. (d) 6. shall be conducted before the circuit court rendering the order to pay support. Within 45 business days after receiving a request for hearing under par. (d) 6., the court shall conduct the hearing. A circuit court commissioner may conduct the hearing. The hearing shall be limited to a review of whether the account holder owes the amount of support certified and whether any alternative payment arrangement offered by the department or the county child support agency is reasonable. If the court or circuit court commissioner makes a written determination that an alternative payment arrangement offered by the department or county child support agency is not reasonable, the court or circuit court commissioner may order an alternative payment arrangement. If the court or circuit court commissioner orders an alternative payment arrangement, the court or circuit court commissioner shall order the department to instruct the financial institution to release all or a portion of the funds. If the court or circuit court commissioner determines that the account holder does not owe support or owes less than the amount claimed by the department, the court shall order the department to instruct the financial institution to release the funds in the account or the excess of those funds over the amount of the delinquency to the account holder. If a circuit court commissioner conducts the hearing under this paragraph, the department or the obligor may, within 15 business days after the date that the circuit court commissioner makes his or her decision, request review of the decision by the court with jurisdiction over the action.

(6) LEVYING AGAINST OTHER PERSONAL PROPERTY. (a) *When notice of seizure required.* If the department has enforced a lien under this section by levying against personal property, the department shall immediately notify the obligor that the property has been seized. The department shall provide the notice of seizure under this paragraph to any person having an ownership interest in the property or any other person with an interest of record in the property. If the property is titled, the department shall also send a copy of the notice of seizure to the state agency that titles the property. A state agency receiving a notice under this paragraph may not transfer title to the personal property described in the notice, except on the instructions of a court or the department.

(b) *Content of notice of seizure.* The notice provided under par. (a) shall include all of the following:

1. The name of the obligor and the amount of the support owed.
2. A description of the personal property seized.
3. A statement that the obligor may, within 20 business days after the date of the notice, request a hearing on the questions of whether past-due support is owed and whether the property was wrongfully seized.
- 3m. A statement that a person, other than the obligor, who holds the personal property jointly with the obligor may request a hearing within 20 business days after the date of the notice, to protect the portion of the jointly held personal property that is attributable to his or her net contributions to the jointly held personal property.
4. A statement that the hearing may be requested by submitting the request in writing and by mailing or delivering a copy of the request to the county child support agency.

(c) *Hearing.* If a hearing is requested under par. (b) 4., the court or circuit court commissioner shall schedule a hearing within 10 business days after receiving the request under par. (b) 4. The hearing shall be limited to a review of whether the obligor owes the amount of support owed that is stated in the notice of seizure and whether any alternative payment arrangement offered by the department or the county child support agency is reasonable. If the court or circuit court commissioner makes a written determination that an alternative payment arrangement offered by the

department or county child support agency is not reasonable, the court or circuit court commissioner may order an alternative payment arrangement. If the court or circuit court commissioner orders an alternative payment arrangement, the court or circuit court commissioner shall order the department to return the seized property within 15 business days. If the court or circuit court commissioner determines that the obligor does not owe support or owes less than the amount claimed by the department, the court shall order the department to return the seized property within 15 business days or specify the amount which may be retained by the department after the sale of the seized property. If a circuit court commissioner conducts the hearing under this paragraph, the department or the obligor may, within 15 business days after the date that the circuit court commissioner makes his or her decision, request review of the decision by the court with jurisdiction over the action. The court reviewing the decision may order the department to return the seized property or may authorize the sale of the property by the department. If the department is ordered to return seized property under this paragraph, the court shall instruct any state agency responsible for titling the property that it may transfer title to the property without receiving instructions from a court or the department under par. (a).

(d) *Notice of sale.* As soon as practicable after seizing the personal property and after any requested hearings are conducted under par. (c), the department shall send a notice to the obligor stating that the department intends to issue an execution requiring the sheriff to sell the property within 90 days of the date of the execution. The final notice shall include a notice of the obligor's right to redeem the property under par. (e) 8.

(e) *Execution and sale.* After the department has sent the notice under par. (d), the department may issue an execution on any personal property identified in the notice to enforce a lien contained in the statewide support lien docket. The department shall provide a copy of an execution under this paragraph to the obligor and to any other person having an interest in the property. The provisions of ch. 815 apply to the executions issued by the department, except as follows:

1. References to judgments shall be read as references to liens entered in the statewide support lien docket, references to debtors shall be read as references to obligors and references to the court or a judge shall be read as references to the department.

2. Sections 815.01 to 815.04 do not apply. The department may not issue an execution more than 5 years after the date on which the lien was entered in the statewide support lien docket.

3. Section 815.05 does not apply. If the department has delegated under sub. (17) its authority under this subsection, the execution shall be signed by the director of the child support agency that is initiating the property seizure on behalf of the department. The execution shall include all of the following information:

- a. The date that a lien against the obligor was first entered on the child support lien docket.
- b. The amount of past due child support that is owed at the time the execution is issued.
- c. A description of the personal property.
- d. A directive to the officer to whom the execution is addressed to sell the property within 90 days of the date of the execution.

4. The execution shall be made returnable under s. 815.06 to the department within 90 days, rather than 60 days, after its receipt by the officer.

5. Sections 815.07, 815.09 to 815.12, 815.14, 815.15, 815.18 to 815.21, 815.25 and 815.26 do not apply.

6. Notwithstanding s. 815.29, the officer may not sell the personal property without 20 days advance notice. In addition to the notice required under s. 815.29, the officer to whom the execution is issued shall notify the obligor of the time and place of the sale of the personal property.

7. If, prior to the sale of the personal property, the department or child support agency notifies the officer that the obligor has paid the amount owed together with any levy fees and costs under sub. (11) or that the custodial parent to whom the support is owed has died, the officer shall discontinue the execution.

8. Sections 815.52 to 815.55 do not apply. The obligor may redeem the property prior to the date of the sale by payment of the full amount of support owed together with any levy fees and costs under sub. (11). The property may not be redeemed after it is sold. If the property is redeemed, the county child support agency shall issue a certificate upon redemption that includes the date of redemption, the amount of money paid and a description of the property redeemed. The certificate of redemption may be recorded in the office of the register of deeds. If titled property is redeemed, the department shall instruct the titling agency that the agency may transfer title to the property without receiving instructions from a court or the department under par. (a). Upon the sale of personal property on execution, the officer shall issue a certificate of sale to the purchaser within 10 days of the sale. If titled property is sold, the department shall instruct the titling agency to transfer title of the sold property to the purchaser.

(f) *Updating the lien docket.* The department shall update the statewide support lien docket to remove a lien that is satisfied by an execution or sale under this subsection.

(7) **LEVYING AGAINST REAL PROPERTY.** (a) *When notice of intent to levy required.* To enforce a lien under this section by levying against real property, the department shall provide the obligor and all owners of the real property with a notice of intent to levy under par. (b) 1. A copy of the notice under par. (b) 1. shall be provided to the register of deeds in the county where the real property is located. A register of deeds receiving a notice of intent to levy under this paragraph shall file the notice of intent to levy. The department shall provide a notice of intent to levy under par. (b) 2. to any person having an interest of record in the real property.

(b) *Content of notice of intent.* 1. The notice provided under par. (a) to the obligor, to owners of the property and to the register of deeds shall include all of the following:

- a. The name of the obligor and the amount of the support owed.
- b. A description of the real property against which the department intends to levy.
- c. A statement that the obligor may, within 20 business days after the date of the notice, request a hearing on the question of whether past-due support is owed.
- d. A statement that a person, other than the obligor, who holds the real property jointly with the obligor may request a hearing within 20 business days after the date of the notice, to protect the portion of the jointly held real property that is attributable to his or her net contributions to the jointly held real property.
- e. A statement that the hearing may be requested by submitting the request in writing and by mailing or delivering a copy of the request to the county child support agency.

2. In addition to the information included under subd. 1. a. to c., the notice provided under par. (a) to a person having an interest of record in the real property shall include a request that the interest holder notify the department, within 10 business days after receiving the notice, of the amount and nature of the person's interest in the property.

(c) *Hearing.* If a hearing is requested under par. (b) 1. c., the court or circuit court commissioner shall schedule a hearing within 10 business days after receiving the request under par. (b) 1. c. The hearing shall be limited to a review of whether the obligor owes the amount of support owed that is stated in the notice of intent under par. (b) and whether any alternative payment arrangement offered by the department or the county child support agency is reasonable. If the court or circuit court commissioner makes a written determination that an alternative payment

arrangement offered by the department or county child support agency is not reasonable, the court or circuit court commissioner may order an alternative payment arrangement. If the court or circuit court commissioner orders an alternative payment arrangement, the court or circuit court commissioner shall order the department not to proceed with the levy. If the court or circuit court commissioner determines that the obligor does not owe support or owes less than the amount claimed by the department, the court shall order the department not to proceed with the levy or specify the amount that may be retained by the department after the sale of the seized property. If a circuit court commissioner conducts the hearing under this paragraph, the department or the obligor may, within 15 business days after the date that the circuit court commissioner makes his or her decision, request review of the decision by the court with jurisdiction over the action. The court reviewing the decision may order the department not to proceed with the levy of the property or may authorize the sale of the property by the department.

(d) *Final notice.* Unless the department has been directed not to proceed with the levy in a hearing under par. (c) or unless the support owed and any levy fees and costs under sub. (11) have been paid, the department may send to the obligor a final notice of intent to seize and sell the property. The final notice may not be sent until 20 business days after the date of the notice of intent to levy under par. (a) or after any requested hearings under par. (c) have been completed. The final notice shall state that the department intends to issue an execution requiring the sheriff to seize and sell the property within 90 days of the date of the execution and that the obligor must vacate the property by the time of sale. The final notice shall include a notice of the obligor's right to redeem the property under par. (e) 8. The department shall provide a copy of any final notice under this paragraph to the register of deeds in the county where the real property is located. A register of deeds receiving a final notice under this paragraph shall file the final notice.

(e) *Execution and sale.* After the department has sent the final notice under par. (d), the department may issue an execution on any real property identified in the notice to enforce a lien contained in the statewide support lien docket. The department shall provide a copy of an execution under this paragraph to the obligor and to any other person having an interest in the property. The provisions of ch. 815 apply to the executions issued by the department, except as follows:

1. References to judgments shall be read as references to liens entered in the statewide support lien docket, references to debtors shall be read as references to obligors and references to the court or a judge shall be read as references to the department.

2. Sections 815.01 to 815.04 do not apply. The department may not issue an execution more than 5 years after the date on which the lien was entered in the statewide support lien docket.

3. Section 815.05 does not apply. If the department has delegated under sub. (17) its authority under this subsection, the execution shall be signed by the director of the child support agency that is initiating the real property seizure on behalf of the department. The execution shall include all of the following information:

- a. The date that a lien against the obligor was first entered on the child support lien docket.
- b. The amount of past due child support that is owed at the time the execution is issued.
- c. A legal description of the property against which the lien is to be executed. Including the location, of the property against which the lien is to be executed.
- d. The street address or location of the property against which the lien is to be executed.

e. A directive to the officer to whom the execution is addressed to seize and sell the property within 90 days of the date of the execution.

4. The execution shall be made returnable under s. 815.06 to the department within 90 days, rather than 60 days, after its receipt by the officer.

5. Sections 815.07, 815.09 to 815.12, 815.14, 815.15, 815.18 to 815.21, 815.25 and 815.26 do not apply.

6. In addition to the notice required under s. 815.31, the officer to whom the execution is issued shall notify the obligor of the time and place of the sale of the real property.

7. If, prior to the sale of the real property, the department or child support agency notifies the officer that the obligor has paid the amount owed together with any levy fees and costs under sub. (11) or that the custodial parent to whom the support is owed has died, the officer shall discontinue the execution.

8. Sections 815.38 to 815.55 do not apply. The obligor may redeem the property prior to the date of the sale by payment of the full amount of support owed together with any levy fees and costs under sub. (11). The property may not be redeemed after it is sold. If the property is redeemed, the county child support agency shall issue a certificate upon redemption that includes the date of redemption, the amount of money paid and a description of the property redeemed. The certificate of redemption may be recorded in the office of the register of deeds. Upon the sale of the real estate on execution, the officer shall issue a deed and a certificate of sale to the purchaser within 10 days of the sale.

9. The department may issue an administrative order directing a local law official to remove the obligor from the property if property is not vacated before the time of sale. A person occupying the property under claim of ownership, lease or month-to-month tenancy may not be removed except by proceedings under ch. 799 or 843.

10. Sections 815.59 to 815.64 do not apply.

(f) *Updating the lien docket.* The department shall update the statewide support lien docket to remove a lien that is satisfied by an execution or sale under this subsection.

(7m) JOINTLY HELD PROPERTY. A person, other than the obligor, who holds a joint interest in property levied against under this section may request a hearing, as provided in subs. (5) (d) 6m., (6) (b) 3m. or (7) (b) 1. d., to determine the proportion of the value of the property that is attributable to his or her net contribution to the property. If a hearing is requested under this subsection, the court or circuit court commissioner shall schedule a hearing within 10 days after receiving the request. The hearing shall be limited to determining the proportion of the value of the property that is attributable to the person's net contribution to the property. If more than one person requests a hearing under this subsection, or if the obligor requests a hearing under sub. (5) (f), (6) (c) or (7) (c), with respect to the same property, the court or circuit court commissioner may schedule the hearings together. The person requesting the hearing shall have the burden of proving his or her net contribution by clear and convincing evidence. If the court determines that a portion of the jointly held property is attributable to the contributions of the person, the court shall direct the department or the county child support agency to pay the person, from the net balance of the jointly held account or the net proceeds of the sale of the jointly held real or personal property, the proportion of the gross value of the account or real or personal property that is attributable to that person. If a circuit court commissioner conducts the hearing under this subsection, the person may, within 15 business days after the date that the circuit court commissioner makes his or her decision, request review of the decision by the court with jurisdiction over the action.

(8) DUTIES TO SURRENDER; GENERALLY. Any person in possession of or obligated with respect to property or rights to property that is subject to levy under this section and upon which a levy has been made shall, upon demand of the department, surrender the property or rights or discharge the obligation to the department, except that part of the property or rights that is, at the time of the demand, subject to any prior attachment, execution under any

judicial process, claim of ownership, lease or month-to-month tenancy.

(9) NOTICE. Any notice required to be provided under this section may be provided by sending the notice by regular mail to the last-known address of the person to whom notice is to be sent.

(11) LEVY FEES AND COSTS. (a) *Third parties.* Any 3rd party is entitled to a levy fee of \$5 for each levy in any case where property is secured through the levy. The 3rd party shall deduct the fee from the proceeds of the levy.

(b) *The department.* The department may assess a collection fee to recover the department's costs incurred in levying against property under this section. The department shall determine its costs to be paid in all cases of levy. The obligor is liable to the department for the amount of the collection fee authorized under this paragraph. Fees collected under this paragraph shall be credited to the appropriation account under s. 20.437 (2) (ja).

(12) PRIORITIES AND USE OF PROCEEDS. (a) *Priorities.* A lien under this section has the same priority, from the date that the lien is effective, as a judgment docketed under s. 806.15. The lien is effective for a period of 5 years from the date the lien becomes effective.

(b) *Use of proceeds.* After paying any liens on a property that have priority over a lien under this section, the department shall apply all proceeds from a sale of that property under this section first against the support in respect to which the levy was made and then against levy fees and costs under sub. (11).

(c) *Refunds or credits.* The department may refund or credit any amount left after the applications under par. (a), upon submission of a claim therefor and satisfactory proof of the claim, to the person entitled to that amount.

(13) RELEASE OF LEVY; SUSPENSION OF PROCEEDINGS TO ENFORCE LIEN. (a) *Release.* The department may release the levy upon all or part of property levied upon to facilitate the collection of the liability or to grant relief from a wrongful levy, but that release does not prevent any later levy.

(b) *Settlement.* If the obligor enters in to an alternative payment arrangement in accordance with guidelines established under s. 49.858 (2) (a), the department shall suspend all actions to enforce a lien under this section as long as the obligor remains in compliance with the alternative payment arrangement.

(14) WRONGFUL LEVY. If the department determines that property has been wrongfully levied upon, the department shall return the property or, if the property has been sold, shall return an amount of money equal to the amount of money, or value of the property, levied upon. This subsection does not prevent a person whose property has been wrongfully levied upon from seeking relief, under other provisions of the statutes, against the state for damages that have not been compensated for under this subsection.

(15) ACTIONS AGAINST THIS STATE. (a) *Commencement of actions.* If the department has levied upon property, any person, other than the obligor who is liable to pay the support out of which the levy arose, who claims an interest in or lien on that property and claims that that property was wrongfully levied upon may bring a civil action against the state in the circuit court for Dane County. If the county child support agency has levied upon property pursuant to delegated authority under sub. (17), any person, other than the obligor who is liable to pay the support out of which the levy arose, who claims an interest in or lien on that property and claims that that property was wrongfully levied upon may bring a civil action against the county child support agency in the circuit court for the county where the court order for the payment of support, upon which the seizure is based, was first entered or last modified. That action may be brought whether or not that property has been surrendered to the department or the county child support agency. The court may grant only the relief under par. (b). No other action to question the validity of or restrain or

enjoin a levy by the department or a county child support agency may be maintained.

(b) *Remedies.* In an action under par. (a), prior to the sale of the property, if the court determines that property has been improperly levied upon, the court may enjoin the enforcement of the levy and order the return of the property, or may grant a judgment for the amount of money obtained by levy. The court may also order relief necessary to protect the interests of owners of the property, other than the obligor, including, when appropriate, partition of the property. After the sale of the property, if the court determines that the property has been wrongfully levied upon, it may grant a judgment for the amount of money obtained by levy.

(c) *Validity of determination.* For purposes of an adjudication under this subsection, there is a rebuttable presumption that the support obligation upon which the lien is based is valid.

(17) **DELEGATION AND POWER TO CONTRACT.** The department may delegate any duties or powers given to the department under this section to county child support agencies, except that the department must approve the initiation of any levy proceedings under sub. (7). The department shall promulgate rules prohibiting a county child support agency from using the powers delegated under this subsection to enforce a child support lien, if the value of the property that is subject to the lien is below the dollar amount specified in the rules.

(18) **PRESERVATION OF REMEDIES.** The availability of the remedies under this section does not abridge the right of the department to pursue other remedies.

49.855 Certification of delinquent payments. (1) (a) If a person obligated to pay child support, family support, maintenance, or the receiving and disbursing fee under s. 767.57 (1e) (a) is delinquent in making any of those payments or owes an outstanding amount that has been ordered by the court for past support, medical expenses, or birth expenses, for cases in which the payee is receiving services under s. 49.22 or the state is a real party in interest under s. 767.205 (2), the department of children and families shall certify the delinquent payment or outstanding amount to the department of revenue.

(b) At least annually, the department of children and families shall certify to the department of revenue delinquent payments of the receiving and disbursing fee under s. 767.57 (1e) (a) not certified under par. (a) and shall provide to the department of revenue any certifications of delinquencies or outstanding amounts that it receives from another state because the obligor resides in this state.

(2m) At least annually, the department of health services shall certify to the department of revenue any obligation owed to the department of health services under s. 46.10 if the obligation is rendered to a judgment.

(2p) At least annually, the department of corrections shall certify to the department of revenue any obligation owed to the department of corrections under s. 301.12 if the obligation is rendered to a judgment.

(2r) At least annually, the department of children and families shall certify to the department of revenue any obligation owed to that department under s. 49.345 if the obligation is rendered to a judgment.

(3) Receipt of a certification by the department of revenue shall constitute a lien, equal to the amount certified, on any state tax refunds or credits owed to the obligor. The lien shall be foreclosed by the department of revenue as a setoff under s. 71.93 (3), (6), and (7). When the department of revenue determines that the obligor is otherwise entitled to a state tax refund or credit, it shall notify the obligor that the state intends to reduce any state tax refund or credit due the obligor by the amount the obligor is delinquent under the support, maintenance, or receiving and disbursing

fee order or obligation, by the outstanding amount for past support, medical expenses, or birth expenses under the court order, or by the amount due under s. 46.10 (4), 49.345 (4), or 301.12 (4). The notice shall provide that within 20 days the obligor may request a hearing before the circuit court rendering the order under which the obligation arose. Within 10 days after receiving a request for hearing under this subsection, the court shall set the matter for hearing. Pending further order by the court or a circuit court commissioner, the department of children and families or its designee, whichever is appropriate, is prohibited from disbursing the obligor's state tax refund or credit. A circuit court commissioner may conduct the hearing. The sole issues at that hearing shall be whether the obligor owes the amount certified and, if not and it is a support or maintenance order, whether the money withheld from a tax refund or credit shall be paid to the obligor or held for future support or maintenance, except that the obligor's ability to pay shall also be an issue at the hearing if the obligation relates to an order under s. 767.804 (3) (d) 1., 767.805 (4) (d) 1., or 767.89 (3) (e) 1. and the order specifies that the court found that the obligor's income was at or below the poverty line established under 42 USC 9902 (2).

(4) (a) The department of revenue shall send the portion of any state tax refunds or credits withheld for delinquent child or family support or maintenance or past support, medical expenses, or birth expenses to the department of children and families or its designee for deposit in the support collections trust fund under s. 25.68 and shall send the portion of any state tax refunds or credits withheld for delinquent receiving and disbursing fees to the department of children and families or its designee for deposit in the appropriation account under s. 20.437 (2) (ja). The department of children and families shall make a settlement at least annually with the department of revenue. The settlement shall state the amounts certified, the amounts deducted from tax refunds and credits, and the administrative costs incurred by the department of revenue.

(b) The department of administration shall send the portion of any federal tax refunds or credits received from the internal revenue service that was withheld for delinquent child or family support or maintenance or past support, medical expenses, or birth expenses to the department of children and families or its designee for deposit in the support collections trust fund under s. 25.68 and shall send the portion of any federal tax refunds or credits received from the internal revenue service that was withheld for delinquent receiving and disbursing fees to the department of children and families or its designee for deposit in the appropriation account under s. 20.437 (2) (ja).

(4m) (a) In this subsection, "vendor" means a person providing goods or services to this state under subch. IV or V of ch. 16 or under ch. 84 or any medical assistance provider, as defined under s. 49.43 (10).

(b) The department of revenue may provide a certification that it receives under sub. (1), (2m), (2p), or (2r) to the department of administration. Upon receipt of the certification, the department of administration shall determine whether the obligor is a vendor or is receiving any other payments from this state, except for wages, retirement benefits, or assistance under s. 45.352, 1971 stats., s. 45.40 (1m), this chapter, or ch. 46, 108, or 301. If the department of administration determines that the obligor is a vendor or is receiving payments from this state, except for wages, retirement benefits, or assistance under s. 45.352, 1971 stats., s. 45.40 (1m), this chapter, or ch. 46, 108, or 301, it shall begin to withhold the amount certified from those payments and shall notify the obligor that the state intends to reduce any payments due the obligor by the amount the obligor is delinquent under the support, maintenance, or receiving and disbursing fee order or obligation, by the outstanding amount for past support, medical expenses, or birth expenses under the court order, or by the amount due under s. 46.10 (4), 49.345 (4), or 301.12 (4). The notice shall provide that within 20 days after receipt of the notice the obligor may request a hearing before the circuit court rendering the order under

which the obligation arose. An obligor may, within 20 days after receiving notice, request a hearing under this paragraph. Within 10 days after receiving a request for hearing under this paragraph, the court shall set the matter for hearing. A circuit court commissioner may conduct the hearing. Pending further order by the court or circuit court commissioner, the department of children and families or its designee, whichever is appropriate, may not disburse the payments withheld from the obligor. The sole issues at the hearing are whether the obligor owes the amount certified and, if not and it is a support or maintenance order, whether the money withheld shall be paid to the obligor or held for future support or maintenance, except that the obligor's ability to pay is also an issue at the hearing if the obligation relates to an order under s. 767.804 (3) (d) 1., 767.805 (4) (d) 1., or 767.89 (3) (e) 1. and the order specifies that the court found that the obligor's income was at or below the poverty line established under 42 USC 9902 (2).

(c) Except as provided by order of the court after hearing under par. (b), the department of administration shall continue withholding until the amount certified is recovered in full. The department of administration shall transfer the amounts withheld under this paragraph to the department of children and families or its designee, the department of health services, or the department of corrections, whichever is appropriate. The department of children and families or its designee shall deposit amounts withheld for delinquent child or family support, maintenance, or receiving and disbursing fees or past support, medical expenses, or birth expenses in the appropriation account under s. 20.437 (2) (ja).

(d) A setoff under s. 73.12 (3) has priority over withholding under this subsection.

(5) Certification of an obligation to the department of revenue does not deprive any party of the right to collect the obligation or to prosecute the obligor. The department of children and families or its designee shall immediately notify the department of revenue of any collection of an obligation that has been certified to the department of revenue.

(6) If the state implements the child and spousal support and establishment of paternity and medical support liability program under ss. 49.22 and 59.53 (5), the state may act under this section in place of the county child support agency under s. 59.53 (5).

49.856 Notification of delinquent payments. (1) In this section:

(a) "Agency" means the county child support agency under s. 59.53 (5).

(b) "Department" means the department of children and families.

(c) "Obligor" means a person who owes a delinquent child support, family support or maintenance payment or who owes an outstanding amount that has been ordered by a court for past support, medical expenses or birth expenses and that delinquent payment or outstanding amount is specified in the statewide support lien docket under s. 49.854 (2) (b).

(2) If an obligor receives a judgment against another person or has settled a lawsuit against another person that provides for the payment of money, the department or agency may send a notice to any person who is ordered to pay the judgment, who has agreed to the settlement or who holds the amount of the judgment or settlement in trust. The notice shall inform the person that the amount of the judgment or settlement due the obligor is subject to a lien by the department for the payment of the delinquent payment or outstanding amount specified in the statewide support lien docket under s. 49.854 (2) (b). The notification shall include the name and address of the obligor and the total amount specified in

the statewide support lien docket under s. 49.854 (2) (b). Upon receipt of a notification, the person receiving the notification shall withhold an amount equal to the amount specified in the statewide support lien docket under s. 49.854 (2) (b) before making any payment under the judgment or pursuant to the settlement.

(3) When the department or agency notifies a person under sub. (2), the department or agency shall send a notice to the last-known address of the obligor. The notice shall do all of the following:

(a) Inform the obligor that the department or agency notified the person who owes money to the obligor or who holds money in trust for the obligor under a judgment or pursuant to a settlement to withhold the amount that was specified in the statewide support lien docket under s. 49.854 (2) (b) from any lump sum payment that may be paid to the obligor as a result of the judgment or settlement.

(b) Inform the obligor that he or she may request a hearing before the circuit court that rendered the order to pay support, maintenance, medical expenses or birth expenses within 20 business days after receipt of this notice. The request shall be in writing and the obligor shall mail or deliver a copy of the request to the agency.

(c) Inform the obligor that if a hearing is requested under par. (b) the department or agency will not require the person withholding the amount to send the amount to that department or agency until a final decision is issued in response to the request for a hearing.

(d) Request that the obligor inform the department or agency if a bankruptcy stay is in effect with respect to the obligor.

(4) If the obligor requests a hearing under sub. (3) (b), the circuit court shall schedule a hearing within 10 business days after receiving the request. The only issue at the hearing shall be whether the person owes the delinquent payment or outstanding amount specified in the statewide support lien docket under s. 49.854 (2) (b). A circuit court commissioner may conduct the hearing.

(5) Receipt of a notification by a person under sub. (2) shall constitute a lien, equal to the amount specified in the statewide support lien docket under s. 49.854 (2) (b), on any lump sum payment resulting from a judgment or settlement that may be due the obligor. The department or agency shall notify the person who received the notification under sub. (2) that the obligor has not requested a hearing or, if he or she has requested a hearing, of the results of that hearing, and of the responsibilities of the person who received the notification under sub. (2), including the requirement to submit the amount specified in the statewide support lien docket under s. 49.854 (2) (b). Use of the procedures under this section does not prohibit the department or agency from attempting to recover the amount specified in the statewide support lien docket under s. 49.854 (2) (b) through other legal means. The department or agency shall promptly notify any person who receives notification under sub. (2) if the amount specified in the statewide support lien docket under s. 49.854 (2) (b) has been recovered by some other means and no longer must be withheld from the judgment or settlement under this section.

(6) After receipt of notification by a person under sub. (2) and before receipt of notice from the department under sub. (5) that the amount specified in the statewide support lien docket under s. 49.854 (2) (b) has been otherwise recovered, no release of any judgment, claim or demand by the obligor shall be valid as against a lien created under sub. (5), and the person making any payment to the obligor to satisfy the judgment or settlement shall remain liable to the department for the amount of the lien.

The notice shall inform the individual that he or she may be eligible for an occupational license under s. 343.10 if his or her operating privilege is suspended.

agency. The notice shall inform the individual of how he or she may pay the delinquent amount or make satisfactory alternative payment arrangements.

5. That, within 20 business days after receiving the notice, the individual may request a hearing before the circuit court that rendered the order or judgment requiring the payments. The request shall be in writing and the individual shall mail or deliver a copy of the request to the child support agency.

(ac) 1. If an individual timely requests a hearing under par. (a) 5., the court shall schedule a hearing within 10 business days after receiving the request. A circuit court commissioner may conduct the hearing. The only issues at the hearing shall be whether the individual is delinquent in making court-ordered payments of support and whether any alternative payment arrangement offered by the department or the county child support agency is reasonable.

2. If at a hearing under subd. 1. the court or circuit court commissioner finds that the individual does not owe delinquent support, or if within 20 business days after receiving a notice under par. (a) the individual pays the delinquent amount in full or makes satisfactory alternative payment arrangements, the department may not place the individual's name on a certification list.

3. If at a hearing under subd. 1. the court or circuit court commissioner makes a written determination that alternative payment arrangements proposed by the department or a child support agency are not reasonable, the court or circuit court commissioner may order for the individual an alternative payment arrangement. If the court or circuit court commissioner orders an alternative payment arrangement, the department may not place the individual's name on a certification list.

(am) If an individual, after receiving notice under par. (a), does not timely request a hearing or pay the delinquent amount of support or make satisfactory alternative payment arrangements, the department shall place the individual's name on a certification list. Thereafter, the department or a child support agency shall provide a 2nd notice to the individual by regular mail that informs the individual of all of the following:

1. That the individual's name has been placed on a certification list, which will be provided to a licensing authority, a licensing agency or, with respect to a credential granted by a credentialing board, the department of safety and professional services.

2. When the certification will be made.

3. That, upon certification, for a period of 5 years any license that the individual holds from any licensing agency or credentialing board, or from any licensing authority if the licensing authority agrees, will be restricted, limited, suspended or not renewed or revalidated, and any license for which the individual applies or has applied from any licensing agency or credentialing board, or from any licensing authority if the licensing authority agrees, will not be granted or issued.

4. That the certification will not be made if the individual pays the delinquent amount in full or makes satisfactory alternative payment arrangements with the department or a child support agency. The notice shall inform the individual of how he or she may pay the delinquent amount or make satisfactory alternative payment arrangements.

5. That, within 20 business days after receiving the notice, the individual may request a hearing before the circuit court that rendered the order or judgment requiring the payments. The request shall be in writing and the individual shall mail or deliver a copy of the request to the child support agency.

(ar) 1. If an individual timely requests a hearing under par. (am) 5., the court shall schedule a hearing within 10 business days after receiving the request. A circuit court commissioner may conduct the hearing. The only issues at the hearing shall be whether the individual is delinquent in making court-ordered payments of support and whether any alternative payment

arrangement offered by the department or the county child support agency is reasonable.

2. If at a hearing under subd. 1. the court or circuit court commissioner finds that the individual does not owe delinquent support, or if within 20 business days after receiving a notice under par. (am) the individual pays the delinquent amount in full or makes satisfactory alternative payment arrangements, the department shall remove the individual's name from the certification list.

3. If at a hearing under subd. 1. the court or circuit court commissioner makes a written determination that alternative payment arrangements proposed by the department or a child support agency are not reasonable, the court or circuit court commissioner may order for the individual an alternative payment arrangement. If the court or circuit court commissioner orders an alternative payment arrangement, the department may not place the individual's name on a certification list.

(b) Any subpoena or warrant shall include notice to the individual of the effect that a failure to comply with the subpoena or warrant may have on any license that the individual holds or for which the individual applies. If the individual fails to comply, before the department certifies to a licensing authority or a licensing agency under the system established under sub. (2) that an individual has failed to comply with a subpoena or warrant, the department or a child support agency shall provide notice to the individual by regular mail. The notice shall inform the individual of all of the following:

1. That a certification of the failure to comply with a subpoena or warrant will be made to a licensing authority, a licensing agency or, with respect to a credential granted by a credentialing board, the department of safety and professional services.

2. When the certification under subd. 1. will occur.

3. That, upon certification, for a period of 6 months any license that the individual holds from any licensing agency or credentialing board, or from any licensing authority if the licensing authority agrees, will be restricted, limited, suspended or not renewed or revalidated, and any license for which the individual applies or has applied from any licensing agency or credentialing board, or from any licensing authority if the licensing authority agrees, will not be granted or issued.

4. That certification will not be made if the individual satisfies the requirements under the subpoena or warrant. The notice shall inform the individual of how he or she may satisfy those requirements.

(bm) If an individual, after receiving notice under par. (b), does not satisfy the requirements under the subpoena or warrant, the department shall place the individual's name on a certification list.

(c) If the department of children and families provides a certification list to a licensing authority, a licensing agency or, with respect to a credential granted by a credentialing board, the department of safety and professional services, upon receipt of the list the licensing authority if the licensing authority agrees, the licensing agency or, with respect to a credential granted by a credentialing board, the department of safety and professional services shall do all of the following:

49.89 Third party liability. (1) **DEFINITION.** In this section, “insurer” includes a sponsor, other than an insurer, that contracts to provide health care services to members of a group.

(2) **SUBROGATION.** The department of health services, the department of children and families, a county, or an elected tribal governing body that provides any public assistance under this chapter or under s. 253.05 as a result of the occurrence of an injury, sickness, or death that creates a claim or cause of action, whether in tort or contract, on the part of a public assistance recipient or beneficiary or the estate of a recipient or beneficiary against a 3rd party, including an insurer, is subrogated to the rights of the recipient, beneficiary or estate and may make a claim or maintain an action or intervene in a claim or action by the recipient, beneficiary, or estate against the 3rd party. Subrogation under this subsection because of the provision of medical assistance under subch. IV constitutes a lien, equal to the amount of the medical assistance provided as a result of the injury, sickness, or death that gave rise to the claim. The lien is on any payment resulting from a judgment or settlement that may be due the obligor. A lien under this subsection continues until it is released and discharged by the department of health services.

(3) **ASSIGNMENT OF ACTIONS.** By applying for assistance under this chapter or under s. 253.05, an applicant assigns to the state department, the county department or the tribal governing body that provided the assistance the right to make a claim to recover an indemnity from a 3rd party, including an insurer, if the assistance is provided as a result of the occurrence of injury, sickness or death that results in a possible recovery of an indemnity from the 3rd party.

(3m) **NOTICE REQUIREMENTS.** (a) An attorney retained to represent a current or former recipient of assistance under this chapter, or the recipient’s estate, in asserting a claim that is subrogated under sub. (2) or assigned under sub. (3) shall provide notice under par. (c).

(b) If no attorney is retained to represent a current or former recipient of assistance under this chapter, or the recipient’s estate, in asserting a claim that is subrogated under sub. (2) or assigned under sub. (3), the current or former recipient or his or her guardian or, if the recipient is deceased, the personal representative of the recipient’s estate, shall provide notice under par. (c).

(bm) A person against whom a claim that is subrogated under sub. (2) or assigned under sub. (3) is made, or that person’s attorney or insurer, shall provide notice under par. (c), if that person, attorney or insurer knows, or could reasonably determine, that the claimant is a recipient or former recipient of medical assistance

under subch. IV, or is the estate of a former recipient of medical assistance under subch. IV.

(c) If a person is required to provide notice under this paragraph, the person shall provide notice by certified mail to the department that provided the assistance as soon as practicable after the occurrence of each of the following events for a claim under par. (a) or (b):

1. The filing of the action asserting the claim.
2. Intervention in the action asserting the claim.
3. Consolidation of the action asserting the claim.
4. An award or settlement of all or part of the claim.

(4) **CONTROL OF ACTION.** The applicant or recipient or any party having a right under this section may make a claim against the 3rd party or may commence an action and shall join the other party as provided under s. 803.03 (2). Each shall have an equal voice in the prosecution of such claim or action.

(5) **RECOVERY; HOW COMPUTED.** Reasonable costs of collection including attorney fees shall be deducted first. The amount of assistance granted as a result of the occurrence of the injury, sickness or death shall be deducted next and the remainder shall be paid to the public assistance recipient or other party entitled to payment.

(6) **DEPARTMENTS’ DUTIES AND POWERS.** The department of health services and the department of children and families shall enforce their rights under this section and may contract for the recovery of any claim or right of indemnity arising under this section.

(7) **PAYMENTS TO LOCAL UNITS OF GOVERNMENT.** (a) Except as provided in par. (f), any county or elected tribal governing body that has made a recovery under this section shall receive an incentive payment from the sum recovered as provided under this subsection.

(bm) The incentive payment shall be an amount equal to 15 percent of the amount recovered because of benefits paid as state supplemental payments under s. 49.77. The incentive payment shall be taken from the state share of the sum recovered.

(c) The incentive payment shall be an amount equal to 15 percent of the amount recovered because of benefits paid under s. 49.20, 1997 stats., or s. 49.19, 49.785, or 253.05. The incentive payment shall be taken from the state share of the sum recovered, except that the incentive payment for an amount recovered because of benefits paid under s. 49.19 shall be considered an administrative cost under s. 49.19 for the purpose of claiming federal funding.

(b) or (bm) shall report such recovery to the department of health services within 30 days after the end of the month in which the recovery is made in a manner specified by the department of health services.

(c) shall report such recovery to the department of children and families within 30 days after the end of the month in which the recovery is made in a manner specified by the department of children and families.

(e) The amount of the recovery remaining after payments are made under pars. (b) to (c) shall be deposited in the state treasury and credited to the appropriation from which the assistance was originally paid.

(f) The amount of any incentive payment to which Milwaukee County would otherwise be entitled under this subsection for a recovery under this section due to the efforts of an employee or

officer of the department of health services, or a county employee or officer under the management of the department of health services, shall be credited to the appropriation account under s. 20.435 (4) (im).

(8) WELFARE CLAIMS NOT PREJUDICED BY RECIPIENT'S RELEASE.

(a) No person who has or may have a claim or cause of action in tort or contract and who has received assistance under this chapter or under s. 253.05 as a result of the occurrence that creates the claim or cause of action may release the liable party or the liable party's insurer from liability to the units of government specified in sub. (2). Any payment to a beneficiary or recipient of assistance under this chapter or under s. 253.05 in consideration of a release from liability is evidence of the payer's liability to the unit of government that granted the assistance.

(b) Liability under par. (a) is to the extent of assistance payments under this chapter or under s. 253.05 resulting from the occurrence creating the claim or cause of action, but not in excess of any insurance policy limits, counting payments made to the injured person. The unit of government administering assistance shall include in its claim any assistance paid to or on behalf of dependents of the injured person, to the extent that eligibility for assistance resulted from the occurrence creating the claim or cause of action.

(9) POWERS OF HEALTH MAINTENANCE ORGANIZATIONS. A health maintenance organization or other prepaid health care plan has the powers of the department of health services under subs. (2) to (5) to recover the costs which the organization or plan incurs in treating an individual if all of the following circumstances are present:

(a) The costs result from an occurrence of an injury or sickness of an individual who is a recipient of medical assistance.

(b) The occurrence of the injury or sickness creates a claim or cause of action on the part of the recipient or the estate of the recipient.

(c) The medical costs are incurred during a period for which the department of health services pays a capitation or enrollment fee for the recipient.

Counties were entitled to be reimbursed for medical assistance from insurance settlements obtained by accident victims despite the fact that neither victim had been fully compensated. *Waukesha County v. Johnson*, 107 Wis. 2d 155, 320 N.W.2d 1 (Ct. App. 1982).

A county could recoup medical assistance payments from a recipient who was minor. *Perkins v. Utneher*, 122 Wis. 2d 497, 361 N.W.2d 739 (Ct. App. 1984).

This section, not s. 49.45 (19) (a) 2., specifically addresses the assignment of actions and subrogation of rights by a public assistance recipient who is injured and has a tort claim against a 3rd party. *Ellsworth v. Schelbrock*, 2000 WI 63, 235 Wis. 2d 678, 611 N.W.2d 764, 98–0294.

Attorney's fees are not chargeable against public assistance recovered in an action under this section. 70 Atty. Gen. 61.

An Arkansas law that automatically imposed a lien on tort settlements in an amount equal to the state's Medicaid's costs incurred on behalf of the settlement recipient, including settlement proceeds meant to compensate the recipient for damages distinct from medical costs like pain and suffering, lost wages, and loss of future earnings contravened federal law and was therefore unenforceable. A state cannot lay claim to more than the portion of the settlement that represents medical expenses. *Arkansas Dept. of Health and Human Services v. Ahlborn*, 547 U.S. 268, 164 L. Ed. 2d 459, 126 S. Ct. 1752 (2006).

49.90 Liability of relatives; enforcement. (1) (a) 1. The parent and spouse of any dependent person who is unable to maintain himself or herself shall maintain such dependent person, so far as able, in a manner approved by the authorities having charge of the dependent, or by the board in charge of the institution where such dependent person is; but no parent shall be required to support a child 18 years of age or older.

2. Except as provided under subs. (11) and (13) (a), the parent of a dependent person under the age of 18 shall maintain a child of the dependent person so far as the parent is able and to the extent that the dependent person is unable to do so. The requirement under this subdivision does not supplant any requirement under subd. 1. and applies regardless of whether a court has ordered

maintenance by the parent of the dependent person or established a level of maintenance by the parent of the dependent person.

(b) For purposes of this section those persons receiving benefits under federal Title XVI or under s. 49.77 shall not be deemed dependent persons.

(c) For the purpose of determining the ability of a parent or spouse to maintain a dependent person or the ability of a parent to support the child of his or her dependent child under the age of 18, credit granted under subch. VIII of ch. 71 shall not be considered.

(1m) Each spouse has an equal obligation to support the other spouse as provided in this chapter. Each parent has an equal obligation to support his or her minor children as provided in this chapter and chs. 48 and 938. Each parent of a dependent person under the age of 18 has an equal obligation to support the child of the dependent person as provided under sub. (1) (a) 2.

(2) Upon failure of these relatives to provide maintenance the authorities or board shall submit to the corporation counsel a report of its findings. Upon receipt of the report the corporation counsel shall, within 60 days, apply to the circuit court for the county in which the dependent person under sub. (1) (a) 1. or the child of a dependent person under sub. (1) (a) 2. resides for an order to compel the maintenance. Upon such an application the corporation counsel shall make a written report to the county department under s. 46.215, 46.22, or 46.23, with a copy to the chairperson of the county board of supervisors in a county with a single-county department or the county boards of supervisors in counties with a multicounty department, and to the department of health services or the department of children and families, whichever is appropriate.

(2g) In addition to the remedy specified in sub. (2), upon failure of a grandparent to provide maintenance under sub. (1) (a) 2., another grandparent who is or may be required to provide maintenance under sub. (1) (a) 2., a child of a dependent minor or the child's parent may apply to the circuit court for the county in which the child resides for an order to compel the provision of maintenance. A county department under s. 46.215, 46.22, or 46.23, a county child support agency under s. 59.53 (5), or the department of children and families may initiate an action to obtain maintenance of the child by the child's grandparent under sub. (1) (a) 2., regardless of whether the child receives public assistance.

(2r) An action under sub. (2) or (2g) for maintenance of a grandchild by a grandparent may be joined with an action to determine paternity under s. 767.80 (1) or an action for child support under s. 767.001 (1) (f) or (j) or 767.501, or both.

(3) At least 10 days prior to the hearing on the application under sub. (2) or (2g), notice of the hearing shall be served upon the grandparent or other relative who is alleged not to have provided maintenance, in the manner provided for the service of summons in courts of record.

(4) The circuit court shall in a summary way hear the allegations and proofs of the parties and by order require maintenance from these relatives, if they have sufficient ability, considering their own future maintenance and making reasonable allowance for the protection of the property and investments from which they derive their living and their care and protection in old age, in the following order: First the husband or wife; then the father and the mother; and then the grandparents in the instances in which sub. (1) (a) 2. applies. The order shall specify a sum which will be sufficient for the support of the dependent person under sub. (1) (a) 1. or the maintenance of a child of a dependent person under sub. (1) (a) 2., to be paid weekly or monthly, during a period fixed by the order or until the further order of the court. If the court is satisfied that any such relative is unable wholly to maintain the dependent person or the child, but is able to contribute to the person's support or the child's maintenance, the court may direct 2 or more of the relatives to maintain the person or the child and prescribe the proportion each shall contribute. If the court is satisfied that these relatives are unable together wholly to maintain the depen-

dent person or the child, but are able to contribute to the person's support or the child's maintenance, the court shall direct a sum to be paid weekly or monthly by each relative in proportion to ability. Contributions directed by court order, if for less than full support, shall be paid to the department of health services or the department of children and families, whichever is appropriate, and distributed as required by state and federal law. An order under this subsection that relates to maintenance required under sub. (1) (a) 2. shall specifically assign responsibility for and direct the manner of payment of the child's health care expenses, subject to the limitations under subs. (1) (a) 2. and (11). Upon application of any party affected by the order and upon like notice and procedure, the court may modify such an order. Obedience to such an order may be enforced by proceedings for contempt.

(5) Any party aggrieved by such order may appeal therefrom but when the appeal is taken by the authorities having charge of the dependent person an undertaking need not be filed.

(6) If any relative who has been ordered to maintain an institutionalized dependent person or an institutionalized child of a dependent person under 18 years of age neglects to do as ordered, the authorities in charge of the dependent or child or in charge of the institution may recover in an action on behalf of the relief agency or institution for relief or support accorded the dependent person or child against such relative while the order was disobeyed and up to the time of judgment, with costs.

(7) When the income of a responsible relative is such that the relative would be expected to make a contribution to the support of the recipient and such recipient lives in the relative's home and requires care, a reasonable amount may be deducted from the expected contribution in exchange for the care provided.

(9) In any action under this section the court may impose any sum ordered paid by a party as a charge upon any specific real estate of the party liable or may require sufficient security to be given for payment according to the judgment or order.

(10) If an action under this section relates to support or maintenance of a child, to the extent appropriate the court shall determine maintenance or support in the manner in which support is determined under s. 767.511.

(11) Except as provided in sub. (13) (b), the parent of a dependent person who is under the age of 18 and is alleged to be the father of a child is responsible for maintenance of that child only if the paternity of the child has been determined to be that of the dependent person as provided in subch. VIII of ch. 48 or under subch. IX of ch. 767. Subject to the limitations under sub. (1) (a), if a parent of a dependent person is liable for the health care expenses of the dependent person's child under sub. (4), this liability extends to all expenses of the child's medical care and treatment, including those associated with the childbirth, regardless of whether they were incurred prior to the determination of paternity and regardless of whether the determination of paternity is made after the child's father attains 18 years of age, except that the period for which maintenance payment is ordered for the parent of a dependent person may not extend beyond the date on which the dependent person attains 18 years of age. The court may limit the liability of the dependent person's parent for the child's medical expenses if the expenses exceed 5 percent of the parent's federal adjusted gross income for the previous taxable year, if the parent files separately, or 5 percent of the sum of the parents' federal adjusted gross income for the previous taxable year, if the parents file jointly.

(12) The parent of a dependent person who maintains a child of the dependent person under sub. (1) (a) 2. may, after the dependent person attains the age of 18, apply to the circuit court for the county in which the child resides for an order to compel restitution by the dependent person of the amount of maintenance provided to the dependent person's child by that parent. The circuit court shall in a summary way hear the allegations and proof of the parties and, after considering the financial resources and the future ability of the dependent person to pay, may by order specify a sum

in payment of the restitution, to be paid weekly or monthly, during a period fixed by the order or until further order of the court. Upon application of any party affected by the order and following notice and an opportunity for presentation of allegations and proof by the parties, the court may modify the order. The parent of the dependent person may file a restitution order with the clerk of circuit court. Upon payment of the fee under s. 814.61 (5) (am) 1., the clerk of circuit court shall enter the order on the judgment and lien docket under s. 806.10 in the same manner as for a judgment in a civil action. Thereafter, the parent of the dependent person may enforce the order against the dependent person in the same manner as for a judgment in a civil action.

(13) (a) The parent of a dependent person who is the victim of a sexual assault under s. 940.225 (1) (a) for which a conviction is obtained and which results in the birth of a child before the dependent person attains the age of 18 is not responsible under sub. (1) (a) 2. for the maintenance of that child of the dependent person.

(b) If a dependent person is convicted at any time of causing a pregnancy under s. 940.225 (1) (a) which results in the birth of a child before the dependent person attains the age of 18, the parent of that dependent person is solely liable under the requirements of sub. (1) (a) 2. for the maintenance of the dependent person's child.

(c) If the parent of the dependent person specified in par. (a) provides maintenance to the dependent person's child and if par. (b) applies, the parent may apply to the circuit court for the county in which the child resides for an order to compel restitution by the parent specified in par. (b) of the amount of maintenance provided. The circuit court shall in a summary way hear the allegations and proof of the parties and, after considering the financial resources and future ability of the parent of the dependent person specified in par. (b) to pay, may by order specify a sum in payment of the restitution, to be paid weekly or monthly, during a period fixed by the order or until further order of the court. Upon application of any party affected by the order and following notice and an opportunity for presentation of allegations and proof by the parties, the court may modify the order. The parent specified in par. (a) may file a restitution order with the clerk of circuit court. Upon payment of a fee under s. 814.61 (5) (am) 1., the clerk of circuit court shall enter the order on the judgment and lien docket under s. 806.10 in the same manner as for a judgment in a civil action. Thereafter, the parent specified in par. (a) may enforce the order against the parent specified in par. (b) in the same manner as for a judgment in a civil action.

Sub. (1) (a) 1. obligates a spouse to support a dependent spouse who is unable to financially care for him or herself while residing in an institution, but must give way to the more specific terms of s. 49.455 (2) and (3) (a), which are specifically concerned with the allocation of income from a community spouse to an institutionalized spouse receiving medical assistance benefits. Section 49.455 (2) applies in determining eligibility for medical assistance and the required contribution to an institutionalized person's care and s. 49.455 (3) (a) declares that the income of a community spouse is not available to the institutionalized spouse, when, with specific exceptions, a community spouse's income is paid solely to the spouse.
